I received a B.A. in Economics from Washington College and an M.S. in Finance from Boston College.

9. Since the Debtors engaged BRG in July 2022, I have worked closely with the Debtors' management and other professionals on the Debtors' restructuring efforts, including assisting the Debtors in preparing cash flow projects, budgets, and other reports, as well as assisting with strategic operations including, most recently, the rebalancing of the Debtors' cryptocurrency portfolio and preparation for execution on the proposed Plan, whether that ultimately be through a Sale Transaction with Binance.US or the Liquidation Transaction. I lead the BRG team advising the Debtors. In this capacity I have become well-acquainted with the Debtors' restructuring efforts. I am also familiar with the terms and provisions of the Plan, as well as all previously submitted plans—I participated directly in the due diligence, discussions, and analysis related to the Plan, as well as all previously submitted plans.

10. The Debtors requested that I address for the Court and parties-in-interest, among other things described in more detail below: (1) the purpose of the Plan; (2) the ability of the Plan, including the Sale Transaction or the Liquidation Transaction to satisfy the "best interests test" as defined in section 1129(a)(7) of the bankruptcy code; (3) the feasibility of the Plan, including the Sale Transaction or the Liquidation Transaction as applicable, under section 1129(a)(11) of the bankruptcy code; (4) the need for key Debtor employees to continue providing services to the Debtors (and the Wind-Down Estate) in order to successfully effectuate the Plan, including the

Sale Transaction or the Liquidation Transaction; and (5) whether or not appointment of a trustee in these chapter 11 cases is warranted under the circumstances.

II. Background

11. To understand why I reach the opinions described below, it is necessary to understand Voyager's operational history as well as the history of these chapter 11 cases.

A. Operations

12. Voyager's primary operations consist of (i) brokerage services, (ii) custodial services through which customers earn interest and other rewards, and (iii) lending programs. All of Voyager's services are accessible through a mobile application that users can download on their smartphones and other smart devices.

13. **Brokerage Services.** Voyager operates as a cryptocurrency "agency broker," matching its customers with counterparties who can facilitate the customers' desired trades. The Company's platform surveys approximately a dozen exchanges and liquidity providers and executes trades through a proprietary algorithm that evaluates the price, certainty of execution, reliability of the trading venue, and speed of execution.

14. **Custodial Services.** Customers store their digital assets on the Voyager platform and, unless they "opted out" of the rewards program (which all customers had the opportunity to do), earned interests on deposits which, prior to the Petition Date, were primarily paid in three ways: (i) PIK Interest; (ii) through VGX and the Voyager Loyalty Program; and (iii) through "staking" programs. Customers could also sign up for a Voyager Debit Card.

15. **Lending Program.** As part of providing customers with PIK Interest, Voyager lent cryptocurrency deposited on its platform to third parties, sometimes on a collateralized basis but often on an uncollateralized basis. Customers were advised of this through clear language in the

Customer Agreement. Such third parties paid Voyager a pre-negotiated interest rate that is payable in either cash or payment-in-kind (*i.e.*, a Bitcoin loan accrues interest payable in Bitcoin). Voyager's lending program was an integral part of its business and necessary to provide customers with a meaningful return on their assets. Loans made by the Company that were outstanding as of the Petition Date were as follows:

<i>Loan Counterparty</i>	<i>Borrowing Rates</i>	<i>Amount Outstanding (in thousands)</i>
Alameda Research Ltd.	1% - 11.5%	\$376,784
Three Arrows Capital	3% - 10%	\$654,195
Genesis Global Capital, LLC	4% - 13.5%	\$17,556
Wintermute Trading Ltd	1% - 14%	\$27,342
Galaxy Digital LLC	1% - 30%	\$34,427
Tai Mo Shan Limited	10%	\$13,770
Other	4% - 8%	\$751
<i>Total Loan Obligations</i>		<i>\$1,124,825</i>

B. The Market Crashes and Voyager Seeks Chapter 11 Protection

16. Cryptocurrency is inherently volatile, and prices vacillate by the second due to constant trading occurring 24 hours a day, seven days a week. 2022 saw historic levels of volatility in the markets generally, and the cryptocurrency markets were not immune. Bitcoin slumped over 65% from January 1, 2022 to year-end:

17. Crypto’s 2022 pullback began with the collapse of LUNA, a cryptocurrency issued by Terra, an open-source blockchain protocol. Terra issued LUNA to execute transactions on the Terra blockchain. In early May 2022, LUNA was trading at \$86 per token and had a market capitalization of approximately \$14 billion. Along with LUNA, Terra issued TerraUSD (“UST”), an algorithmic stablecoin that was pegged at \$1.

18. On May 7, 2022, \$2 billion of UST was unstaked and immediately sold. This dropped UST’s price to \$0.91. UST holders saw the “de-peg” and rushed to unstake and sell their coins.

19. Traders redeemed UST for LUNA and sold their LUNA, leading to a significant decrease in its price. Simultaneously, other traders attempted to repeg LUNA to UST by burning UST to create LUNA, which in turn created an oversupply of LUNA and further exacerbated its price decline. In one week, LUNA’s price fell from \$82.55 to \$0.000001 per token, eliminating \$18 billion of value in the cryptocurrency sector.

20. Many cryptocurrency-focused hedge funds, and other cryptocurrency companies, owned LUNA. Some were unable to sell their LUNA under staking agreements and were forced to incur up to a 99% loss on their investment. And in mid-June, reportedly due in part to the collapse of LUNA, Three Arrows Capital (“3AC”), a major player in the space, collapsed.

21. On June 15, 2022, 3AC confirmed that it had suffered at least some loss from the LUNA collapse and that it had hired legal and financial advisors to explore potential liquidity solutions. Shortly thereafter, on June 27, 2022, 3AC was ordered by a court in the British Virgin Islands to commence liquidation proceedings.

22. Voyager was a victim of 3AC’s collapse. As stated above and as disclosed to customers, to provide customers with a yield on the assets they store with Voyager, Voyager loans out a portion of its cryptocurrency reserves to third parties. One such loan was to 3AC. In March 2022, the Company entered into a master loan agreement with 3AC (the “3AC Loan”). Pursuant to the 3AC Loan, the Company agreed to lend 15,250 Bitcoins and 350 million USDC to 3AC. The 3AC Loan was callable at any time by the Company. 3AC fully drew down on the 15,250 Bitcoins and 350 million USDC.

23. After the LUNA crash in 2022, Voyager began to assess 3AC’s downside exposure and the likelihood of repayment under the 3AC Loan. Voyager then made an initial request for a repayment by 3AC of \$25 million of USDC by June 24, 2022, and subsequently requested repayment of the entire outstanding balance of Bitcoin and USDC by June 27, 2022. 3AC did not repay either requested amount. Accordingly, on June 27, 2022, Voyager issued a notice of default to 3AC for failure to make the required payments under the 3AC Loan.

24. Once it became clear that 3AC had significant exposure to the crash, Voyager’s management team swiftly took action to identify potential sources of liquidity to stabilize

Voyager's business and remain adequately capitalized, and it ultimately became necessary that Voyager begin marketing its business and enter these chapter 11 proceedings.

C. Voyager Markets a Sale, AlamedaFTX Implodes

25. Beginning on or about June 20, 2022, the Debtors commenced a marketing process to solicit interest in a sale to a third-party investor. However, discussions with interested parties revealed that an in-court process for the Debtors' assets would be necessary to consummate the most value-maximizing transaction for stakeholders. Accordingly, the Debtors commenced these chapter 11 cases on July 5, 2022 (the "Petition Date"), and continued their marketing efforts.

26. As discussed in greater detail in the *Declaration of Brian Tichenor in Support of Confirmation of the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code*, filed contemporaneously herewith (the "Moelis Declaration"), the Debtors' multi-month marketing process culminated in an auction process on September 13, 2022, to identify the highest and best bid from interested parties. The Debtors' financial advisor, Moelis, scrutinized the bids along with me and my team at BRG, the Debtors' legal advisors, and the Debtors' management team, Board of Directors, and independent directors, and ultimately concluded AlamedaFTX was the best option because all believed—based on what is now known to be fraud—that AlamedaFTX could timely close and effectuate the sales process and had the wherewithal to do so. The Court approved the Debtors' entry into a purchase agreement with AlamedaFTX on October 20, 2022. Confirmation was originally set for December 8, 2022.

27. On November 2, 2022, public reports began to circulate citing leaked, internal financial statements and questioning the health and liquidity of both FTX and Alameda Research

LLC (and their various affiliates, none of which appear to have operated independently). That and other public reporting began a death spiral for AlamedaFTX.

28. On November 8, 2022, FTX's CEO stated publicly that FTX was experiencing a "liquidity crunch" due to user withdrawals.⁶ The Debtors and their advisors inquired with FTX and its advisors, who either could not or would not share any material information about what was happening. On November 11, 2022, AlamedaFTX began the process of filing for bankruptcy.⁷ The counterparty to the APA with the Debtors, West Realm Shires d/b/a FTX US, did not file until November 14, 2022.

D. Voyager Markets a Sale Again, Reaches Agreement with Binance.US

29. On November 10, 2022, the day before AlamedaFTX publicly filed for bankruptcy, AlamedaFTX agreed to waive the "no shop" provision of the AlamedaFTX Purchase Agreement. The Debtors promptly restarted their sales process, and engaged in extensive negotiations with the interested parties over the course of approximately one month.

30. Ultimately, on December 18, 2022, Debtor Voyager Digital, LLC (the "Seller") executed an asset purchase agreement (the "Asset Purchase Agreement") with BAM Trading Services Inc. ("Binance.US" or "Purchaser" and the transaction, "Sale Transaction"). The Asset Purchase Agreement provided that the Sale Transaction would be consummated through the Plan.

31. The Debtors value the Sale Transaction at approximately \$1.022 billion, comprising (a) the value of cryptocurrency on the Voyager platform as of a date to be determined, which as of December 18, 2022, is estimated to be \$1.002 billion, plus (b) additional consideration, which is estimated to provide at least \$20 million of incremental value. The Sale Transaction

⁶ @SBF_FTX, Twitter (Nov. 8, 2022).

⁷ @SBF_FTX, Twitter (Nov 11, 2022).

includes reimbursement by Binance.US of up to \$15 million of Seller's expenses, and provides a \$10 million reverse termination fee payable to the Seller by Binance.US to compensate the Debtors' estates in the event that Binance.US cannot consummate the transaction.

32. The Plan also allows the Debtors to toggle to either a higher and better third-party bid (should one emerge) or to a self-liquidation if the Debtors determine, in their business judgment, that the Sale Transaction is no longer the best path forward for the Debtors' creditors (the "Liquidation Transaction"). The Plan was negotiated heavily between many parties, including the Debtors and the Official Committee of Unsecured Creditors (the "Committee"). Thousands of hours have been invested in creating as good of an outcome for creditors as is possible under the circumstances and the Plan (if confirmed) does exactly that.

III. The Plan Satisfies the Confirmation Requirements

33. For the reasons detailed below, I believe that the Plan satisfies the applicable bankruptcy code requirements for confirmation of a plan of reorganization. I set forth the reasons for such belief below, except where such compliance is apparent on the face of the Plan, the Plan Supplement, and the related documents or where it will be the subject of other evidence introduced at the Combined Hearing.

A. The Plan Fully Complies with the Applicable Provisions of the Bankruptcy Code — § 1129(a)(1).

34. I understand that section 1129(a)(1) of the bankruptcy code requires a chapter 11 plan to comply with all applicable provisions of the bankruptcy code.

1. Proper Classification of Claims and Interests — § 1122 and § 1123(a)(1).

35. I understand that sections 1122 and 1123(a)(1) of the bankruptcy code govern the manner in which a debtor may classify claims and interests. I believe that the Plan's classification of Claims and Interests satisfies the requirements of section 1122 of the bankruptcy code because

the Plan places Claims and Interests into eleven separate Classes, with the Claims and Interests in each Class differing from the Claims and Interests in each other Class in a legal or factual nature or based on other relevant criteria.

36. I believe that valid business, legal, and factual reasons justify the separate classification of the particular Claims or Interests into the Classes created under the Plan, and no unfair discrimination exists between or among Holders of Claims and Interests. In particular, I understand that general unsecured claims are broken into three classes, OpCo General Unsecured Claims, HoldCo General Unsecured Claims, and TopCo General Unsecured Claims to comport with certain requirements of the bankruptcy code and to account for the fact that Holders of such claims have legal recourse against only specific Debtors. Holders of Account Holder Claims are classified separately from Holders of other General Unsecured Claims due to the unique nature and basis for the Account Holder Claims, which are made up of claims held by customers on the Voyager platform. Further, Alameda Loan Facility Claims are properly classified separately as such Claims are asserted against multiple Debtor entities and are Claims on account of an unsecured loan.

2. Specification of Unimpaired Classes — § 1123(a)(2).

37. I understand that Article III.B of the Plan identifies each Class that is Unimpaired.

3. Treatment of Impaired Classes — § 1123(a)(3).

38. I understand that Article III.B of the Plan identifies each Class that is Impaired and describes the treatment thereof.

4. Equal Treatment of Similarly Situated Claims and Interests — § 1123(a)(4).

39. I understand that section 1123(a)(4) of the bankruptcy code requires that the Plan provide the same rights and treatment to each holder of claims or interests as other holders of

allowed claims or interests within such holders' respective class. I believe that the Plan satisfies this requirement, as all Holders of Allowed Claims or Interests will receive the same rights and treatment as other Holders of Allowed Claims or Interests within such Holders' respective Class. In particular, all Account Holder Claims will be "dollarized" as of the Petition Date, and the Holders thereof will receive recoveries proportional to the "dollarized" value of their account holdings relative to the aggregate dollarized value of all customer accounts. The form such distributions take will be a function of the laws and regulations of jurisdictions in which Account Holders reside.

5. Adequate Means for Implementation — § 1123(a)(5).

40. I understand that section 1123(a)(5) of the bankruptcy code requires that a chapter 11 plan provide adequate means for a plan's implementation. I believe that the Plan provides adequate means for implementation as required under section 1123(a)(5) of the bankruptcy code. Among other things, Article IV of the Plan:

- i. constitutes a good faith compromise and settlement of all Claims, Interests, Causes of Action and controversies released, settled, compromised, or otherwise resolved pursuant to the Plan;
- ii. authorizes the applicable Debtors to take all actions necessary or appropriate to effectuate the Plan, including those actions necessary to effectuate the Restructuring Transactions, as set forth in the Plan Supplement, as the same may be modified or amended (in accordance with the terms of the Plan) from time to time prior to the Effective Date;
- iii. authorizes the Debtors to consummate the Restructuring Transactions, including (i) all transactions necessary to provide for the purchase of the Acquired Assets by

- Purchaser under the Asset Purchase Agreement, if applicable, (ii) the distribution of Cryptocurrency or Cash pursuant to the Asset Purchase Agreement, as applicable; (iii) the execution of the Plan Administrator Agreement and any transactions necessary or appropriate to form the Wind-Down Debtor; and (iv) the transfer of the Wind-Down Debtor assets to the Wind-Down Debtor;
- iv. provides for consummation of the Sale Transaction or the Liquidation Transaction, as applicable;
 - v. effectuates the Employee Transition Plan;
 - vi. provides for the retention of certain Non-Released D&O Claims to be pursued, settled, or resolved by the Wind-Down Debtor;
 - vii. implements the D&O Settlement;
 - viii. creates the Wind-Down Debtor and appoints the Plan Administrator and Wind-Down Debtor Oversight Committee;
 - ix. provides sources of consideration for Plan distributions;
 - x. effectuates the cancellation of certain notes, instruments, certificates and other documents; and
 - xi. preserves certain Vested Causes of Action.

41. On the Effective Date, the Wind-Down Debtor Assets shall, subject to the Plan Administer Agreement, be transferred to and vest in the Wind-Down Debtor. The Wind-Down Debtor will be charged with winding down the Debtors' estates and will be the successor-in-interest to the Debtors, and a successor to the Debtors' rights, title and interest to the Wind-Down Debtor Assets. The Wind-Down Debtor will be managed by the Plan Administrator and will be subject to a Wind-Down Debtor Oversight Committee.

6. Prohibition of Issuance of Non-Voting Stock — § 1123(a)(6).

42. I understand that section 1123(a)(6) of the bankruptcy code requires that a debtor's organizational documents prohibit the issuance of nonvoting equity securities. The Debtors are winding down, and there will not be any issuance of nonvoting equity securities or preferred stock. Accordingly, I believe section 1123(a)(6) of the bankruptcy code is inapplicable to the Plan.

7. Selection of Officers and Directors — § 1123(a)(7).

43. I understand that section 1123(a)(7) of the bankruptcy code requires that any provisions in the Plan with respect to the manner of selection of any director, officer, or trustee be consistent with the interests of creditors, equity holders, and public policy. I believe that the Plan satisfies this requirement by providing that, on the Effective Date, the authority, power, and incumbency of the persons acting as directors and officers of the Debtors will be deemed to have resigned, solely in their capacities as such, and the Plan Administrator will be appointed by the Debtors as the sole director and the sole officer of the Wind-Down Debtor and will succeed to the powers of the Debtors' directors and officers. The Debtors filed the Plan Administrator Agreement with the Plan Supplement, which provides the identity of the Plan Administrator and Wind-Down Oversight Committee.

8. Discretionary Contents of the Plan — § 1123(b).

44. I understand that section 1123(b) of the bankruptcy code sets forth various discretionary provisions that may be incorporated into a chapter 11 plan. I understand that pursuant to section 1123(b) of the bankruptcy code, among other things, a plan may: (a) impair or leave unimpaired any class of claims or interests; (b) provide for the assumption or rejection of executory contracts or unexpired leases not previously rejected; (c) provide for the settlement or adjustment

of any claim or interest belonging to a debtor; or (d) include any other provision not inconsistent with applicable provisions of chapter 11.

45. I believe that the Plan is consistent with section 1123(b) of the bankruptcy code. **First**, the treatment of Classes under the Plan renders such Classes either Impaired or Unimpaired. Class 1 (Secured Tax Claims) and Class 2 (Other Priority Claims) are Unimpaired, and Class 3 (Account Holder Claims), Class 4A (OpCo General Unsecured Claims), Class 4B (HoldCo General Unsecured Claims), Class 4C (TopCo General Unsecured Claims), Class 5 (Alameda Loan Facility Claims), Class 6 (Section 510(b) Claims), and Class 9 (Existing Equity Interests) are Impaired under the Plan. Class 7 (Intercompany Claims) and Class 8 (Intercompany Interests) may be Impaired or Unimpaired under the Plan. **Second**, Article V of the Plan satisfies section 1123(b)(2) because it provides that, on the Effective Date, all Executory Contracts and Unexpired Leases, including any employee benefit plans, severance plans, and other Executory Contracts under which employee obligations arise, that, as of the Effective Date, were not previously rejected, assumed, or assumed and assigned, shall be deemed automatically rejected pursuant to sections 365 and 1123 of the bankruptcy code, except to the extent set forth in the plan. **Third**, for the reasons set forth in Section II below, I believe that the Plan's release, exculpation, and injunction provisions are consistent with section 1123(b) of the bankruptcy code. **Finally**, the Plan also effectuates the Sale Transaction contemplated by the Asset Purchase Agreement or the Liquidation Transaction as applicable.

46. I submit that each of these provisions are appropriate because, among other things, they are (a) the product of arm's-length negotiations, (b) given for valuable consideration, (c) fair and equitable and in the best interests of the Debtors, their estates, and these chapter 11 cases, and

(d) consistent with the relevant provisions of the bankruptcy code and Second Circuit law as explained to me.

9. The Debtors Will Cure Monetary Defaults of Any Assumed Executory Contracts or Unexpired Leases — § 1123(d).

47. I understand that section 1123(d) of the bankruptcy code requires that cure amounts be determined in accordance with the underlying agreement and nonbankruptcy law.

48. I believe that the Plan complies with section 1123(d) of the bankruptcy code. The Plan provides for the satisfaction of cure costs under each Executory Contract and Unexpired Lease to be assumed under the Plan on the Effective Date or in the ordinary course of business, subject to the limitations described in Article V of the Plan, and that the Wind-Down Debtor or the Purchaser, as applicable, shall pay any Cure Amounts on the Effective Date.

10. The Debtors Complied with the Solicitation Requirements of the Bankruptcy Code — § 1129(a)(2).

49. I understand that section 1129(a)(2) of the bankruptcy code requires that plan proponents comply with the applicable provisions of the bankruptcy code and, in that regard, is specifically intended to ensure compliance with the disclosure and solicitation requirements set forth in sections 1125 and 1126 of the bankruptcy code. Based on my review of information provided by the Debtors and their advisors, along with the Voting Report, I believe that the Debtors have complied with sections 1125 and 1126 of the bankruptcy code.

11. The Debtors Proposed the Plan in Good Faith — § 1129(a)(3).

50. I understand that section 1129(a)(3) of the bankruptcy code requires that a chapter 11 plan be proposed in good faith and not by any means forbidden by law. Here, there is no question in my mind that section 1129(a)(3) has been satisfied. The Plan was proposed by the Debtors with honesty, good intentions, and a desire to maximize stakeholder recoveries under extraordinarily challenging circumstances. That is particularly so after the historic FTX collapse

derailed the prior proposed plan, when the Debtors, their employees, their advisors, and the Committee and its advisors, worked together to find another transaction partner and pivot to the current Plan—which includes flexibility to toggle to the Liquidation Transaction if necessary—quickly. Moreover, the Sale Transaction effectuated by the Plan is the product of extensive, arm’s-length negotiations with numerous written and verbal proposals and counterproposals exchanged among sophisticated parties over the course of several months. Further, the Liquidation Transaction contemplated under the Plan ensures that Holders of Claims can receive the highest recoveries available on the shortest timeline in the event that the Sale Transaction is not ultimately consummated.

12. Payment of Professional Fees and Expenses Are Subject to Court Approval — § 1129(a)(4).

51. I understand that section 1129(a)(4) of the bankruptcy code requires a Court to approve certain fees and expenses that either a plan proponent, debtor, or person receiving property distributions under the plan has paid as reasonable. I can confirm that Professional Fee Claims and corresponding payments are subject to prior Bankruptcy Court approval and the reasonableness requirements under sections 328 or 330 of the bankruptcy code. Article II.B of the Plan, moreover, provides that Professionals shall file all final requests for payment of Professional Fee Claims no later than 45 days after the Effective Date, thereby providing an adequate period of time for interested parties’ to review such Professional Fee Claims.

13. The Governance Disclosure Requirements Do Not Apply to the Debtors or Are Satisfied — § 1129(a)(5).

52. I understand that section 1129(a)(5) of the bankruptcy code requires (a) that a plan proponent disclose the identity and affiliation of any individual proposed to serve as a director or officer of the debtor, or a successor thereto, under a chapter 11 plan, (b) that the appointment or continuance of such officers and directors be consistent with the interests of creditors and equity

security holders and with public policy, and (c) that a plan proponent disclose the identities or affiliations of insiders to be employed or retained by the reorganized debtors as directors and officers and the nature of any compensation for such insider. Because the Plan provides for the vesting of the Debtors' remaining assets in the Wind-Down Debtor and the subsequent dissolution of the Debtors, I understand that section 1129(a)(5) of the bankruptcy code is not applicable to these chapter 11 cases. Nevertheless, I believe that Article IV.H of the Plan and the Plan Supplement satisfy the requirements of section 1129(a)(5) of the bankruptcy code, to the extent applicable, as the Debtors disclosed the method of selection, compensation, and affiliations of the Plan Administrator and the Wind-Down Oversight Committee.

14. The Plan Does Not Require the Government to Approve Rate Changes — § 1129(a)(6).

53. I have been advised that the Debtors are not subject to regulations that would invoke section 1129(a)(6)'s requirement that they seek regulatory approval for rate changes provided for under the Plan. The Plan does not propose any rate changes. As such, I do not believe that section 1129(a)(6) is applicable to the Plan.

15. The Plan Satisfies the Best Interests Test — § 1129(a)(7).

54. As fulsomely discussed in Section IV, *infra*, I understand that section 1129(a)(7) of the bankruptcy code requires that any chapter 11 plan must satisfy the "best interests of creditors" test, which provides that holders of claims or interests in impaired, non-accepting classes must receive under a chapter 11 plan at least as much as they would in a liquidation. It is my opinion that it does.

16. Acceptance by Impaired Classes — § 1129(a)(8).

55. I understand that the bankruptcy code generally requires that each class of claims or interests must either accept the plan or be unimpaired under the plan. I further understand that

if any class of claims or interests rejects the plan, the plan must satisfy the “cram down” requirements with respect to the claims or interests in that class. I understand that Class 3 (Account Holder Claims), Class 4B (HoldCo General Unsecured Claims), and Class 4C (TopCo General Unsecured Claims) voted to accept the Plan and the voting has been overwhelmingly in favor of the Plan. I understand that no holders of OpCo General Unsecured Claims voted on the Plan. However, I understand that because certain Classes are or may be deemed to reject the Plan, the Debtors do not satisfy section 1129(a)(8) of the bankruptcy code. However, even though certain Classes are or may be deemed to reject the Plan, I understand that the Debtors still satisfy section 1129(b) as at least one Impaired Class voted to accept the Plan.

17. Priority Cash Payments — § 1129(a)(9).

56. I understand that the bankruptcy code generally requires that claims entitled to administrative priority must be repaid in full in cash on the effective date or receive certain other specified treatment that the Holder of such claim has agreed to. I understand that the Plan provides that each Holder of an Allowed Administrative Claim allowed on or prior to the Effective Date will receive payment in full in Cash no later than thirty (30) days after the Effective Date or as soon as reasonably practicable thereafter. Article II.A of the Plan generally provides that each Holder of Allowed Administrative Claims shall receive payment in full in Cash or such other treatment as to render such holders unimpaired. Finally, I understand that Allowed Priority Tax Claims will be treated in accordance with the requirements of the bankruptcy code. Accordingly, I believe that the Plan fully complies with and satisfies all of the requirements of section 1129(a)(9) of the bankruptcy code.

18. At Least One Impaired Class Voted to Accept the Plan — § 1129(a)(10).

57. I understand that the bankruptcy code provides that, to the extent there is an impaired class of claims, at least one impaired class of claims must accept the plan “without including any acceptance of the plan by any insider,” as an alternative to the requirement under section 1129(a)(8) of the bankruptcy code that each class of claims or interests must either accept the plan or be unimpaired under the plan. I understand that the following Impaired Classes of Claims entitled to vote on the Plan—Classes 3, 4B, and 4C—voted to accept the Plan, independent of any insiders’ votes.

19. The Plan is Feasible — § 1129(a)(11).

58. As fulsomely discussed in Section V, *infra*, I understand that section 1129(a)(11) of the bankruptcy code requires a court to determine that a chapter 11 plan is feasible and that confirmation of such plan is not likely to be followed by the liquidation or further financial reorganization of the Debtors (or any successors thereto) unless such liquidation or reorganization is proposed in the Plan. Provided that the Plan is confirmed as proposed, without material changes, I believe that consummation of either the Sale Transaction or the Liquidation Transaction is feasible, and I believe the Plan satisfies the feasibility requirements of section 1129(a)(11).

20. The Plan Provides for Payment of All Fees — § 1129(a)(12).

59. I understand that section 1129(a)(12) of the bankruptcy code requires the payment of all fees payable under 28 U.S.C. § 1930. Article XII.C of the Plan includes an express provision requiring payment of all fees in compliance with the bankruptcy code. Accordingly, I believe the Plan satisfies the requirements of section 1129(a)(12) of the bankruptcy code.

21. The Plan Complies with Section 1129(a)(13) of the Bankruptcy Code.

60. It is my understanding that section 1129(a)(13) of the bankruptcy code requires that any applicable retiree benefits will continue to be paid post effective date at the level established

by agreement or by court order pursuant to section 1114 of the bankruptcy code at any time prior to confirmation of the Plan, for the duration of the period which the debtor has obligated itself. I do not believe retiree benefits as defined by section 1129(a)(13) are implicated by the Plan.

22. Sections 1129(a)(14) through 1129(a)(16) of the Bankruptcy Code Do Not Apply to the Plan.

61. Based on my knowledge of the Debtors' business and information provided by the Debtors' advisors, I believe that sections 1129(a)(14) through 1129(a)(16) of the bankruptcy code do not apply to the Plan because the Debtors are not subject to domestic support obligations, are not "individuals," and are not nonprofit corporations.

23. The Plan Complies with the Other Provisions of Section 1129 of the Bankruptcy Code.

i. The Cram Down Provisions are Appropriate — § 1129(b).

62. I understand that if all applicable requirements of section 1129(a) of the bankruptcy code are satisfied, other than section 1129(a)(8), a plan may still be confirmed so long as the requirements set forth in section 1129(b) are satisfied. I believe that the Debtors satisfied all applicable requirements of section 1129(b) of the bankruptcy code as Impaired Classes 3, 4B, and 4C voted to accept the Plan, thus permitting the Debtors to "cram down" the Plan pursuant to section 1129(b) on any Class deemed to reject the Plan.

ii. Only One Plan Is Eligible to Be Confirmed — § 1129(c).

63. I understand that section 1129(c) of the bankruptcy code prohibits the confirmation of multiple plans. Section 1129(c) of the bankruptcy code is not implicated here because there is only one proposed plan of reorganization.

iii. The Principal Purpose of the Plan Is Not the Avoidance of Taxes as Required Under Section 1129(d) of the Bankruptcy Code.

64. The Plan was not filed for the purpose of avoidance of taxes or the application of section 5 of the Securities Act of 1933, as amended. Rather, the Debtors filed the Plan to accomplish their objective of efficiently and responsibly effectuating distributions to creditors in the face of unprecedented economic circumstances in a developing market and consummating the most value-maximizing transaction available. Moreover, I understand that no party that is a governmental unit, or any other entity, requested that the Bankruptcy Court decline to confirm the Plan on the grounds that the principal purpose of the Plan is the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act of 1933. Accordingly, I believe that the Debtors satisfied the requirements of section 1129(d) of the bankruptcy code.

iv. Section 1129(e) of the Bankruptcy Code Is Inapplicable.

65. Lastly, I understand that section 1129(e) of the bankruptcy code does not apply to the Plan because none of the Debtors' chapter 11 cases is a "small business case" within the meaning of the bankruptcy code.

IV. Liquidation Analysis

66. I performed the Liquidation Analysis to address the ability of the Sale Transaction or Liquidation Transaction to satisfy the "best interests of creditors" test as defined in section 1129(a)(7) of the bankruptcy code, which provides that holders of claims or interests in impaired, non-accepting classes must receive under a chapter 11 plan at least as much as they would in a liquidation.⁸

⁸ The results of my Liquidation Analysis along with a summary of my assumptions were set forth as Exhibit B to the *Second Amended Disclosure Statement Relating to the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and its Debtor Affiliates* [Docket No. 863]. In this Declaration, I discuss the Liquidation Analysis in detail.

67. To prepare this Liquidation Analysis, and working with my team at BRG, the Debtors, and the Debtors' other advisors, along with the advisors to the Committee, I estimated proceeds, costs, and resulting recoveries in three separate scenarios: (1) consummation of the Sale Transaction; (2) consummation of the Liquidation Transaction; and (3) a chapter 7 liquidation. For the chapter 7 liquidation scenario, I estimated both a "high case" and a "low case." As discussed below, the primary difference between the high case and the low case is the estimated proceeds from liquidation of the coin portfolio, which is difficult to estimate given the nature of the cryptocurrency market but which will clearly be more challenging and less successful in the hypothetical chapter 7 scenario.

68. With respect to the chapter 7 liquidation scenario, I assumed the Debtors would convert their current chapter 11 cases to cases under chapter 7 of the bankruptcy code on or about April 18, 2023 (the "Conversion Date"), absent confirmation of the Plan. I assumed that on the Conversion Date, the Bankruptcy Court would appoint a chapter 7 trustee ("Trustee"), and that the Trustee would immediately sell or surrender all of the Debtors' assets and the cash proceeds of those sales, net of the liquidation-related costs, would then be distributed to creditors in accordance with the applicable law.

69. More specifically, in order to estimate the creditor recoveries in each scenario, I performed the following four steps:

(i) Step 1 - Estimated Gross Proceeds

70. For the chapter 7 liquidation scenario, I estimated the cash proceeds that the Trustee would generate if the Debtor's chapter 11 case were converted to a chapter 7 case and the assets of the Debtor's bankruptcy estate were liquidated.

71. For the Sale Transaction and Liquidation Transaction scenarios, I estimated the proceeds that would be generated if each transaction were consummated. For the Sale Transaction scenario, I assumed the Plan would be confirmed on the same date as the hypothetical Conversion Date. I assumed the Liquidation Transaction would be consummated on a later schedule, with a date of June 18, 2023. This is because the Liquidation Transaction assumes that the parties to the Sale Transaction would work to close that deal until April 18, 2023, and the Debtors would toggle to the Liquidation Transaction only after they determined during the course of that process that the Sale Transaction would not produce the highest and best outcome for creditors. After that pivot, the Debtors would need additional time to ramp up vendors, internal infrastructure, and third-party developers necessary to support trading activity (as costs were reduced to the extent possible over the course of the case) and to sell unsupported coins into U.S. dollars in order to effectuate the self-liquidation contemplated in the Liquidation Transaction.

72. The Debtors consist of three corporate entities, Voyager Digital Ltd. (“TopCo”); Voyager Digital Holdings, Inc. (“HoldCo”); and Voyager Digital, LLC (“OpCo”). The specific assets and claims discussed here originate from one of the three specific entities, which my analysis takes into account. However, for purposes of this discussion, I describe the analysis on a consolidated basis, referring to assets and liabilities belonging to the Debtors more generally.

73. I calculated the Estimated Gross Proceeds based on the value of assets at each entity as of October 31, 2022⁹—the date of the most recent unaudited financial statements that were available for my analysis. The specific sources of proceeds I estimated are as follows:

74. *Cash and Cash Equivalents.* I estimated Cash and Cash Equivalents by using the level of cash balance on hand on December 30, 2022, and projecting to the Conversion Date. I

⁹ With the exception of Cash/Cash Equivalents and Coin Liquidation Value, discussed later.

assumed starting cash and cash equivalents to be the same under the chapter 7 liquidation, Sale Transaction, and Liquidation Transaction scenarios.

75. *Coin Portfolio Liquidation.* The vast majority of the assets held by the Debtors, from which the majority of proceeds would be generated, are in Voyager’s coin portfolio. That coin portfolio comprises 106 different types of cryptocurrencies. I valued each cryptocurrency at its December 18, 2022, spot price. I then estimated how that spot price would be discounted due to certain risks discussed below. Given the volatility and ever-changing nature of the cryptocurrency market, the December 18, 2022, spot price is only illustrative, but it is instructive because it can be used to compare how any given spot price would move in a chapter 7 liquidation scenario, versus an organized and Debtor-led sale.

76. The main reason why the spot price would be discounted under the Sale Transaction, Liquidation Transaction, or chapter 7 liquidation scenarios (but more so in the chapter 7 liquidation, as I discuss below) involves what I

refer to as “market-depth constraints.” A market-depth constraint refers to the fact that, where a particular token is subject to fewer transactions in the market, a mass sale of that cryptocurrency would “move the market”—that is, would result in a depreciation in cryptocurrency valuation at the time of that sale. During a hypothetical liquidation, tokens with highly liquid markets, such as Bitcoin or Ethereum, would see less (but still some) market-depth constraint. On the other hand, tokens in illiquid markets are anticipated to have greater market-depth constraints—that is, a mass sale would move the market more significantly.

77. In addition to market-depth constraints, numerous other risk factors, which I detail below, could also cause a discount against spot pricing.

78. *Headline Risk.* Headline Risk refers to how the value of a coin can be influenced by news and social media. Given the youth of the cryptocurrency market, coin valuation can be diminished by even unsubstantiated statements, including commentary regarding planned trades.

79. *Black Swan Events.* Black Swan Events refer to unpredictable market events that have severe downward consequences on cryptocurrency values. Recent examples include the AlamedaFTX collapse and the LUNA collapse.

80. *Conditions of Cryptomarket/Volatility.* The cryptomarket itself has recently been strained, both by mass liquidation events and the numerous cryptofirm bankruptcies. These events have removed liquidity from the market and created general uncertainty, exposing any cryptocurrency sale to greater down-market risk.

81. *Block Trading.* When engaging in block trades in less regulated markets, such as cryptocurrencies, there are several risks including, but not limited to, the risk that a bad actor can front-run a large trade and affect its outcome.

82. *Number of Supporting Exchanges.* Unlike more mature trade exchanges, cryptocurrency platforms offer only discrete trading paths for particular coins. This limits exchange options, increasing the risk that a less favorable exchange will occur.

83. *Asymmetric Information Issues.* Depending on what information is made publicly available, individual traders could ascertain the Debtors' portfolio position. If a position is ascertained during the liquidation process, that trader could potentially drive pricing up or down on particular coins to the Debtors' disadvantage.

84. *Conversion Factors.* In a liquidation event, all trades would be a particular coin for U.S. dollars. This conversion factor can be less favorable than other forms of exchanges (*e.g.*, exchanging of one token for another), and thus, could result in lower returns.

85. *Execution Capabilities.* The company and its experts better know the portfolio than a less familiar liquidator. Lack of expertise could result in sales that do not maximize trade value and result in price impairment.

86. I estimated the discounts from spot prices realistically but conservatively, both with respect to the discount arising from market-depth constraints and the discounts arising from the additional risk factors discussed above. Through discussions with Voyager management and trading experts, my team and I engaged in a multi-step empirical analysis and adopted a largely rules-based approach to estimating the discounts to apply to each of the 106 coin types and in each of the Sale Transaction, Liquidation Transaction, and chapter 7 liquidation scenarios.

87. Our analysis started with an empirical study to understand the market-depth constraints for each coin type. To estimate the discounts for each coin type, we collected historical trade volume data by coin for discreet periods (monthly, weekly, and daily) and compared that liquidity to the notional value of the coins held in Voyager's portfolio. Using a market-based set of rules,¹⁰ I then bucketed coins into distinct categories of liquidity and applied discounts to those categories. I compared my findings against third-party portfolio bid data. Voyager, Moelis, and the Debtors' other advisors also reviewed the resulting analysis for reasonableness; any feedback was taken into consideration and integrated into the analysis where appropriate.

¹⁰ Key statistics included: daily volume weighted average coin price; daily \$ volume; daily coin volume; monthly average \$ volume; monthly average coin volume; daily volatility in \$ coin prices; monthly average volatility in \$ coin pricing; average volume by coin.

88. In the chapter 7 liquidation high-case, I concluded that the coin portfolio would be liquidated at an approximately 20% discount, with average trading fees of 2%. In the chapter 7 liquidation low-case, I concluded that the coin portfolio would be liquidated at an approximately 26% discount, with the same average trading fees of 2%. As stated, it is my opinion that both these estimates are conservative discounts.

89. Because a chapter 7 liquidation would impose mass-sale conditions that could be avoided by both the Sale Transaction and Liquidation Transaction scenarios, these discounts are estimated to be materially greater than discounts under the Sale Transaction or Liquidation Transaction.

90. *Sale Proceeds.* I estimated the sale proceeds of \$20 million to occur only under the Sale Transaction, and not under the Liquidation Transaction or the chapter 7 liquidation scenario.

91. *Other Assets and Investments.* I assumed that during the liquidation period, the Debtors would continue to consume certain prepaid expenses such as professional fee retainers, licenses, engineering, software, marketing, and other similar contractual obligations. I also assumed that Debtors would sell their equity investments in other private and public companies, and I assumed recovery rates from 0% to 100% across these positions depending on the liquidity of that particular investment. Recoveries on other assets and investments are identical in the high and low cases, approximating \$1.8 million.

92. *3AC Claims.* The Debtors have a claim against 3AC related to the cryptocurrency loan of 15,250 BTC and 350 million USDC made in 2022. For purposes of this analysis, I did not make an assumption regarding recovery of this claim and thus it is reflected as 0% recovery in all scenarios. For the avoidance of doubt, the Debtors and creditors are highly likely to see some 3AC recovery (although the magnitude is unclear at this point). That recovery will likely be either the

same or lower in the hypothetical liquidation scenario (due to the need to take a discount in that scenario reflecting monetizing that asset earlier, paying fees to do so, or both).

93. *Intangible Assets.* In the chapter 7 liquidation scenario, I assumed no recovery value for the Debtors' intellectual property, which comprises goodwill, favorable leasehold interests, trademarks, patents, license agreements, and e-commerce registered domain names.

94. *Litigation Claims.* I excluded litigation claims, which (in a best-case scenario) would be the same under the Sale Transaction, Liquidation Transaction, and chapter 7 liquidation, and thus are not valuable for comparative purposes. In all likelihood litigation claims would produce a lower recovery in a chapter 7 liquidation given the challenges in financing any such litigation and the likelihood that some litigation would not be pursued at all by a chapter 7 trustee.

(ii) **Step 2 - Wind-Down Costs**

95. I next analyzed the estimated costs of the liquidation or wind-down process. I estimated these costs as follows.

96. *Professional Fees.* I estimated professional fees, including costs for financial advisors, attorneys, and other professionals retained by the Debtors (in the Sale Transaction or Liquidation Transaction scenario) or the Trustee (in the chapter 7 liquidation scenario). I estimated these fees based on input from the Debtor's retained professionals and analysis of wind-down professional fees from comparable cases. Based on this analysis and previous experience, I estimated lower professional fees in the liquidation scenario (the same in high and low cases) because the Trustee team would be primarily responsible for execution of the wind down. However, given the novelty and complexity of the Debtor's business and the strong likelihood that the Trustee may have minimal cryptocurrency experience, I view this estimate of professional fees as conservative.

97. *Chapter 7 Trustee Fees.* In the chapter 7 liquidation scenario, I assumed the Trustee would recover a fee equaling 3% of the proceeds of sales excluding recoveries relating to cash and cash equivalents. In the high case, this would result in an estimated \$23.9 million fee; in the low case, \$ 21.8 million.

98. *Wind-Down Operating Costs.* Winding down the business would require that the Debtors continue to employ key personnel and incur platform operating costs. I determined estimated wind-down operating costs based on discussions with management and analysis of historical operating costs. In the chapter 7 liquidation scenario, these costs would be the same in the high and low cases.

99. *Other Costs.* The wind-down process would incur other miscellaneous expenses including insurance, document/data retention services, and third-party processing fees for the liquidation of accounts, all of which are assumed to be the same amounts in the Sale Transaction, Liquidation Transaction, and chapter 7 liquidation (high and low) scenarios. The Sale Transaction and Liquidation Transaction scenarios include additional costs in this category, including cure costs for outstanding contract obligations, and a wind-down reserve for unforeseen additional costs.

100. In sum, for the purposes of this analysis, I estimated total wind down expenses of \$75.6 million for the Sale Transaction and Liquidation Transaction and \$51.7 million for the chapter 7 high and low scenarios (net of estimated U.S. Trustee fees).

(iii) Step 3 - Net Proceeds

101. I calculated the Net Proceeds available for distribution by subtracting the Wind-Down Costs from the Estimated Gross Proceeds for each of the scenarios.

(iv) Step 4 - Distribution of Net Proceeds

102. Finally, I estimated the recoveries to creditors at each of the Debtors by running the Net Proceeds and estimated claims as of the Petition Date through a waterfall recovery model, which pays claims based on priority until fulfilled, and then “waterfalls” to the next lower priority claim, until all proceeds are depleted. The distributions to creditors in my analysis reflects bankruptcy code section 1129’s “absolute priority rule” that no junior creditor at a given entity would receive any distribution until all senior creditors are paid in full at that entity, and no equity holder would receive any distribution until all creditors at such entity are paid in full.

103. More specifically, the Net Proceeds would be distributed as follows:

- (a) *Secured Tax Claims.* Based on the December 6, 2022 claims register, there are no identified Secured Tax Claims. My analysis thus assumes zero payment. That said, if any are later revealed, a 100% recovery is expected.
- (b) *Administrative, Priority Tax Claims and other Priority Claims.*
 - (i) *Administrative Claims.* Administrative Claims include unpaid-post-petition accounts payable, accrued operating expenses, unpaid post-petition taxes, and chapter 11 professional fees incurred through the Conversion Date. On the Conversion Date, these are anticipated to be approximately \$39.1 million and are the same in the Sale Transaction, Liquidation Transaction, and chapter 7 liquidation scenarios.
 - (ii) *Priority Tax Claims.* Federal and state tax claims are estimated to be \$3.0 million in all three scenarios.
 - (iii) *Other Priority Claims.* Other Priority Claims, namely potential claims by government agencies, are estimated to be \$1.0 million in all three scenarios.

(c) *Unsecured Claims: Account Holder Claims and General Unsecured Claims.*

(i) Account Holder Claims are estimated to be approximately \$1.764 billion as of the Conversion Date in all three scenarios based on the number of customer coins and coin prices as of the Petition Date.

(ii) Based on the December 6, 2022 claims register, General Unsecured Claims are estimated to total approximately \$25.3 million on the Conversion Date, in all three scenarios.

(iii) The remainder of the Debtors' funds would be distributed pro rata across the Account Holder Claims and General Unsecured Claims, as illustrated below.¹¹

¹¹ Recoveries in Table reflect updated estimates for wind down costs in all scenarios, including costs for the shuttering of foreign entities, additional severance and incremental operating costs, for a total of \$8.2M in incremental costs, as reflected in the *Second Amended Plan Supplement* [Docket No. 1006], filed after my Liquidation Analysis provided as Exhibit B to the *Second Amended Disclosure Statement Relating to the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and its Debtor Affiliates* [Docket No. 863]. Any litigation fund reserves are assumed to recover at minimum the funds utilized to pursue the recoveries.

- (d) *Alameda Loan Facility Claims.* Alameda Loan Facility Claims are estimated to be approximately \$75.1 million as of the Conversion Date. The analysis assumes that such claims would be equitably subordinated. Because there would be no remaining funds after distributing funds for Account Holder Claims and General Unsecured Claims, the Alameda Loan Facility Claims Holder would recover nothing.

104. Based on the above steps, and as illustrated in the chart above, under both the high and low case, a chapter 7 liquidation results in lower recoveries than either the Sale Transaction or Liquidation Transaction. A chapter 7 liquidation would result in inferior recoveries for holders of Other Priority Claims, Account Holder Claims, and General Unsecured Claims. Taking all creditor claims together, the Sale Transaction and Liquidation Transaction scenarios provide higher blended recovery rates than a chapter 7 liquidation.

105. Accordingly, it is my opinion that confirmation of the Sale Transaction or Liquidation Transaction will provide creditors with a recovery that is greater than or equal to what they would otherwise receive in connection with a liquidation of the Debtors under chapter 7 of the bankruptcy code. Moreover, I believe creditors will receive more value under confirmation of the Plan, including either the Sale Transaction or Liquidation Transaction, as compared to under a chapter 7 liquidation for additional reasons. First, I understand that conversion to a chapter 7 liquidation would require entry of a new bar date. Accordingly, the amount of Claims ultimately filed and allowed against the Debtors could materially increase, thereby further reducing creditor recoveries versus those available under the Sale Transaction or Liquidation Transaction. Second, and relatedly, I understand that conversion to a chapter 7 liquidation will result in significantly

delayed recoveries to creditors, versus under confirmation of the Plan, where the Debtors stand ready to consummate a value-maximizing transaction and return cryptocurrency in the near term.

V. Plan Feasibility

106. I understand that section 1129(a)(11) of the bankruptcy code requires a court to determine that a chapter 11 plan is feasible and that confirmation of such plan is not likely to be followed by the liquidation or further financial reorganization of the Debtors (or any successors thereto) unless such liquidation or reorganization is proposed in the plan.

107. For the reasons outlined below, it is my professional opinion that the Plan is feasible and is not likely to be followed by liquidation or further financial reorganization as contemplated by the Plan.

108. The Sale Transaction is the culmination of a multi-month marketing process to identify the best possible path forward for the Debtors' creditors. I was intimately involved, along with the Debtors' other advisors and the management team and working closely with the Committee, in the Debtors' marketing process and the negotiations that, ultimately, led to execution of the Asset Purchase Agreement and development of the Plan. The Plan maximizes the value of the Debtors' estates, and the proceeds obtained from the Sale Transaction will allow the Debtors to satisfy all Priority and Administrative Claims under the Plan in full. Further, as the Sale Transaction contemplates a sale of substantially all assets of the Debtors to Binance.US and the subsequent wind-down of the Debtors' estates, I do not believe that consummation of the Sale Transaction will be followed by a liquidation or further reorganization of the Debtors.

109. As demonstrated in my Liquidation Analysis, the Sale Transaction maximizes the value of the Debtors' estate and will allow the Debtors to satisfy their obligations under the Plan, including satisfying all Priority and Administrative Claims under the Plan in full, and maximizing

recovery to remaining creditors. In addition, the Plan provides customers the most tax efficient route forward as Binance.US supports (or will support) 100% of the cryptocurrency coins on the Debtors' platform.

110. Moreover, if the Sale Transaction cannot be consummated or if the Debtors conclude in their good faith judgment that the Sale Transaction will not produce a value-maximizing outcome for creditors, the Debtors will pursue the Liquidation Transaction and consummate a self-liquidation. I believe that provided the Plan is confirmed without material changes and the strategy set forth in the Plan is pursued in full by the Wind Down Trustee, the Liquidation Transaction is feasible, and that the Debtors will be able to distribute their cryptocurrency assets to customers (i) on a faster timeline than a chapter 7 liquidation and (ii) on a much more cost-effective basis, as the Debtors will not incur the additional administrative costs associated with a chapter 7 liquidation and subsequent distribution or the price leakage associated with a mass-sale event that I describe in my Liquidation Analysis. As I demonstrate in the Liquidation Analysis, in the event that the Debtors' pursue the Liquidation Transaction, I believe that the Debtors will be able to pay all Administrative and Priority Claims in full and satisfy all other obligations under the bankruptcy code.

111. To do this, however, it is necessary that the Debtors maintain the staffing levels and internal expertise necessary to execute both the Sale Transaction and the Liquidation Transaction. The Binance.US Asset Purchase Agreement imposes a number of obligations on the Debtors that will require the services of employees in operations, customer service, engineering, security, finance, and data to fulfill these obligations. Specifically, after the Binance.US Transaction closes, the Debtors retain obligations related to: (a) making regulatory filings and cooperating with regulators; (b) maintaining and transferring data securely; (c) developing and implementing a user

migration plan involving modifications to Voyager's web interface and mobile app, and an electronic process facilitating the acceptance of certain terms and conditions on the Binance.US Platform; (d) being available for a period following close of the Sale Transaction to provide assistance reasonably requested by the Purchaser in connection with the opening of user accounts and transfer of information and Cryptocurrency; (e) rebalancing the Cryptocurrency on the Debtors' platform to prepare for closing of the Sale Transaction on a timely basis; (f) "unstaking" certain coins and ensuring they are freely transferable and not subject to restrictions, and (g) making available technical IT staff to assist Binance.US during the transaction.¹²

112. The Debtors also must have certain expertise present (as a practical matter) only within certain existing employees in the event the Debtors need to pivot to the Liquidation Transaction. The Liquidation Transaction would require the Debtors to, among other tasks, rebalance the Cryptocurrency in their possession, complete anti-money laundering and know-your-customer compliances and reopen the Debtors' platform for a period of time to permit customers to withdraw Cryptocurrency, while making sure that these transactions can all occur safely, securely and efficiently, with minimum value leakage and risk given the highly sensitive nature of these transactions. This exercise will be challenging and, without certain key employees who are currently working for the Debtors, likely cannot be done without assuming materially greater risk than we would recommend the Debtors taking.

113. It is for that reason that a key component of the Debtors' proposed Plan, which was created with input from the Committee, is the Employee Transition Plan, which is described in the Plan Supplement and is accounted for in the Wind-Down Budget. The personnel responsible for executing the proposed Plan have no incentives to remain associated with the company and

¹² Asset Purchase Agreement §§ 6.4, 6.6, 6.10, 6.11, 6.15, 6.16.

complete this work following confirmation given that the Debtors will not exist at the end of the process and they will need to find other jobs. The Employee Transition Plan was created (and approved by the Committee) to ensure the expertise needed to execute the Sale Transaction and the Liquidation Transaction stays with the enterprise in order to complete the process of returning cryptocurrency to customers in the most efficient way possible. Without the employees, however, the Debtors would be unable to honor their obligations in the Sale Transaction and would not be able to do the work needed to consummate the Liquidation Transaction and the likely only option would be conversion to a full liquidation under chapter 7 of the bankruptcy code, which as discussed above in the Liquidation Analysis, would materially reduce and delay customer recoveries. In other words, my opinions with respect to feasibility are informed in part by the fact that the Debtors have taken steps to ensure that the experience and expertise necessary to execute the Sale Transaction and/or the Liquidation Transaction will remain in place until the process runs its course, and the Committee and its advisors have recognized the necessity of the Employee Transition Plan for that to happen.

VI. The Releases and Exculpations In the Plan Are Reasonable and Appropriate.

114. It is my understanding that the Plan contemplates releases of the Debtors' potential claims, subject to the terms of the D&O Settlement, of their directors, officers, and employees who have worked during the course of these chapter 11 cases. For the avoidance of doubt, these debtor releases are of potential *Debtor* claims, and do not have any impact on any direct claims that any customer or other third party may have (if any) against any of the directors, officers, and employees.

115. Given my close involvement with these individuals, I have a firsthand understanding of their involvement and "sweat equity" contributions made to the Debtors and their

estates during the entirety of these chapter 11 cases. I also know full well the contributions that we will need those individuals to continue to make as we Wind-Down the estate and return funds to customers. It would be massively value-destructive and not helpful to the process, and would ultimately lead to less value to creditors, if the Debtors and/or the Wind-Down Estate were to spend capital pursuing such claims that are covered by the Debtor releases. And it is critical to the delicate process envisioned by the Plan for those Debtor releases to go into effect. Again, this has no impact whatsoever on any direct claims creditors and parties-in-interest may have against Released Parties, but as far as the Debtors' releases go, I believe such releases are appropriate.

VII. Appointment of a Trustee Is Not Warranted In These Chapter 11 Cases.

116. I understand that certain creditors have sought to appoint a trustee in these chapter 11 cases. As an industry professional for over 25 years, I can state with certainty that appointment of a trustee would be an unmitigated disaster. There is no benefit at all to appointing a trustee and unwinding the significant work and progress made to date by the Debtors in these chapter 11 cases. As described herein, my team and I have worked intimately with the Debtors and their management team, as well as the Debtors' advisors and the advisors to the UCC, and all appear aware of the significant progress and achievements obtained during these chapter 11 cases to date. No trustee could realistically displace management and execute on any of the transactions contemplated by the Plan (or any comparable transaction), and the only realistic outcome from a trustee's appointment would be a chapter 7 liquidation in which creditor recoveries would be materially reduced and materially delayed. It is my professional opinion that appointing a trustee at this time would be wholly inappropriate given that the Debtors have completed solicitation and are already before the Court seeking confirmation of the Plan to move forward with the transactions contemplated thereunder that provide distributions to Holders of Claims.

VIII. The Plan Provides Recovery Options for Creditors in Unsupported Jurisdictions.

117. I am aware that Binance.US does not yet have the requisite money transmitter licensing approvals, authorizations, or exemptions (as applicable) in Hawaii, New York, Texas, and Vermont (the “Unsupported Jurisdictions”) and understand that, as a result, it will be unable to make cash or cryptocurrency distributions to creditors in those states on the Effective Date of the Plan unless some or all of the Unsupported Jurisdictions choose to follow the lead of the other 46 states and permit Binance.US to make such distributions. Due to the legal, operational, and technical limitations, set forth below, if the Binance.US Transaction is approved, the Debtors will not be able to distribute cryptocurrency themselves to creditors in Unsupported Jurisdictions.

118. *First*, the Voyager platform that would be required to facilitate in-kind distributions to creditors is being sold to Binance.US in connection with the transaction. This means that any in-kind distributions to creditors in Unsupported Jurisdictions would need to be done manually on a transaction-by-transaction basis for approximately 120,000 creditors. My understanding is that not only would manual distributions outside the Voyager platform be extremely complex, but the Debtors do not have the necessary infrastructure or personnel to accomplish this in a safe and secure manner.

119. *Second*, my understanding is that there are risks associated with the Debtors’ distribution of cryptocurrency to individual creditor wallets as opposed to effectuating such distributions through the Binance.US platform. The Debtors must comply with AML/KYC laws when sending cryptocurrency to individual wallets. Historically, the Debtors used Chainalysis for automated verification of certain user generated cryptocurrency transfer requests. However, Chainalysis does not support all of the tokens listed on the Voyager platform. I have been advised that AML/KYC compliance is straightforward when transferring cryptocurrency to

Binance.US wallets, but it poses substantial risk to the Debtors as it relates to the manual transfer of cryptocurrency to individual wallets for approximately 120,000 creditors. Binance.US has represented to the Debtors that it has existing infrastructure in place that would allow it to perform AML/KYC compliance checks in connection with transferring all cryptocurrency to customer accounts on its platform. Unlike ACH transfers that can be reversed, cryptocurrency sent to the wrong wallet cannot, which is why parties will often send a small “test” transaction to a wallet address prior to initiating a large transfer.

120. *Third*, there are technical limitations that would prevent the Debtors from making in-kind distributions of certain types of cryptocurrency on the Debtors’ platform. There are 35 cryptocurrency tokens (approximately 17% of the Debtors’ cryptocurrency portfolio based on equivalent USD value) on the Debtors’ platform that cannot be transferred directly to individual wallets due to technical limitations associated with the Debtors’ platform. Users can, however, withdraw these tokens using certain third-party exchanges (such as Binance.US). Historically, users of the Debtors’ platform have exited from their positions in such tokens by selling such tokens for cash, transactions that previously required close interaction with market makers to effectuate. The only way for the Debtors to distribute the value associated with these non-transferable tokens to creditors in Unsupported Jurisdictions other than through the Binance.US transaction is to liquidate the tokens and distribute the resulting cash.

121. *Finally*, the Debtors would need to significantly increase the engineering, regulatory, compliance, and other operational staff contemplated under the Plan to facilitate manual transfers to individual customer wallets that they otherwise would not have to do if transfers to customers were made through the Binance.US platform or the Voyager platform (which is being sold to Binance). The Debtors would also need to revive certain dormant contracts

with third-party vendors to process distributions to creditors in this manner. This would result in increased administrative costs as compared to the costs of liquidating the cryptocurrency associated with creditors in Unsupported Jurisdictions and distributing the equivalent value in cash.

122. In light of these challenges, for creditors in the Unsupported Jurisdictions, the Debtors will retain custody of the cryptocurrency that would be distributed to those creditors until Binance.US obtains the necessary approvals. In the event that Binance.US is unable to obtain those necessary approvals to make distributions to creditors in Unsupported Jurisdictions within six months following the closing (*i.e.*, an incremental three months following distributions to creditors in other jurisdictions), it is my understanding that the Plan calls for the Debtors to convert the cryptocurrency attributable to such creditors to cash and distribute the equivalent realized cash value associated with such liquidations to such creditors. It is my understanding that Binance.US shall have the opportunity to execute in such conversion transactions subject to the agreed-upon protocol between the Debtors and Binance.US set forth in the Binance.US Purchase Agreement. If, however, Binance.US is able to obtain the necessary approvals within that six-month period, Binance.US would make in kind distributions to the creditors in newly approved jurisdictions.

123. It is also my understanding that the Unsupported Jurisdictions can provide temporary solutions to allow Binance.US to make distributions in kind to creditors. The Debtors do not believe it would be appropriate to jeopardize the Binance.US Transaction—which is in the best interests of their estates as a whole—or take on significant additional risks and costs to endeavor to give in-kind distributions to creditors in Unsupported Jurisdictions if the state banking departments choose not to provide such temporary solutions.

IX. The Plan Modifications Are Reasonable, Do Not Require Resolicitation, and Should Be Approved.

124. I understand that section 1127(a) of the bankruptcy code provides that a plan proponent may modify its plan at any time before confirmation as long as such modified plan meets the requirements of sections 1122 and 1123 of the bankruptcy code. I have also been advised that under section 1125 of the bankruptcy code, a proposed modification to a previously accepted plan will be deemed accepted where the proposed modification is not material or does not adversely affect the way creditors and stakeholders are treated, unless such affected creditors consent to the treatment.

X. Conclusion

125. In summary, it is my opinion that the Plan satisfies the standards for confirmation applicable under the bankruptcy code. Among other things, the Sale Transaction or the Liquidation Transaction will provide all holders of claims and interests with a recovery (if any) that is not less than what such holders would receive pursuant to a hypothetical liquidation of the Debtors under chapter 7 of the bankruptcy code. And given the optionality created by the Plan, it is my opinion that the Plan (provided it is confirmed without material changes and is executed as anticipated) is feasible and will not result in additional liquidation or financial restructuring beyond that contemplated in the Plan. Finally, as described above, appointment of a trustee in these chapter 11 cases is not warranted.

6. I have over 10 years of investment banking experience advising companies, equity investors, financial vehicles, and creditors across a broad range of industries and geographies in a full suite of corporate transactions. Prior to joining Moelis, I was in the corporate and investment banking group at Citigroup Inc. where I focused on investment banking advisory transactions in the Financial Institutions Group. I hold a Bachelor of Science degrees in finance and computer science from Boston College and have a Master of Business Administration degree from Georgetown University.

7. I have been involved in several notable chapter 11 cases and restructuring assignments, including as advisor to the ad hoc group of senior unsecured noteholders in Walter Investment Management Corporation’s \$4.1 billion restructuring; and as advisor to New Residential Investment Corporation’s \$1.2 billion acquisition of select assets from Ditech Holding

Corporation pursuant to a section 363 asset sale. I have also been involved in numerous restructuring transactions outside of the chapter 11 context, including advising New Residential Investment Corporation in its \$600 million recapitalization and restructuring, Ambac Financial Group in its \$18 billion restructuring of Puerto Rico's sales tax financing corporation (COFINA), Syncora Guarantee Inc. in its \$13.5 billion reinsurance of financial guarantee policies to Assured Guarantee Corporation and other liability management including the sale of its operating business to GoldenTree Asset Management, Ambac Financial Group on its \$557 million exchange offer of its Auction Market Preferred Shares, Ambac Financial Group on its \$538 million exchange of Corolla Trust obligations and Junior Surplus Notes, an approximately \$10 billion ad hoc group of non-litigating preferred shareholders in a proposed \$6.9 trillion restructuring of Fannie Mae and Freddie Mac, secured lenders of AG Mortgage Investment Trust in its \$3.0 billion restructuring of its repurchase agreement portfolio, and secured lenders of MFA Financial, Inc. in its \$5.8 billion restructuring of its repurchase agreement portfolio. And in addition to these chapter 11 cases, I am currently part of the Moelis teams serving as investment bankers to the debtors and debtors-in-possession in *In re BlockFi Inc.*, No. 22-19361 (MBK) (Bankr. D. N.J.) and *In re Genesis General HoldCo LLC*, No. 23-10063 (SHL) (Bankr. S.D.N.Y.).

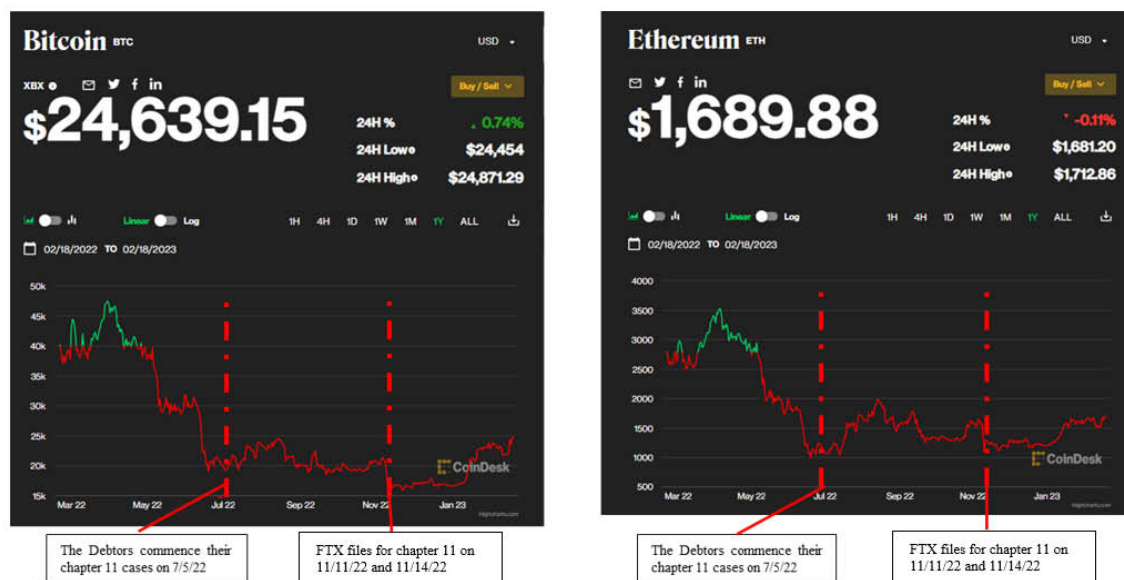

8. In June 2022, Moelis was engaged to advise the Debtors as to strategic alternatives in light of the Debtors' efforts to navigate the challenges then impacting the cryptocurrency industry. I have been involved as a senior member of the Moelis team throughout our engagement, including participating in the Debtors' sales and auction processes in these chapter 11 cases.

EVENTS LEADING UP TO CONFIRMATION

9. Prior to these chapter 11 cases, Voyager operated a cryptocurrency trading platform that allowed customers to buy, sell, and store cryptocurrency on an easy-to-use and "accessible-to-all" platform. Voyager's primary operations consisted of (i) brokerage services, (ii) custodial

services through which customers earned interest and other rewards on stored cryptocurrency assets, and (iii) lending programs. All of Voyager's services were accessible through a mobile application that users could download on their smartphones and other smart devices. Voyager's mobile application was downloaded millions of times and had over 1.1 million active users as of the Petition Date. In 2021, Voyager was one of the top ten most downloaded cryptocurrency mobile applications in the world.

10. Cryptocurrency has been volatile, and prices vacillate by the second due to constant trading occurring 24 hours a day, seven days a week globally. 2022 saw historic levels of volatility in the markets at large, and the cryptocurrency markets were not immune. Bitcoin and Ethereum slumped by over 65% and 68%, respectively, from January 1, 2022 to year-end:³

11. In June 2022, the Debtors engaged Moelis to advise the Debtors as to strategic alternatives in light of this market volatility and the broader challenges plaguing the

cryptocurrency sector. Beginning on or about June 20, 2022, Moelis initiated a process to solicit interest in possible deal structures. By early-July 2022, and after evaluating market support for an out-of-court restructuring, the Debtors determined that filing for chapter 11 would improve their chances of effectuating a transaction to help stabilize the Debtors' business and preserve the value of the Debtors' enterprise, in the best interests of the Debtors and their estates as well as the Debtors' creditors, customers, employees, and all other parties in interest.

12. On July 5, 2022, the Debtors filed these chapter 11 cases. Soon thereafter, on July 21, 2022, the Debtors commenced a formal sale process led by Moelis and filed the *Motion Seeking Entry of an Order (I) Approving the Bidding Procedures and Related Dates and Deadlines, (II) Scheduling Hearings and Objection Deadlines With Respect To the Debtors' Sale, and (III) Granting Related Relief* [Docket No. 126].

13. On September 13, 2022, the Debtors commenced a two-week auction (the "Auction"). The Auction included multiple rounds of bidding and featured extensive arm's-length negotiations with each participating bidder. I was one of the people at Moelis responsible for and participating in the Auction.

14. The Debtors, in coordination with the Official Committee of Unsecured Creditors (the "Committee"), ultimately selected the bid from West Realm Shires Inc. ("FTX US," and along with its parent entity and affiliates, "FTX") and closed the Auction. On September 27, 2022, the Debtors and FTX US executed an asset purchase agreement (as amended, the "FTX Purchase Agreement") memorializing the terms of the FTX US bid. Following the conclusion of the Auction, the Debtors sought, and obtained, this Court's approval to enter into the FTX Purchase Agreement. The Debtors then proceeded to commence solicitation of votes on a prior version of the Plan that contemplated the effectuation of the FTX Purchase Agreement.

15. A few weeks after this Court approved the Debtors' entry into the FTX Purchase Agreement, FTX and its affiliates unexpectedly collapsed. On November 11, 2022, certain FTX US affiliates commenced chapter 11 proceedings. Three days later, FTX US did the same. The Debtors restarted their sale process effectively simultaneously with the FTX collapse.

16. Cryptocurrency market headwinds only grew stronger in the fall of 2022 and the market was thrown into further turmoil due to FTX's historic collapse. While the Debtors leveraged the groundwork and interest from their first sales process, given the significant market decline, the Debtors were left with fewer opportunities.

17. As part of the second sales process, the Debtors engaged in extensive month-long negotiations with interested parties that included parties that had previously participated in the Auction as well as new parties that emerged. Moelis, along with the Debtors' other advisors and the Debtors' management team, evaluated each proposal, and pushed bidders to improve the economic and other terms of their bids. When analyzing proposals received from interested parties, the Debtors and their advisors considered both the viability and risk factors associated with each proposed transaction, including but not limited to, timing considerations, third-party financing requirements, ability to consummate, cybersecurity risks, regulatory and licensing status, and counterparty risk based on the counterparty due diligence conducted by the Debtors during the first and second sales processes.

18. Throughout the negotiations, the Debtors, in consultation with the Committee, also considered pursuing a transaction that would allow the Debtors to pivot and distribute cryptocurrency or cash to creditors on their own (the "Liquidation Transaction"), without pivoting to a chapter 7 liquidation. The Debtors and their advisors ultimately used the Liquidation Transaction as a floor against which to compare third-party bids. Ultimately, the Debtors

determined that pursuing a sale transaction with a third party could, depending on the structure of the transaction, provide the potential for the best recovery currently available to creditors under the circumstances while also reducing the risk surrounding execution of the transaction and reducing the likely value leakage that would occur in the Liquidation Transaction. Accordingly, the Debtors, in their business judgment, determined to reengage with third parties to identify an alternative transaction partner.

19. After negotiation and deliberation, on December 18, 2022, Debtor Voyager Digital, LLC (the “Seller”) executed that certain asset purchase agreement (the “Asset Purchase Agreement”) with BAM Trading Services Inc. (“Binance.US” or “Purchaser,” and such transaction thereunder, the “Sale Transaction”). The Court approved the Debtors’ entry into the Asset Purchase Agreement on January 13, 2022 [Docket No. 860].

THE DEBTORS’ PLAN SHOULD BE CONFIRMED

I. THE PLAN PROVIDES THE HIGHEST AVAILABLE VALUE TO CREDITORS UNDER THE CIRCUMSTANCES.

20. The Debtors value the Sale Transaction at approximately \$1.022 billion, comprising (a) the value of cryptocurrency on the Voyager platform as of a date to be determined, which as of December 16, 2022 at 0:00 UTC, is estimated to be \$1.002 billion, plus (b) additional consideration, which is estimated to provide at least \$20 million of incremental value. Pursuant to the Asset Purchase Agreement, under the terms and conditions of the Plan and subject to the Debtors’ ongoing assessment that the Sale Transaction is higher and better than the Liquidation Transaction, Binance.US will acquire and distribute substantially all of the Debtors’ assets to creditors. Either the transaction contemplated by the Asset Purchase Agreement or, if the Debtors toggle, the Liquidation Transaction, will be effectuated through the Plan.

21. Based on information in the Debtors' possession to date, the Sale Transaction (a) is the only transaction currently available to the Debtors that did not contemplate requiring the Debtors to liquidate cryptocurrency for working capital purposes in the first instance, (b) includes reimbursement by Binance.US of up to \$15 million of Seller's expenses under certain circumstances set forth in the Asset Purchase Agreement, and (c) provides a \$10 million reverse termination fee payable to the Seller by Binance.US to compensate the Debtors' estates in the event that Binance.US cannot consummate the transaction under certain circumstances set forth in the Asset Purchase Agreement.

22. In addition, the Debtors, the Committee, and their respective advisors negotiated certain provisions designed to safeguard the Debtors' cryptocurrency in advance of distributions being made to creditors. Specifically, the Asset Purchase Agreement provides that, up until the transfer of cryptocurrency to Binance.US, the Debtors will maintain control of all of the Debtors' cryptocurrency, including during the rebalancing of the Debtors' cryptocurrency portfolio (that may include the use of third parties and third-party exchanges to execute the rebalancing transactions), which is a prerequisite to closing and effectuating distributions to creditors. I believe that allowing the Debtors to retain control of all of the Debtors' cryptocurrency until closing is critical to minimizing risk given the increased volatility in the crypto space.

23. Further, in connection with the evaluation of the Binance.US proposal, the Debtors conducted certain financial and business counterparty due diligence on Binance.US. This due diligence included reviews of certain documentation provided by Binance.US and discussions with senior management at Binance.US relating to, among other things: audited financial statements, interim unaudited financial statements, available liquidity, related party services agreements, wallet infrastructure, anti-money laundering laws ("AML") and "know your customer" ("KYC")

procedures, money transmitter licensing status, and business plans submitted to selected state regulators in connection with the issuance of money transmitter licenses. Such due diligence was based on information provided to the Debtors' and the Committee's financial and legal advisors by Binance.US and representations made by Binance.US senior management. As outlined in Moelis's engagement letter, while Moelis was involved in such discussions and diligence reviews, Moelis is not a technical expert on matters relating to the appropriateness of information security or other custody protocols. *See Application of Debtors and Debtors in Possession For Entry Of An Order Authorizing the Employment and Retention Of Moelis & Company Llc As Investment Banker, Capital Markets Advisor, And Financial Advisor Effective As Of The Petition Date* [Docket No. 117].

24. Moreover, I have been informed by the Debtors' legal advisors that Section 6.12 of the Asset Purchase Agreement provides that the Seller (prior to the transfer of cryptocurrency to Binance.US) and each transferred creditor (from and after the transfer of cryptocurrency to Binance.US) will retain all right, title, and interest in and to the cryptocurrency allocated to it in accordance with the Binance.US Asset Purchase Agreement through and including such time as such cryptocurrency is returned to Seller or distributed to such transferred creditor. It is my understanding that under the Asset Purchase Agreement, the cryptocurrency will be held by Binance.US solely for the benefit of the Seller or transferred creditor, as applicable, until such distributions are made.

25. In addition, under the Asset Purchase Agreement, the Debtors' claims against Three Arrows Capital and other parties will vest in the Wind-Down Debtor and any recovery thereon will be distributed to creditors.

26. Finally, and most importantly, the Asset Purchase Agreement allows the Debtors to react to changing market conditions. If the Debtors otherwise determine that the Asset Purchase Agreement is not the highest and best available option for creditors under the circumstances and exercise their “fiduciary out,” or the Sale Transaction is otherwise not effectuated by the Outside Date, then the Debtors may pivot to the Liquidation Transaction and pursue self-liquidation. This feature of the Asset Purchase Agreement, in my view, is protective of creditors in a volatile market, and provides a more certain timeline for recovery and resolution of Claims. The Debtors will toggle to the Liquidation Transaction if they conclude in their good faith judgment that the Sale Transaction no longer is the highest or otherwise best option for creditors available under the circumstances.

27. For all the reasons set forth in this Section I, I believe that the Plan is the compilation of months of long, hard-fought negotiations whereby the Debtors worked to negotiate a Plan that provides for distributions to creditors on an expeditious timeline, and it provides the highest value available to creditors under the circumstances.

II. THE PLAN IS UNLIKELY TO BE FOLLOWED BY A LIQUIDATION OR FURTHER REORGANIZATION

28. I understand that Section 1129(a)(5) of the Bankruptcy Codes requires the Court to determine, in relevant part, whether the Plan provides adequate means for implementation. I also understand that Section 1129(a)(11) of the Bankruptcy Code requires the Court determine, in relevant part, that confirmation is not likely to be followed by the liquidation or further financial reorganization of the Debtors (or any successor thereto), unless such liquidation or reorganization is proposed in the Plan.

29. *First*, I believe that the Sale Transaction, which has an implied value of \$1.022 billion, will allow the Debtors to satisfy their obligations under the Plan. The Sale Transaction

provides the highest value currently available under the circumstances to the Debtors' creditors. I understand that the value created by the Sale Transaction will be sufficient to satisfy all Allowed Priority Claims and Allowed Administrative Claims under the Plan, including all Allowed Professional Fee Claims, in full. As such, the Debtors have a demonstrated ability to fund distributions required under the Plan, including to taxing authorities, administrative claimants, and other Unimpaired Classes of Claims.

30. Further, Binance.US has represented to the Debtor and its advisors that it has the legal, operational, financial, and technical capacity to distribute cryptocurrency in-kind to Holders of Allowed Account Holder Claims, including the necessary money transmitter licensing approvals required to facilitate in-kind distributions. Binance.US has agreed to hold the cryptocurrency solely for the benefit of the Seller or transferred creditor, as applicable, until such distributions are made. In the Unsupported Jurisdictions,⁴ the Debtors will retain custody of the cryptocurrency that would be distributed to those creditors. In the event that Binance.US is not able to obtain the necessary approvals to make distributions to creditors in Unsupported Jurisdictions within six months following the closing (*i.e.*, an incremental 3 months following distributions to creditors in other jurisdictions), the Debtors would convert the cryptocurrency attributable to such creditors to cash and the Debtors would then distribute the equivalent realized cash value associated with such liquidations to such creditors under the chapter 11 plan. If

⁴ "Unsupported Jurisdictions" refers to Hawaii, New York, Texas, and Vermont, in which Binance.US does not yet have the requisite money transmitter licensing approvals, authorizations, or exemptions (as applicable).

Binance.US is able to obtain the necessary money transmitter licensing approvals within that six-month period, Binance.US would make in-kind distributions to those creditors.

31. *Second*, Binance.US has represented that it has sufficient cash and other consideration, as applicable, to pay the Purchase Price. The Debtors requested and received proof satisfactory to them of funds to substantiate that representation. Pursuant to the Asset Purchase Agreement, I understand the Debtors negotiated additional assurances and value for the benefit of their estates under the Asset Purchase Agreement, including (a) reimbursement by Binance.US of up to \$15 million of Seller's expenses in certain circumstances, (b) a \$10 million good-faith deposit paid by Binance.US to the Seller, and (c) a \$10 million reverse termination fee payable to the Seller by Binance.US, in each case, subject to the terms and conditions set forth in the Asset Purchase Agreement. I understand, based on Binance.US's representations that Binance.US will have the ability to pay the expense reimbursement and reverse termination fee if and when they become due. Binance.US paid the \$10 million good faith deposit to the Seller, pursuant to the Asset Purchase Agreement, which the Seller shall be entitled to keep, in full, in the event of a Purchaser Default Termination.

32. *Third*, in response to recent media reports that Binance.US allegedly transferred more than \$400 million to Merit Peak Ltd., a trading firm managed by Binance CEO Changpeng Zhao, the Debtors have been engaged in an ongoing review of additional supplemental diligence into Binance.US.⁵ The Debtor's supplemental diligence is examining the relationship between Binance.US, Merit Peak Ltd., an additional third-party market maker, and Zhao, as well as Binance.US's financial controls, including review of audit results testing the sufficiency of

⁵ See *Crypto giant Binance moved \$400 million from U.S. partner to firm managed by CEO Zhao*, REUTERS.COM (Feb. 16, 2023), available at <https://www.reuters.com/technology/crypto-giant-binance-moved-400-million-us-partner-firm-managed-by-ceo-zhao-2023-02-16/>

Binance.US's Information Security Management System and Privacy Information Management System. The documents are being provided by Binance.US with the intention of demonstrating Binance.US's ability to consummate the Asset Purchase Agreement, to which the Debtors are conducting an ongoing review. To the extent undisclosed information uncovered during the Debtors' ongoing review reveals Binance.US is unable to consummate the Asset Purchase Agreement, as discussed elsewhere in this Declaration, the Debtors will promptly pivot to the Liquidation Transaction.

33. *Fourth*, I am aware that, pursuant to the Plan, on the Effective Date, all property constituting Wind-Down Debtor Assets, including all Vested Causes of Action of the Debtors (unless otherwise released, waived, compromised, settled, transferred, or discharged pursuant to the Plan), will vest in the Wind-Down Debtor. It is my understanding that any proceeds acquired from pursuit of the Vested Causes of Action (if any) will inure to the benefit of the Debtors' creditors.

34. Based on the foregoing, it is unlikely that confirmation of the Plan will be followed by a liquidation or the need for further reorganization except for that disclosed in the Plan.

III. The Liquidation Transaction Provides an Alternative Transaction That Will Obviate the Need for Further Reorganization or Chapter 7 Liquidation.

35. Based on the diligence the Debtors have performed to date, and as discussed above, I believe the Sale Transaction is the highest and best option currently available under the circumstances. But the cryptocurrency industry remains volatile, even for an already volatile business, and Moelis and the Debtors' other advisors continue to closely monitor developments. To that end, the Asset Purchase Agreement permits the Debtors to pivot to a higher and better third-party bid (should one emerge) or the Liquidation Transaction if the Debtors exercise their "fiduciary out" or the Sale Transaction is not effectuated by the outside date included thereunder,

subject to expense reimbursement of Binance.US in certain circumstances set forth in the Asset Purchase Agreement.

36. Pursuing the Liquidation Transaction would, however, impose costs of its own on the Debtors, take time, and present its own risks. Among other things, the Liquidation Transaction would involve the Debtors “rebalancing” their cryptocurrency holdings to prepare for distributions to creditors, and then reopening the Voyager platform for approximately a month to allow customers to withdraw their *pro rata* share of cryptocurrency, to the extent it can be withdrawn. The Liquidation Transaction, among other things, would likely lead to incremental value leakage (e.g., the Debtors would likely be forced to realize a discount due to liquidation of sizable positions in the marketplace), over and above that in a third-party transaction, thereby resulting in diminished creditor recoveries, and/or require the Debtors to liquidate additional cryptocurrency to fund working capital requirements to complete the work required (including AML/KYC compliance). The Debtors and their other advisors have also indicated that the Liquidation Transaction may create additional security risks (particularly if the Debtors are unable to retain critical personnel necessary to perform the Liquidation Transaction), be less tax efficient for customers than a third-party transaction, strand some coins, which can be withdrawn by customers from certain third-party exchanges (like Binance.US) but not from Voyager, and may severely damage the value of the VGX token, the native token of the Voyager platform.

37. In light of these risks, the Asset Purchase Agreement provides that in the event Debtors pivot to the Liquidation Transaction, Binance.US will provide certain services to facilitate the Liquidation Transaction to ensure that the Debtors can rely on the Binance.US platform to minimize leakage with, and cybersecurity risks when, returning cryptocurrency to creditors. In addition, the work to prepare to consummate and execute on the Asset Purchase Agreement will

better prepare the Debtors to address the aforementioned self-liquidation challenges and complete the Liquidation Transaction if necessary.

38. My understanding, based on my work with the Debtors, is that the Debtors have a plan in place to pivot to and implement the Liquidation Transaction, if necessary. As a result, in the event the Sale Transaction fails to close, the Debtors have the infrastructure and capability (and, due to the other protections provided in the Plan, including the Employee Transition Plan, the personnel) to proceed with a self-liquidation. The ability to perform this self-liquidation pursuant to the Liquidation Transaction makes it unlikely that Debtors will need to undergo a court-supervised liquidation or pursue further reorganization other than that provided in the Plan.

IV. THE PLAN WAS PROPOSED IN GOOD FAITH

39. I understand that Section 1129(a)(3) requires that the Plan be proposed in good faith. I and the other members of the Moelis team, along with the Debtors' other advisors, were intimately involved in the negotiation and execution of the Asset Purchase Agreement and the development of the Plan. The Plan and Asset Purchase Agreement followed extensive arm's-length negotiations among sophisticated, well-represented parties, including the Debtors, the Committee, and interested counterparties, ensuring that the Debtors' stakeholders realize the highest possible recoveries under the circumstances.⁶

40. I believe that the Debtors' marketing process with respect to the Sale Transaction afforded a reasonable opportunity for any party to make a higher or otherwise better offer. Following FTX's bankruptcy, no other party or parties offered to purchase the Acquired Assets for greater overall value to the Debtors' estates than Binance.US. Based on our analysis to date, I

⁶ For the avoidance of doubt, Binance.US is not an "insider" or "affiliate" of any of the Debtors, as those terms are defined in the Bankruptcy Code, and no common identity of incorporators, directors, or controlling stakeholders exist between the Purchaser and the Debtors.

believe the Asset Purchase Agreement will provide a greater recovery for the Debtors than would be provided by any other currently available alternative and, if the Debtors ultimately determine that another third-party option (if one emerges) or the Liquidation Transaction will deliver greater value to creditors, they will toggle to that transaction.

41. In my opinion the consideration provided by Binance.US pursuant to the Asset Purchase Agreement constitutes the best offer for the Acquired Assets that is currently available.

42. I am not aware of any side deals or other arrangements that would evidence a lack of good faith. Further, while I recognize that Binance.US has been cooperating with a variety of regulatory bodies internationally, I have no knowledge of Binance.US engaging in any improper action or inaction, which would cause or permit the Asset Purchase Agreement or the Sale Transaction to be avoided or impose any costs or damages. All that said, I am not an authorized representative of Binance.US nor am I in a position to “vouch” for the bona fides of Binance.US. And if events since May 2022 have taught us anything, it is that the benefits of having a decentralized and largely unregulated cryptocurrency business are counterbalanced by the challenges in identifying and preventing fraud.

CONCLUSION

43. The Plan and the Sale Transaction will provide the greatest currently available recovery to creditors, allow the Debtors to facilitate an efficient resolution of these chapter 11 cases, and give customers the opportunity to migrate to Binance.US’s market-leading trading platform to trade and store cryptocurrency upon consummation of the Sale Transaction. Further, in the event that the Debtors determine that the Sale Transaction is not the highest and best option available for their stakeholders under the circumstances, they have the right to, and will, toggle to

Liquidation Transaction provided under the Plan to quickly and efficiently return cryptocurrency to creditors and facilitate the expedient resolution of these chapter 11 cases.

44. For these reasons, I support confirmation of the Debtors' Plan.

1. I submit this declaration in conjunction with the Debtors' memorandum of law in support of confirmation of the *Third Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (as the same may be supplemented, amended, or modified from time to time, the "Plan") filed contemporaneously herewith.²

2. Except as otherwise noted, I have personal knowledge of the matters set forth herein.

Professional Experience and Background

3. My professional experience helped me to fulfill my role as an independent director and member of the board of directors of Voyager Digital, LLC ("Board"), and informed my business judgment with respect to the D&O Settlement (defined below).

4. My experience as a corporate restructuring professional spans the last 30 years. After graduating with a J.D. from the University of Chicago Law School in 1991, I was an associate at the law firm of Jones Day in the firm's business restructuring & reorganization group until 1999. From 1999 to 2008, I was an attorney at the law firm of Skadden, Arps, Slate, Meagher & Flom LLP where I ultimately was a partner and served as the co-head of the corporate restructuring practice. In 2009, I joined the Restructuring and Capital Solutions Group at Lazard Freres & Co. LLC, where I was a Managing Director until I retired in 2019. In 2019, I founded TRP Advisors, LLC, where I provide strategic advice to a number of companies, financial institutions, and private

equity firms with respect to distressed situations, troubled portfolio companies, and acquisition opportunities.

5. I have also served as an independent director for a number of entities, including: GT USA Wilmington, LLC (The Port of Wilmington) (Chair); Libbey Inc.; Forma Brands (f/k/a Morphe Cosmetics); K&N Engineering, Inc.; Dunn Paper Holdings, Inc.; Petrochoice Holdings, Inc.; Genera Energy, Inc.; Unical Aviation, Inc.; Steak 'n Shake Company; Hawkwood Energy LLC; Delonex Energy Limited; CorePower Yoga, LLC; and Qapital, Inc.

6. I have no connection with any potential party that was within the Special Committee's mandate to investigate, as further described below.

Appointment to Special Committee

7. On July 5, 2022, the Board of Voyager Digital, LLC ("Voyager LLC") appointed Jill Frizzley and me to serve as independent directors ("Independent Directors") of the Board and to serve as initial members of the special committee of the Board (the "Special Committee"), pursuant to unanimous written consent. I had not previously worked with Ms. Frizzley, but observed her capabilities and qualifications while serving as an Independent Director. It is my understanding that she was formerly a restructuring attorney at Weil Gotshal & Manges, LLP and has diverse experiences from mine in various governance, investigations, and restructuring situations. I believe Ms. Frizzley's independent experience and training enhanced the proper functioning of the Special Committee.

8. The Special Committee was vested with the authority to, among other things, conduct an independent investigation (the "Investigation") with respect to any potential estate claims and causes of action against insiders, including any claims arising from loans made to Three Arrow Capital Ltd. ("3AC"). The Special Committee was also vested with sole authority to

prosecute, settle, or extinguish any and all claims and causes of action arising from the historical transactions investigated by the Special Committee.

9. Ms. Frizzley and I retained Quinn Emanuel Urquhart & Sullivan LLP (“Quinn Emanuel”) to provide independent advice to, and at act at the exclusive direction of, the Special Committee in connection with the Special Committee’s mandate. We believe Quinn Emanuel’s experience made them an appropriate choice for this role.

Special Committee Investigation

10. At the Special Committee’s direction, Quinn Emanuel conducted a thorough investigation, appropriate to the size and complexity of this case. I understand that, consistent with the mandate of Special Committee, Quinn Emanuel requested and received information relating to, among other things: Voyager LLC’s loans to third parties, with a particular focus on the troubled loans to 3AC (the “3AC Loans”); the diligence performed in connection with those loans; the formation and function of Voyager LLC’s Risk Committee; Voyager LLC’s staking of customer cryptocurrency assets; Voyager LLC’s regulatory compliance; Voyager LLC’s communications with the public; Voyager LLC’s pre-petition payments to insiders and certain third parties; and other aspects of Voyager LLC’s business.

11. It was reported to me that Voyager LLC collected and provided to the Special Committee’s counsel responsive documents from its internal hard copy and electronic files, from its outside counsel, and from various third parties (*e.g.*, cryptocurrency custodians and exchanges). Among other things, the productions included emails, Slack communications, and, in certain cases, Telegram and cell phone data from Voyager LLC’s employees, including Voyager LLC’s most senior officers and others. It is my understanding that no information was withheld from the Special Committee on privilege grounds.

12. Early in the Investigation, Quinn Emanuel, on the Special Committee's behalf, proposed and negotiated a common interest confidentiality agreement and protective order (the "Protective Order") with primary bankruptcy counsel for the Debtors, Kirkland & Ellis, LLP, and McDermott Will & Emery ("MWE"), the law firm representing the Official Committee of Unsecured Creditors (the "UCC"). The Protective Order, which was entered by the Court, enabled Voyager LLC to make the same productions to MWE as it did to Quinn Emanuel while protecting the estate against any waivers of privilege. At the direction of the Special Committee, Quinn Emanuel cooperated and coordinated with MWE throughout the course of the Investigation.

13. In addition to document and information review, Quinn Emanuel conducted interviews of twelve members of Voyager LLC management, including Stephen Ehrlich (CEO), Evan Psaropoulos (COO and former CFO), David Brosgol (General Counsel), Gerard Hanshe (COO), Ashwin Prithipaul (then-CFO), Pamela Cramer (Chief Marketing Officer), Marshall Jensen (Head of Corporate Development), Ryan Whooley (Treasury Director), Jon Brosnahan (Treasurer), Brian Silard (member of Treasury team), David Brill (Deputy General Counsel), and Manisha Lalwani (in-house regulatory counsel). It was reported to me that lawyers from MWE also attended and asked questions at these interviews.

14. The Debtors' financial advisor, Berkely Research Group, LLC ("BRG") provided assistance and information to Quinn Emanuel and the Special Committee throughout the Investigation.

15. Throughout the course of the Investigation, Quinn Emanuel provided regular updates to Ms. Frizzley and me on the status of the Investigation, including facts learned, impressions obtained, and relevant legal theories and conclusions, both through formal videoconference meetings and emails. During these videoconference meetings, Ms. Frizzley and

I were engaged and asked questions based on our respective experience regarding the facts being developed and potentially applicable legal theories. The Special Committee's meetings were in addition to Ms. Frizzley's and my participation in several Board meetings concerning the Debtors' general business and case trajectory.

Investigation Report and Special Committee's Conclusions

16. The Investigation culminated in a more than 60-page single-spaced report (the "Investigation Report") provided by Quinn Emanuel to Ms. Frizzley and me on October 7, 2022, which detailed the factual findings uncovered in the Investigation and contained attorney impressions and advice concerning, among other things, applicable fiduciary duty and other legal standards, the exculpation provisions in Voyager LLC's operating agreement, the availability of director and officer ("D&O") insurance, and issues relating to the potential costs of litigation, potential enforcement matters if litigation was brought and was successful, and other relevant issues. In connection with confirmation of the Plan, certain parties in interest requested to see a public version of the Investigation Report. The Special Committee agreed to voluntarily disclose a public version of the Investigation Report, redacted to protect privileged and other material protected by the Protective Order, and that version was filed on the Court's docket on February 14, 2023, and can be found at docket number 1000 in the above-captioned case.

17. On October 10, 2022 the Special Committee held a videoconference meeting with Quinn Emanuel to discuss the findings, conclusions, and recommendations in the Investigation Report, as well as to update the Special Committee on potential additional matters that were the subject of ongoing review. The Special Committee determined that the estate has colorable claims against Voyager LLC's CEO, Stephen Ehrlich, and former CFO (now CCO), Evan Psaropoulos, for breach of fiduciary duty relating to their decision to make the 3AC Loans (the "Potential Claims"). Because Messrs. Ehrlich and Psaropoulos were the two potential ultimate decision-

makers with respect to the 3AC Loans (including the amounts and terms on which to lend), the Special Committee concluded that the estate does not have viable claims against other insiders with respect to the 3AC Loans. Other than the Potential Claims, the Special Committee concluded that the estate does not have any other viable claims against insiders. For example, the Investigation did not uncover evidence that would lead the Special Committee to conclude that there was any conflict of interest or motives other than the success of the company.

18. Based on our respective experience, Ms. Frizzley and I also realized that, while the estate may have colorable claims against Messrs. Ehrlich and Psaropoulos, the standard for successfully prosecuting the Potential Claims would be difficult to meet, and any judgment would be difficult to collect. With respect to the former, while I do not believe Messrs. Ehrlich and Psaropoulos conducted sufficient due diligence when making the 3AC Loans, there are several additional determinations that would need to be established in connection with litigation—including, for example, the applicability of Voyager LLC operating agreement’s exculpation provision to the alleged acts/omissions, whether their actions rise to the level of “gross” negligence, and whether their negligence, even if “gross,” was the cause of losses to the estate—each of which is uncertain and likely to be hotly contested. Important to my judgment is that there was no theft or fraud, nor was there any evidence to suggest that Messrs. Ehrlich and Psaropoulos had any motive to take improper risks with the company’s assets, other than wanting the company to generate revenues and succeed.

19. With respect to collection risks, and as noted in more detail below, my understanding was that neither Mr. Ehrlich nor Mr. Psaropoulos had significant personal assets available to satisfy any potential judgment even if the claims were successfully prosecuted.

Therefore, I believe that the best source of recoveries from any litigation against them (if pursued) would be from the available D&O insurance coverage.

20. For these reasons, the Special Committee sought to negotiate a settlement whereby the estate would not release the Potential Claims, obtain what it could consensually from Messrs. Ehrlich and Psaropoulos's personal assets, and preserve as much of the D&O insurance as possible to enable the Wind-Down Entity, on behalf of the estate to pursue litigation and/or settlement from the policy limits.

21. In addition to the Potential Claims, I learned that one of the policies (the Cornerstone A-Side Management Liability Insurance Policy to Voyager Digital Ltd.) was obtained on the eve of the Debtors' bankruptcy filing (the "Side-A Policy"). While I understood the Side-A Policy was obtained in furtherance of the Debtors' efforts to bolster protections for its directors and officers and as part of a broader D&O insurance transaction involving a series of interrelated amendments for which an aggregate \$15.6 million was paid, the documentation for the Side-A Policy indicates that it a \$10 million premium was paid for that \$10 million in coverage. I accordingly instructed Quinn Emanuel to preserve any estate claims against the insurer for potential avoidance actions and return of the premium paid by the Debtors. However, I did not believe that the purchase of the Side-A Policy gave rise to estate claims against insiders because, among other reasons, it was purchased with the guidance of counsel in connection with the negotiation of, and agreement to, important enhancements to the existing D&O policies that resulted in material improvements to coverage terms as well as run-off coverage to go effective upon the company's emergence from bankruptcy.

D&O Settlement

22. In light the foregoing considerations, the Special Committee authorized Quinn Emanuel to explore a settlement of the Potential Claims which would maximize the estate's access

to the D&O insurance proceeds and potentially, depending on the financial wherewithal of Mr. Ehrlich and Mr. Psaropoulos, some amount beyond that. With respect to the latter, Quinn Emanuel requested, and received, a sworn accounting of each of Mr. Ehrlich's and Mr. Psaropoulos's assets, including joint marital assets (the "Financial Statements").

23. Quinn Emanuel, on the Special Committee's behalf, engaged in independent negotiations with each of Mr. Ehrlich's legal counsel and Mr. Psaropoulos's legal counsel. The parties exchanged multiple settlement offers the last of which was the following:

Debtors Retain Rights of Recourse to D&O Insurance

Upon receipt of personal financial contributions, described below, the Debtors will retain the right to pursue claims against the Messrs. Ehrlich and Psaropoulos up to the maximum recovery under the Debtors' D&O Liability Insurance Policies, without further recourse to the individuals' other assets.

Releases and Waivers by the Officers against the Debtors

Mr. Ehrlich agrees to subordinate any Claims (including any indemnification claims) he holds against the Debtors until all other Holders of Claims are paid in full.

Mr. Psaropoulos agrees to subordinate 50% of any Claims he holds other than indemnification claims (and 100% of any indemnification claims) against the Debtors until all other Holders of Claims are paid in full.³

Messrs. Ehrlich and Psaropoulos will be entitled to receive their salary and benefits for as long as they work for the Debtors and/or the Wind-Down Entity and retain the right to assert claims for advancement and indemnification up to the limits of any available coverage in the event any of the insurers that issued the Management Liability Policy, the Excess Policy, or the Side-A Policy denies coverage to Mr. Ehrlich and/or Mr. Psaropoulos based upon or arising out of the lack of a formal claim for indemnification; *provided, however*, that any such indemnification or advancement claims will be subordinated in full unless and until all other Holders of Claims

³ In the event the D&O Carriers deny coverage to Mr. Ehrlich or Mr. Psaropoulos under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by Mr. Ehrlich or Mr. Psaropoulos will not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

are paid in full; *provided, further*, that in the event that any of the D&O Carriers deny coverage to Mr. Ehrlich or Mr. Psaropoulos under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by Mr. Ehrlich or Mr. Psaropoulos will not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

Messrs. Ehrlich and Psaropoulos further agree to subordinate any and all rights and entitlements under the Side A Policy to any recovery by the Debtors and/or the Wind Down Entity on account of the Debtors' and/or Wind Down Estate's claims for the avoidance of the premium paid for the policy. For the avoidance of doubt, should coverage continue to be available under the Side-A Policy following resolution of the Debtors' and/or the Wind Down Entity's claims for the avoidance of the premium paid for the policy (whether by judgment or settlement or otherwise), Messrs. Ehrlich and/or Psaropoulos shall be entitled to seek coverage under the Side-A Policy.

**Reversal of Insider
Bonus Payment**

Mr. Ehrlich agrees to the avoidance/unwinding of the transfer of \$1,900,000 that Mr. Ehrlich received from the Debtors on or around February 28, 2022, with Mr. Ehrlich paying \$1,125,000 to the Debtors in cash and assigning the right, if any, to any tax refund for the balance.

**Commitment to
Cooperate**

Messrs. Ehrlich and Psaropoulos agree to remain at, and continue performing the responsibilities of, their position(s) with the Debtors and assist with the Debtors' transition for at least 30 days from entry of the Confirmation Order; *provided* that the Mr. Psaropoulos will have no obligation to remain at his position with the Debtors beyond January 15, 2023 and the Mr. Ehrlich will have the right to pursue and engage in any employment opportunity, business venture, consulting arrangement, or investment that may become available; *provided, further*, that both Mr. Ehrlich and Mr. Psaropoulos will be available to the Debtors and/or the Wind-Down Entity for a maximum of five hours per month for the one year following the Effective Date.

24. After reviewing and analyzing the foregoing settlement terms and conditions, I concluded that the proposal was in the estate's best interest, and we approved the settlement (the "D&O Settlement"). This conclusion was reached after careful consideration of the issues explained above, including the relative strength of the Potential Claims, the challenges involved in litigating loss causation, the costs of litigating the claims, and the financial wherewithal of

Messrs. Ehrlich and Psaropoulos to satisfy any judgment. And as I note below, I took into account the UCC's support for the D&O Settlement.

25. In sum, subject to the terms and conditions above (concerning personal contributions and subordination of rights in exchange for limitation on further recourse to personal assets), any claims and causes of action held by the Debtors or their respective estates against Mr. Ehrlich and/or Mr. Psaropoulos that are expressly related to the approval of the 3AC Loans are not being released (the "Non-Released D&O Claims"). Pursuant to the Plan, the Non-Released D&O Claims are being assigned and transferred to the Wind-Down Entity to be pursued, settled, or resolved.⁴ In addition, any avoidance actions relating to the Side-A Policy (the "Non-Released Insurance Claims"), will also be assigned and transferred to the Wind-Down Entity to be pursued, settled or resolved.⁵ Moreover, Messrs. Ehrlich and Psaropoulos agreed to subordinate any of their rights and entitlements to the Side-A Policy to any recovery by the Debtors and/or the Wind-Down Entity on account of the Non-Released Insurance Claims.

26. And while Financial Statements confirmed that Mr. Ehrlich and Mr. Psaropoulos do not have assets sufficient to satisfy any significant judgment against them, the D&O Settlement does provide for some financial recovery from both Mr. Ehrlich and Mr. Psaropoulos.

⁴ Pursuant to the Plan, the Debtors and the Wind-Down Debtors also expressly reserve claims for aiding and abetting breach of fiduciary duties against third parties unaffiliated with the Debtors who are not "Released Parties" as defined in the Plan.

⁵ Pursuant to the Plan, the Debtors are reserving all causes of action against the D&O insurance carriers based in whole or in part upon any and all insurance contracts and insurance policies to which any Debtor or Wind-Down Debtor is a party or pursuant to which any Debtor or Wind-Down Debtor has any rights whatsoever, including causes of action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters. These causes of action include, without limitation, the Non-Released D&O Claims and the Non-Released Insurance Claims.

27. As noted above, the UCC's advisors had participated in the Investigation, and Quinn Emanuel promptly informed them of the proposed terms of the D&O Settlement. The UCC ultimately supported the D&O Settlement and encouraged all unsecured creditors to vote in favor of the Plan. *See Letter of the Official Committee of Unsecured Creditors in Support of Joint Chapter 11 Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates* (Dkt. No 566).

28. The D&O Settlement was expressly conditioned on the accuracy of the Financial Statements. To help ensure the accuracy of those Financial Statements, MWE and Quinn Emanuel requested, received, and reviewed documents from Mr. Ehrlich and Mr. Psaropoulos. Mr. Psaropoulos was deposed on February 17, 2023, at which he answered questions relating to his Financial Report and testified that it was accurate. Mr. Ehrlich was deposed today, February 28, 2023, and did the same. If I learned of any material inaccuracies in the Financial Statements, I would revisit the terms of the D&O Settlement.

29. As a result of the D&O Settlement, the estates will receive approximately \$1.2 million of Mr. Ehrlich's and Mr. Psaropoulos's personal assets and a potential tax refund, plus recourse to (and preservation of) the available D&O insurance, among other benefits.

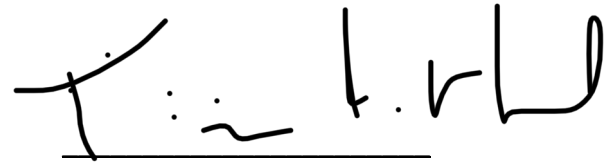

30. The Plan also provides for the Debtors' release of their officers, directors, and employees who continued to hold such position after the Petition Date. These individuals enabled the Debtors to continue to operate post-petition during the sale processes and ultimately wind-down their businesses. Because the Investigation led the Special Committee to conclude that the estate does not have any cognizable claims against any of these individuals other than Messrs. Ehrlich and Psaropoulos, I believe, in my business judgment, that the releases contained in the Plan are appropriate. Notably, the Plan does *not* purport to release claims against former officers, directors, and employees who did not hold such position at any time post-petition, or any claims

against insiders held by third-parties (including customers and regulatory agencies) without such third-party's affirmative consent.

31. Based on the work that I, my fellow Independent Director, Ms. Frizzley, and Quinn Emanuel have undertaken, the Special Committee submits that the D&O Settlement contained in the Plan was negotiated at arm's-length by independent parties, represented by independent counsel, and is fair, reasonable, and in the best interests of Voyager LLC and its stakeholders.

I declare under penalty of perjury that the foregoing is true and correct.

SOLICITATION AND TABULATION OF VOTES ON THE THIRD
AMENDED JOINT PLAN OF VOYAGER DIGITAL HOLDINGS, INC. AND ITS
DEBTOR AFFILIATES PURSUANT TO CHAPTER 11 OF THE BANKRUPTCY CODE**

I, Leticia Sanchez, pursuant to 28 U.S.C. § 1746, hereby declare under the penalty of perjury as follows:

1. I am a Director at Stretto, which has offices located at 410 Exchange, Suite 100, Irvine, California 92602. I am over the age of eighteen years. I do not have a direct interest in the chapter 11 cases and should be considered an impartial party. I am duly authorized to submit this declaration (this “Declaration”) on behalf of Stretto.

2. On July 13, 2022, the United States Bankruptcy Court for the Southern District of New York (the “Court”) entered the *Order (I) Authorizing and Approving the Appointment of*

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Debtors’ principal place of business is 33 Irving Place, Suite 3060, New York, NY 10003.

Stretto, Inc. As Claims and Noticing Agent and (II) Granting Related Relief [Docket No. 67] (the “Stretto Retention Order”). The Stretto Retention Order authorizes Stretto to assist the Debtors with, among other things, the service of solicitation materials and tabulation of votes cast to accept or reject the Plan, distributing required notices to parties in interest, and receiving, maintaining, docketing, and otherwise administering the proofs of claim filed in the Debtors’ chapter 11 cases.

3. I submit this amended declaration (this “Declaration”) with respect to the solicitation of votes and the tabulation of Ballots cast on the *Third Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 852], dated January 10, 2023 (as may be amended, supplemented, or modified from time to time, the “Plan”).² Except as otherwise noted, all facts set forth herein are based on my personal knowledge, knowledge that I acquired from individuals under my supervision, and my review of relevant documents. I am authorized to submit this Declaration on behalf of Stretto. If I were called to testify, I could and would testify competently as to the facts set forth herein.

Background

4. On January 13, 2023, the Court entered the *Order (I) Scheduling a Combined Disclosure Statement Approval and Plan Confirmation Hearing, (II) Conditionally Approving the Adequacy of the Disclosure Statement, (III) Approving (A) Solicitation and Notice Procedures, (B) Forms of Ballots and Notices, (C) Procedures for Tabulation of Votes and (D) Procedures for Objections* [Docket No. 861] (the “Conditional Disclosure Statement Order”) establishing, among other things, procedures to solicit votes from and tabulate ballots submitted by holders

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the *Second Amended Disclosure Statement Relating to the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (the “Disclosure Statement”).

entitled to vote on the Plan (the “Solicitation and Voting Procedures”). Stretto adhered to the Solicitation and Voting Procedures outlined in the Conditional Disclosure Statement Order and the ballots, which were distributed to parties entitled to vote on the Plan. I supervised the solicitation and tabulation performed by Stretto’s employees.

5. Pursuant to the Conditional Disclosure Statement Order, and in accordance with the solicitation procedures and the tabulation rules set forth therein (collectively, the “Solicitation Procedures and Tabulation Rules”), Stretto worked with the Debtors to solicit votes for the Plan and tabulate ballots of creditors entitled to vote on the Plan. The Plan designates Claims in Class 3 (Account Holder Claims), Class 4A (OpCo General Unsecured Claims), Class 4B (HoldCo General Unsecured Claims), and Class 4C (TopCo General Unsecured Claims) (collectively, the “Voting Classes”) as Impaired and entitled the Holders of such Claims to vote on the Plan. The Conditional Disclosure Statement Order established January 10, 2023, as the Voting Record Date for determining which Holders of Claims or Interests were entitled to receive Solicitation Packages and, where applicable, vote on the Plan.

6. Pursuant to and in accordance with the Conditional Disclosure Statement Order, Stretto served the Solicitation Packages (including the Ballots) on Holders of Claims entitled to vote on the Plan by January 25, 2023. A certificate of service evidencing Stretto’s service of the foregoing was filed with the Court on January 30, 2023 [Docket No. 926]. Subsequent Solicitation Packages were periodically served on Holders of Claims entitled to vote on the Plan on account of (a) additional timely-filed claims filed after the Voting Record Date, (b) forwarding instructions included on Solicitation Packages returned as undeliverable, and (c) at the request of interested parties. This additional service is evidenced by certificates of service filed with the Court [Docket Nos. 927, 999, 1016, 1090, and 1091].

7. In addition to serving the Solicitation Packages on all voting parties, Stretto timely (a) served opt in forms on Holders of Administrative Claims, Holders of Priority Tax Claims, and all members of Class 1 (Secured Tax Claims), Class 2 (Other Priority Claims), Class 5 (Alameda Loan Facility Claims), Class 6 (Section 510(b) Claims), and Class 9 (Existing Equity Interests) (collectively, the “Non-Voting Classes”); and (b) served the Combined Hearing Notice on all parties in interest (collectively, the “Non-Voting Packages”). This service is evidenced by certificates of service filed with the Court [Docket No. 926]. Subsequent Non-Voting Packages were periodically served on the Non-Voting Classes on account of (a) forwarding instructions included on Non-Voting Packages returned as undeliverable and (b) at the request of interested parties. This additional service is evidenced by certificates of service filed with the Court [Docket Nos. 999, 1016, and 1091]. Furthermore, free copies of the Disclosure Statement, the Plan, and all other documents filed in these cases are available on the internet at <https://cases.stretto.com/Voyager/>.

8. The Conditional Disclosure Statement Order established February 22, 2023, at 4:00 p.m. (prevailing Eastern Time) as the deadline by which all Ballots were to have been received by Stretto in order to be counted as a valid vote to accept or reject the Plan (the “Voting Deadline”).

9. Stretto received and tabulated the Ballots as follows:

a. With respect to hard copy Ballots:

i. Each returned Ballot was opened and/or inspected at Stretto’s offices;
and

ii. Ballots were date-stamped upon receipt.

b. With respect to Ballots submitted through the online portal:

i. Encrypted ballot data, date-stamp, and audit trail were created upon

submittal; and

ii. Electronic images of Ballots were created using the submitted ballot data.

c. All Ballots received were then tabulated in accordance with the Solicitation and Voting Procedures approved by the Conditional Disclosure Statement Order.

10. On March 1, 2023, after the Voting Deadline passed, Stretto became aware of four timely filed Class 4A Ballots that were not included in Stretto's initial tabulation (the "Additional Class 4A Ballots"). The Additional Class 4A Ballots were each submitted twice and, accordingly, were flagged as duplicates and unintentionally omitted from the initial tabulation. Stretto immediately notified the Debtors and their advisors of the Additional Class 4A Ballots and revised the tabulation accordingly. Additionally, after identifying that such Ballots were unintentionally classified as duplicates and not initially included, Stretto confirmed that the Additional Class 4A Ballots were the only Ballots miscategorized and not included in the initial tabulation.

11. For a Ballot to be counted as valid, the Ballot was required to have complied with the Solicitation and Voting Procedures, including the requirement that the Ballot be properly completed, executed by the Holder of the Claim (or such Holder's authorized representative), be submitted by an entity entitled to vote, and received by Stretto on or before the Voting Deadline. Ballots that did not comply with the Solicitation Procedures were not counted. Except as set forth herein or in the attached exhibits, (a) all Ballots that complied with the Solicitation and Voting Procedures were tabulated in accordance with these tabulation rules, which were not modified in any respect, (b) there were no defects or irregularities with any of the Ballots, and (c) no votes were changed or modified after they were cast without the express written consent to do so by the Holder of the Claim (or such Holder's authorized representative) pursuant to the Conditional Disclosure Statement Order.

12. Stretto examined each valid ballot to determine which creditors affirmatively opted in to the Third-Party Release provided in Article VIII.B of the Plan (the “Release Opt-In”). Based on this review, 65% (40,112) of Holders of Claims in the Voting Classes affirmatively selected the Release Opt-In. Furthermore, 85% (726) of Holders of Claims or Interests in the Non-Voting Classes affirmatively selected the Release Opt-In. Stretto also examined each ballot to determine which creditors elected to contribute their third-party claims. Based on this review, 52% (31,878) of Holders of Claims in the Voting Classes affirmatively contributed their third-party claims. Furthermore, 90% (765) of Holders of Claims or Interests in the Non-Voting Classes affirmatively contributed their third-party claims.

13. I hereby certify that the results of the voting by Holders of Claims in the Voting Classes are as set forth in Exhibit A to this Declaration, which is a true and correct copy of the final tabulation of votes, cast by timely and properly completed Ballots received by Stretto.

14. As reflected on Exhibit B attached hereto, I hereby certify that there are six (6) abstaining Ballots submitted to Stretto as of the filing of this Declaration.

15. I hereby certify that attached hereto as Exhibit C is a detailed voting report of all non-tabulated Ballots submitted to Stretto as of the filing of this Declaration.

[Remainder of page intentionally left blank]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

Objections to requests for payment of such Administrative Claims, if any, must be Filed with the Bankruptcy Court and served on the Wind-Down Debtor and the requesting Holder no later than the Claims Objection Bar Date for Administrative Claims. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code, the Bankruptcy Rules, and prior Bankruptcy Court orders, the Allowed amounts, if any, of Administrative Claims shall be determined by, and satisfied in accordance with, an order that becomes a Final Order of the Bankruptcy Court.

B. Professional Fee Claims

1. Final Fee Applications and Payment of Professional Fee Claims

All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Confirmation Date must be Filed no later than sixty (60) days after the Effective Date. The Wind-Down Debtor shall pay Professional Fee Claims in Cash to such Professionals in the amount the Bankruptcy Court allows, including from funds held in the Professional Fee Escrow Account as soon as reasonably practicable after such Professional Fee Claims are Allowed by entry of an order of the Bankruptcy Court; *provided* that the Debtors' and the Wind-Down Debtor's obligations to pay Allowed Professional Fee Claims shall not be limited or deemed limited to funds held in the Professional Fee Escrow Account.

2. Professional Fee Escrow Account

No later than the Effective Date, the Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Escrow Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals and the U.S. Trustee and for no other Entities until all quarterly U.S. Trustee fees and all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full to the U.S. Trustee or to the Professionals pursuant to one or more Final Orders of the Bankruptcy Court. No Liens, claims, or interests shall encumber the Professional Fee Escrow Account or Cash held in the Professional Fee Escrow Account in any way. Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full to the Professionals pursuant to one or more Final Orders of the Bankruptcy Court, and all U.S. Trustee quarterly fees plus statutory interest, if any, have been paid in full, any remaining funds held in the Professional Fee Escrow Account shall be turned over to the Wind-Down Debtor without any further notice to or action, order, or approval of the Bankruptcy Court or any other Entity.

3. Professional Fee Escrow Amount

The Professionals shall deliver to the Debtors a reasonable and good-faith estimate of their unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Confirmation Date projected to be outstanding as of the anticipated Effective Date, and shall deliver such estimate no later than five Business Days prior to the anticipated Effective Date. For the avoidance of doubt, no such estimate shall be considered or deemed an admission or limitation with respect to the amount of the fees and expenses that are the subject of a Professional's final request for payment of Professional Fee Claims Filed with the Bankruptcy Court, and such Professionals are not bound to any extent by the estimates. If a Professional does not provide an estimate, the Debtors may estimate the unpaid and unbilled fees and expenses of such Professional. The total aggregate amount so estimated to be outstanding as of the anticipated Effective Date shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow Account; *provided* that the Wind-Down Debtor shall use Cash on hand to increase the amount of the Professional Fee Escrow Account to the extent fee applications are Filed after the Effective Date in excess of the amount held in the Professional Fee Escrow Account based on such estimates.

For the avoidance of doubt, no Administrative Claims, Professional Fee Claims, or any other post-confirmation fees and expenses shall be paid prior to payment of any quarterly fees due and outstanding to the U.S. Trustee.

Parties in interest shall have ten days to object to the Liquidation Procedures, and if no objections are timely filed, the Liquidation Procedures shall be approved. In the event of a timely objection, the Bankruptcy Court shall adjudicate any objection to the Liquidation Procedures.

On and after the Effective Date, except as otherwise provided in the Plan, the Plan Administrator Agreement, and the Liquidation Procedures, the Debtors or the Wind-Down Debtor, as applicable, may operate their businesses and may use, acquire or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; provided, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

2. *Cryptocurrency Rebalancing*

Prior to the Effective Date the Debtors shall, in consultation with the Committee, be authorized to rebalance their Cryptocurrency portfolio to ensure that the Debtors can effectuate *pro rata* in-kind distributions of the Distributable Cryptocurrency according to Article III.C.3(c) of this Plan, *provided* that such rebalancing shall be in accordance with the Asset Purchase Agreement (if the Asset Purchase Agreement has not been terminated). The Debtors may effectuate such rebalancing by (i) selling such Cryptocurrency that cannot be distributed to Account Holders, (ii) purchasing Cryptocurrency supported by Voyager's or Purchaser's platform (as provided by the Asset Purchase Agreement) that shall be distributed to Account Holders, and (iii) engaging in any other transaction, including the execution of trades of Cryptocurrency, necessary or appropriate to effectuate distributions of the Distributable Cryptocurrency to Holders of Allowed Account Holder Claims.

E. Employee Transition Plan

The Debtors shall be authorized to implement the Employee Transition Plan, the terms of which shall be reasonably acceptable to Purchaser and the Committee and included in the Plan Supplement. The Employee Transition Plan shall help ensure that employees are available to provide transition services to the Debtors and/or the Wind-Down Debtor to effectuate the Sale Transaction and to wind down the Debtors' Estates.

F. Non-Released D&O Claims

Any Claims or Causes of Action held by the Debtors or their respective estates against the Debtors' CEO and/or CCO (regardless of any fiduciary capacity in which such individuals were acting) that are expressly related to approval of the 3AC Loan are not released pursuant to the Plan (collectively, the "Non-Released D&O Claims"), and shall be assigned and transferred to the Wind-Down Debtor to be pursued, settled, or resolved by the Wind-Down Debtor in accordance with the terms of Article IV.G of this Plan and subject to the Wind-Down Budget. Any claims against the D&O Carriers that the Debtors' insurance transactions within the 90 days prior to the Petition Date are avoidable under the Bankruptcy Code, applicable state law, or both (the "Non-Released Insurance Claims") shall be assigned and transferred to the Wind-Down Debtor to be pursued, settled, or resolved solely by the Wind-Down Debtor in accordance with the terms of Article IV.G of this Plan. The Wind-Down Debtor shall be a successor to the Debtors' rights, title, and interest in any Non-Released D&O Claims and Non-Released Insurance Claims, and the Wind-Down Debtor shall have standing to pursue the Non-Released D&O Claims and the Non-Released Insurance Claims in accordance with the terms of Article IV.G of this Plan; *provided* that: (i) any recovery by the Wind-Down Debtor (and the beneficiaries thereof) on account of any Non-Released D&O Claim, including in each case by way of settlement or judgment, shall be satisfied solely by and to the extent of the proceeds of the Debtors' available D&O Liability Insurance Policies (and/or from the D&O Carriers directly) after payment from such D&O Liability Insurance Policies of any and all covered costs and expenses incurred in connection with the defense of the Non-Released D&O Claims; (ii) any party, including any trustee or any beneficiary of the Wind-Down Debtor, seeking to execute, garnish, or otherwise attempt to collect on any settlement of or judgment in the Non-Released D&O Claims shall do so solely upon available insurance coverage from the Debtors' available D&O Liability Insurance Policies; and (iii) no party shall (a) record any judgment against the CEO or CCO, or (b) otherwise attempt to collect, directly or indirectly, from the personal assets of the CEO or CCO with respect to the Non-Released D&O Claims. For the avoidance of doubt, this provision does not enjoin, limit, or impair direct claims held by third parties against the Debtors' CEO or CCO (if any) other than any direct claims held by Holders of Claims or Interests that opt into the third-party release in Article VIII.B of this Plan. Only upon the occurrence of the earlier of (x) a release being given as part of any later settlement of the Non-Released D&O Claims; (y) final resolution of any coverage claims asserted against the Debtors' available D&O Liability Insurance Policies on account of the Non-Released D&O Claims; or (z) exhaustion of the available insurance coverage under the D&O Liability Insurance Policies, the Non-Released D&O Claims shall be released and discharged without the need for further action or Bankruptcy Court order. For the avoidance of doubt, any release of the Non-Released D&O Claims shall not become effective until one of the three conditions stated in the preceding sentence above has been met.

G. The D&O Settlement

On the Effective Date, the terms of the D&O Settlement shall be effectuated as provided in this Article IV.G.

Pursuant to the D&O Settlement, CEO shall repay the \$1,900,000 received from the Debtors on or around February 28, 2022, by paying the after-tax amount of such transfer (approximately \$1,125,000) to OpCo in cash and assigning the right, if any, to any tax refund for the balance to the Wind-Down Debtor. CEO shall subordinate any Claims (including any indemnification claims asserted under this Art. IV.F) he holds against the Debtors until all other Holders of Claims are paid in full. CCO shall subordinate 50 percent of any Claims he holds other than indemnification claims (and 100% of any indemnification claims asserted under this Art. IV.F) against the Debtors until all other Holders of Claims are paid in full; *provided, however*, that in the event the D&O Carriers deny coverage to CEO or CCO under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by CEO or CCO shall not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

CEO and CCO, each as insureds, under the D&O Liability Insurance Policies agree: (i) not to draw down on the Side-A Policy; *provided, however*, that should coverage continue to be available under the Side-A Policy following resolution of the Debtors' and/or the Wind-Down Debtor's claims for the avoidance of the premium paid for the policy (whether by judgment or settlement or otherwise) such officer shall be entitled to seek coverage under the Side-A Policy to the extent any such coverage remains; and (ii) not to object to any settlement by the Debtors or Wind Down Entity of avoidance claims under the Side-A Policy, even if such settlement results in termination of benefits under the Side-A Policy. For the avoidance of doubt, this agreement is not intended to and shall not alter or amend each of the insureds' duties under the D&O Liability Insurance Policies. In the event that any insurer under the D&O Liability Insurance Policies denies coverage for any reason, the Wind-Down Debtor shall have the right to bring a coverage claim against the insurer(s) in the name of the insured, the insureds shall reasonably cooperate with respect to any such claim, and the insured may participate at their election (and at their sole cost). For the avoidance of doubt, nothing contained in this Plan is intended as a waiver or release of the Debtors' and/or Wind-Down Debtor's right to assert any Non-Released D&O Claim, but rather limits such recovery in the manner set forth above.

CEO and CCO shall be entitled to receive their salary and benefits for as long as they work for the Debtors and/or the Wind-Down Debtor and retain the right to assert claims for advancement and indemnification up to the limits of any available coverage in the event any of the insurers that issued the Management Liability Policy, the Excess Policy, or the Side-A Policy denies coverage to CEO and/or CCO based upon or arising out of the lack of a formal claim for indemnification; *provided, however*, that any such indemnification or advancement claims shall be subordinated in full unless and until all other Holders of Claims are paid in full; *provided, further*, that in the event that any of the D&O Carriers deny coverage to CEO or CCO under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by CEO or CCO shall not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

CEO and CCO shall subordinate any and all rights and entitlements under the Cornerstone A-Side Management Liability Insurance Policy to Voyager Digital Ltd., Policy Number ELU184179-22, to any recovery by the Debtors and/or the Wind-Down Debtor on account of the Debtors' and/or Wind-Down Debtor's claims for the avoidance of the premium paid for the policy. For the avoidance of doubt, should coverage continue to be available under the Side-A Policy following resolution of the Debtors' and/or the Wind-Down Debtor's claims for the avoidance of the premium paid for the policy (whether by judgment or settlement or otherwise), CEO and/or CCO shall be entitled to seek coverage under the Side-A Policy. CEO and CCO shall remain at, and continue performing the responsibilities of, their respective position(s) with the Debtors and assist with the Debtors' transition for at least 30 days from entry of the Confirmation Order; *provided* that CCO shall have no obligation to remain at his position with the Debtors beyond January 15, 2023 and the CEO shall have the right to pursue and engage in any employment opportunity, business venture, consulting arrangement, or investment that may become available; *provided, further*, that both the CEO and CCO shall be available to the Debtors and/or the Wind-Down Debtor for a maximum of five hours per month for the one year following the Effective Date.

In the event that the sworn financial disclosure statements under penalty of perjury provided to the Debtors, the Special Committee and the Committee by CEO and CCO are later determined at any time by Final Order of the Bankruptcy Court or other court of competent jurisdiction to be materially inaccurate, (a) the limitations on recovery by the Wind-Down Debtor under this Article IV.G shall no longer apply, (b) any and all release, exculpation and injunction provisions in Article VIII of this Plan with respect to CEO and/or CCO (as applicable) shall be deemed null and void, (c) all Releasing Parties' rights with respect to the CEO and/or CCO (as applicable) shall be fully intact and preserved, (d) amounts paid by CEO shall not be repaid by the Wind-Down Debtor, and (e) any applicable statute of limitations shall be deemed tolled

from the Petition Date to the date of entry of the order referenced above. The Wind-Down Debtor, as successor to the Debtors, shall have standing to bring a motion seeking relief pursuant to this Article IV.G.

Entry of the Confirmation Order shall be deemed approval of the D&O Settlement and, to the extent not already approved by the Bankruptcy Court, the Debtors or the Wind-Down Debtor, as applicable, are authorized to negotiate, execute, and deliver those documents necessary or appropriate to effectuate the D&O Settlement, without further notice or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors, the Wind-Down Debtor, the Committee, and the Special Committee may deem to be necessary to effectuate the D&O Settlement.

H. The Wind-Down Debtor

On the Effective Date, the Wind-Down Debtor shall be formed or converted into for the benefit of the Wind-Down Debtor Beneficiaries and each of the Debtors shall transfer the Wind-Down Debtor Assets for distribution in accordance with the terms of the Plan. The Confirmation Order shall be deemed to, pursuant to sections 363 and 1123 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan.

1. Establishment of a Wind-Down Debtor

Pursuant to the Plan Administrator Agreement, the Wind-Down Debtor will be established, formed, merged, or converted. The Wind-Down Debtor shall be the successor-in-interest to the Debtors, and the Wind-Down Debtor shall be a successor to the Debtors' rights, title, and interest to the Wind-Down Debtor Assets. The Wind-Down Debtor will conduct no business operations and will be charged with winding down the Debtors' Estates. The Wind-Down Debtor shall be managed by the Plan Administrator and shall be subject to the Wind-Down Debtor Oversight Committee. The Wind-Down Debtor shall be administered in accordance with the terms of the Plan Administrator Agreement and shall be subject to the Wind-Down Budget and the Non-Released D&O Claim Budget. For the avoidance of doubt, the Wind-Down Debtor shall not have any right or interest in any Cause of Action or Claim constituting an Acquired Asset. The Wind-Down Debtor shall be administered in a manner consistent with the SEC's published guidance on liquidating trusts.

Prior to the Effective Date, any and all of the Debtors' assets shall remain assets of the Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and on the Effective Date the Wind-Down Debtor Assets shall, subject to the Plan Administrator Agreement, be transferred to and vest in the Wind-Down Debtor. For the avoidance of doubt, to the extent not otherwise waived in writing, released, settled, compromised, assigned or sold pursuant to a prior order or the Plan, the Wind-Down Debtor specifically retains and reserves the right to assert, after the Effective Date, any and all of the Vested Causes of Action and related rights, whether or not asserted as of the Effective Date, and all proceeds of the foregoing, subject to the terms of the Plan, including without limitation Article IV.F and Article IV.G.

Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, only the Wind-Down Debtor and the Plan Administrator shall have the right to pursue or not to pursue, or, subject to the terms hereof and the Plan Administrator Agreement, compromise or settle any Wind-Down Debtor Assets transferred to the Wind-Down Debtor. On and after the Effective Date, the Wind-Down Debtor and the Plan Administrator may, without further Bankruptcy Court approval, commence, litigate, and settle any Vested Causes of Action or Claims relating to any Wind-Down Debtor Assets transferred to the Wind-Down Debtor or rights to payment or Claims that belong to the Debtors as of the Effective Date or are instituted by the Wind-Down Debtor and the Plan Administrator on or after the Effective Date, except as otherwise expressly

provided herein and in the Plan Administrator Agreement. All of the Wind-Down Debtor's activities shall be subject to the Wind-Down Budget and the Non-Released D&O Claim Budget. The Wind-Down Debtor shall be entitled to enforce all defenses and counterclaims to all Claims asserted against the Debtors and their Estates, including setoff, recoupment and any rights under section 502(d) of the Bankruptcy Code.

The Wind-Down Debtor shall be deemed hereby substituted as plaintiff, defendant, or in any other capacity for the Debtors and the Committee, as applicable, in any Causes of Action pending before the Bankruptcy Court or any other court that relates to a Wind-Down Debtor Asset without the need for filing any motion for such relief. On the Effective Date, the Debtors and the Plan Administrator shall execute the Plan Administrator Agreement and shall have established the Wind-Down Debtor pursuant hereto. In the event of any conflict between the terms of this Article IV.H and the terms of the Plan Administrator Agreement, the terms of the Plan Administrator Agreement shall control.

2. Wind-Down Debtor Assets

Notwithstanding any prohibition on assignability under applicable non-bankruptcy law, on the Effective Date and thereafter if additional Wind-Down Debtor Assets become available, the Debtors shall be deemed, subject to the Plan Administrator Agreement, to have automatically transferred to the applicable Wind-Down Debtor all of their right, title, and interest in and to all of the Wind-Down Debtor Assets, in accordance with section 1141 of the Bankruptcy Code. All such assets shall automatically vest in the Wind-Down Debtor free and clear of all Claims, Liens, and other interests, subject only to the Allowed Claims and Interests as set forth herein and the expenses of the Wind-Down Debtor as set forth herein and in the Plan Administrator Agreement. Thereupon, the Debtors shall have no interest in or with respect to the Wind-Down Debtor Assets or the Wind-Down Debtor.

3. Treatment of Wind-Down Debtor for Federal Income Tax Purposes; No Successor-in-Interest

The Wind-Down Debtor shall be established for the primary purpose of liquidating and distributing the Wind-Down Debtor Assets transferred to it, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Wind-Down Debtor. Accordingly, the Plan Administrator may, in an expeditious but orderly manner, liquidate the Wind-Down Debtor Assets, make timely distributions to the Wind-Down Debtor Beneficiaries and not unduly prolong its duration. The Wind-Down Debtor shall not be deemed a successor-in-interest of the Debtors for any purpose other than as specifically set forth herein or in the Wind-Down Debtor Agreement. The record holders of beneficial interests shall be recorded and set forth in a register maintained by the Wind-Down Debtor expressly for such purpose.

The Wind-Down Debtor is intended to qualify as a "grantor trust" for federal income tax purposes to the extent reasonably practicable, with the Wind-Down Debtor Beneficiaries treated as grantors and owners of the Wind-Down Debtor. However, with respect to any of the assets of the Wind-Down Debtor that are subject to potential disputed claims of ownership or uncertain distributions, *or* to the extent "liquidating trust" treatment is otherwise unavailable, the Debtors anticipate that such assets will be subject to disputed ownership fund treatment under Section 1.468B-9 of the Treasury Regulations, that any appropriate elections with respect thereto shall be made, and that such treatment will also be applied to the extent possible for state and local tax purposes. Under such treatment, a separate federal income tax return shall be filed with the IRS for any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

4. Appointment of Plan Administrator

The Plan Administrator shall be selected by the Committee, in consultation with the Debtors, and shall be identified in the Plan Supplement. The appointment of the Plan Administrator shall be approved in the Confirmation Order, and the Plan Administrator's duties shall commence as of the Effective Date. The Plan Administrator shall administer the distributions to the Wind-Down Debtor Beneficiaries and shall serve as a representative of the Estates under section 1123(b) of the Bankruptcy Code for the purpose of enforcing Vested Causes of Action belonging to the Estates that are not released, waived, settled, compromised, or transferred pursuant to the Plan and subject to the limitations set forth in the Plan, including Article IV.F and Article IV.G.

In accordance with the Plan Administrator Agreement, the Plan Administrator shall serve in such capacity through the earlier of (i) the date on which the Wind-Down Debtor is dissolved in accordance with the Plan Administrator Agreement, and (ii) the date on which a Plan Administrator resigns, is terminated, or is otherwise unable to serve; *provided, however*, that, in the event that a Plan Administrator resigns, is terminated, or is otherwise unable to serve, the Wind-Down Debtor Oversight Committee shall appoint a successor to serve as a Plan Administrator in accordance with the Plan Administrator Agreement. If the Wind-Down Debtor Oversight Committee does not appoint a successor within the time periods specified in the Plan Administrator Agreement, then the Bankruptcy Court, upon the motion of any party-in-interest, including counsel to the Wind-Down Debtor, shall approve a successor to serve as a Plan Administrator.

5. Responsibilities of Plan Administrator

Responsibilities of the Plan Administrator shall be as identified in the Plan Administrator Agreement and shall include, but are not limited to:

- (a) implementing the Wind-Down Debtor, and making distributions contemplated by the Plan;

- (e) receiving, maintaining, conserving, supervising, prosecuting, collecting, settling, managing, investing, protecting, and where appropriate, causing the Wind-Down Debtor to abandon the Wind-Down Debtor Assets, including causing the Wind-Down Debtor to invest any moneys held as Wind-Down Debtor Assets;
- (f) opening and maintaining bank accounts on behalf of or in the name of the Debtors or the Wind-Down Debtor, including, in the Plan Administrator's discretion, separating bank accounts for each of the Debtors;

- (h) collecting and liquidating all Wind-Down Debtor Assets, including the sale of any Wind-Down Debtor Assets;
- (i) protecting and enforcing the rights to the Wind-Down Debtor Assets (including any Vested Causes of Action and Contributed Third-Party Claims) vested in the Wind-Down Debtor and Plan Administrator by the Plan Administrator Agreement by any method deemed appropriate, including, without limitation, by judicial proceedings or otherwise;
- (j) investigating any Wind-Down Debtor Assets, and any other potential Vested Causes of Action and Contributed Third-Party Claims;

- (q) acquiring litigation and other claims related to the Debtors, and prosecuting such claims;
- (r) reviewing and compelling turnover of the Debtors or the Wind-Down Debtor's property;
- (s) calculating and making all Distributions to the holders of Allowed Claims against each Debtor and, solely to the extent of payment in full of Allowed Claims, to holders of Allowed Interests, as provided for in, or contemplated by, the Plan and the Plan Administrator Agreement; *provided* that because the Plan does not substantively consolidate the Debtors' Estates, the Plan Administrator shall make

Distributions from the Wind-Down Debtor Assets to the holders of Claims and Interests (if applicable) against that specific Debtor;

- (t) establishing, administering, adjusting, and maintaining the Wind-Down Reserve and the Disputed Claims Reserve;
- (u) withholding from the amount distributable to any Person the maximum amount needed to pay any tax or other charge that the Plan Administrator has determined, based upon the advice of his agents or professionals, may be required to be withheld from such Distribution under the income tax or other laws of the United States or of any state or political subdivision thereof;
- (v) in reliance upon the Debtors' Schedules, the official Claims Register maintained in the Chapter 11 Cases and the Debtors' filed lists of equity security holders, reviewing, and where appropriate, allowing or objecting to Claims and (if applicable) Interests, and supervising and administering the commencement, prosecution, settlement, compromise, withdrawal, or resolution of all objections to Disputed Claims and (if applicable) Disputed Interests required to be administered by the Wind-Down Debtor;
- (w) making all tax withholdings, filing tax information returns, filing and prosecuting tax refunds claims, making tax elections by and on behalf of the Debtors or the Wind-Down Debtor, and filing tax returns for the Debtors or the Wind-Down Debtor pursuant to and in accordance with the Plan, and paying taxes, if any, payable for and on behalf of the Debtors or the Wind-Down Debtor, as applicable; *provided, however,* that notwithstanding any other provision of the Plan Administrator Agreement, the Plan Administrator shall not have any responsibility or personal liability in any capacity whatsoever for the signing or accuracy of the Debtors' income tax returns that are due to be filed after the Effective Date or for any tax liability related thereto;
- (x) abandoning or donating to a charitable organization qualifying under IRC section 501(c)(3) any Wind-Down Debtor Assets that the Plan Administrator determines to be too impractical to distribute or of inconsequential value;
- (y) seeking a determination of tax liability or refund under Bankruptcy Code section 505;
- (z) establishing reserves for taxes, assessments, and other expenses of administration of the Debtors or the Wind-Down Debtor as may be necessary and appropriate for the proper operation of matters incident to the Debtors or the Wind-Down Debtor;
- (aa) paying Wind-Down Debtor Expenses;
- (bb) if the Plan Administrator deems appropriate in the Plan Administrator's sole discretion, seeking to establish a bar date for filing proofs of Interest in any Debtor or otherwise to determine the holders and extent of Allowed Interests in any Debtor;

- (cc) purchasing and carrying all insurance policies that the Plan Administrator deems reasonably necessary or advisable and paying all associated insurance premiums and costs;
- (dd) undertaking all administrative functions remaining in the Chapter 11 Cases to the extent necessary to carry out the Debtors', the Wind-Down Debtor's, or the Plan Administrator's duties under the Plan, including reporting and making required payments of fees to the U.S. Trustee and overseeing the closing of the Chapter 11 Cases;
- (ee) retaining, terminating, appointing, hiring, or otherwise employees, personnel, management, and directors at any of the Debtors to the extent necessary to carry out the purposes of the Plan Administrator Agreement and the Plan, including, without limitation, to address any disputes between the Debtors;

- (gg) taking all other actions consistent with the provisions of the Plan and the Plan Administrator Agreement that the Plan Administrator deems reasonably necessary or desirable to administer the Debtors and the Wind-Down Debtor.

6. The Wind-Down Debtor Oversight Committee

The Wind-Down Debtor Oversight Committee shall consist of those parties selected by the Committee and identified in the Plan Supplement, and which, at no time shall consist of greater than seven members.

The Wind-Down Debtor Oversight Committee shall have the responsibility to review and advise the Plan Administrator with respect to the liquidation and distribution of the Wind-Down Debtor Assets transferred to the Wind-Down Debtor in accordance herewith and the Plan Administrator Agreement. For the avoidance of doubt, in advising the Plan Administrator, the Wind-Down Debtor Oversight Committee shall maintain the same fiduciary responsibilities as the Plan Administrator. Vacancies on the Wind-Down Debtor Oversight Committee shall be filled by a Person designated by the Plan Administrator, subject to the unanimous consent of the remaining member or members of the Wind-Down Debtor Oversight Committee. The Plan Administrator shall have the authority to seek an order from the Bankruptcy Court removing or replacing members of the Wind-Down Debtor Oversight Committee for cause.

7. Expenses of Wind-Down Debtor

The Wind-Down Debtor Expenses shall be paid from the Wind-Down Debtor Assets subject to the Wind-Down Budget and the Non-Released D&O Claim Budget.

8. Insurance; Bond

The Plan Administrator may obtain insurance coverage (in the form of an errors and omissions policy or otherwise) with respect to the liabilities and obligations of the Plan Administrator and the Wind-Down Debtor Oversight Committee under the Plan Administrator Agreement. Unless otherwise agreed to by the Wind-Down Debtor Oversight Committee, the Plan Administrator shall serve with a bond, the terms

of which shall be agreed to by the Wind-Down Debtor Oversight Committee, and the cost and expense of which shall be paid by the Wind-Down Debtor.

9. Fiduciary Duties of the Plan Administrator

Pursuant hereto and the Plan Administrator Agreement, the Plan Administrator shall act in a fiduciary capacity on behalf of the interests of all Holders of Claims and Interests that will receive distributions pursuant to Plan.

10. Termination of the Wind-Down Debtor

The Wind-Down Debtor will terminate on the earlier of: (a) (i) the final liquidation, administration and distribution of the Wind-Down Debtor Assets in accordance with the terms of the Plan Administrator Agreement and the Plan, and its full performance of all other duties and functions as set forth herein or in the Plan Administrator Agreement and (ii) the Chapter 11 Cases of the Debtors have been closed; or (b) the Plan Administrator determines in its reasonable judgment that the Wind-Down Debtor lacks sufficient assets and financial resources, after reasonable collection efforts, to complete the duties and powers assigned to him or her under the Plan, the Confirmation Order and/or the Plan Administrator Agreement. After (x) the final distributions pursuant hereto, (y) the Filing by or on behalf of the Wind-Down Debtor of a certification of dissolution with the Bankruptcy Court, and (z) any other action deemed appropriate by the Plan Administrator, the Wind-Down Debtor shall be deemed dissolved for all purposes without the necessity for any other or further actions.

11. Liability of Plan Administrator; Indemnification

Neither the Plan Administrator, the Wind-Down Debtor Oversight Committee, their respective members, employees, employers, designees or professionals, or any of their duly designated agents or representatives (each, a “Wind-Down Debtor Party” and collectively, the “Wind-Down Debtor Parties”) shall be liable for losses, claims, damages, liabilities or expenses in connection with the affairs of the Wind-Down Debtor or for the act or omission of any other Wind-Down Debtor Party, nor shall the Wind-Down Debtor Parties be liable for any act or omission taken or omitted to be taken pursuant to the discretion, powers and authority conferred, or in good faith believed to be conferred by the Plan Administrator Agreement or the Plan other than for specific acts or omissions resulting from such Wind-Down Debtor Party’s willful misconduct, gross negligence or actual fraud. Subject to the Plan Administrator Agreement, the Plan Administrator shall be entitled to enjoy all of the rights, powers, immunities and privileges applicable to a chapter 7 trustee, and the Wind-Down Debtor Oversight Committee shall be entitled to enjoy all of the rights, powers, immunities and privileges of an official committee of unsecured creditors. The Plan Administrator or the Wind-Down Debtor Oversight Committee may, in connection with the performance of its functions, and in its sole and absolute discretion, consult with its attorneys, accountants, financial advisors and agents, and shall not be liable for any act taken, omitted to be taken, or suffered to be done in accordance with advice or opinions rendered by such persons, regardless of whether such advice or opinions are provided in writing. Notwithstanding such authority, neither the Plan Administrator nor the Wind-Down Debtor Oversight Committee shall be under any obligation to consult with its attorneys, accountants, financial advisors or agents, and their determination not to do so shall not result in the imposition of liability on the Plan Administrator, the Wind-Down Debtor Oversight Committee, or their respective members and/or designees, unless such determination is based on willful misconduct, gross negligence, or actual fraud. The Wind-Down Debtor shall indemnify and hold harmless the Wind-Down Debtor Parties (in their capacity as such), from and against and in respect of all liabilities, losses, damages, claims, costs and expenses (including, without limitation, reasonable attorneys’ fees, disbursements, and related expenses) that such parties may incur or to which such parties may become subject in connection with any action, suit, proceeding or investigation brought by or threatened against such parties arising out

of or due to their acts or omissions, or consequences of such acts or omissions, with respect to the implementation or administration of the Wind-Down Debtor or the Plan or the discharge of their duties hereunder; *provided, however*, that no such indemnification will be made to such Persons for actions or omissions as a result of willful misconduct, gross negligence, or actual fraud. Persons dealing or having any relationship with the Plan Administrator shall have recourse only to the Wind-Down Debtor Assets and shall look only to the Wind-Down Debtor Assets to satisfy any liability or other obligations incurred by the Wind-Down Debtor or the Wind-Down Debtor Oversight Committee to such Person in carrying out the terms of the Plan Administrator Agreement, and neither the Plan Administrator nor the Wind-Down Debtor Oversight Committee, shall have any personal obligation to satisfy any such liability. The Plan Administrator and/or the Wind-Down Debtor Oversight Committee members shall not be liable whatsoever except for the performance of such duties and obligations as are specifically set forth herein, and no implied covenants or obligations shall be read into the Plan Administrator Agreement against any of them. The Wind-Down Debtor shall promptly pay expenses reasonably incurred by any Wind-Down Debtor Party in defending, participating in, or settling any action, proceeding or investigation in which such Wind-Down Debtor Party is a party or is threatened to be made a party or otherwise is participating in connection with the Plan Administrator Agreement or the duties, acts or omissions of the Plan Administrator or otherwise in connection with the affairs of the Wind-Down Debtor, upon submission of invoices therefor, whether in advance of the final disposition of such action, proceeding, or investigation or otherwise. Each Wind-Down Debtor Party hereby undertakes, and the Wind-Down Debtor hereby accepts his or her undertaking, to repay any and all such amounts so advanced if it shall ultimately be determined that such exculpated party is not entitled to be indemnified therefor under the Plan Administrator Agreement. The foregoing indemnity in respect of any Wind-Down Debtor Party shall survive the termination of such Wind-Down Debtor Party from the capacity for which they are indemnified.

12. No Liability of the Wind-Down Debtor

On and after the Effective Date, the Wind-Down Debtor shall have no liability on account of any Claims or Interests except as set forth herein and in the Plan Administrator Agreement. All payments and all distributions made by the Plan Administrator hereunder shall be in exchange for all Claims or Interests against the Debtors.

I. Sources of Consideration for Plan Distributions

Distributions under the Plan shall be funded by (i) the proceeds of Purchaser's payment obligations under Sections 2.1 and 2.2 of the Asset Purchase Agreement and distributions of Acquired Coins pursuant to Sections 6.12, and 6.14 of the Asset Purchase Agreement, (ii) the Wind-Down Debtor from the Wind-Down Debtor Assets; *provided, however*, that Allowed Professional Fee Claims shall be paid from the Professional Fee Escrow Account in the first instance. The Wind-Down Debtor Assets shall be used to pay the Wind-Down Debtor Expenses (including the compensation of the Plan Administrator and any professionals retained by the Wind-Down Debtor), and to satisfy payment of Allowed Claims and Interests as set forth in the Plan.

J. Corporate Existence and Dissolution

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificates or articles of incorporation, certificates of formation, certificates of organization, or certificates of limited partnership and bylaws, operating agreements, limited liability company agreements, or limited partnership agreements (or other formation documents) in effect

prior to the Effective Date, except to the extent such certificates or articles of incorporation, certificates of formation, certificates of organization, or certificates of limited partnership and bylaws, operating agreements, limited liability company agreements, or limited partnership agreements (or other formation documents) are amended pursuant to the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings under applicable state or federal law).

On and after the Effective Date, the Wind-Down Debtor will be authorized and directed to implement the Plan and any applicable orders of the Bankruptcy Court, and the Wind-Down Debtor shall have the power and authority to take any action necessary to wind down and dissolve the Debtors' Estates.

Upon a certification to be Filed with the Bankruptcy Court by the Plan Administrator of all distributions having been made and completion of all of its duties under the Plan and entry of a final decree closing the last of the Chapter 11 Cases, the Wind-Down Debtor shall be deemed to be dissolved without any further action by the Debtors or the Wind-Down Debtor, including the Filing of any documents with the secretary of state for the state in which the Wind-Down Debtor are formed or any other jurisdiction. The Plan Administrator, however, shall have authority to take all necessary actions to dissolve the Debtors or the Wind-Down Debtor in and withdraw the Wind-Down Debtor from applicable states.

As soon as practicable after the Effective Date, the Wind-Down Debtor shall take such actions as the Wind-Down Debtor may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Wind-Down Debtor on behalf of any Wind-Down Debtor without need for any action or approval by the shareholders or board of directors or managers of such Debtor. On and after the Effective Date, the Debtors or the Wind-Down Debtor (1) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations, and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (2) shall be deemed to have cancelled pursuant to this Plan all Interests, and (3) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. Pursuant to the terms of this Plan, any Money Transmitter Licenses that have not been terminated shall be deemed withdrawn and no further action is required to be taken by the Debtors or the Wind-Down Debtor to effectuate such withdrawal; *provided* that, following the Effective Date, the Debtors or the Wind-Down Debtor, as applicable, shall use commercially reasonable efforts to comply with all state banking department requirements for the surrender of a Money Transmitter License. Nothing in this Plan shall be construed to limit the rights of creditors, Debtors, the Wind-Down Debtor, or regulators to pursue recoveries against surety bonds maintained by the Debtors in connection with this Money Transmitter Licenses. Notwithstanding such Debtors' dissolution, such Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

K. Corporate Action

Upon the Effective Date, all actions contemplated under the Plan, Definitive Documents, and Asset Purchase Agreement shall be deemed authorized and approved in all respects, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, managing-members, limited or general partners, or officers of the Debtors, the Wind-Down Debtor or any other Entity, including: (1) appointment of the directors, managers, members, and officers for the Wind-Down Debtor as provided herein; (2) the issuances, transfer, and distribution of the Wind-Down Debtor Assets; (3) the formation of the Wind-Down Debtor and appointment of the Plan Administrator and Wind-Down Debtor Oversight Committee; (4) the formation of any entities pursuant to and the implementation of the Plan and performance of all actions and transactions contemplated hereby

and thereby; (5) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; and (6) all other acts or actions contemplated by the Plan, Definitive Documents, and Asset Purchase Agreement or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions (including effectuating the Restructuring Transactions Memorandum and the Customer Onboarding Protocol) (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan, Definitive Documents, and Asset Purchase Agreement involving the corporate structure of the Debtors or the Wind-Down Debtor, as applicable, and any corporate action required by the Debtors or the Wind-Down Debtor, as applicable, in connection with the Plan shall be deemed to have occurred on, and shall be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, or officers of the Debtors or the Wind-Down Debtor, as applicable. On or, as applicable, prior to the Effective Date, the appropriate officers of the Debtors or the Wind-Down Debtor, as applicable, shall be authorized and, as applicable, directed to issue, execute, and deliver the agreements, documents, Securities, certificates of incorporation, certificates of formation, bylaws, operating agreements, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Wind-Down Debtor, and any and all other agreements, documents, Securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.K shall be effective notwithstanding any requirements under non-bankruptcy law.

L. Vesting of Assets in the Wind-Down Debtor

Except as otherwise provided in the Plan, or in any agreement, instrument, or other document incorporated in the Plan, notwithstanding any prohibition of assignability under applicable non-bankruptcy law and in accordance with section 1141 of the Bankruptcy Code, on the Effective Date, all property constituting Wind-Down Debtor Assets, including all Vested Causes of Action of the Debtors (unless otherwise released, waived, compromised, settled, transferred, or discharged pursuant to the Plan), and any property acquired by any of the Debtors under the Plan shall vest in the Wind-Down Debtor, free and clear of all Liens, Claims, charges, or other encumbrances.

M. Cancellation of Notes, Instruments, Certificates, and Other Documents

On the later of the Effective Date and the date on which distributions are made pursuant to the Plan (if not made on the Effective Date), except for the purpose of evidencing a right to and allowing Holders of Claims and Interests to receive a distribution under the Plan or to the extent otherwise specifically provided for in the Plan, the Confirmation Order, or any agreement, instrument, or other document entered into in connection with or pursuant to the Plan or the Restructuring Transactions (including, without limitation, the Definitive Documents and the Asset Purchase Agreement), all notes, bonds, indentures, certificates, Securities, shares, purchase rights, options, warrants, collateral agreements, subordination agreements, intercreditor agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any indebtedness or obligations of, or ownership interest in, the Debtors, giving rise to any Claims against or Interests in the Debtors or to any rights or obligations relating to any Claims against or Interests in the Debtors shall be deemed cancelled without any need for a Holder to take further action with respect thereto.

N. Effectuating Documents; Further Transactions

On and after the Effective Date, the Debtors, and its directors, managers, partners, officers, authorized persons, and members thereof, and the Wind-Down Debtor and Plan Administrator are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, Definitive Documents,

and Asset Purchase Agreement, in the name of and on behalf of the Debtors and Wind-Down Debtor, without the need for any approvals, authorizations, or consents except for those expressly required under the Plan.

O. Section 1146(a) Exemption

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Wind-Down Debtor, the Purchaser, or to any other Entity) of property under the Plan, Definitive Documents, and Asset Purchase Agreement or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity security, or other interest in the Debtors or the Wind-Down Debtor; (2) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (3) the making, assignment, or recording of any lease or sublease; or (4) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, including the Asset Purchase Agreement, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forgo the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, shall forgo the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

P. Preservation of Rights of Action

In accordance with section 1123(b) of the Bankruptcy Code, the Wind-Down Debtor shall succeed to all rights to commence and pursue any and all Vested Causes of Action of the Debtors, whether arising before or after the Petition Date, including, without limitation, any actions specifically enumerated in the Schedule of Retained Causes of Action other than Causes of Action released, waived, settled, compromised, or transferred. Such rights shall be preserved by the Debtors and Wind-Down Debtor and shall vest in the Wind-Down Debtor, with the Wind-Down Debtor's rights to commence, prosecute, or settle such Causes of Action preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action expressly released, waived, settled, compromised, or transferred by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article VIII of the Plan or pursuant to the Asset Purchase Agreement, which shall be deemed released and waived by the Debtors and Wind-Down Debtor as of the Effective Date.

The Wind-Down Debtor may pursue such Causes of Action, as appropriate, in accordance with the best interests of the beneficiaries of the Wind-Down Debtor and in accordance with the Plan Administrator Agreement and the Plan. **No Entity may rely on the absence of a specific reference in the Schedules of Assets and Liabilities or Statement of Financial Affairs, the Plan, the Plan Supplement, the Disclosure Statement, or the Schedule of Retained Causes of Action to any Cause of Action against it as any indication that the Debtors or the Wind-Down Debtor, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Wind-Down Debtor, on behalf of the Debtors and the Wind-Down Debtor, expressly reserves all rights to prosecute any and all Causes of Action against any Entity, except as otherwise provided in the Plan, including Article VIII of the**

Plan. Unless any Cause of Action of the Debtors is expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or pursuant to a Final Order, the Wind-Down Debtor, on behalf of the Debtors and Wind-Down Debtor and in accordance with the Plan Administrator Agreement, expressly reserves all such Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of Confirmation or Consummation.

The Wind-Down Debtor, on behalf of the Debtors, reserves and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Cause of Action that a Debtor may hold against any Entity shall vest in the Wind-Down Debtor, except as otherwise provided in the Plan, including Article VIII of the Plan. The Wind-Down Debtor, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Wind-Down Debtor shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court in accordance with the Plan.

Q. Election to Contribute Third-Party Claims

Because aggregating all Contributed Third-Party Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its ballot or opt-in form, to contribute its Contributed Third-Party Claims to the Wind-Down Debtor. By electing such option on its ballot or opt-in form, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the formation of the Wind-Down Debtor, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Third-Party Claims to the Wind-Down Debtor, and (ii) to have agreed to execute any documents reasonably requested by the Debtors or the Wind-Down Debtor to memorialize and effectuate such contribution.

R. Contribution of Contributed Third-Party Claims

On the Effective Date, all Contributed Third-Party Claims will be irrevocably contributed to the Wind-Down Debtor and shall thereafter be Wind-Down Debtor Assets for all purposes. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Plan Administrator Agreement, the Plan Supplement, or any other document as any indication that the Wind-Down Debtor will or will not pursue any and all available Contributed Third-Party Claims against such Person. The Wind-Down Debtor shall have, retain, reserve, and be entitled to assert all Contributed Third-Party Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Third-Party Claims shall not include the rights of any of the Contributing Claimants to receive the distributions under the Plan on account of their Claims or Interests.

S. Closing the Chapter 11 Cases

On and after the Effective Date, the Wind-Down Debtor shall be permitted to classify all of the Chapter 11 Cases of the Debtors except for the Chapter 11 Case of Voyager Digital, LLC, or any other Debtor identified in the Restructuring Transactions Memorandum as having its Chapter 11 Case remain open following the Effective Date, as closed, and all contested matters relating to any of the Debtors, including objections to Claims or Interests and any adversary proceedings, may be administered and heard

in the Chapter 11 Case of Voyager Digital, LLC, or any other Debtor identified in the Restructuring Transactions Memorandum as having its Chapter 11 Case remain open following the Effective Date, irrespective of whether such Claims or Interests were Filed or such adversary proceeding was commenced against a Debtor whose Chapter 11 Case was closed.

ARTICLE V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided herein, each Executory Contract and Unexpired Lease not previously rejected, assumed, or assumed and assigned, including any employee benefit plans, severance plans, and other Executory Contracts under which employee obligations arise, shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (1) is specifically described in the Plan as to be assumed in connection with confirmation of the Plan, or is specifically scheduled to be assumed or assumed and assigned pursuant to the Plan or the Plan Supplement; (2) is subject to a pending motion to assume such Unexpired Lease or Executory Contract as of the Effective Date; (3) is to be assumed by the Debtors or assumed by the Debtors and assigned to another third party, as applicable, in connection with the Sale Transaction; (4) is a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan; or (5) is a D&O Liability Insurance Policy other than the Side-A Policy. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions, assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided in the Plan Supplement, pursuant to sections 365(a) and 1123 of the Bankruptcy Code.

B. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Wind-Down Debtor, as applicable, under such Executory Contract or Unexpired Lease. Without limiting the general nature of the foregoing, and notwithstanding any non-bankruptcy law to the contrary, the Debtors and Wind-Down Debtor expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the Debtors contracting from non-Debtor counterparties to any rejected Executory Contract or Unexpired Lease.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Counterparties to Executory Contracts or Unexpired Leases listed subject to rejection under the Plan shall be served with a notice of rejection of Executory Contracts and Unexpired Leases with the Plan Supplement. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims, Noticing, and Solicitation Agent and served on the Debtors or Wind-Down Debtor, as applicable, no later than thirty days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, or the Wind-Down Debtor, the Estates, or their property without the need for any objection by the Wind-Down Debtor or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the**

rejection of the Executory Contract or Unexpired Lease shall be deemed released, and be subject to the permanent injunction set forth in Article VIII.D of the Plan, including any Claims against any Debtor listed on the Debtors' schedules as unliquidated, contingent, or disputed. All Allowed Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease shall be treated as General Unsecured Claims in accordance with Article III.C of the Plan.

D. Cure of Defaults for Executory Contracts and Unexpired Leases Assumed

The Debtors, the Wind-Down Debtor, or the Purchaser, as applicable pursuant to the Asset Purchase Agreement, shall pay Cures, if any, on the Effective Date. The Debtors shall provide notice of the amount and timing of payment of any such Cure to the parties to the applicable assumed Executory Contracts or Unexpired Leases as part of the Plan Supplement. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all requests for payment of Cure that differ from the ordinary course amounts paid or proposed to be paid by the Debtors, the Wind-Down Debtor, or the Purchaser shall be dealt with in the ordinary course of business and, if needed, shall be Filed with the Claims, Noticing, and Solicitation Agent on or before thirty days after the Effective Date. **If any counterparty to an Executory Contract or Unexpired Lease does not receive a notice of assumption and applicable cure amount, such counterparty shall have until on or before thirty days after the Effective Date to bring forth and File a request for payment of Cure.** Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Debtor or the Wind-Down Debtor, without the need for any objection by the Wind-Down Debtor or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied and released upon payment by the Debtors or the Wind-Down Debtor or the Purchaser of the Cure in the ordinary course of business or upon and in accordance with any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty); *provided, however*, that nothing herein shall prevent the Wind-Down Debtor or the Purchaser, as applicable, from paying any Cure Claim despite the failure of the relevant counterparty to File such request for payment of such Cure. The Wind-Down Debtor or the Purchaser may also settle any Cure Claim without any further notice to or action, order, or approval of the Bankruptcy Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under the Plan must be Filed with the Bankruptcy Court on or before thirty days after the Effective Date. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Debtors' first scheduled omnibus hearing for which such objection is timely Filed. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

In the event of a dispute regarding: (1) the amount of any Cure Claim, (2) the ability of the Debtors, the Wind-Down Debtor, Purchaser, or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed (or assumed and assigned, as applicable), or (3) any other matter pertaining to assumption or assignment, then any disputed Cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made as soon as reasonably practicable following, and in accordance with, the entry of a Final Order of the Bankruptcy Court resolving such dispute or as may be agreed upon by the Debtors, the Wind-Down Debtor, or Purchaser, as applicable, and the counterparty to the Executory Contract or Unexpired Lease, and any such unresolved dispute shall not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise or assignment of any Executory Contract or Unexpired Lease to the Purchaser and full payment of any applicable Cure pursuant to this Article V.D, or upon and in accordance with any resolution of a Cure

dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty), shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed or assumed and assigned in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.D, in the amount and at the time in the ordinary course of business or upon and in accordance with any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty), shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in the event that any counterparty to an Executory Contract or Unexpired Lease receives a notice of assumption and applicable proposed Cure amount, and disputes the Debtors' proposed Cure amount, such party shall not be required to File a Proof of Claim with respect to such dispute. Any counterparty to an Executory Contract or Unexpired Lease that does not receive a notice or applicable proposed Cure amount, and believes a Cure amount is owed, shall have thirty days after the Effective Date to File a Proof of Claim with respect to such alleged Cure amount, which Claim shall not be expunged until such Cure dispute is resolved.**

E. Insurance Policies

Each D&O Liability Insurance Policy (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) other than the Side-A Policy shall be assumed, in their entirety, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date, pursuant to sections 105 and 365 of the Bankruptcy Code with the Wind-Down Debtor being authorized to pursue any proceeds thereof on behalf of the Debtors or the Wind-Down Debtor. The Side-A Policy shall ride through these Chapter 11 Cases with the Debtors, and the Wind-Down Debtor preserves all avoidance and other actions in connection with the premium paid thereunder. All beneficiaries under the D&O Insurance Policies reserve their rights under such D&O Insurance Policies subject to the limitations set forth in this Plan.

The Debtors or the Wind-Down Debtor, as applicable, shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policy (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date, and any current and former directors, officers, managers, and employees of the Debtors who served in such capacity at any time before or after the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy subject to the terms thereof regardless of whether such directors, officers, managers, and employees remain in such positions after the Effective Date. Notwithstanding anything to the contrary in the Plan, the Debtors or the Wind-Down Debtor shall retain the ability to supplement such D&O Liability Insurance Policy as the Debtors or Wind-Down Debtor may deem necessary, subject to the prior written consent of the Wind-Down Debtor. Notwithstanding anything to the contrary contained in the Plan, the Wind-Down Debtor shall be entitled to pursue avoidance of the premium paid for the XL Specialty Insurance Company Cornerstone A-Side Management Liability Insurance Policy No. ELU184179-22, and nothing in this Plan shall be deemed a waiver or abrogation of any such rights.

The Debtors shall continue to satisfy their obligations under their insurance policies in full and continue such policies in the ordinary course of business. Each of the Debtors' insurance policies, and any agreements, documents, or instruments relating thereto shall be treated as Executory Contracts under the Plan. On the Effective Date: (a) the Debtors shall be deemed to have assumed all such insurance policies

and any agreements, documents, and instruments relating thereto in their entirety; and (b) such insurance policies and any agreements, documents, or instruments relating thereto shall revert in the applicable Debtors or the Wind-Down Debtor unaltered.

F. Reservation of Rights

Nothing contained in the Plan or the Plan Supplement (unless otherwise explicitly provided) shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Debtor or the Wind-Down Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Wind-Down Debtor, as applicable, shall have forty-five days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease effective as of the Confirmation Date.

G. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

H. Contracts and Leases Entered into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed under section 365 of the Bankruptcy Code, will be performed by the applicable Debtor or Wind-Down Debtor liable thereunder in the ordinary course of its business. Such contracts and leases that are not rejected under the Plan shall survive and remain unaffected by entry of the Confirmation Order.

ARTICLE VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed

Except (1) as otherwise provided herein, (2) upon a Final Order, or (3) as otherwise agreed to by the Debtors, the Purchaser, or the Wind-Down Debtor, as the case may be, and the Holder of the applicable Claim, on the Effective Date or as soon as reasonably practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the next Distribution Date after such Claim becomes, as applicable, an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. Rights and Powers of Distribution Agent

1. Powers of the Distribution Agent

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties and exercise its rights under the Plan; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities and powers; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan.

2. Expenses Incurred on or after the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by such Distribution Agent shall be paid in Cash by the Wind-Down Debtor.

C. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Distributions Generally

Except as otherwise provided in the Plan (including in paragraph 8 below), the Distribution Agent shall make distributions to Holders of Allowed Claims at the address for each such Holder as indicated on the applicable register or in the Debtors' records as of the date of any such distribution (as applicable), including the address set forth in any Proof of Claim filed by that Holder.

2. Distributions on Account of Obligations of Multiple Debtors

For all purposes associated with distributions under the Plan, all guarantees by any Debtor of the obligations of any other Debtor, as well as any joint and several liability of any Debtor with respect to any other Debtor, shall be deemed eliminated so that any obligation that could otherwise be asserted against more than one Debtor shall result in a single distribution under the Plan. Any such Claims shall be subject to all potential objections, defenses, and counterclaims, and to estimation pursuant to section 502(c) of the Bankruptcy Code.

3. Record Date of Distributions

On the Distribution Record Date, the various transfer registers for each Class of Claims or Interests as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any Claims or Interests. The Distribution Agent shall have no obligation to recognize any transfer of Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure amounts or disputes over any Cure amounts, neither the Debtors nor the Distribution Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure amount.

4. Special Rules for Distributions to Holders of Disputed Claims and Interests

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the Wind-Down Debtor, on the one hand, and the Holder of a Disputed Claim or Interest, on the other hand, or

as set forth in a Final Order, no partial payments and no partial distributions shall be made with respect to a Disputed Claim or Interest until all of the Disputed Claim or Interest has become an Allowed Claim or Interest or has otherwise been resolved by settlement or Final Order; *provided* that, if the Wind-Down Debtor does not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim or Interest, the Distribution Agent may make a partial distribution on account of that portion of such Claim or Interest that is not Disputed at the time and in the manner that the Distribution Agent makes distributions to similarly situated Holders of Allowed Claims or Interests pursuant to the Plan. Any dividends or other distributions arising from property distributed to Holders of Allowed Claims or Interests, as applicable, in a Class and paid to such Holders under the Plan shall also be paid, in the applicable amounts, to any Holder of a Disputed Claim or Interest, as applicable, in such Class that becomes an Allowed Claim or Interest after the date or dates that such dividends or other distributions were earlier paid to Holders of Allowed Claims or Interests in such Class.

5. De Minimis Distributions; Minimum Distributions

The Distribution Agent shall not make any Cash distributions to any Holder of an Allowed Claim or Interest pursuant to Article III.C.1-11 of this Plan on account of such Allowed Claim or Interest if such distribution is valued, in the reasonable discretion of the Distribution Agent, at less than \$1.00, and each Holder of an Allowed Claim or Interest to which this limitation applies shall not be entitled to any distributions under the Plan. Notwithstanding anything to the contrary in this Plan, there shall be no minimum distribution threshold on account of distributions of any Cryptocurrency to Holders of Allowed Account Holder Claims and Allowed OpCo General Unsecured Claims.

6. Undeliverable Distributions and Unclaimed Property

In the event that either (a) a distribution to any Holder is returned as undeliverable or (b) the Holder of an Allowed Claim or Interest does not respond to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is one year after the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Wind-Down Debtor automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall not be entitled to any distributions under the Plan.

7. Manner of Payment Pursuant to the Plan

At the option of the Distribution Agent, any Cash payment to be made hereunder may be made by check, wire transfer, automated clearing house, credit card, or as otherwise provided in applicable agreements.

8. Distributions of Net Owed Coins; Additional Bankruptcy Distributions

As a general matter, the Purchaser will allocate each Account Holder's Net Owed Coins to its account on the Binance.US Platform, and each Holder of OpCo General Unsecured Claim's Pro Rata share of the Distributable Cryptocurrency (in Cash) to its account on the Binance.US Platform in accordance with, and subject to, the provisions of Section 6.12 of the Asset Purchase Agreement.

Subject to the terms of the Asset Purchase Agreement, the Purchaser may make Additional Bankruptcy Distributions to Transferred Creditors, including Distributable OpCo Cash and/or other Wind-Down Debtor Assets, corresponding to their Pro Rata shares of such Additional Bankruptcy Distribution (if such Additional Bankruptcy Distribution is in Cryptocurrency, based on the Transferred Cryptocurrency Value of the Cryptocurrency included in such Additional Bankruptcy Distribution), all in accordance with any applicable Post-Bankruptcy Statement (as defined in the Asset Purchase Agreement).

If any Account Holder or Holder of an Allowed OpCo General Unsecured Claim does not become a Transferred Creditor prior to the date that is three (3) months following the later of the Closing Date or the date on which the terms and conditions for the Binance.US Platform are made available for such Person to accept (as provided in the Customer Onboarding Protocol), then Purchaser shall convert any Cryptocurrency allocable to such Person into U.S. Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such U.S. Dollars, together with any cash or others assets in respect of such Persons, to the Debtors within five (5) Business Days, for further distribution by the Debtors in accordance with this Plan and the Customer Onboarding Protocol.

If any Account Holder or Holder of an Allowed OpCo General Unsecured Claim is located in an Unsupported Jurisdiction (as defined in the Asset Purchase Agreement), then the Net Owed Coins, Distributable Cryptocurrency (in Cash) and Additional Bankruptcy Distributions, if applicable, allocable to such Person shall be handled pursuant to Section 6.12(b) or, if applicable, Section 6.14(d) of the Asset Purchase Agreement.

Purchaser shall have no responsibility to make any distributions other than as contemplated by Sections 6.12 and 6.14 of the Asset Purchase Agreement.

D. Compliance Matters

In connection with the Plan, to the extent applicable, the Debtors, the Wind-Down Debtor, any Distribution Agent, and any other applicable withholding and reporting agents shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Debtors, the Wind-Down Debtor, the Distribution Agent, and any other applicable withholding and reporting agents shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including wind-down a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms that are reasonable and appropriate; *provided* that the Wind-Down Debtor and the Distribution Agent, as applicable, shall request appropriate documentation from the applicable distributees and allow such distributees a reasonable amount of time to respond. The Debtors, the Wind-Down Debtor, the Distribution Agent, and any other applicable withholding and reporting agents reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

E. Foreign Currency Exchange Rate

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim, asserted in government issued currency (for the avoidance of doubt, not including any Cryptocurrency) other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using

the exchange rate for the applicable currency as published in The Wall Street Journal, National Edition, on the Effective Date.

F. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Wind-Down Debtor, as applicable, shall reduce a Claim or Interest, and such Claim or Interest (or portion thereof) shall be disallowed without an objection to such Claim or Interest having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim or Interest receives a payment on account of such Claim or Interest from a party that is not a Debtor or Wind-Down Debtor (or other Distribution Agent), as applicable, including any payments made in connection with the Sale Transaction. To the extent a Holder of a Claim or Interest receives a distribution on account of such Claim or Interest and receives payment from a party that is not a Debtor or a Wind-Down Debtor (or other Distribution Agent), including payments made in connection with the Sale Transaction, as applicable, on account of such Claim or Interest, such Holder shall, within ten Business Days of receipt thereof, repay, return, or deliver any distribution held by or transferred to the Holder to the applicable Wind-Down Debtor to the extent the Holder's total recovery on account of such Claim or Interest from the third party and under the Plan exceeds the amount of such Claim or Interest as of the date of any such distribution under the Plan. The failure of such Holder to timely repay, return, or deliver such distribution shall result in the Holder owing the applicable Wind-Down Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the ten-Business Day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim or Interest that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim or Interest has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim or Interest (if and to the extent adjudicated by a court of competent jurisdiction or otherwise settled), then immediately upon such payment, such Claim or Interest may be expunged or reduced on the Claims Register by the Claims, Noticing, and Solicitation Agent to the extent of any such payment without an objection to such Claim or Interest having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided herein, payments to Holders of Claims or Interests shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any rights, defenses, or Cause of Action that the Debtors, the Wind-Down Debtor or any other Entity may hold against any other Entity, including insurers, under any policies of insurance, agreements related thereto, or applicable indemnity, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any rights or defenses, including coverage defenses, held by such insurers under the applicable insurance policies, agreements related thereto, and applicable non-bankruptcy law.

G. Setoffs and Recoupment

Except as otherwise expressly provided for herein, each Debtor, the Wind-Down Debtor, or such Entity's designee as instructed by such Debtor, the Wind-Down Debtor, as applicable, may, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as

may be agreed to by the Holder of a Claim, set off against or recoup from an Allowed Claim and any distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature whatsoever that the Debtor or the Wind-Down Debtor, as applicable, may have against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or released on or prior to the Effective Date (whether pursuant to the Plan or otherwise). Notwithstanding the foregoing, except as expressly stated in Article VIII of this Plan, neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Debtors or the Wind-Down Debtor of any such Claims, rights, or Causes of Action the Debtors or the Wind-Down Debtor may possess against such Holder.

H. Allocation between Principal and Accrued Interest

Except as otherwise provided herein, the aggregate consideration paid to Holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim if any.

ARTICLE VII.

PROCEDURES FOR RESOLVING DISPUTED, CONTINGENT, AND UNLIQUIDATED CLAIMS AND INTERESTS

A. Disputed Claims Process

After the Effective Date, the Debtors, the Wind-Down Debtor, and any party-in-interest, shall have and retain any and all rights and defenses the applicable Debtor had with respect to any Claim or Interest immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Interest unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest. If a Holder of a Claim or Interest in Class disputes the amount of their Claim or Interest as listed in the Schedules, the Holder should notify the Debtors or the Wind-Down Debtor of such dispute. If the Debtors and the Holder agree to an amended Claim amount prior to the Effective Date, the Debtors shall file amended Schedules prior to the Effective Date. If between the Confirmation Date and the Effective Date, the dispute cannot be consensually resolved, the Holder may seek (by letter to the Court) to have the claim or interest dispute resolved before the Bankruptcy Court (and, with the consent of the Debtors, before any other court or tribunal with jurisdiction over the parties). After the Effective Date, the creditor may seek to have the claim dispute resolved before the Bankruptcy Court or any other court or tribunal with jurisdiction over the parties.

Notwithstanding anything in this Plan to the contrary: (1) all Claims against the Debtors that result from the Debtors' rejection of an Executory Contract or Unexpired Lease; (2) Claims filed to dispute the amount of any proposed Cure pursuant to section 365 of the Bankruptcy Code; and (3) Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court, if not otherwise resolved through settlement with the applicable claimant.

On the Effective Date, the Debtors or Plan Administrator, as applicable, may establish one or more accounts or funds to hold and dispose of certain assets, pursue certain litigation (including the Causes of Action preserved under the Plan or otherwise vesting in the Wind-Down Debtor), and/or satisfy certain

Claims (including Claims that are contingent or have not yet been Allowed). For any such account or fund, the Debtors or the Plan Administrator, as applicable, may take the position that grantor trust treatment applies in whole or in part. To the extent such treatment applies to any such account or fund, for all U.S. federal income tax purposes, the beneficiaries of any such account or fund would be treated as grantors and owners thereof, and it is intended, to the extent reasonably practicable, that any such account or fund would be classified as a liquidating trust under section 301.7701-4 of the Treasury Regulations. Alternatively, any such account or fund may be subject to the tax rules that apply to “disputed ownership funds” under 26 C.F.R. 1.468B-9. If such rules apply, such assets would be subject to entity-level taxation, and the Debtors and the Wind-Down Debtor would be required to comply with the relevant rules.

B. Objections to Claims or Interests

Except as otherwise specifically provided in the Plan, after the Effective Date, the Wind-Down Debtor shall have the sole authority on behalf of the Debtors to: (1) File, withdraw, or litigate to judgment, any objections to Claims or Interests; and (2) settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, the Wind-Down Debtor shall have and retain any and all rights and defenses each such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to Article IV.P of the Plan.

Any objections to Claims or Interests shall be Filed on or before the Claims Objection Bar Date. For the avoidance of doubt, any party may object to any Claims or Interests prior to the Claims Objection Bar Date. Further, the Bankruptcy Court may extend the time period to object to Claims or Interests set forth in this paragraph at any time, including before or after the expiration of one hundred eighty days after the Effective Date, in its discretion or upon request by the Debtors or any party in interest.

C. Estimation of Claims

Before or after the Effective Date, the Debtors or the Wind-Down Debtor, as applicable, may (but are not required to), at any time, request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to applicable law, including pursuant to section 502(c) of the Bankruptcy Code, for any reason, regardless of whether any party previously has objected to such Disputed Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under sections 157 and 1334 of the Judicial Code to estimate any such Disputed Claim or Interest, including during the litigation of any objection to any Disputed Claim or Interest or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Disputed Claim or Interest that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions) and may be used as evidence in any supplemental proceedings, and the Debtors or the Wind-Down Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Disputed Claim or Interest that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen days after the date on which such Disputed Claim or Interest is estimated.

D. No Distributions Pending Allowance

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only a portion of a Claim or Interest is Disputed, such Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount.

E. Distributions After Allowance

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court Allowing any Disputed Claim or Interest becomes a Final Order, the Distribution Agent shall provide to the Holder of such Allowed Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such Allowed Claim or Interest unless required under applicable bankruptcy law.

F. No Interest

Unless otherwise specifically provided for herein or by Final Order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on Claims against the Debtors, and no Holder of a Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

G. Adjustment to Claims and Interests without Objection

Any Claim or Interest that has been paid, satisfied, amended, superseded, cancelled, or otherwise expunged (including pursuant to the Plan) may be adjusted or expunged on the Claims Register at the direction of the Wind-Down Debtor without the Wind-Down Debtor having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court. Additionally, any Claim or Interest that is duplicative or redundant with another Claim or Interest against the same Debtor may be adjusted or expunged on the Claims Register at the direction of the Wind-Down Debtor without the Wind-Down Debtor having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

H. Time to File Objections to Claims

Any objections to Claims shall be Filed on or before the Claims Objection Bar Date.

I. Disallowance of Claims or Interests

Any Claims or Interests held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims or Interests until such time as such Causes of Action against that Entity have

been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Wind-Down Debtor, as applicable.

Except as otherwise provided herein or as agreed to by the Debtors or the Wind-Down Debtor, any and all Proofs of Claim Filed after the Bar Date shall be deemed disallowed and expunged as of the Effective Date subject to the approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless such late Proof of Claim has been deemed timely Filed by a Final Order.

J. Amendments to Proofs of Claim

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Proof of Claim or Proof of Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Wind-Down Debtor, and any such new or amended Proof of Claim or Proof of Interest Filed shall be deemed disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court.

ARTICLE VIII.

EFFECT OF CONFIRMATION OF THE PLAN

A. Releases by the Debtors

Notwithstanding anything contained in the Plan to the contrary, on and after the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Debtors, the Wind-Down Debtor, and their Estates, and in each case on behalf of themselves and their respective successors, assigns, and representatives, who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of, the foregoing Entities, from any and all Causes of Action, including any derivative claims, asserted or assertable on behalf of any of the Debtors, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, that the Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Chapter 11 Cases and related adversary proceedings, the Debtors' out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to section 1123(b) of the Bankruptcy Code and Bankruptcy Rule 9019, of the releases described in

this Article VIII.A by the Debtors, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each release described in this Article VIII.A is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors' business judgment; and (7) except to the extent contemplated by Article IV.E and Article IV.F of the Plan, a bar to any of the Debtors or Wind-Down Debtor or their respective Estates asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

Notwithstanding anything to the contrary contained herein, nothing in this Plan shall release, waive, or otherwise limit the (i) rights, duties, or obligations of the Purchaser under the Asset Purchase Agreement or the Definitive Documents and (ii) the Non-Released D&O Claims, but such Non-Released D&O Claims shall remain subject to the limitations contained in Article IV.E and Article IV.F of this Plan.

B. Releases by Holders of Claims and Interests

Except as expressly set forth in the Plan, effective on the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, from any and all Causes of Action, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, including any derivative claims asserted or assertable on behalf of any of the Debtors, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors' out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions, or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date, *provided* that nothing in this Article VIII.B shall be construed to release the Released Parties from actual fraud, willful misconduct, or gross negligence as determined by a Final Order.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in this Article VIII.B, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each release described in this Article VIII.B is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors' business judgment; and (7) except to

the extent contemplated by Article IV.F and Article IV.G of the Plan, a bar to any of the Releasing Parties or the Debtors or the Wind-Down Debtor or their respective Estates asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

C. Exculpation

Effective as of the Effective Date, to the fullest extent permissible under applicable law and without affecting or limiting either the Debtor release or the third-party release, and except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is exculpated from any Cause of Action for any act or omission arising on or after the Petition Date and prior to the Effective Date based on the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation or filing, or consummation of the Disclosure Statement, the Plan, the Special Committee Investigation, any Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of consummation of the Plan, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement (including, for the avoidance of doubt, providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion), except for Causes of Action related to any act or omission that is determined in a Final Order of a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan.

The Exculpated Parties have, and upon Consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan

D. Injunction

The assets of the Debtors and of the Wind-Down Debtor shall be used for the satisfaction of expense obligations and the payment of Claims and Interests only in the manner set forth in this Plan and shall not be available for any other purpose. All Persons and Entities who have held, hold, or may hold Claims or Interests based upon any act, omission, transaction, or other activity of any kind or nature related to the Debtors, the Wind-Down Debtor, or the Debtors' Chapter 11 Cases that occurred prior to the Effective Date, other than as expressly provided in the Plan or the Confirmation Order, shall be precluded and permanently enjoined on and after the Effective Date from interfering with the use and distribution of the Debtors' assets in the manner contemplated by the Plan.

In addition, as of the Effective Date and subject to the occurrence of the Effective Date, except as otherwise specifically provided in this Plan or the Confirmation Order, all Persons and Entities who have held, hold, or may hold Claims or Interests that are fully satisfied pursuant to the Plan or any Claim or Interest that is subject to the releases and exculpations set forth in Article VIII.B and Article VIII.C of this Plan shall be precluded and permanently enjoined on and after the Effective Date from enforcing, pursuing, or seeking any setoff or relief with respect to such Claims or Interests, except for the receipt of the payments or distributions that are contemplated by this Plan.

E. Release of Liens

Except as otherwise provided in the Plan, the Plan Supplement, or any contract, instrument, release, or other agreement or document created pursuant to the Plan or Confirmation Order on the Effective Date, and concurrently with the applicable distributions made pursuant to the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, compromised, and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Debtors shall automatically revert to the applicable Debtor or the Wind-Down Debtor, as applicable, and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or Filing being required to be made by the Debtors. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed to release any collateral or other property of any Debtor (including any cash collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as requested by the Debtors or Wind-Down Debtor to evidence the release of such Lien, including the execution, delivery, and filing or recording of such documents evidencing such releases. The presentation or filing of the Confirmation Order to or with any local, state, federal, or foreign agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

F. OSC and SEC

Notwithstanding any language to the contrary herein, no provision shall (a) preclude the OSC or the SEC from enforcing its police or regulatory powers; or (b) enjoin, limit, impair or delay the OSC or SEC from commencing or continuing any claims, causes of action, proceeding, or investigations against any non-Debtor person or non-Debtor entity in any forum.

G. Protection against Discriminatory Treatment

As provided by section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, no Entity, including Governmental Units, shall discriminate against any Debtor or the Wind-Down Debtor or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, or discriminate with respect to such a grant against, any Debtor or the Wind-Down Debtor, or any Entity with which a Debtor or the Wind-Down Debtor has been or is associated, solely because such Debtor or the Wind-Down Debtor was a debtor under chapter 11 of the Bankruptcy Code, may have been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before such Debtor was granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention

Upon the occurrence of the Effective Date, the Debtors' books and records shall be transferred to the Wind-Down Debtor, which shall continue to preserve all financial books and records, emails, and other financial documents relating to the Debtors' business that are currently in the Debtors' possession. The Wind-Down Debtor shall not destroy or otherwise abandon any such documents or records without providing advance notice to the U.S. Securities and Exchange Commission (c/o Therese Scheuer, U.S. Securities and Exchange Commission, 100 F Street, NE, Washington, DC 20549, ScheuerT@SEC.GOV) and seeking further authorization from this Bankruptcy Court. Nothing in this Plan or the Confirmation Order shall affect the obligations of the pre-Effective Date Debtors, the Wind-Down Debtor, and/or any transferee or custodian to maintain all books and records that are subject to any governmental subpoena, document preservation letter, or other investigative request from a governmental agency.

I. Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (1) such Claim has been adjudicated as non-contingent; or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

J. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code, or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. **All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.**

ARTICLE IX.

CONDITIONS PRECEDENT TO THE EFFECTIVE DATE

A. Conditions Precedent to the Effective Date

It shall be a condition to the Effective Date that the following conditions shall have been satisfied or waived pursuant to Article IX.B of the Plan:

1. The Bankruptcy Court shall have entered the Confirmation Order, which shall be in a form and substance reasonably satisfactory to the Debtors and the Committee, and subject to the consent rights of Purchaser under the Asset Purchase Agreement, and such order shall be a Final Order and in full force and effect.
2. The Debtors shall have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Plan, Definitive Documents, and the Asset Purchase Agreement.
3. Each Definitive Document and each other document contained in any supplement to the Plan, including the Plan Supplement and any exhibits, schedules, amendments, modifications or supplements thereto or other documents contained therein, shall have been executed or Filed, as applicable, in form and substance consistent in all respects with the Plan, and subject to the Purchaser's consent rights under the Asset Purchase Agreement, and shall not have been modified in a manner inconsistent therewith;
4. The Professional Fee Escrow Account shall have been established and funded with Cash in accordance with Article II.B.2 of the Plan.
5. The Wind-Down Reserve shall have been established and funded with Cash in accordance with the Plan.

6. If prior to the Outside Date, the Asset Purchase Agreement shall be in full force and effect and the Sale Transaction shall have been consummated.
7. The Restructuring Transactions shall have been consummated or shall be anticipated to be consummated concurrently with the occurrence of the Effective Date in a manner consistent with the Plan, the Customer Onboarding Protocol, the other Definitive Documents, and the Asset Purchase Agreement, and the Plan shall have been substantially consummated or shall be anticipated to be substantially consummated concurrently with the occurrence of the Effective Date.

B. Waiver of Conditions Precedent

The Debtors, with the consent of the Committee and, solely to the extent related to the Asset Purchase Agreement and the Sale Transaction, prior to the Outside Date, the consent of Purchaser, may waive any of the conditions to the Effective Date set forth in Article IX.A of the Plan at any time, without any notice to any other parties in interest and without any further notice to or action, order, or approval of the Bankruptcy Court, and without any formal action other than proceeding to confirm and consummate the Plan.

C. Effect of Non-Occurrence of Conditions to Consummation

If the Effective Date does not occur within 120 days after the Confirmation Date, then the Plan will be null and void in all respects, any and all compromises or settlements not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including with respect to the fixing, limiting, or treatment of any Claim or Interest, including, without limitation, the Alameda Loan Facility Claims), shall be deemed null and void, and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Interests, or Causes of Action held by any Debtor or any other Entity; (2) prejudice in any manner the rights of any Debtor or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking of any sort by any Debtor or any other Entity in any respect.

ARTICLE X.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification of Plan

Subject to the limitations and terms contained in the Plan and Purchaser's consent rights under the Asset Purchase Agreement, the Debtors, with the consent of the Committee, reserve the right to (1) amend or modify the Plan before the entry of the Confirmation Order, in accordance with the Bankruptcy Code and the Bankruptcy Rules and (2) after the entry of the Confirmation Order, the Debtors or the Wind-Down Debtor, as applicable, may, upon order of the Bankruptcy Court, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code, to remedy any defect or omission, or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan consistent with the terms set forth herein.

B. Effect of Confirmation on Modifications

Entry of the Confirmation Order shall constitute approval of all modifications or amendments to the Plan occurring after the solicitation thereof pursuant to section 1127(a) of the Bankruptcy Code and a finding that such modifications to the Plan do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan

The Debtors reserve the right, with the consent of the Committee, to revoke or withdraw the Plan with respect to any or all Debtors before the Confirmation Date and to File subsequent chapter 11 plans. If the Debtors revoke or withdraw the Plan, or if Confirmation or the Effective Date does not occur, then: (1) the Plan will be null and void in all respects; (2) any settlement or compromise not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including the fixing or limiting to an amount certain of the Claims or Classes of Claims), assumption or rejection of Executory Contracts or Unexpired Leases effectuated by the Plan, and any document or agreement executed pursuant to the Plan will be null and void in all respects; and (3) nothing contained in the Plan shall (a) constitute a waiver or release of any Claims, Interests, or Causes of Action by any Entity, (b) prejudice in any manner the rights of any Debtor or any other Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by any Debtor or any other Entity.

ARTICLE XI.

7. enter and enforce any order for the sale of property pursuant to sections 363, 1123, or 1146(a) of the Bankruptcy Code;

8. grant any consensual request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code;

10. hear, determine, and resolve any cases, matters, controversies, suits, disputes, or Causes of Action in connection with or in any way related to the Chapter 11 Cases, including: (a) with respect to the repayment or return of distributions and the recovery of additional amounts owed by the Holder of a Claim or an Interest for amounts not timely repaid pursuant to Article VI of the Plan; (b) with respect to the releases, injunctions, and other provisions contained in Article VIII of the Plan, including entry of such orders as may be necessary or appropriate to implement such releases, injunctions, and other provisions; (c) anything that may arise in connection with the Consummation, interpretation, implementation, or enforcement of the Plan and the Confirmation Order; or (d) related to section 1141 of the Bankruptcy Code;

11. enter and implement such orders as are necessary or appropriate if the Confirmation Order is for any reason modified, stayed, reversed, revoked, or vacated;

Nothing herein limits the jurisdiction of the Bankruptcy Court to interpret and enforce the Plan and all contracts, instruments, releases, and other agreements or documents created in connection with the Plan, or the Disclosure Statement, without regard to whether the controversy with respect to which such

interpretation or enforcement relates may be pending in any state or other federal court of competent jurisdiction.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in this Article XI, the provisions of this Article XI shall have no effect on and shall not control, limit, or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Unless otherwise specifically provided herein or in a prior order of the Bankruptcy Court, the Bankruptcy Court shall have exclusive jurisdiction to hear and determine disputes concerning Claims against or Interests in the Debtors that arose prior to the Effective Date.

ARTICLE XII.

provided, however, that notwithstanding the foregoing or anything to the contrary herein, to the extent there is any conflict between the Plan and the Confirmation Order, on the one hand, and the Asset Purchase Agreement, on the other hand, the Asset Purchase Agreement shall govern solely in the event the Sale Transaction is consummated. Except as set forth in the Plan, in the event that any provision of the Disclosure Statement, the Plan Supplement, or any order (other than the Confirmation Order) referenced in the Plan (or any exhibits, schedules, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and control. In the event of any inconsistency between the Plan and the Confirmation Order, the Confirmation Order shall control.

I. Plan Supplement

Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the Debtors' consent, consistent with the terms set forth herein; and (3) non-severable and mutually dependent.

The Debtors may effectuate such rebalancing by (i) selling such Cryptocurrency that cannot be distributed to Account Holders, (ii) purchasing Cryptocurrency supported by Voyager's or Purchaser's platform (as provided by the Asset Purchase Agreement) that shall be distributed to Account Holders, and (iii) engaging in any other transaction, including the execution of trades of Cryptocurrency, necessary or appropriate to effectuate distributions of the Distributable Cryptocurrency to Holders of Allowed Account Holder Claims.

E. ~~Management and Employee Transition Plans~~

The Debtors shall be authorized to implement the ~~Management Transition Plan and~~ Employee Transition Plan, the terms of which shall be reasonably acceptable to Purchaser and the Committee and included in the Plan Supplement. The ~~Management Transition Plan and~~ Employee Transition Plan shall help ensure that employees are available to provide transition services to the Debtors and/or the Wind-Down ~~Entity~~Debtor to effectuate the Sale Transaction and to wind down the Debtors' Estates.

F. **Non-Released D&O Claims**

Any Claims or Causes of Action held by the Debtors or their respective estates against the Debtors' CEO and/or CCO (regardless of any fiduciary capacity in which such individuals were acting) that are expressly related to approval of the 3AC Loan are not released pursuant to the Plan (collectively, the "Non-Released D&O Claims"), and shall be assigned and transferred to the Wind-Down ~~Entity~~Debtor to be pursued, settled, or resolved by the Wind-Down ~~Entity~~Debtor in accordance with the terms of Article IV.G of this Plan and subject to the Wind-Down ~~Reserve~~Budget. Any claims against the D&O Carriers that the Debtors' insurance transactions within the 90 days prior to the Petition Date are avoidable under the Bankruptcy Code, applicable state law, or both (the "Non-Released Insurance

Claims”) shall be assigned and transferred to the Wind-Down Entity Debtor to be pursued, settled, or resolved solely by the Wind-Down Entity Debtor in accordance with the terms of Article IV.G of this Plan. The Wind-Down Entity Debtor shall be a successor to the Debtors’ rights, title, and interest in any Non-Released D&O Claims and Non-Released Insurance Claims, and the Wind-Down Entity Debtor shall have standing to pursue the Non-Released D&O Claims and the Non-Released Insurance Claims in accordance with the terms of Article IV.G of this Plan; *provided* that: (i) any recovery by the Wind-Down Entity Debtor (and the beneficiaries thereof) on account of any Non-Released D&O Claim, including in each case by way of settlement or judgment, shall be satisfied solely by and to the extent of the proceeds of the Debtors’ available D&O Liability Insurance Policies (and/or from the D&O Carriers directly) after payment from such D&O Liability Insurance Policies of any and all covered costs and expenses incurred in connection with the defense of the Non-Released D&O Claims; (ii) any party, including any trustee or any beneficiary of the Wind-Down Entity Debtor, seeking to execute, garnish, or otherwise attempt to collect on any settlement of or judgment in the Non-Released D&O Claims shall do so solely upon available insurance coverage from the Debtors’ available D&O Liability Insurance Policies; and (iii) no party shall (a) record any judgment against the CEO or CCO, or (b) otherwise attempt to collect, directly or indirectly, from the personal assets of the CEO or CCO with respect to the Non-Released D&O Claims. For the avoidance of doubt, this provision does not enjoin, limit, or impair direct claims held by third parties against the Debtors’ CEO or CCO (if any) other than any direct claims held by Holders of Claims or Interests that opt into the third-party third-party release in Article VIII.B of this Plan. Only upon the occurrence of the earlier of (x) a release being given as part of any later settlement of the Non-Released D&O Claims; (y) final resolution of any coverage claims asserted against the Debtors’ available D&O Liability Insurance Policies on account of the Non-Released D&O Claims; or (z) exhaustion of the available insurance coverage under the D&O Liability Insurance Policies, the Non-Released D&O Claims shall be released and discharged without the need for further action or Bankruptcy Court order. For the avoidance of doubt, any release of the Non-Released D&O Claims shall not become effective until one of the three conditions stated in the preceding sentence above has been met.

G. The D&O Settlement

On the Effective Date, the terms of the D&O Settlement shall be effectuated as provided in this Article IV.G.

Pursuant to the D&O Settlement, CEO shall repay the \$1,900,000 received from the Debtors on or around February 28, 2022, by paying the after-tax amount of such transfer (approximately \$1,125,000) to OpCo in cash and assigning the right, if any, to any tax refund for the balance to the Wind-Down Entity Debtor. CEO shall subordinate any Claims (including any indemnification claims asserted under this Art. IV.F) he holds against the Debtors until all other Holders of Claims are paid in full. CCO shall subordinate 50 percent of any Claims he holds other than indemnification claims (and 100% of any indemnification claims asserted under this Art. IV.F) against the Debtors until all other Holders of Claims are paid in full; *provided, however*, that in the event the D&O Carriers deny coverage to CEO or CCO under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by CEO or CCO shall not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

CEO and CCO, each as insureds, under the D&O Liability Insurance Policies agree: (i) not to draw down on the Side-A Policy; *provided, however*, that should coverage continue to be available under the Side-A Policy following resolution of the Debtors’ and/or the Wind-Down Entity’s Debtor’s claims for the avoidance of the premium paid for the policy (whether by judgment or settlement or otherwise) such officer shall be entitled to seek coverage under the Side-A Policy to the extent any such coverage remains; and (ii) not to object to any settlement by the Debtors or Wind Down Entity of avoidance claims

under the Side-A Policy, even if such settlement results in termination of benefits under the Side-A Policy. For the avoidance of doubt, this agreement is not intended to and shall not alter or amend each of the insureds' duties under the D&O Liability Insurance Policies. In the event that any insurer under the D&O Liability Insurance Policies denies coverage for any reason, the Wind-Down EntityDebtor shall have the right to bring a coverage claim against the insurer(s) in the name of the insured, the insureds shall reasonably cooperate with respect to any such claim, and the insured may participate at their election (and at their sole cost). For the avoidance of doubt, nothing contained in this Plan is intended as a waiver or release of the Debtors' and/or Wind-Down Entity'sDebtor's right to assert any Non-Released D&O Claim, but rather limits such recovery in the manner set forth above.

CEO and CCO shall be entitled to receive their salary and benefits for as long as they work for the Debtors and/or the Wind-Down EntityDebtor and retain the right to assert claims for advancement and indemnification up to the limits of any available coverage in the event any of the insurers that issued the Management Liability Policy, the Excess Policy, or the Side-A Policy denies coverage to CEO and/or CCO based upon or arising out of the lack of a formal claim for indemnification; *provided, however*, that any such indemnification or advancement claims shall be subordinated in full unless and until all other Holders of Claims are paid in full; *provided, further*, that in the event that any of the D&O Carriers deny coverage to CEO or CCO under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by CEO or CCO shall not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

CEO and CCO shall subordinate any and all rights and entitlements under the Cornerstone A-Side Management Liability Insurance Policy to Voyager Digital Ltd., Policy Number ELU184179-22, to any recovery by the Debtors and/or the Wind-Down EntityDebtor on account of the Debtors' and/or Wind-Down Entity'sDebtor's claims for the avoidance of the premium paid for the policy. For the avoidance of doubt, should coverage continue to be available under the Side-A Policy following resolution of the Debtors' and/or the Wind-Down Entity'sDebtor's claims for the avoidance of the premium paid for the policy (whether by judgment or settlement or otherwise), CEO and/or CCO shall be entitled to seek coverage under the Side-A Policy. CEO and CCO shall remain at, and continue performing the responsibilities of, their respective position(s) with the Debtors and assist with the Debtors' transition for at least 30 days from entry of the Confirmation Order; *provided* that CCO shall have no obligation to remain at his position with the Debtors beyond January 15, 2023 and the CEO shall have the right to pursue and engage in any employment opportunity, business venture, consulting arrangement, or investment that may become available; *provided, further*, that both the CEO and CCO shall be available to the Debtors and/or the Wind-Down EntityDebtor for a maximum of five hours per month for the one year following the Effective Date.

In the event that the sworn financial disclosure statements under penalty of perjury provided to the Debtors, the Special Committee and the Committee by CEO and CCO are later determined at any time by Final Order of the Bankruptcy Court or other court of competent jurisdiction to be materially inaccurate, (a) the limitations on recovery by the Wind-Down EntityDebtor under this Article IV.G shall no longer apply, (b) any and all release, exculpation and injunction provisions in Article VIII of this Plan with respect to CEO and/or CCO (as applicable) shall be deemed null and void, (c) all Releasing Parties' rights with respect to the CEO and/or CCO (as applicable) shall be fully intact and preserved, (d) amounts paid by CEO shall not be repaid by the Wind-Down EntityDebtor, and (e) any applicable statute of limitations shall be deemed tolled from the Petition Date to the date of entry of the order referenced above. The Wind-Down TrustDebtor, as successor to the Debtors, shall have standing to bring a motion seeking relief pursuant to this Article IV.G.

Entry of the Confirmation Order shall be deemed approval of the D&O Settlement and, to the extent not already approved by the Bankruptcy Court, the Debtors or the Wind-Down Debtors, as

applicable, are authorized to negotiate, execute, and deliver those documents necessary or appropriate to effectuate the D&O Settlement, without further notice or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors, the Wind-Down Debtors, the Committee, and the Special Committee may deem to be necessary to effectuate the D&O Settlement.

H. The Wind-Down Trust Debtor

On the Effective Date, the Wind-Down Trust Debtor shall be formed or converted into for the benefit of the Wind-Down Trust Debtor Beneficiaries and each of the Debtors shall transfer the Wind-Down Trust Debtor Assets for distribution in accordance with the terms of the Plan. Pursuant to the Wind-Down Trust Plan Administrator Agreement, the Wind-Down Trust Debtor will be established, formed, merged, or converted. The Wind-Down Trust Debtor shall be the successor-in-interest to the Debtors, and the Wind-Down Trust Debtor shall be a successor to the Debtors' rights, title, and interest to the Wind-Down Trust Debtor Assets. The Wind-Down Trust Debtor will conduct no business operations and will be charged with winding down the Debtors' Estates. The Wind-Down Trust Debtor shall be managed by the Wind-Down Trustee and shall be subject to a Wind-Down Trust Oversight Committee. ~~For the avoidance of doubt, in the event that the Restructuring Transactions Memorandum specifies that the Wind-Down Debtors will be the Wind-Down Entity, the Wind-Down Debtors shall be managed by the Wind-Down Trustee~~ Plan Administrator and shall be subject to the Wind-Down Trust Debtor Oversight Committee ~~in the same manner as if the Wind-Down Entity is the Wind-Down Trust~~. The Wind-Down Trust Debtor shall be administered in accordance with the terms of the Wind-Down Trust Plan Administrator Agreement and shall be subject to the Wind-Down Reserve Budget and the Non-Released D&O Claim Budget. For the avoidance of doubt, the Wind-Down Trust Debtor shall not have any right or interest in any Cause of Action or Claim constituting an Acquired Asset. The Wind-Down Trust Debtor shall be administered in a manner consistent with the SEC's published guidance on liquidating trusts.

Prior to the Effective Date, any and all of the Debtors' assets shall remain assets of the Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and on the Effective Date the Wind-Down Trust Debtor Assets shall, subject to the Wind-Down Trust Plan Administrator Agreement, be transferred to and vest in the Wind-Down Trust ~~or the Wind-Down Debtors, as applicable~~. For the avoidance of doubt, to the extent not otherwise waived in writing, released, settled, compromised, assigned or sold pursuant to a prior order or the Plan, the Wind-Down Entity Debtor specifically retains and reserves the right to assert, after the Effective Date, any and all of the Vested Causes of Action and related rights, whether or not asserted as of the Effective Date, and all proceeds of the foregoing, subject to the terms of the Plan, including without limitation Article IV.F and Article IV.G.

Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, only the Wind-Down ~~Trust and the Wind-Down Trustee~~ Debtor and the Plan Administrator shall have the right to pursue or not to pursue, or, subject to the terms hereof and the Wind-Down Trust Plan Administrator Agreement, compromise or settle any Wind-Down Trust Debtor Assets transferred to the Wind-Down Trust Debtor. On and after the Effective Date, the ~~Wind-Down Trust~~ Wind-Down Debtor and the ~~Wind-Down Trustee~~ Plan Administrator may, without further Bankruptcy Court approval, commence, litigate, and settle any Vested Causes of Action or Claims relating to any Wind-Down Trust Debtor Assets transferred to the

Wind-Down ~~Trust~~Debtor or rights to payment or Claims that belong to the Debtors as of the Effective Date or are instituted by the Wind-Down ~~Trust or the Wind-Down Trust~~Debtor and the Plan Administrator on or after the Effective Date, except as otherwise expressly provided herein and in the ~~Wind-Down Trust~~Plan Administrator Agreement. All of the Wind-Down ~~Trust's~~Debtor's activities shall be subject to the Wind-Down ReserveBudget and the Non-Released D&O Claim Budget. The Wind-Down ~~Trust~~Debtor shall be entitled to enforce all defenses and counterclaims to all Claims asserted against the Debtors and their Estates, including setoff, recoupment and any rights under section 502(d) of the Bankruptcy Code.

The Wind-Down ~~Trustee~~Debtor shall be deemed hereby substituted as plaintiff, defendant, or in any other capacity for the Debtors and the Committee, as applicable, in any Causes of Action pending before the Bankruptcy Court or any other court that relates to a Wind-Down ~~Trust~~Debtor Asset without the need for filing any motion for such relief. On the Effective Date, the Debtors and the ~~Wind-Down Trustee~~Plan Administrator shall execute the ~~Wind-Down Trust~~Plan Administrator Agreement and shall have established the Wind-Down ~~Trust~~Debtor pursuant hereto. In the event of any conflict between the terms of this Article IV.H and the terms of the ~~Wind-Down Trust~~Plan Administrator Agreement, the terms of the ~~Wind-Down Trust~~Plan Administrator Agreement shall control.

2. Wind-Down ~~Entity~~Debtor Assets

Notwithstanding any prohibition on assignability under applicable non-bankruptcy law, on the Effective Date and thereafter if additional Wind-Down ~~Entity~~Debtor Assets become available, the Debtors shall be deemed, subject to the ~~Wind-Down Trust~~Plan Administrator Agreement, to have automatically transferred to the applicable Wind-Down ~~Entity~~Debtor all of their right, title, and interest in and to all of the Wind-Down ~~Trust~~Debtor Assets, in accordance with section 1141 of the Bankruptcy Code. All such assets shall automatically vest in the Wind-Down ~~Entity~~Debtor free and clear of all Claims, Liens, and other interests, subject only to the Allowed Claims and Interests as set forth herein and the expenses of the Wind-Down ~~Trust~~Debtor as set forth herein and in the ~~Wind-Down Trust~~Plan Administrator Agreement. Thereupon, the Debtors shall have no interest in or with respect to the Wind-Down ~~Entity~~Debtor Assets or the Wind-Down ~~Trust~~Debtor.

The Wind-Down ~~Trust~~Debtor shall be established for the primary purpose of liquidating and distributing the Wind-Down ~~Trust~~Debtor Assets transferred to it, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Wind-Down ~~Trust~~Debtor. The record holders of beneficial interests shall be recorded and set forth in a register maintained by the Wind-Down ~~Trustee~~Debtor expressly for such purpose.

The Wind-Down ~~Trust~~Debtor is intended to qualify as a "grantor trust" for federal income tax purposes to the extent reasonably practicable, with the Wind-Down ~~Trust~~Debtor Beneficiaries treated as grantors and owners of the Wind-Down ~~Trust~~Debtor. However, with respect to any of the assets of the Wind-Down ~~Trust~~Debtor that are subject to potential disputed claims of ownership or uncertain distributions, or to the extent "liquidating trust" treatment is otherwise unavailable, the Debtors

anticipate that such assets will be subject to disputed ownership fund treatment under Section 1.468B-9 of the Treasury Regulations, that any appropriate elections with respect thereto shall be made, and that such treatment will also be applied to the extent possible for state and local tax purposes. Under such treatment, a separate federal income tax return shall be filed with the IRS for any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

Subject to the ~~Wind-Down-TrustPlan Administrator~~ Agreement, the ~~Wind-Down-TrusteePlan Administrator~~ shall be entitled to enjoy all of the rights, powers, immunities and privileges applicable to a chapter 7 trustee, and the Wind-Down ~~TrustDebtor~~ Oversight Committee shall be entitled to enjoy all of the rights, powers, immunities and privileges of an official committee of unsecured creditors. The ~~Wind-Down-TrusteePlan Administrator~~ or the Wind-Down ~~TrustDebtor~~ Oversight Committee may, in connection with the performance of its functions, and in its sole and absolute discretion, consult with its attorneys, accountants, financial advisors and agents, and shall not be liable for any act taken, omitted to be taken, or suffered to be done in accordance with advice or opinions rendered by such persons, regardless of whether such advice or opinions are provided in writing. Notwithstanding such authority, neither the ~~Wind-Down-TrusteePlan Administrator~~ nor the Wind-Down ~~TrustDebtor~~ Oversight Committee shall be under any obligation to consult with its attorneys, accountants, financial advisors or agents, and their determination not to do so shall not result in the imposition of liability on the ~~Wind-Down-TrusteePlan Administrator~~, the Wind-Down ~~TrustDebtor~~ Oversight Committee, or their respective members and/or designees, unless such determination is based on willful misconduct, gross negligence, or actual fraud. The Wind-Down ~~TrustDebtor~~ shall indemnify and hold harmless the Wind-Down ~~TrustDebtor~~ Parties (in their capacity as such), from and against and in respect of all liabilities, losses, damages, claims, costs and expenses (including, without limitation, reasonable attorneys’ fees, disbursements, and related expenses) that such parties may incur or to which such parties may become subject in connection with any action, suit, proceeding or investigation brought by or threatened against such parties arising out of or due to their acts or omissions, or consequences of such acts or omissions, with respect to the implementation or administration of the Wind-Down ~~TrustDebtor~~ or the Plan or the discharge of their duties hereunder; *provided, however*, that no such indemnification will be made to such Persons for actions or omissions as a result of willful misconduct, gross negligence, or actual fraud. Persons dealing or having any relationship with the ~~Wind-Down-TrusteePlan Administrator~~ shall have recourse only to the Wind-Down ~~TrustDebtor~~ Assets and shall look only to the Wind-Down ~~TrustDebtor~~ Assets to satisfy any liability or other obligations incurred by the Wind-Down ~~TrustDebtor~~ or the Wind-Down ~~TrustDebtor~~ Oversight Committee to such Person in carrying out the terms of the ~~Wind-Down-TrustPlan Administrator~~ Agreement, and neither the ~~Wind-Down-TrusteePlan Administrator~~ nor the Wind-Down ~~TrustDebtor~~ Oversight Committee, shall have any personal obligation to satisfy any such liability. The ~~Wind-Down-TrusteePlan Administrator~~ and/or the Wind-Down ~~TrustDebtor~~ Oversight Committee members shall not be liable whatsoever except for the performance of such duties and obligations as are specifically set forth herein, and no implied

covenants or obligations shall be read into the ~~Wind-Down Trust~~Plan Administrator Agreement against any of them. The Wind-Down ~~Trust Debtor~~ shall promptly pay expenses reasonably incurred by any Wind-Down ~~Trust Debtor~~ Party in defending, participating in, or settling any action, proceeding or investigation in which such Wind-Down ~~Trust Debtor~~ Party is a party or is threatened to be made a party or otherwise is participating in connection with the ~~Wind-Down Trust~~Plan Administrator Agreement or the duties, acts or omissions of the ~~Wind-Down Trust~~Plan Administrator or otherwise in connection with the affairs of the Wind-Down ~~Trust Debtor~~, upon submission of invoices therefor, whether in advance of the final disposition of such action, proceeding, or investigation or otherwise. Each Wind-Down ~~Trust Debtor~~ Party hereby undertakes, and the Wind-Down ~~Trust Debtor~~ hereby accepts his or her undertaking, to repay any and all such amounts so advanced if it shall ultimately be determined that such exculpated party is not entitled to be indemnified therefor under the ~~Wind-Down Trust~~Plan Administrator Agreement. The foregoing indemnity in respect of any Wind-Down ~~Trust Debtor~~ Party shall survive the termination of such Wind-Down ~~Trust Debtor~~ Party from the capacity for which they are indemnified.

12. No Liability of the Wind-Down ~~Trust Debtor~~

On and after the Effective Date, the Wind-Down ~~Trust Debtor~~ shall have no liability on account of any Claims or Interests except as set forth herein and in the ~~Wind-Down Trust~~Plan Administrator Agreement. All payments and all distributions made by the ~~Wind-Down Trust~~Plan Administrator hereunder shall be in exchange for all Claims or Interests against the Debtors.

I. Sources of Consideration for Plan Distributions

Distributions under the Plan shall be funded by (i) the proceeds of Purchaser's payment obligations under Sections 2.1 and 2.2 of the Asset Purchase Agreement and distributions of Acquired Coins pursuant to Sections 6.12, and 6.14 of the Asset Purchase Agreement, (ii) the Wind-Down ~~Entity or Wind-Down Trust (as applicable) Debtor~~ from the Wind-Down ~~Entity Debtor~~ Assets ~~or Wind-Down Trust Assets (as applicable)~~; *provided, however*, that Allowed Professional Fee Claims shall be paid from the Professional Fee Escrow Account in the first instance. The Wind-Down ~~Entity Assets or Wind-Down Trust Assets (as applicable) Debtor Assets~~ shall be used to pay the Wind-Down ~~Entity Debtor~~ Expenses (including the compensation of the ~~Wind-Down Trust~~Plan Administrator and any professionals retained by the Wind-Down ~~Trust Debtor~~), and to satisfy payment of Allowed Claims and Interests as set forth in the Plan.

J. Corporate Existence and Dissolution

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificates or articles of incorporation, certificates of formation, certificates of organization, or certificates of limited partnership and bylaws, operating agreements, limited liability company agreements, or limited partnership agreements (or other formation documents) in effect prior to the Effective Date, except to the extent such certificates or articles of incorporation, certificates of formation, certificates of organization, or certificates of limited partnership and bylaws, operating agreements, limited liability company agreements, or limited partnership agreements (or other formation documents) are amended pursuant to the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings under applicable state or federal law).

On and after the Effective Date, the Wind-Down ~~Entity~~Debtor will be authorized and directed to implement the Plan and any applicable orders of the Bankruptcy Court, and the Wind-Down ~~Entity~~Debtor shall have the power and authority to take any action necessary to wind down and dissolve the Debtors' Estates.

Upon a certification to be Filed with the Bankruptcy Court by the ~~Wind-Down Trustee~~Plan Administrator of all distributions having been made and completion of all of its duties under the Plan and entry of a final decree closing the last of the Chapter 11 Cases, the Wind-Down Debtors shall be deemed to be dissolved without any further action by the ~~Wind-Down Debtors~~ or the Wind-Down Debtor, including the Filing of any documents with the secretary of state for the state in which the Wind-Down Debtors are formed or any other jurisdiction. The ~~Wind-Down Trustee~~Plan Administrator, however, shall have authority to take all necessary actions to dissolve the ~~Wind-Down Debtors~~ or the Wind-Down Debtor in and withdraw the Wind-Down Debtors from applicable states.

As soon as practicable after the Effective Date, the Wind-Down ~~Entity~~Debtor shall take such actions as the Wind-Down ~~Entity~~Debtor may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Wind-Down ~~Entity~~Debtor on behalf of any Wind-Down Debtor without need for any action or approval by the shareholders or board of directors or managers of such Debtor. On and after the Effective Date, the ~~Debtors or the~~ Wind-Down Debtors (1) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations, and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (2) shall be deemed to have cancelled pursuant to this Plan all Interests, and (3) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. Pursuant to the terms of this Plan, any Money Transmitter Licenses that have not been terminated shall be deemed withdrawn and no further action is required to be taken by the Debtors or the Wind-Down Debtor to effectuate such withdrawal; provided that, following the Effective Date, the Debtors or the Wind-Down Debtor, as applicable, shall use commercially reasonable efforts to comply with all state banking department requirements for the surrender of a Money Transmitter License. Nothing in this Plan shall be construed to limit the rights of creditors, Debtors, the Wind-Down Debtor, or regulators to pursue recoveries against surety bonds maintained by the Debtors in connection with this Money Transmitter Licenses. Notwithstanding such Debtors' dissolution, such Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

K. Corporate Action

Upon the Effective Date, all actions contemplated under the Plan, Definitive Documents, and Asset Purchase Agreement shall be deemed authorized and approved in all respects, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, managing-members, limited or general partners, or officers of the Debtors, the Wind-Down Debtors, ~~the Wind-Down Trust~~ or any other Entity, including: (1) appointment of the directors, managers, members, and officers for the Wind-Down Debtors as provided herein; (2) the issuances, transfer, and distribution of the Wind-Down ~~Trust Units~~Debtor Assets; (3) the formation of the Wind-Down ~~Trust~~Debtor and appointment of the ~~Wind-Down Trustee~~Plan Administrator and Wind-Down ~~Trust~~Debtor Oversight Committee; (4) the formation of any entities pursuant to and the implementation of the Plan and performance of all actions and transactions contemplated hereby and thereby; (5) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; and (6) all other acts or actions contemplated by the Plan, Definitive Documents, and Asset Purchase Agreement or reasonably necessary or

appropriate to promptly consummate the Restructuring Transactions (including effectuating the Restructuring Transactions Memorandum and the Customer Onboarding Protocol) (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan, Definitive Documents, and Asset Purchase Agreement involving the corporate structure of the Debtors or the Wind-Down Debtors, as applicable, and any corporate action required by the Debtors or the Wind-Down Debtors, as applicable, in connection with the Plan shall be deemed to have occurred on, and shall be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, or officers of the Debtors or the Wind-Down Debtors, as applicable. On or, as applicable, prior to the Effective Date, the appropriate officers of the Debtors or the Wind-Down Debtors ~~or the Wind-Down Trust~~, as applicable, shall be authorized and, as applicable, directed to issue, execute, and deliver the agreements, documents, Securities, certificates of incorporation, certificates of formation, bylaws, operating agreements, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Wind-Down Debtors, and any and all other agreements, documents, Securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.K shall be effective notwithstanding any requirements under non-bankruptcy law.

L. Vesting of Assets in the Wind-Down ~~Entity~~ Debtor

Except as otherwise provided in the Plan, or in any agreement, instrument, or other document incorporated in the Plan, notwithstanding any prohibition of assignability under applicable non-bankruptcy law and in accordance with section 1141 of the Bankruptcy Code, on the Effective Date, all property constituting Wind-Down ~~Trust~~ Debtor Assets, including all Vested Causes of Action of the Debtors (unless otherwise released, waived, compromised, settled, transferred, or discharged pursuant to the Plan), and any property acquired by any of the Debtors under the Plan shall vest in the Wind-Down ~~Entity~~ Debtor, free and clear of all Liens, Claims, charges, or other encumbrances.

M. Cancellation of Notes, Instruments, Certificates, and Other Documents

On the later of the Effective Date and the date on which distributions are made pursuant to the Plan (if not made on the Effective Date), except for the purpose of evidencing a right to and allowing Holders of Claims and Interests to receive a distribution under the Plan or to the extent otherwise specifically provided for in the Plan, the Confirmation Order, or any agreement, instrument, or other document entered into in connection with or pursuant to the Plan or the Restructuring Transactions (including, without limitation, the Definitive Documents and the Asset Purchase Agreement), all notes, bonds, indentures, certificates, Securities, shares, purchase rights, options, warrants, collateral agreements, subordination agreements, intercreditor agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any indebtedness or obligations of, or ownership interest in, the Debtors, giving rise to any Claims against or Interests in the Debtors or to any rights or obligations relating to any Claims against or Interests in the Debtors shall be deemed cancelled without any need for a Holder to take further action with respect thereto.

N. Effectuating Documents; Further Transactions

On and after the Effective Date, the ~~Wind-Down~~ Debtors, and its directors, managers, partners, officers, authorized persons, and members thereof, and the Wind-Down ~~Trust and Wind-Down Trustee~~ Debtor and Plan Administrator are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, Definitive Documents, and Asset Purchase Agreement, in the name of and on

behalf of the ~~Wind-Down Debtors~~ and Wind-Down Debtor, without the need for any approvals, authorizations, or consents except for those expressly required under the Plan.

O. Section 1146(a) Exemption

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Wind-Down Debtor, ~~the Wind-Down Trust~~, the Purchaser, or to any other Entity) of property under the Plan, Definitive Documents, and Asset Purchase Agreement or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity security, or other interest in the Debtors or the Wind-Down Debtors; (2) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (3) the making, assignment, or recording of any lease or sublease; or (4) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, including the Asset Purchase Agreement, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forgo the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, shall forgo the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

P. Preservation of Rights of Action

In accordance with section 1123(b) of the Bankruptcy Code, the Wind-Down ~~Entity~~ Debtor shall succeed to all rights to commence and pursue any and all Vested Causes of Action of the Debtors, whether arising before or after the Petition Date, including, without limitation, any actions specifically enumerated in the Schedule of Retained Causes of Action other than Causes of Action released, waived, settled, compromised, or transferred. Such rights shall be preserved by the Debtors and Wind-Down Debtors and shall vest in the Wind-Down ~~Entity~~ Debtor, with the Wind-Down ~~Entity's~~ Debtor's rights to commence, prosecute, or settle such Causes of Action preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action expressly released, waived, settled, compromised, or transferred by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article VIII of the Plan or pursuant to the Asset Purchase Agreement, which shall be deemed released and waived by the Debtors and Wind-Down Debtors as of the Effective Date.

The Wind-Down ~~Trust~~ Debtor may pursue such Causes of Action, as appropriate, in accordance with the best interests of the beneficiaries of the Wind-Down ~~Trust~~ Debtor and in accordance with the ~~Wind-Down Trust~~ Plan Administrator Agreement and the Plan. **No Entity may rely on the absence of a specific reference in the Schedules of Assets and Liabilities or Statement of Financial Affairs, the Plan, the Plan Supplement, the Disclosure Statement, or the Schedule of Retained Causes of Action to any Cause of Action against it as any indication that the Debtors, ~~the Wind-Down Debtors~~ or the Wind-Down ~~Trust~~ Debtor, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Wind-Down ~~Trust~~ Debtor, on behalf of the Debtors and the Wind-Down Debtors, expressly reserves all rights to prosecute any and all Causes of Action against**

any Entity, except as otherwise provided in the Plan, including Article VIII of the Plan. Unless any Cause of Action of the Debtors is expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or pursuant to a Final Order, the Wind-Down ~~Trust Debtor~~, on behalf of the Debtors and Wind-Down Debtors and in accordance with the ~~Wind-Down Trust~~ Plan Administrator Agreement, expressly reserves all such Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of Confirmation or Consummation.

The Wind-Down ~~Trust Debtor~~, on behalf of the Debtors ~~and Wind-Down Debtors~~, reserves and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Cause of Action that a Debtor may hold against any Entity shall vest in the Wind-Down ~~Trust Debtor~~, except as otherwise provided in the Plan, including Article VIII of the Plan. The Wind-Down ~~Trust Debtor~~, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Wind-Down ~~Trust Debtor~~ shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court in accordance with the Plan.

Q. Election to Contribute Third-Party Claims

Because aggregating all Contributed Third-Party Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its ballot or opt-in form, to contribute its Contributed Third-Party Claims to the Wind-Down EntityDebtor. By electing such option on its ballot or opt-in form, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the formation of the Wind-Down EntityDebtor, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Third-Party Claims to the Wind-Down EntityDebtor, and (ii) to have agreed to execute any documents reasonably requested by the Debtors or the Wind-Down EntityDebtor to memorialize and effectuate such contribution.

R. Contribution of Contributed Third-Party Claims

On the Effective Date, all Contributed Third-Party Claims will be irrevocably contributed to the Wind-Down EntityDebtor and shall thereafter be Wind-Down TrustDebtor Assets for all purposes. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Wind-Down TrustPlan Administrator Agreement, the Plan Supplement, or any other document as any indication that the Wind-Down TrustDebtor will or will not pursue any and all available Contributed Third-Party Claims against such Person. The Wind-Down TrustDebtor shall have, retain, reserve, and be entitled to assert all Contributed Third-Party Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Third-Party Claims shall not include the rights of any of the Contributing Claimants to receive the distributions under the Plan on account of their Claims or Interests.

S. Closing the Chapter 11 Cases

On and after the Effective Date, the Wind-Down EntityDebtor shall be permitted to classify all of the Chapter 11 Cases of the Debtors except for the Chapter 11 Case of Voyager Digital, LLC, or any other Debtor identified in the Restructuring Transactions Memorandum as having its Chapter 11 Case remain open following the Effective Date, as closed, and all contested matters relating to any of the Debtors, including objections to Claims or Interests and any adversary proceedings, may be administered and heard in the Chapter 11 Case of Voyager Digital, LLC, or any other Debtor identified in the Restructuring Transactions Memorandum as having its Chapter 11 Case remain open following the Effective Date, irrespective of whether such Claims or Interests were Filed or such adversary proceeding was commenced against a Debtor whose Chapter 11 Case was closed.

ARTICLE V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided herein, each Executory Contract and Unexpired Lease not previously rejected, assumed, or assumed and assigned, including any employee benefit plans, severance plans, and other Executory Contracts under which employee obligations arise, shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (1) is specifically described in the Plan as to be assumed in connection with confirmation of the Plan, or is specifically scheduled to be assumed or assumed and assigned pursuant to the Plan or the Plan Supplement; (2) is subject to a pending motion to assume such Unexpired Lease or Executory Contract as of the Effective Date; (3) is to be assumed by the Debtors or assumed by the Debtors and assigned to another third party, as applicable, in connection with the Sale Transaction; (4) is a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan; or (5) is a D&O Liability Insurance Policy other than the Side-A Policy. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions, assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided in the Plan Supplement, pursuant to sections 365(a) and 1123 of the Bankruptcy Code.

B. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Wind-Down Debtors, as applicable, under such Executory Contract or Unexpired Lease. Without limiting the general nature of the foregoing, and notwithstanding any non-bankruptcy law to the contrary, the Debtors and Wind-Down Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the Debtors contracting from non-Debtor counterparties to any rejected Executory Contract or Unexpired Lease.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Counterparties to Executory Contracts or Unexpired Leases listed subject to rejection under the Plan shall be served with a notice of rejection of Executory Contracts and Unexpired Leases with the Plan Supplement. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims, Noticing, and Solicitation Agent and served on the Debtors or Wind-Down EntityDebtor, as applicable, no later than thirty days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, or the Wind-Down EntityDebtor, the Estates, or their property without the need for any objection by the Wind-Down EntityDebtor or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed released, and be subject to the permanent injunction set forth in Article VIII.D of the Plan, including any Claims against any Debtor listed on the Debtors' schedules as unliquidated, contingent, or disputed.** All Allowed Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease shall be treated as General Unsecured Claims in accordance with Article III.C of the Plan.

D. Cure of Defaults for Executory Contracts and Unexpired Leases Assumed

The Debtors, the Wind-Down EntityDebtor, or the Purchaser, as applicable pursuant to the Asset Purchase Agreement, shall pay Cures, if any, on the Effective Date. The Debtors shall provide notice of

the amount and timing of payment of any such Cure to the parties to the applicable assumed Executory Contracts or Unexpired Leases as part of the Plan Supplement. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all requests for payment of Cure that differ from the ordinary course amounts paid or proposed to be paid by the Debtors, the Wind-Down EntityDebtor, or the Purchaser shall be dealt with in the ordinary course of business and, if needed, shall be Filed with the Claims, Noticing, and Solicitation Agent on or before thirty days after the Effective Date. **If any counterparty to an Executory Contract or Unexpired Lease does not receive a notice of assumption and applicable cure amount, such counterparty shall have until on or before thirty days after the Effective Date to bring forth and File a request for payment of Cure.** Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any ~~Wind-Down~~ Debtor or the Wind-Down EntityDebtor, without the need for any objection by the Wind-Down EntityDebtor or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied and released upon payment by the Debtors or the Wind-Down EntityDebtor or the Purchaser of the Cure in the ordinary course of business or upon and in accordance with any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty); *provided, however*, that nothing herein shall prevent the Wind-Down EntityDebtor or the Purchaser, as applicable, from paying any Cure Claim despite the failure of the relevant counterparty to File such request for payment of such Cure. The Wind-Down EntityDebtor or the Purchaser may also settle any Cure Claim without any further notice to or action, order, or approval of the Bankruptcy Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under the Plan must be Filed with the Bankruptcy Court on or before thirty days after the Effective Date. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Debtors' first scheduled omnibus hearing for which such objection is timely Filed. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

In the event of a dispute regarding: (1) the amount of any Cure Claim, (2) the ability of the Debtors, the Wind-Down Debtors, Purchaser, or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed (or assumed and assigned, as applicable), or (3) any other matter pertaining to assumption or assignment, then any disputed Cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made as soon as reasonably practicable following, and in accordance with, the entry of a Final Order of the Bankruptcy Court resolving such dispute or as may be agreed upon by the Debtors, the Wind-Down EntityDebtor, or Purchaser, as applicable, and the counterparty to the Executory Contract or Unexpired Lease, and any such unresolved dispute shall not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise or assignment of any Executory Contract or Unexpired Lease to the Purchaser and full payment of any applicable Cure pursuant to this Article V.D, or upon and in accordance with any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty), shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed or assumed and assigned in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.D, in the amount and at the time in the ordinary course of business or upon and in accordance with**

any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty), shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in the event that any counterparty to an Executory Contract or Unexpired Lease receives a notice of assumption and applicable proposed Cure amount, and disputes the Debtors' proposed Cure amount, such party shall not be required to File a Proof of Claim with respect to such dispute. Any counterparty to an Executory Contract or Unexpired Lease that does not receive a notice or applicable proposed Cure amount, and believes a Cure amount is owed, shall have thirty days after the Effective Date to File a Proof of Claim with respect to such alleged Cure amount, which Claim shall not be expunged until such Cure dispute is resolved.

E. Insurance Policies ~~and Surety Bonds~~

Each D&O Liability Insurance Policy (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) other than the Side-A Policy shall be assumed, in their entirety, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date, pursuant to sections 105 and 365 of the Bankruptcy Code with the Wind-Down ~~Entity Debtor~~ being authorized to pursue any proceeds thereof on behalf of the Debtors or the Wind-Down ~~Entity Debtor~~. The Side-A Policy shall ride through these Chapter 11 Cases with the Debtors, and the Wind-Down ~~Entity Debtor~~ preserves all avoidance and other actions in connection with the premium paid thereunder. All beneficiaries under the D&O Insurance Policies reserve their rights under such D&O Insurance Policies subject to the limitations set forth in this Plan.

The Debtors or the Wind-Down ~~Entity Debtor~~, as applicable, shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policy (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date, and any current and former directors, officers, managers, and employees of the Debtors who served in such capacity at any time before or after the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy subject to the terms thereof regardless of whether such directors, officers, managers, and employees remain in such positions after the Effective Date. Notwithstanding anything to the contrary in the Plan, the Debtors or the Wind-Down ~~Entity Debtor~~ shall retain the ability to supplement such D&O Liability Insurance Policy as the Debtors or Wind-Down ~~Entity Debtor~~ may deem necessary, subject to the prior written consent of the Wind-Down ~~Entity Debtor~~. Notwithstanding anything to the contrary contained in the Plan, the Wind-Down ~~Trust Debtor~~ shall be entitled to pursue avoidance of the premium paid for the XL Specialty Insurance Company Cornerstone A-Side Management Liability Insurance Policy No. ELU184179-22, and nothing in this Plan shall be deemed a waiver or abrogation of any such rights.

The Debtors shall continue to satisfy their obligations under their ~~surety bonds and~~ insurance policies in full and continue such ~~programs~~ policies in the ordinary course of business. Each of the Debtors' ~~surety bonds and~~ insurance policies, and any agreements, documents, or instruments relating thereto shall be treated as Executory Contracts under the Plan. On the Effective Date: (a) the Debtors shall be deemed to have assumed all such ~~surety bonds and~~ insurance policies and any agreements, documents, and instruments relating thereto in their entirety; ~~provided that the Debtors have assumed all indemnity agreements and cash collateral agreements related to the surety bonds and~~ (b) such ~~surety bonds and~~ insurance policies and any agreements, documents, or instruments relating thereto shall revert in the applicable Debtors or the Wind-Down Debtor(s) ~~unaltered~~.

F. Reservation of Rights

Nothing contained in the Plan or the Plan Supplement (unless otherwise explicitly provided) shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Debtor or the Wind-Down Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Wind-Down ~~Entity~~Debtor, as applicable, shall have forty-five days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease effective as of the Confirmation Date.

G. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

H. Contracts and Leases Entered into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed under section 365 of the Bankruptcy Code, will be performed by the applicable Debtor or Wind-Down Debtor liable thereunder in the ordinary course of its business. Such contracts and leases that are not rejected under the Plan shall survive and remain unaffected by entry of the Confirmation Order.

ARTICLE VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed

Except (1) as otherwise provided herein, (2) upon a Final Order, or (3) as otherwise agreed to by the Debtors, the Purchaser, or the Wind-Down ~~Entity~~Debtor, as the case may be, and the Holder of the applicable Claim, on the Effective Date or as soon as reasonably practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the next Distribution Date after such Claim becomes, as applicable, an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. Rights and Powers of Distribution Agent

1. Powers of the Distribution Agent

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties and exercise its rights under the Plan; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities and powers; and (d) exercise such other powers as may be vested in the

Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan.

2. Expenses Incurred on or after the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by such Distribution Agent shall be paid in Cash by the Wind-Down ~~Entity~~Debtor.

C. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Distributions Generally

Except as otherwise provided in the Plan (including in paragraph 8 below), the Distribution Agent shall make distributions to Holders of Allowed Claims at the address for each such Holder as indicated on the applicable register or in the Debtors' records as of the date of any such distribution (as applicable), including the address set forth in any Proof of Claim filed by that Holder.

2. Distributions on Account of Obligations of Multiple Debtors

For all purposes associated with distributions under the Plan, all guarantees by any Debtor of the obligations of any other Debtor, as well as any joint and several liability of any Debtor with respect to any other Debtor, shall be deemed eliminated so that any obligation that could otherwise be asserted against more than one Debtor shall result in a single distribution under the Plan. Any such Claims shall be subject to all potential objections, defenses, and counterclaims, and to estimation pursuant to section 502(c) of the Bankruptcy Code.

3. Record Date of Distributions

On the Distribution Record Date, the various transfer registers for each Class of Claims or Interests as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any Claims or Interests. The Distribution Agent shall have no obligation to recognize any transfer of Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure amounts or disputes over any Cure amounts, neither the Debtors nor the Distribution Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure amount.

4. Special Rules for Distributions to Holders of Disputed Claims and Interests

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the Wind-Down ~~Entity~~Debtor, on the one hand, and the Holder of a Disputed Claim or Interest, on the other hand, or as set forth in a Final Order, no partial payments and no partial distributions shall be made with respect to a Disputed Claim or Interest until all of the Disputed Claim or Interest has become an Allowed Claim or Interest or has otherwise been resolved by settlement or Final Order; *provided* that, if the Wind-Down ~~Entity~~Debtor does not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim or Interest, the Distribution Agent may make a partial distribution on account of that portion of such Claim or Interest that is not Disputed at the time and in the manner that the Distribution

Agent makes distributions to similarly situated Holders of Allowed Claims or Interests pursuant to the Plan. Any dividends or other distributions arising from property distributed to Holders of Allowed Claims or Interests, as applicable, in a Class and paid to such Holders under the Plan shall also be paid, in the applicable amounts, to any Holder of a Disputed Claim or Interest, as applicable, in such Class that becomes an Allowed Claim or Interest after the date or dates that such dividends or other distributions were earlier paid to Holders of Allowed Claims or Interests in such Class.

5. De Minimis Distributions; Minimum Distributions

The Distribution Agent shall not make any Cash distributions to any Holder of an Allowed Claim or Interest pursuant to Article III.C.1-11 of this Plan on account of such Allowed Claim or Interest if such distribution is valued, in the reasonable discretion of the Distribution Agent, at less than \$1.00, and each Holder of an Allowed Claim or Interest to which this limitation applies shall not be entitled to any distributions under the Plan. Notwithstanding anything to the contrary in this Plan, there shall be no minimum distribution threshold on account of distributions of any Cryptocurrency to Holders of Allowed Account Holder Claims and Allowed OpCo General Unsecured Claims.

6. Undeliverable Distributions and Unclaimed Property

In the event that either (a) a distribution to any Holder is returned as undeliverable or (b) the Holder of an Allowed Claim or Interest does not respond to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is one year after the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Wind-Down ~~Entity~~Debtor automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall not be entitled to any distributions under the Plan.

7. Manner of Payment Pursuant to the Plan

At the option of the Distribution Agent, any Cash payment to be made hereunder may be made by check, wire transfer, automated clearing house, credit card, or as otherwise provided in applicable agreements.

8. Distributions of Net Owed Coins; Additional Bankruptcy Distributions

As a general matter, the Purchaser will allocate each Account Holder's Net Owed Coins to its account on the Binance.US Platform, and each Holder of OpCo General Unsecured Claim's Pro Rata share of the Distributable Cryptocurrency (in Cash) to its account on the Binance.US Platform in accordance with, and subject to, the provisions of Section 6.12 of the Asset Purchase Agreement.

~~As a general matter, the Customer Onboarding Protocol will provide that~~Subject to the terms of the Asset Purchase Agreement, the Purchaser will~~may~~ make Additional Bankruptcy Distributions to Transferred Creditors, including Distributable OpCo Cash and/or other Wind-Down Debtor Assets, corresponding to their Pro Rata shares of such Additional Bankruptcy Distribution (if such Additional Bankruptcy Distribution is in Cryptocurrency, based on the Transferred Cryptocurrency Value of the

Cryptocurrency included in such Additional Bankruptcy Distribution), all in accordance with any applicable Post-Bankruptcy Statement (as defined in the Asset Purchase Agreement).

If any Account Holder or Holder of an Allowed OpCo General Unsecured Claim does not become a Transferred Creditor prior to the date that is three (3) months following the later of the Closing Date or the date on which the terms and conditions for the Binance.US Platform are made available for such Person to accept (as provided in the Customer Onboarding Protocol), then Purchaser shall convert any Cryptocurrency allocable to such Person into U.S. Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such U.S. Dollars, together with any cash or other assets in respect of such Persons, to the Debtors within five (5) Business Days, for further distribution by the Debtors in accordance with this Plan and the Customer Onboarding Protocol.

If any Account Holder or Holder of an Allowed OpCo General Unsecured Claim is located in an Unsupported Jurisdiction (as defined in the Asset Purchase Agreement), then the Net Owed Coins, ~~if applicable,~~ Distributable Cryptocurrency (in Cash) and Additional Bankruptcy Distributions, ~~if applicable,~~ allocable to such Person shall be handled pursuant to Section 6.12(b) or, if applicable, Section 6.14(d) of the Asset Purchase Agreement.

Purchaser shall have no responsibility to make any distributions other than as contemplated by Sections 6.12 and 6.14 of the Asset Purchase Agreement.

D. Compliance Matters

In connection with the Plan, to the extent applicable, the Debtors, the Wind-Down ~~Entity~~Debtor, any Distribution Agent, and any other applicable withholding and reporting agents shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Debtors, the Wind-Down ~~Entity~~Debtor, the Distribution Agent, and any other applicable withholding and reporting agents shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including wind-down a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms that are reasonable and appropriate; *provided* that the Wind-Down ~~Entity~~Debtor and the Distribution Agent, as applicable, shall request appropriate documentation from the applicable distributees and allow such distributees a reasonable amount of time to respond. The Debtors, the Wind-Down ~~Entity~~Debtor, the Distribution Agent, and any other applicable withholding and reporting agents reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

E. Foreign Currency Exchange Rate

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim, asserted in government issued currency (for the avoidance of doubt, not including any Cryptocurrency) other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in The Wall Street Journal, National Edition, on the Effective Date.

F. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Wind-Down ~~Entity~~ Debtor, as applicable, shall reduce a Claim or Interest, and such Claim or Interest (or portion thereof) shall be disallowed without an objection to such Claim or Interest having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim or Interest receives a payment on account of such Claim or Interest from a party that is not a Debtor or Wind-Down Debtor (or other Distribution Agent), as applicable, including any payments made in connection with the Sale Transaction. To the extent a Holder of a Claim or Interest receives a distribution on account of such Claim or Interest and receives payment from a party that is not a Debtor or a Wind-Down Debtor (or other Distribution Agent), including payments made in connection with the Sale Transaction, as applicable, on account of such Claim or Interest, such Holder shall, within ten Business Days of receipt thereof, repay, return, or deliver any distribution held by or transferred to the Holder to the applicable Wind-Down Debtor to the extent the Holder's total recovery on account of such Claim or Interest from the third party and under the Plan exceeds the amount of such Claim or Interest as of the date of any such distribution under the Plan. The failure of such Holder to timely repay, return, or deliver such distribution shall result in the Holder owing the applicable Wind-Down Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the ten-Business Day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim or Interest that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim or Interest has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim or Interest (if and to the extent adjudicated by a court of competent jurisdiction or otherwise settled), then immediately upon such payment, such Claim or Interest may be expunged or reduced on the Claims Register by the Claims, Noticing, and Solicitation Agent to the extent of any such payment without an objection to such Claim or Interest having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided herein, payments to Holders of Claims or Interests shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any rights, defenses, or Cause of Action that the Debtors, the Wind-Down ~~Entity~~ Debtor or any other Entity may hold against any other Entity, including insurers, under any policies of insurance, agreements related thereto, or applicable indemnity, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any rights or defenses, including coverage defenses, held by such insurers under the applicable insurance policies, agreements related thereto, and applicable non-bankruptcy law.

G. Setoffs and Recoupment

Except as otherwise expressly provided for herein, each Debtor, the Wind-Down Debtor, ~~the Wind-Down Entity~~, or such Entity's designee as instructed by such Debtor, the Wind-Down ~~Entity~~ Debtor, as applicable, may, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, set off against or recoup from an Allowed Claim and any distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature whatsoever that the Debtor, or the Wind-Down Debtor ~~or Wind-Down Entity~~, as applicable, may have against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or released on or prior to the Effective Date (whether pursuant to the Plan or otherwise). Notwithstanding the foregoing, except as expressly stated in Article VIII of this Plan, neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Debtors or the Wind-Down ~~Entity~~ Debtor of any such Claims, rights, or Causes of Action the Debtors or the Wind-Down ~~Entity~~ Debtor may possess against such Holder.

H. Allocation between Principal and Accrued Interest

Except as otherwise provided herein, the aggregate consideration paid to Holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim if any.

ARTICLE VII.

**PROCEDURES FOR RESOLVING DISPUTED,
CONTINGENT, AND UNLIQUIDATED CLAIMS AND INTERESTS**

A. Disputed Claims Process

After the Effective Date, the Debtors, the Wind-Down ~~Entity~~ Debtor, and any party-in-interest, shall have and retain any and all rights and defenses the applicable Debtor had with respect to any Claim or Interest immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Interest unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest. If a Holder of a Claim or Interest in Class disputes the amount of their Claim or Interest as listed in the Schedules, the Holder should notify the Debtors or the Wind-Down

~~EntityDebtor~~ of such dispute. If the Debtors and the Holder agree to an amended Claim amount prior to the Effective Date, the Debtors shall file amended Schedules prior to the Effective Date. If between the Confirmation Date and the Effective Date, the dispute cannot be consensually resolved, the Holder may seek (by letter to the Court) to have the claim or interest dispute resolved before the Bankruptcy Court (and, with the consent of the Debtors, before any other court or tribunal with jurisdiction over the parties). After the Effective Date, the creditor may seek to have the claim dispute resolved before the Bankruptcy Court or any other court or tribunal with jurisdiction over the parties.

~~Unless relating to a Claim or Interest expressly Allowed pursuant to the Plan, all Proofs of Claim filed in these Chapter 11 Cases shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim filed against the Debtors, regardless of the time of filing, and including Proofs of Claim filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below.~~ Notwithstanding anything in this Plan to the contrary: (1) all Claims against the Debtors that result from the Debtors' rejection of an Executory Contract or Unexpired Lease; (2) Claims filed to dispute the amount of any proposed Cure pursuant to section 365 of the Bankruptcy Code; and (3) Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court, if not otherwise resolved through settlement with the applicable claimant.

~~Notwithstanding any provision herein to the contrary, nothing in the Disclosure Statement, Plan, or Confirmation Order grants the Bankruptcy Court with jurisdiction over any police and regulatory actions by the SEC, and the SEC shall retain the power and authority to commence and continue any such actions against any person or entity, including without limitation, the Debtors, in any forum with jurisdiction, provided, however, that enforcement of any money judgment against the Debtors must be in accordance with the Plan. In addition, the SEC may file any proof of claim by the Government Bar Date or such later date as ordered by the Bankruptcy Court and amend its proof of claim upon determination of liability on its claims. Any objection to such claim shall be in accordance with Bankruptcy Rule 3007, and such claim shall not automatically be deemed objected to, withdrawn, or expunged.~~

On the Effective Date, the Debtors or ~~Wind-Down Trustee~~Plan Administrator, as applicable, may establish one or more accounts or funds to hold and dispose of certain assets, pursue certain litigation (including the Causes of Action preserved under the Plan or otherwise vesting in the Wind-Down ~~TrustDebtor~~), and/or satisfy certain Claims (including Claims that are contingent or have not yet been Allowed). For any such account or fund, the Debtors or the ~~Wind-Down Trustee~~Plan Administrator, as applicable, may take the position that grantor trust treatment applies in whole or in part. To the extent such treatment applies to any such account or fund, for all U.S. federal income tax purposes, the beneficiaries of any such account or fund would be treated as grantors and owners thereof, and it is intended, to the extent reasonably practicable, that any such account or fund would be classified as a liquidating trust under section 301.7701-4 of the Treasury Regulations. Alternatively, any such account or fund may be subject to the tax rules that apply to "disputed ownership funds" under 26 C.F.R. 1.468B-9. If such rules apply, such assets would be subject to entity-level taxation, and the Debtors and ~~the~~ Wind-Down ~~TrusteeDebtor~~ would be required to comply with the relevant rules.

B. Objections to Claims or Interests

Except as otherwise specifically provided in the Plan, after the Effective Date, the Wind-Down ~~EntityDebtor~~ shall have the sole authority on behalf of the Debtors to: (1) File, withdraw, or litigate to judgment, any objections to Claims or Interests; and (2) settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, the Wind-Down ~~EntityDebtor~~ shall have and retain any and all rights and defenses each such Debtor had

immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to Article IV.P of the Plan.

Any objections to Claims or Interests shall be Filed on or before the Claims Objection Bar Date. For the avoidance of doubt, any party may object to any Claims or Interests prior to the Claims Objection Bar Date. Further, the Bankruptcy Court may extend the time period to object to Claims or Interests set forth in this paragraph at any time, including before or after the expiration of one hundred eighty days after the Effective Date, in its discretion or upon request by the Debtors or any party in interest.

C. Estimation of Claims

Before or after the Effective Date, the Debtors or the Wind-Down ~~Entity~~Debtor, as applicable, may (but are not required to), at any time, request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to applicable law, including pursuant to section 502(c) of the Bankruptcy Code, for any reason, regardless of whether any party previously has objected to such Disputed Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under sections 157 and 1334 of the Judicial Code to estimate any such Disputed Claim or Interest, including during the litigation of any objection to any Disputed Claim or Interest or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Disputed Claim or Interest that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions) and may be used as evidence in any supplemental proceedings, and the Debtors or the Wind-Down ~~Entity~~Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Disputed Claim or Interest that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen days after the date on which such Disputed Claim or Interest is estimated.

D. No Distributions Pending Allowance

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only a portion of a Claim or Interest is Disputed, such Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount.

E. Distributions After Allowance

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court Allowing any Disputed Claim or Interest becomes a Final Order, the Distribution Agent shall provide to the Holder of such Allowed Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or

accruals to be paid on account of such Allowed Claim or Interest unless required under applicable bankruptcy law.

F. No Interest

Unless otherwise specifically provided for herein or by Final Order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on Claims against the Debtors, and no Holder of a Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

G. Adjustment to Claims and Interests without Objection

Any Claim or Interest that has been paid, satisfied, amended, superseded, cancelled, or otherwise expunged (including pursuant to the Plan) may be adjusted or expunged on the Claims Register at the direction of the Wind-Down [EntityDebtor](#) without the Wind-Down [EntityDebtor](#) having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court. Additionally, any Claim or Interest that is duplicative or redundant with another Claim or Interest against the same Debtor may be adjusted or expunged on the Claims Register at the direction of the Wind-Down [EntityDebtor](#) without the Wind-Down [EntityDebtor](#) having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

H. Time to File Objections to Claims

Any objections to Claims shall be Filed on or before the Claims Objection Bar Date.

I. Disallowance of Claims or Interests

Any Claims or Interests held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims or Interests until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Wind-Down [EntityDebtor](#), as applicable.

Except as otherwise provided herein or as agreed to by the Debtors or the Wind-Down [EntityDebtor](#), any and all Proofs of Claim Filed after the Bar Date shall be deemed disallowed and expunged as of the Effective Date ~~without any further notice to, or action, order, or~~ subject to the approval of, the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless such late Proof of Claim has been deemed timely Filed by a Final Order.

J. Amendments to Proofs of Claim

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Proof of Claim or Proof of Interest may not be Filed or amended without the prior authorization of the

Bankruptcy Court or the Wind-Down ~~Entity~~ Debtor, and any such new or amended Proof of Claim or Proof of Interest Filed shall be deemed disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court.

ARTICLE VIII.

EFFECT OF CONFIRMATION OF THE PLAN

A. Releases by the Debtors

Notwithstanding anything contained in the Plan to the contrary, on and after the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Debtors, the Wind-Down Debtors, and their Estates, ~~the Wind-Down Entity,~~ and in each case on behalf of themselves and their respective successors, assigns, and representatives, ~~and any and all other Entities~~ who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of, the foregoing Entities, from any and all Causes of Action, including any derivative claims, asserted or assertable on behalf of any of the Debtors, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, that the Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Chapter 11 Cases and related adversary proceedings, the Debtors' out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to section 1123(b) of the Bankruptcy Code and Bankruptcy Rule 9019, of the releases described in this Article VIII.A by the Debtors, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each release described in this Article VIII.A is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors' business judgment; and (7) except to the extent contemplated by Article IV.E and Article IV.F of the Plan, a bar to any of the Debtors or Wind-Down Debtors or their respective Estates ~~or Wind-Down Entity~~ asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

Notwithstanding anything to the contrary contained herein, nothing in this Plan shall release, waive, or otherwise limit the (i) rights, duties, or obligations of the Purchaser under the

Asset Purchase Agreement or the Definitive Documents and (ii) the Non-Released D&O Claims, but such Non-Released D&O Claims shall remain subject to the limitations contained in Article IV.E and Article IV.F of this Plan.

B. Releases by Holders of Claims and Interests

Except as expressly set forth in the Plan, effective on the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, from any and all Causes of Action, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, including any derivative claims asserted or assertable on behalf of any of the Debtors, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors' out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions, or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date, *provided* that nothing in this Article VIII.B shall be construed to release the Released Parties from actual fraud, willful misconduct, or gross negligence as determined by a Final Order.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in this Article VIII.B, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each release described in this Article VIII.B is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors' business judgment; and (7) except to the extent contemplated by Article IV.F and Article IV.G of the Plan, a bar to any of the Releasing Parties or the Debtors or the Wind-Down Debtors or their respective Estates ~~or Wind-Down Entity~~ asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

C. Exculpation

Effective as of the Effective Date, to the fullest extent permissible under applicable law and without affecting or limiting either the Debtor release or the third-party release, and except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is exculpated from any Cause of Action for any act or omission arising on or after the Petition Date and prior to the Effective Date based on the Chapter 11 Cases, the

formulation, preparation, dissemination, negotiation or filing, or consummation of the Disclosure Statement, the Plan, the Special Committee Investigation, any Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of consummation of the Plan, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement (including, for the avoidance of doubt, providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion), except for Causes of Action related to any act or omission that is determined in a Final Order of a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan.

The Exculpated Parties have, and upon Consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan

D. Injunction

The assets of the Debtors and of the Wind-Down **EntityDebtor** shall be used for the satisfaction of expense obligations and the payment of Claims and Interests only in the manner set forth in this Plan and shall not be available for any other purpose. In addition, as of the Effective Date and subject to the occurrence of the Effective Date, except as otherwise specifically provided in this Plan or the Confirmation Order, all Persons and Entities who have held, hold, or may hold Claims or Interests that are fully satisfied pursuant to the Plan or any Claim or Interest that is subject to the releases and exculpations set forth in Article VIII.B and Article VIII.C of this Plan shall be precluded and permanently enjoined on and after the Effective Date from enforcing, pursuing, or seeking any setoff or relief with respect to such Claims or Interests, except for the receipt of the payments or distributions that are contemplated by this Plan.

E. Release of Liens

of the Debtors shall automatically revert to the applicable Debtor or the Wind-Down Debtor, as applicable, and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or Filing being required to be made by the Debtors. The presentation or filing of the Confirmation Order to or with any local, state, federal, or foreign agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

F. OSC and SEC

Notwithstanding any language to the contrary herein, no provision shall (a) preclude the OSC or the SEC from enforcing its police or regulatory powers; or (b) enjoin, limit, impair or delay the OSC or SEC from commencing or continuing any claims, causes of action, proceeding, or investigations against any non-Debtor person or non-Debtor entity in any forum.

G. Protection against Discriminatory Treatment

As provided by section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, no Entity, including Governmental Units, shall discriminate against any Debtor or the Wind-Down Debtor or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, or discriminate with respect to such a grant against, any Debtor or the Wind-Down Debtor, or any Entity with which a Debtor or the Wind-Down Debtor has been or is associated, solely because such Debtor or the Wind-Down Debtor was a debtor under chapter 11 of the Bankruptcy Code, may have been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before such Debtor was granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention

Upon the occurrence of the Effective Date, the Debtors' books and records shall be transferred to the Wind-Down ~~Entity~~Debtor, which shall continue to preserve all financial books and records, emails, and other financial documents relating to the Debtors' business that are currently in the Debtors' possession. The Wind-Down ~~Trust~~Debtor shall not destroy or otherwise abandon any such documents or records without providing advance notice to the U.S. Securities and Exchange Commission (c/o Therese Scheuer, U.S. Securities and Exchange Commission, 100 F Street, NE, Washington, DC 20549, ScheuerT@SEC.GOV) and seeking further authorization from this Bankruptcy Court. Nothing in this Plan or the Confirmation Order shall affect the obligations of the pre-Effective Date Debtors, the Wind-Down ~~Entity~~Debtor, and/or any transferee or custodian to maintain all books and records that are subject to any governmental subpoena, document preservation letter, or other investigative request from a governmental agency.

I. Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (1) such

Claim has been adjudicated as non-contingent; or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

7. The Restructuring Transactions shall have been consummated or shall be anticipated to be consummated concurrently with the occurrence of the Effective Date in a manner consistent with the Plan, the Customer Onboarding Protocol, the other Definitive Documents, and the Asset Purchase Agreement, and the Plan shall have been substantially consummated or shall

be anticipated to be substantially consummated concurrently with the occurrence of the Effective Date.

B. Waiver of Conditions Precedent

The Debtors, with the consent of the Committee and, solely to the extent related to the Asset Purchase Agreement and the Sale Transaction, prior to the Outside Date, the consent of Purchaser, may waive any of the conditions to the Effective Date set forth in Article IX.A of the Plan at any time, without any notice to any other parties in interest and without any further notice to or action, order, or approval of the Bankruptcy Court, and without any formal action other than proceeding to confirm and consummate the Plan.

C. Effect of Non-Occurrence of Conditions to Consummation

If the Effective Date does not occur within 120 days after the Confirmation Date, then the Plan will be null and void in all respects, any and all compromises or settlements not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including with respect to the fixing, limiting, or treatment of any Claim or Interest, including, without limitation, the Alameda Loan Facility Claims), shall be deemed null and void, and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Interests, or Causes of Action held by any Debtor or any other Entity; (2) prejudice in any manner the rights of any Debtor or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking of any sort by any Debtor or any other Entity in any respect.

ARTICLE X.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification of Plan

Subject to the limitations and terms contained in the Plan and Purchaser's consent rights under the Asset Purchase Agreement, the Debtors, with the consent of the Committee, reserve the right to (1) amend or modify the Plan before the entry of the Confirmation Order, in accordance with the Bankruptcy Code and the Bankruptcy Rules and (2) after the entry of the Confirmation Order, the Debtors or the Wind-Down ~~Entity~~ Debtor, as applicable, may, upon order of the Bankruptcy Court, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code, to remedy any defect or omission, or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan consistent with the terms set forth herein.

the Sale Transaction is consummated. Except as set forth in the Plan, in the event that any provision of the Disclosure Statement, the Plan Supplement, or any order (other than the Confirmation Order) referenced in the Plan (or any exhibits, schedules, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and control. In the event of any inconsistency between the Plan and the Confirmation Order, the Confirmation Order shall control.

I. Plan Supplement

Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the Debtors' consent, consistent with the terms set forth herein; and (3) non-severable and mutually dependent.

ANALYSIS OF BIDS IN CONNECTION WITH THE SALE OF THE DEBTORS**

On July 5, 2022, the above-captioned debtors and debtors in possession (collectively, the “Debtors”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”).

On [●], 2022, the Bankruptcy Court entered an order [Docket No. [●]] (the “Bidding Procedures Order”) approving, among other things, these bidding procedures (the “Bidding Procedures”). These Bidding Procedures set forth the process by which the Debtors are authorized to solicit the highest or otherwise best bids (each, a “Bid”) and conduct an auction (the “Auction”) for the sale (the “Sale”) of 100% of the Debtors’ equity or some or all of their assets (the “Assets”).

The Sale will be implemented pursuant to section 363 of the Bankruptcy Code or a chapter 11 plan of reorganization (as modified, amended, or supplemented from time to time, the “Plan”).

Copies of the Bidding Procedures Order or any other documents in the Debtors’ chapter 11 cases are available upon request to Stretto. Inc., by calling (855) 473-8665 (Toll-Free) or (949) 271-6507 (International), or by visiting www.cases.stretto.com/Voyager/.

A. Participation Requirements.

- (i) a written disclosure of the identity of each entity that will be bidding for 100% of the Debtors’ equity or Assets² or otherwise participating in connection with such Bid;
- (ii) an executed confidentiality agreement on terms reasonably acceptable to the Debtors (the “Confidentiality Agreement”), to the extent not already executed;
- (iii) a non-binding description of the Assets in which such Potential Bidder may be interested in placing a Bid and a non-binding estimate of the purchase price to be paid, with reasonable specificity, including treatment for the Account Holder Claims;³ and
- (iv) documents provided by the Potential Bidder evidencing its financial capacity to close a proposed transaction, which may include, without limitation, current unaudited or verified financial statements of, or verified financial commitments obtained by, the Potential Bidder (or, if the Potential Bidder is an entity formed for the purpose of acquiring the property to be sold, the party that will bear liability for a breach), the adequacy of which will be assessed by the Debtors and their advisors, in their reasonable discretion and in consultation with the Committee and their advisors ((i) through (iv), collectively, the “Bid Documents”).

As promptly as practicable, but in no event later than three (3) business days after a Potential Bidder delivers the Bid Documents, the Debtors will determine in their reasonable business judgment, after consultation with the Committee, whether such Potential Bidder has submitted acceptable Bid Documents (any such Potential Bidder being referred to as an “Acceptable Bidder”), and the Debtors will inform such Potential Bidder regarding whether such Potential Bidder is an Acceptable Bidder. In the event that the Debtors deem that a Potential Bidder has not met the requirements for being deemed an Acceptable Bidder, the Debtors must promptly inform the Committee of such determination (and the reasons therefor).

² Capitalized terms used but not defined herein have the meanings given to them in the *Debtors’ Motion Seeking Entry of an Order (I) Approving the Bidding Procedures and Related Dates and Deadlines, (II) Scheduling Hearings and Objection Deadlines with Respect to the Debtors’ Sale, Disclosure Statement, and Plan Confirmation, and (III) Granting Related Relief* [Docket No. 126].

B. Due Diligence.

(i) Access to Due Diligence.

Only Acceptable Bidders will be eligible to receive due diligence and access to additional non-public information regarding the Assets and the Debtors. The Debtors will provide to each Acceptable Bidder reasonable due diligence information concerning those Assets that are the subject of such Acceptable Bidder's Bid (or such other Assets if the list provided in accordance with A.iii above is amended or modified), as requested by such Acceptable Bidder in writing, as soon as reasonably practicable after such request, but shall only extend to those Assets (or such other Assets if the list provided in accordance with A.iii above is amended or modified) that are the subject of such Acceptable Bidder's Bid. The Debtors will post substantially all written due diligence provided to any Acceptable Bidder to the Debtors' electronic data room. The due diligence period will end on the Bid Deadline (as defined herein), after which the Debtors will have no obligation to furnish any due diligence information, unless otherwise deemed reasonably appropriate by the Debtors after consultation with the Committee.

In connection with the provision of due diligence information to Acceptable Bidders, the Debtors will not furnish any confidential information relating to the Debtors, the Debtors' Assets or liabilities, or the Sale to any person other than an Acceptable Bidder or such Acceptable Bidder's duly-authorized representatives, in each case, to the extent provided in the applicable Confidentiality Agreement and only to the extent of the Assets that are the subject of such Acceptable Bidder's Bid.

The Debtors and their financial advisors will coordinate all reasonable requests for additional information and due diligence access from Acceptable Bidders; *provided* that the Debtors may decline to provide such information to Acceptable Bidders who, in the Debtors' reasonable business judgment and after consultation with the Committee, have not established that such Acceptable Bidders intend in good faith to, or have the capacity to, consummate their Bid. No conditions relating to the completion of due diligence will be permitted to exist after the Bid Deadline (as defined herein).

The Debtors also reserve the right in their reasonable business judgment, after consultation with the Committee, to withhold any diligence materials that the Debtors reasonably determine are sensitive, proprietary, or otherwise not appropriate for disclosure to an Acceptable Bidder who the Debtors reasonably determine is a competitor of the Debtors or is affiliated with any competitor of the Debtors. Neither the Debtors nor their representatives will be obligated to furnish information of any kind whatsoever to any person that is not determined to be an Acceptable Bidder.

Each Acceptable Bidder will be deemed to acknowledge and represent that it: (a) has had an opportunity to conduct any and all due diligence regarding the Debtors' Assets and liabilities that are the subject of the Auction to the extent of the Assets and liabilities that are the subject of their Bid prior to making any such Bids; (b) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Assets in making its Bid; and (c) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied, by operation of law, or otherwise regarding the Debtors'

Assets or liabilities, or the completeness of any information provided in connection therewith, except as expressly stated in these Bidding Procedures. Neither the Debtors nor any of their employees, officers, directors, affiliates, subsidiaries, representatives, agents, advisors, or professionals are responsible for, and will bear no liability with respect to, any information obtained by Acceptable Bidders in connection with the Sale.

The Debtors have designated Moelis & Company LLC, 399 Park Avenue, 4th Floor, New York, New York 10022, Attn: Jared Dermont (jared.dermont@moelis.com), Mike DiYanni (michael.diyanni@moelis.com), Barak Klein (barak.klein@moelis.com), Brian Tichenor (brian.tichenor@moelis.com), Mike Mestayer (michael.mestayer@moelis.com) or Cullen Murphy (cullen.murphy@moelis.com), to coordinate all reasonable requests for additional information and due diligence access.

(ii) **No Communications Among Acceptable Bidders.**

There must be no communications between and amongst Acceptable Bidders, unless the Debtors, after consultation with the Committee, have previously authorized such communication in writing. The Debtors reserve the right, in their reasonable business judgment, after consultation with the Committee, to disqualify any Acceptable Bidders that have communications between and amongst themselves; *provided* that if any Acceptable Bidder that believes it has been wrongfully disqualified hereunder may file an emergency motion with the Bankruptcy Court seeking the reversal of such disqualification.

C. Stalking Horse Bidders and Bid Protections.

To the extent the Debtors, in an exercise of their business judgment and following consultation with the Committee, seek to: (a) select one or more Acceptable Bidders to act as stalking horse bidders in connection with the Auction (each, a “Stalking Horse Bidder”); and (b) in connection with any stalking horse agreement with a Stalking Horse Bidder (i) provide a breakup fee (the “Breakup Fee”), and/or (ii) agree to reimburse reasonable and documented out-of-pocket fees and expenses (the “Expense Reimbursement,” and together with the Breakup Fee, the “Bid Protections”), the Debtors will file a notice on the docket (a “Stalking Horse Notice”) identifying the Stalking Horse Bidder, the material terms of the Stalking Horse Bid (including the purchase price, the Assets subject to such Stalking Horse Bid, and the treatment of Account Holder Claims), and the amount and terms of any Bid Protections proposed to be offered to the Stalking Horse Bidder, and setting a hearing before the Court for a date that is after three (3) business days after the filing of the Stalking Horse Notice (the “Stalking Horse Hearing”). All parties-in-interest will have the opportunity to object to the Stalking Horse Bidder and/or the Bid Protections at the Stalking Horse Hearing.

D. Bid Requirements.

To be eligible to participate in the Auction, an Acceptable Bidder must deliver to the Debtors and their advisors, a written, irrevocable offer that must be determined by the Debtors, in their business judgment, after consultation with the Committee, to satisfy each of the following conditions (collectively, the “Bid Requirements”):

- (i) **Purpose.** Each Acceptable Bidder must (a) state that the Bid includes an offer by the Acceptable Bidder to acquire the Debtors' equity and/or some or all of the Assets and identify such Assets with reasonable specificity and (b) if the Acceptable Bidder proposes to consummate the transaction through a Plan, include a Plan that provides for the treatment of claims against the Debtors and the means for implementation of the Plan.
- (ii) **Transaction Structure and Purchase Price.** Each Bid that includes an offer by the Acceptable Bidder to acquire the Debtors' equity and/or some or all of the Assets must: (a) clearly set forth the purchase price to be paid for the Assets (the "Purchase Price") and must indicate the source of consideration, including funding commitments, and confirm that such consideration is not subject to any contingencies and (b) include a detailed sources and uses schedule. Each Bid shall also provide for appropriate treatment for the Account Holder Claims as provided in the Plan.
- (iii) **Bid Deposit.** Each Bid contemplating an acquisition of Assets, or Plan that contemplates additional capital, must be accompanied by a cash deposit equal to the greater of \$5,000,000.00 and ten percent (10%) of non-coin related value in cash (the "Good Faith Deposit"), which will be held in an escrow account to be identified and established pursuant to the authority granted by the order authorizing the Debtors to maintain and operate their bank accounts, by wire transfer or certified or cashier's check.
- (iv) **Committed Financing.** To the extent that a Bid is not accompanied by evidence of the Acceptable Bidder's capacity to consummate the Sale or Plan transaction(s) set forth in its Bid with cash on hand, each Bid must include committed financing documented to the Debtors' satisfaction, after consultation with the Committee, that demonstrates that the Acceptable Bidder has received sufficient debt and/or equity funding commitments to satisfy the Acceptable Bidder's Purchase Price and/or other obligations under its Bid. Such funding commitments or other financing must be unconditional and must not be subject to any internal approvals, syndication requirements, diligence, or credit committee approvals, and shall have covenants and conditions reasonably acceptable to the Debtors in their sole discretion, after consultation with the Committee.
- (v) **Good Faith Offer.** Each Bid must constitute a good faith, bona fide offer to purchase all or substantially all the Debtors' equity or Assets and in the case of a Plan, provide for the treatment of claims against the Debtors and the means for implementation of the Plan. Bids may be submitted for less than substantially all assets, and the Debtors may consider partial bids in their reasonable business judgment (including if multiple bids taken together would result in a sale of substantially all the Debtors' assets) following consultation with the Committee.
- (vi) **Marked Agreement.** Each Bid must be accompanied by clean and duly executed transaction documents including, at a minimum, a chapter 11 plan or a draft asset purchase agreement, the form of which will be provided to any Acceptable Bidder

prior to the Bid Deadline (as defined herein), including the exhibits and schedules related thereto and any related material documents integral to such Bid pursuant to which the Acceptable Bidder proposes to effectuate the Sale, along with copies that are marked to reflect any amendments and modifications from the form chapter 11 plan or asset purchase agreement provided, which amendments and modifications may not be materially more burdensome or otherwise materially inconsistent with these Bidding Procedures. The Debtors, in their reasonable business judgment following consultation with the Committee, will determine whether any such amendments and modifications are materially more burdensome.

- (vii) **No Contingencies.** A Bid must include confirmation that such Bid is not conditioned on any contingency, including, among others, on obtaining any of the following (a) financing, (b) shareholder, board of directors, or other approval, and/or (c) the outcome or completion of a due diligence review by the Acceptable Bidder.
- (viii) **Binding and Irrevocable.** An Acceptable Bidder's Bid must include confirmation that the Bid is irrevocable unless and until the Debtors accept a higher Bid and such Acceptable Bidder is not selected as the Back-Up Bidder (as defined herein).
- (ix) **Joint Bids.** The Debtors will be authorized to approve joint Bids in their reasonable discretion, after consultation with the Committee, on a case-by-case basis.
- (x) **Adequate Assurance Information.** Each Bid must be accompanied by sufficient and adequate financial and other information (the "Adequate Assurance Information") to demonstrate, to the reasonable satisfaction of the Debtors after consultation with the Committee, that such Acceptable Bidder (a) has the financial wherewithal and ability to consummate the acquisition of the Assets and/or other transactions contemplated by the Bid (the "Closing"), and (b) can provide adequate assurance of future performance in connection with the proposed transaction. The Bid must also identify a contact person that parties may contact to obtain additional Adequate Assurance Information.
- (xi) **Identity & Corporate Authority.** Each Bid must fully disclose the identity of each entity that will be participating in connection with such Bid (including any equity owners or sponsors, if the purchaser is an entity formed for the purpose of consummating the acquisition of the Assets), and the complete terms of any such participation, along with sufficient evidence that the Acceptable Bidder is legally empowered, by power of attorney or otherwise, to complete the transactions on the terms contemplated by the parties. A Bid must also fully disclose any connections or agreements with the Debtors, any known, potential, prospective bidder or Qualified Bidder (as defined herein), or any officer, director, equity security holder, or other insider or affiliate of the Debtors.
- (xii) **Authorization.** Each Bid must contain evidence that the Acceptable Bidder has obtained authorization or approval from its board of directors (or a comparable governing body reasonably acceptable to the Debtors) with respect to the

submission of its Bid and the consummation of the transactions contemplated in such Bid.

- (xiii) **No Fees.** Each Acceptable Bidder presenting a Bid or Bids will bear its own costs and expenses (including legal fees) in connection with the proposed transaction, and by submitting its Bid is agreeing to refrain from and waive any assertion or request for reimbursement on any basis, including under section 503(b) of the Bankruptcy Code; *provided* that the Debtors are authorized in their discretion, after consultation with the Committee, to provide the Bid Protections to one or more Stalking Horse Bidders solely in accordance with these Bidding Procedures.
- (xiv) **Adherence to Bidding Procedures.** By submitting its Bid, each Acceptable Bidder is agreeing to abide by and honor the terms of these Bidding Procedures and agrees not to submit a Bid or seek to reopen the Auction after conclusion of the Auction.
- (xv) **Regulatory Approvals and Covenants.** A Bid must set forth each regulatory and third-party approval required for the Acceptable Bidder to consummate the applicable Sale, if any, and the time period within which the Acceptable Bidder expects to receive such regulatory and third-party approvals (and in the case that receipt of any such regulatory or third-party approval is expected to take more than thirty (30) days following execution and delivery of the Plan and/or asset purchase agreement, those actions the Acceptable Bidder will take to ensure receipt of such approvals as promptly as possible).
- (xvi) **As-Is, Where-Is.** Each Bid must include a written acknowledgement and representation that the Acceptable Bidder (a) has had an opportunity to conduct any and all due diligence regarding the Assets prior to making its offer, (b) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Assets in making its Bid, and (c) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied by operation of law, or otherwise, regarding the Assets or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Acceptable Bidder's proposed purchase and sale agreement for the Assets.
- (xvii) **Time Frame for Closing.** A Bid by an Acceptable Bidder must identify a likely date (based on antitrust or other regulatory issues, experience, and other considerations) to be consummated, if selected as the Successful Bid (as defined herein), within a time frame reasonably acceptable to the Debtors after consultation with the Committee.
- (xviii) **Consent to Jurisdiction.** The Acceptable Bidder must submit to the jurisdiction of the Bankruptcy Court and waive any right to a jury trial in connection with any disputes relating to the Debtors' qualification of Bids, the Auction, the construction and enforcement of these Bidding Procedures, the Plan, the Sale documents, and the Closing, as applicable.

The Debtors shall promptly (but in no event later than 24 hours following receipt) deliver any and all bids received to the Committee's advisors. Bids fulfilling all of the preceding requirements, as determined by the Debtors and their advisors, after consultation with the Committee and its advisors, will be deemed to be "Qualified Bids," and those parties submitting Qualified Bids will be deemed to be "Qualified Bidders." The Debtors reserve the right, after consultation with the Committee, to work with any Acceptable Bidder in advance of the Auction to cure any deficiencies in a Bid that is not initially deemed to be a Qualified Bid. The Debtors may accept a single Qualified Bid or multiple Bids for non-overlapping material portions of the Debtors' Assets such that, if taken together in the aggregate, would otherwise meet the standards for a single Qualified Bid (in which event those multiple bidders will be treated as a single Qualified Bidder for purposes of the Auction; *provided* that the Debtors also reserve the right, after consultation with the Committee, to conduct more than one Auction with respect to non-overlapping material portions of the Debtors' Assets).

Within two (2) business days after the Bid Deadline (as defined herein), the Debtors and their advisors, after consultation with the Committee and its advisors, will determine in their reasonable business judgment, which Acceptable Bidders are Qualified Bidders and will notify the Acceptable Bidders whether Bids submitted constitute, alone or together with other Bids, Qualified Bids so as to enable such Qualified Bidders to bid at the Auction. Any Bid that is not deemed a Qualified Bid will not be considered by the Debtors. For the avoidance of doubt, any Acceptable Bidders designated as Stalking Horse Bidders by the Debtors and in accordance with these Bidding Procedures will be deemed to be Qualified Bidders, and any stalking horse plan and/or asset purchase agreement submitted by such Stalking Horse Bidders will be deemed Qualified Bids, which qualify such Stalking Horse Bidders to participate in the Auction as Qualified Bidders.

Bids must be sent to the Notice Parties so as to be actually received no later than August 26, 2022, at 12:00 p.m., prevailing Eastern Time (the "Bid Deadline").

E. Evaluation of Qualified Bids.

Prior to the Auction, the Debtors and their advisors, with consultation of the Committee and its advisors, will evaluate Qualified Bids and identify the Qualified Bid that is, in the Debtors' reasonable business judgment, after consultation with the Committee, the highest or otherwise best Bid (the "Initial Minimum Overbid"). For the avoidance of doubt, the Debtors may select more than one Qualified Bid to collectively serve as the Initial Minimum Overbid if each such Qualified Bid contemplates the purchase of different Assets. In making such determination, the Debtors will take into account, among other things, (i) the amount of the Qualified Bid, (ii) the impact on customers, vendors, and employees, (iii) the certainty of a Qualified Bid leading to a confirmed plan, (iv) the timing associated with consummating such Qualified Bid, (v) the ability of the Qualified Bidder to obtain appropriate regulatory approvals, (vi) the execution risk attendant to any submitted Bids, and (vii) any other factors deemed relevant by the Debtors, after consultation with the Committee. Within 24 hours of such determination, but in no event later than the start of

the Auction, the Debtors will distribute copies of the Initial Minimum Overbid to each Qualified Bidder who has submitted a Qualified Bid.

If any Bid is determined by the Debtors not to be a Qualified Bid, the Debtors will refund such Acceptable Bidder's Good Faith Deposit and all accumulated interest thereon on or within five (5) business days after the Bid Deadline.

F. No Qualified Bids.

If no Qualified Bids are received by the Bid Deadline, then the Debtors will promptly file a notice on the docket canceling the Auction.

G. Auction.

If one or more Qualified Bids is received by the Bid Deadline, the Debtors will conduct the Auction with respect to the Debtors' Assets. For the avoidance of doubt, the Debtors, after consultation with the Committee, may also conduct more than one Auction with respect to non-overlapping material portions of the Debtors' Assets. The Auction will commence on August 29, 2022, at 10:00 a.m., prevailing Eastern Time, at the offices of Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, or such later time or other place (including virtually) as the Debtors will timely notify any Stalking Horse Bidders and all other Qualified Bidders.

The Auction will be conducted in accordance with the following procedures (the "Auction Procedures"):

- (i) the Auction will be conducted openly;
- (ii) only the Qualified Bidders, including any Stalking Horse Bidders, will be entitled to bid at the Auction;
- (iii) the Qualified Bidders, including any Stalking Horse Bidders, must appear in person or through duly-authorized representatives at the Auction (except to the extent that the Auction is held virtually, in which case such Qualified Bidders must appear virtually);
- (iv) except to the extent agreed upon by the Debtors, after consultation with the Committee, only such authorized representatives of each of the Qualified Bidders (including any Stalking Horse Bidders), the Debtors, the Committee, and their respective advisors will be permitted to attend the Auction;
- (v) bidding at the Auction will begin at the Initial Minimum Overbid;
- (vi) subsequent Bids at the Auction, including any Bids by any Stalking Horse Bidder, must be made in minimum increments (which may include cash or non-cash consideration) in an amount that the Debtors determine in their reasonable business judgment after consultation with the Committee (and in amounts as announced to all Qualified Bidders prior to the commencement of the Auction), after payment of

the Bid Protections to any Stalking Horse Bidders, if applicable; the Debtors will estimate the value of non-cash consideration offered, if applicable, in their business judgment, after consultation with the Committee;

- (vii) each Qualified Bidder will be informed of the terms of the previous Bids;
- (viii) the bidding will be transcribed to ensure an accurate recording of the bidding at the Auction;
- (ix) each Qualified Bidder will be required to confirm on the record of the Auction that it has not engaged in any collusion with respect to the bidding or the Sale;
- (x) the Auction will not close unless and until all Qualified Bidders have been given a reasonable opportunity to submit an overbid at the Auction to the then prevailing highest Bid, subject to the Debtors' right, after consultation with the Committee, to require last and final Bids to be submitted on a "blind" basis;
- (xi) the Debtors reserve the right, in their reasonable business judgment, after consultation with the Committee, to adjourn the Auction one or more times to, among other things, (a) facilitate discussions between the Debtors and Qualified Bidders, (b) allow Qualified Bidders to consider how they wish to proceed, and (c) provide Qualified Bidders the opportunity to provide the Debtors with such additional evidence as the Debtors, in their reasonable business judgment, may require that the Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt and/or equity funding commitments to consummate the proposed transaction at the prevailing amount; and
- (xii) the Auction will be governed by such other Auction Procedures as may be announced by the Debtors and their advisors, after consultation with the Committee, from time to time on the record at the Auction; *provided* that such other Auction Procedures are (a) not inconsistent with the Bidding Procedures Order, these Bidding Procedures, the Bankruptcy Code, or any other order of the Bankruptcy Court, (b) disclosed orally or in writing to all Qualified Bidders, and (c) reasonably determined by the Debtors, in good faith, to further the goal of attaining the highest or otherwise best offer.

For the avoidance of doubt, nothing in the Auction Procedures will prevent the Debtors from exercising their respective fiduciary duties under applicable law (as reasonably determined in good faith by the Debtors, after consultation with the Committee).

H. Acceptance of the Successful Bid or Successful Bids.

Upon the conclusion of the Auction (if such Auction is conducted), the Debtors, in the exercise of their reasonable, good-faith business judgment, after consultation with the Committee, will identify the highest or otherwise best Qualified Bid or Qualified Bids (each, a "Successful Bid"), which will be determined by considering, among other things, (a) the type and amount of Assets sought to be purchased in the Bid or Bids, (b) the total expected consideration to be received by the Debtors, (c) the likelihood of the Qualified Bidder or Qualified Bidders' ability to close a

transaction and the timing thereof (including any anticipated delays to Closing and the cost to the Debtors of such delays), (d) the expected net benefit to the estates, including treatment of the Account Holder Claims (e) the impact on vendors, customers, and employees, and (f) any other criteria as may be considered by the Debtors and the Committee in their reasonable, good-faith business judgment. For the avoidance of doubt, the Debtors, after consultation with the Committee, may select more than one Qualified Bid to collectively serve as a Successful Bid if each such Qualified Bid contemplates the purchase of different Assets. The Qualified Bidder or Qualified Bidders having submitted the Successful Bid or Successful Bids will be deemed the “Winning Bidder” or “Winning Bidders,” as applicable. The Winning Bidder or Winning Bidders and the Debtors must, as soon as commercially reasonably practicable, complete and sign all agreements, contracts, instruments, or other documents evidencing and containing the terms upon which such Successful Bid or Successful Bids were made.

The Debtors will present the results of the Auction to the Bankruptcy Court at the Sale Hearing or Confirmation Hearing (each as defined herein), at which certain findings will be sought from the Bankruptcy Court regarding the Auction, including, among other things, that (a) the Auction was conducted, and the Winning Bidder or Winning Bidders were selected, in accordance with these Bidding Procedures, (b) the Auction was fair in substance and procedure, and (c) consummation of the Successful Bid or Successful Bids will provide the highest or otherwise best value for the Debtors’ Assets and is in the best interests of the Debtors’ estates.

If an Auction is held, the Debtors will be deemed to have accepted a Qualified Bid only when (a) such Qualified Bid is declared a Successful Bid at the Auction, and (b) definitive documentation has been executed in respect thereof. Such acceptance is conditioned upon approval by the Bankruptcy Court of the Successful Bid or Successful Bids and entry of an order approving such Successful Bid or Successful Bids (in the case of a sale under section 363 of the Bankruptcy Code, the “Sale Order” or in the case of a sale under a chapter 11 plan, the “Confirmation Order”).

I. Sale Hearing.

In the event a transaction is consummated pursuant to section 363 of the Bankruptcy Code, a hearing before the Bankruptcy Court to consider approval of the Successful Bid or Successful Bids (the “Sale Hearing”), pursuant to which the Debtors and the Winning Bidder or Winning Bidders will consummate the Sale, will be held on September 8, 2022, at 11:00 a.m., prevailing Eastern Time, before the Honorable Michael E. Wiles, United States Bankruptcy Judge for the Bankruptcy Court for the Southern District of New York at One Bowling Green, New York, New York 10004.

The Sale Hearing may be continued to a later date by the Debtors by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

At the Sale Hearing, the Debtors will present the Successful Bid or Successful Bids to the Bankruptcy Court for approval.

J. Disclosure Statement Hearing.

The Debtors intend to file a Disclosure Statement on or before August 12, 2022 and will seek a hearing before the Bankruptcy Court to consider approval of the adequacy of the Disclosure Statement, solicitation materials, and scheduling of dates related to confirmation of a Plan (the “Disclosure Statement Hearing”) on September 16, 2022, before the Honorable Michael E. Wiles, United States Bankruptcy Judge for the Bankruptcy Court for the Southern District of New York, or otherwise in accordance with any scheduling orders entered by the Bankruptcy Court relating to confirmation of the Plan or approval of any disclosure statement related thereto. The order approving the Disclosure Statement will include the objection and voting deadlines with respect to approval of the Disclosure Statement and confirmation of the Plan.

The Disclosure Statement Hearing may be continued to a later date by the Debtors by sending notice prior to, or making an announcement at, the Disclosure Statement Hearing. No further notice of any such continuance will be required to be provided to any party.

K. Confirmation Hearing.

The Debtors will seek a hearing before the Bankruptcy Court to consider confirmation of the Plan (the “Confirmation Hearing”) on October 31, 2022, before the Honorable Michael E. Wiles, United States Bankruptcy Judge for the Bankruptcy Court for the Southern District of New York, or otherwise in accordance with any scheduling orders entered by the Bankruptcy Court relating to confirmation of the Plan.

The Confirmation Hearing may be continued to a later date by the Debtors by sending notice prior to, or making an announcement at, the Confirmation Hearing. No further notice of any such continuance will be required to be provided to any party.

At the Confirmation Hearing, the Debtors will present the Plan, which will incorporate the terms of the Successful Bid or Successful Bids, to the Bankruptcy Court for confirmation.

L. Designation of Back-Up Bidder or Back-Up Bidders.

If for any reason the Winning Bidder or Winning Bidders fail to consummate the Qualified Bid or Qualified Bids within the time permitted after the entry of the Sale Order approving the Sale to the Winning Bidder or Winning Bidders, then the Qualified Bidder or Qualified Bidders with the next-highest or otherwise second-best Bid or Bids (each, a “Back-Up Bidder”), as determined by the Debtors after consultation with their advisors and the Committee and its advisors, at the conclusion of the Auction and announced at that time to all the Qualified Bidders participating therein, will automatically be deemed to have submitted the highest or otherwise best Bid or Bids (each, a “Back-Up Bid”), and the Debtors will be authorized, but not required, to consummate the transaction pursuant to the Back-Up Bid or Back-Up Bids as soon as is commercially reasonable without further order of the Bankruptcy Court upon at least 24 hours advance notice, which notice will be filed with the Bankruptcy Court. Upon designation of the Back-Up Bidder or Back-Up Bidders at the Auction, the Back-Up Bid or Back-Up Bids must remain open until the Closing of the Successful Bid or Successful Bids, as applicable,

notwithstanding any outside date set forth in such Back-Up Bidder or Back-Up Bidders' proposed purchase agreement or chapter 11 plan.

M. Return of Good Faith Deposit to Qualified Bidders that Submit Qualified Bids.

The Good Faith Deposit of the Winning Bidder or Winning Bidders will, upon consummation of the Successful Bid or Successful Bids, become property of the Debtors' estates and be credited to the portion of the Purchase Price. If the Winning Bidder or Winning Bidders (or Back-Up Bidder or Back-Up Bidders, if applicable) fails to consummate the Successful Bid or Successful Bids (or Back-Up Bid or Back-Up Bids, if applicable), then the Good Faith Deposit of such Winning Bidder or Winning Bidders (or Back-Up Bidder or Back-Up Bidders, if applicable) will be irrevocably forfeited to the Debtors and may be retained by the Debtors as liquidated damages, in addition to any and all rights, remedies, or causes of action that may be available to the Debtors.

The Good Faith Deposit of any unsuccessful Qualified Bidders (except for the Back-Up Bidder or Back-Up Bidders and any Stalking Horse Bidders) will be returned within five (5) business days after consummation of the Sale or upon the permanent withdrawal of the proposed Sale. The Good Faith Deposit of the Back-Up Bidder or Back-Up Bidders, if any, will be returned to such Back-Up Bidder or Back-Up Bidders no later than five (5) business days after the Closing with the Winning Bidder or Winning Bidders. The return of any Good Faith Deposit of any Stalking Horse Bidders will be subject to the terms of such Stalking Horse Bidders' chapter 11 plan or asset purchase agreement, as applicable.

All deposits shall be held in escrow and at no time shall be deemed property of the Debtors' estates absent further order of the Bankruptcy Court.

N. Reservation of Rights.

Subject to prior written consent of the Committee or further order of the Bankruptcy Court, the Debtors, reserve their rights to modify these Bidding Procedures (including the deadlines in these Bidding Procedures and the Bidding Procedures Order) in good faith, to further the goal of attaining the highest or otherwise best offer, or impose, at or prior to the Auction, additional terms and conditions on the Sale. The Debtors shall provide notice of any such modification to any Qualified Bidder, including any Stalking Horse Bidders. Notwithstanding anything to the contrary herein, the Debtors, after consultation with the Committee, may elect to consummate the Sale under section 363(f) of the Bankruptcy Code as opposed to pursuant to the Plan with the Winning Bidder or Winning Bidders, but, for the avoidance of doubt, the Debtors prefer that the Sale be accomplished through the Plan.

O. Consent to Jurisdiction.

All Qualified Bidders at the Auction will be deemed to have consented to the jurisdiction of the Bankruptcy Court and waived any right to a jury trial in connection with any disputes relating to the Sale, the Auction, the construction and enforcement of these Bidding Procedures, the Bid Requirements, and/or the Bid Documents, as applicable.

Any parties raising a dispute relating to these Bidding Procedures must request that such dispute be heard by the Bankruptcy Court on an expedited basis.

P. Fiduciary Out.

Nothing in these Bidding Procedures will require the board of directors, board of managers, or such similar governing body of a Debtor or non-debtor affiliate to take any action, or to refrain from taking any action, with respect to these Bidding Procedures, to the extent such board of directors, board of managers, or such similar governing body reasonably determines in good faith, after consultation with the Committee, that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or its fiduciary obligations under applicable law.

Q. Sale Is As Is/Where Is.

The Assets sold pursuant to these Bidding Procedures will be conveyed at the Closing in their then-present condition, **“as is, with all faults, and without any warranty whatsoever, express or implied.”**

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants, and agreements set forth herein, intending to be legally bound hereby, Purchaser and Seller hereby agree as follows.

1.4 Excluded Liabilities. Notwithstanding anything herein to the contrary, Purchaser shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of, or Action against, Seller or any of its Affiliates or relating to the Acquired Assets, the Excluded Assets or the business and operations of Seller and its Affiliates, of any kind or nature whatsoever, whether absolute, accrued, contingent or otherwise, liquidated or unliquidated, due or to become due, known or unknown, currently existing or hereafter arising, matured or unmatured, direct or indirect, and however arising, whether existing on or prior to the Closing Date or arising thereafter, including as a result of any act, omission, or circumstances taking place prior to the Closing, other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the “Excluded Liabilities”). For the avoidance of doubt, and without limiting the foregoing, Purchaser shall not be obligated to assume, and does not assume, and hereby disclaims, all of the following Liabilities of Seller and its Affiliates (each of which shall constitute an Excluded Liability hereunder):

(a) all Liabilities (i) existing prior to the filing of the Bankruptcy Case that are subject to compromise under the Bankruptcy Code and (ii) to the extent not otherwise expressly assumed herein (including in the Commercial Covenants), incurred subsequent to the filing of the Bankruptcy Case and prior to the Closing;

(b) all Liabilities related to (i) customer accounts of Seller or its Affiliates (including Voyager User Accounts), except for those obligations of Purchaser expressly set forth in the Commercial Covenants and (ii) commercial payables or amounts owing by Seller or its Affiliates, including to any software vendors;

(c) all Liabilities for Taxes (i) with respect to the Acquired Assets for any Pre-Closing Tax Period allocable to Seller in accordance with Section 9.3(d); (ii) of Seller and their Affiliates for any taxable period; or (iii) arising from or in connection with an Excluded Asset; and

(d) all Liabilities resulting from Seller’s or any of its Affiliates’ breach of, violation of, or non-compliance with the provisions of any Laws relating to the ownership or operation of their respective businesses, the Acquired Assets and the Excluded Assets or the Transactions, including any bulk transfer Laws or similar Laws of any jurisdiction in connection with the Transactions; and

(e) all Successor Liabilities, including with respect to any investigation or other Action against, concerning or otherwise with respect to Seller, its business or its assets.

1.5 Assumption/Rejection of Certain Contracts.

(a) Assumption and Assignment of Executory Contracts. Seller shall, and shall cause its Affiliates to, provide timely and proper written notice of the Seller’s request for entry of the Confirmation Order to all parties to any executory Contracts or unexpired leases to which Seller is a party that are Assigned Contracts and take all other actions reasonably necessary to cause such Contracts to be assumed by Seller and assigned to Purchaser pursuant to section 365 of the Bankruptcy Code to the extent that such Contracts are Assigned Contracts at Closing. The

Confirmation Order shall provide that as of and conditioned on the occurrence of the Closing, Seller shall assign or cause to be assigned to Purchaser, as applicable, the Assigned Contracts, each of which shall be identified by the name or appropriate description and date of the Assigned Contract (if available), the other party to the Assigned Contract and the address of such party for notice purposes, all included on an exhibit attached to either the Plan Supplement, a notice filed in connection with the motion for approval of the Confirmation Order or a separate motion for authority to assume and assign such Assigned Contracts. Such exhibit shall also set forth Seller's good faith estimate of the amounts necessary to cure any defaults under each of the Assigned Contracts as determined by Seller based on Seller's books and records or as otherwise determined by the Bankruptcy Court. At the Closing, Seller shall, pursuant to the Agreement Order, the Confirmation Order and the Assignment and Assumption Agreement(s), assume and assign to Purchaser (the consideration for which is included in the Purchase Price), all Assigned Contracts that may be assigned by Seller to Purchaser pursuant to sections 363 and 365 of the Bankruptcy Code, subject to adjustment pursuant to Section 1.5(b). At the Closing, Purchaser shall (i) pay all Cure Costs and (ii) assume, and thereafter in due course and in accordance with its respective terms pay, fully satisfy, discharge and perform all of the obligations under each Assigned Contract pursuant to section 365 of the Bankruptcy Code.

(b) Excluding or Adding Assigned Contracts Prior to Closing. Purchaser shall have the right to notify Seller in writing of any Assigned Contract that it does not wish to assume or a Contract to which Seller is a party that Purchaser wishes to add as an Assigned Contract up to five (5) Business Days prior to the Closing Date, and (i) any such previously considered Assigned Contract that Purchaser no longer wishes to assume shall be automatically deemed removed from the Schedules related to Assigned Contracts and automatically deemed to be an Excluded Contract, in each case, without any adjustment to the Purchase Price, and (ii) any such previously considered Excluded Contract that Purchaser wishes to assume as an Assigned Contract shall be automatically deemed added to the Schedules related to Assigned Contracts, automatically deemed removed from the Schedules related to Excluded Contracts, and assumed by Seller to sell and assign to Purchaser, in each case, without any adjustment to the Purchase Price. Purchaser shall be solely responsible for the payment, performance and discharge when due of the Liabilities under the Assigned Contracts arising or that are otherwise payable from the time of and after the Closing. No Contract set forth on Schedule 1.2(s) shall be subject to the terms of this Section 1.5(b).

(c) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement but subject to Section 6.1, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser to the extent that such Contract is rejected by Seller or terminated by Seller or any other party thereto, or terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption; provided that Seller shall obtain Purchaser's consent prior to seeking to reject or terminate, or rejecting or terminating, any Assigned Contract or any Contract assumed by Purchaser pursuant to Section 1.5(a) or Section 1.5(b) from and after the date of this Agreement.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than,

and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser of Seller's rights over such asset, and such Consent or Governmental Authorization has not been obtained prior to such time as it is to be transferred by Purchaser as an Acquired Asset hereunder, such asset shall not be an Acquired Asset hereunder and shall not be transferred to, or received by, Purchaser. In the event that any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such Consent or Governmental Authorization is obtained and the closing of the Bankruptcy Case, Seller and Purchaser shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) enter into a commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser any or all of Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser shall obtain (without materially infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs actually incurred by Seller or its Affiliates or any direct reasonable and documented out-of-pocket costs actually incurred by Seller or its Affiliates resulting from the retention and maintenance by Seller or its Affiliates) with respect to such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser shall assume any related burden and obligation with respect to such Acquired Asset to the extent such burden and obligation would constitute an Assumed Liability if such Acquired Asset was transferred at Closing. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, such Acquired Asset shall promptly be transferred and assigned to Purchaser in accordance with the terms of this Agreement, the Agreement Order, the Plan and Confirmation Order, and the Bankruptcy Code. Notwithstanding anything herein to the contrary, the provisions of this Section 1.5(c) shall not apply to any consent or approval that is not required to be obtained by operation of the Bankruptcy Code (including section 365(f)).

ARTICLE II

CONSIDERATION; PAYMENT; CLOSING

2.1 Consideration; Payment.

(a) Subject to the terms and conditions herein, the aggregate consideration (collectively, the "Purchase Price") to be paid by Purchaser for the purchase of the Acquired Assets shall be: (i) (A) the assumption of Assumed Liabilities, (B) a cash payment of \$20,000,000 (the "Cash Payment"), (C) the Seller Expenses, if any, payable pursuant to Section 6.21, and (D) Purchaser's obligations to make the payments set forth in Section 6.12 and Section 6.14.

(b) Subject to the terms and conditions herein, at the Closing, Purchaser shall deliver, or cause to be delivered, to Seller (i) the Cash Payment, plus (ii) the Seller Expenses, if any, payable pursuant to Section 6.21, less (iii) the Deposit, together with all received investment income, if any (the "Closing Date Payment"). Any payment required to be made pursuant to this Agreement in cash (including the Closing Date Payment) shall be made by wire transfer of

immediately available funds to such bank account as shall be designated in writing by the applicable Party to the other Party at least two (2) Business Days prior to the date such payment is to be made.

(c) Upon reasonable advance written notice to Purchaser (in any event delivered to Purchaser no less than five Business Days prior to the Closing Date) Seller shall be entitled to withhold such portion of the Seller Held Coins as is necessary to satisfy Seller's obligations under the Plan (the "Withheld Coins"), and Seller shall distribute, or take such other action with respect to, the Withheld Coins only in accordance with the Plan and the provisions of this Agreement. To the extent there are any Withheld Coins, the provisions of this Agreement shall be read accordingly to give effect to the withholding and subsequent transfer, distribution or other action with respect to any such Withheld Coins, *mutatis mutandis*.

2.2 Deposit.

(a) Purchaser has made, on the date hereof or will make on the first Business Day following the date hereof, an earnest money deposit with Acquiom Clearing House LLC (the "Escrow Agent") in the amount equal to \$10,000,000 (the "Deposit"), by wire transfer of immediately available funds for deposit into an escrow account (the "Escrow Account"). Subject to Section 2.2(b) and Section 2.2(c), the Deposit and any received investment income, if any, shall not be subject to any lien, attachment, trustee process, or any other judicial process of any creditor of Seller or Purchaser and shall be applied against payment of the Purchase Price on the Closing Date. Seller hereby acknowledges and agrees that the Deposit qualifies as the deposit required pursuant to the Bidding Procedures Order.

(b) If this Agreement has been validly terminated (i) by Seller pursuant to Section 8.1(d) or Section 8.1(f), (ii) by Purchaser pursuant to Section 8.1(c), in circumstances where Seller would be entitled to terminate this Agreement pursuant to Section 8.1(d) or Section 8.1(f), or (iii) by Seller pursuant to Section 8.1(g) in connection with and following any Purchaser Development and not in connection with a Higher and Better Offer (each of (i), (ii), and (iii), a "Purchaser Default Termination"), then within three (3) Business Days after the date of such termination, the Parties shall execute any instructions necessary to permit the Escrow Agent to disburse the Deposit together with all received investment income, if any, to Seller.

(c) If this Agreement has been validly terminated by either Party, other than as contemplated by Section 2.2(b), then the Deposit, together with all received investment income, if any, shall be returned to Purchaser within three (3) Business Days after such termination, and, at Purchaser's request, Seller shall execute any instructions necessary to permit the Escrow Agent to disburse the Deposit together with all received investment income, if any, to Purchaser.

(d) If the Closing occurs, the Deposit shall be transferred to Seller.

2.3 Closing. Subject to the terms and on the conditions set forth in this Agreement, the closing of the purchase and sale of the Acquired Assets, the delivery of the Purchase Price, the assumption of the Assumed Liabilities and the consummation of the other transactions contemplated by this Agreement at and in connection with such closing (the "Closing") will take place by telephone conference and electronic exchange of documents (or, if the Parties agree to

hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 601 Lexington Avenue, New York, New York 10022) at 10:00 a.m. Eastern Time on the third (3rd) Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions), or at such other place and time as the Parties may agree in writing. The date on which the Closing actually occurs in accordance with the provisions hereof is referred to herein as the “Closing Date.”

(a) a bill of sale and assignment and assumption agreement substantially in the form of Exhibit A (the “Assignment and Assumption Agreement”) duly executed by Seller;

(b) each of the Acquired Coins to the wallet address designated by Purchaser for the relevant Acquired Coins of such type; and prior to transferring any Acquired Coins in full, Seller shall send a test transaction of a *de minimis* amount and shall immediately deliver the remainder of the relevant Acquired Coins, following Purchaser’s confirmation that the *de minimis* amount was properly delivered; provided that such transfers of the Acquired Coins shall be deemed complete when each transfer is publicly confirmed on the blockchain for the related Coin at least the number of times set forth on <https://support.kraken.com/hc/en-us/articles/203325283-Cryptocurrency-deposit-processing-times> (or a successor site agreed by Seller and Purchaser); provided further that (i) for Acquired Coins held on the Binance.US Platform as of the Closing Date, such Acquired Coins shall be transferred to the Binance.US Platform account designated by Purchaser and (ii) in the case of ETH Coins that are Staked Coins as of the date hereof, such staked ETH Coins shall be delivered pursuant to the means mutually agreed between Purchaser and Seller acting reasonably;

2.5 Closing Deliveries by Purchaser. At the Closing, Purchaser shall deliver to (or at the direction of) Seller:

2.6 Withholding. Purchaser and its Affiliates shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement such amounts as are required to be deducted or withheld under applicable tax Law. Prior to making any such deduction or withholding, Purchaser or its applicable Affiliate shall use reasonable best efforts to (x) notify the person in respect of which such withholding or deduction is proposed to be made of such deduction or withholding and (y) give such person a reasonable amount of time to demonstrate that no or reduced withholding is required under applicable tax Law. To the extent that amounts are so deducted or withheld and paid to the appropriate Governmental Body, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made.

Subject to requisite Bankruptcy Court approvals, this Agreement has been duly executed and delivered by Purchaser and, assuming due authorization, execution and delivery hereof by the other Party, constitutes a legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except that such enforceability may be limited by the Enforceability Exceptions.

4.3 Conflicts; Consents.

(a) Except for the consents, licenses, waivers, exemptions, authorizations, approvals, filings, notifications or registrations required under any Money Transmitter Requirements in any Unsupported Jurisdiction applicable to Purchaser and the Binance.US Platform (the "Unsupported Jurisdiction Approvals"), assuming that (i) requisite Bankruptcy Court approvals are obtained, and (ii) the notices, authorizations, approvals, Orders, permits or consents set forth on Schedule 4.3 are made, given or obtained (as applicable), neither the

execution and delivery by Purchaser of this Agreement, nor the consummation by Purchaser of the Transactions, nor performance or compliance by Purchaser with any of the terms or provisions hereof, will (A) conflict with or violate any provision of Purchaser's articles of incorporation or bylaws or similar organizational documents, (B) violate any Law or Order applicable to Purchaser, (C) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit, any of the terms or provisions of any loan or credit agreement or other Contract to which Purchaser is a party or accelerate Purchaser's obligations under any such Contract, or (D) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of Purchaser or any of its Subsidiaries, except, in the case of clauses (B) through (D), as would not, individually or in the aggregate, reasonably be expected to prevent or materially impair or delay the ability of Purchaser to consummate the Transactions.

(b) Except for the Unsupported Jurisdiction Approvals, Purchaser is not required to file, seek or obtain any notice, authorization, approval, Order, permit or consent of or with any Governmental Body in connection with the execution, delivery and performance by Purchaser of this Agreement or the consummation by Purchaser of the Transactions, except where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to prevent or materially impair or delay the ability of Purchaser to consummate the Transactions.

4.4 Financing. Purchaser has, as of the date hereof, and will have at the Closing, sufficient funds in cash in an aggregate amount necessary to (a) pay the Closing Date Payment pursuant to Section 2.1(b) and any Seller Expenses to the extent payable by Purchaser pursuant to Section 6.21, and (b) pay all fees and expenses of Purchaser in connection with the Closing. Purchaser is and shall be capable of satisfying the conditions contained in sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assigned Contracts and the related Assumed Liabilities.

4.5 Permits. Purchaser has Money Transmitter Licenses in all States of the United States of America, other than the Unsupported Jurisdictions and any States in which the operation of Purchaser's business does not require a Money Transmitter License. Assuming the accuracy in all material respects of the representations and warranties set forth on Sections 3.9(a), 3.9(d) and 3.9(e) (in each case, as qualified by the Schedules) and Seller's compliance in all material respects with the covenants set forth in Sections 6.4, 6.6, 6.10 and the other Commercial Covenants, except for the Unsupported Jurisdiction Approvals, Purchaser holds all licenses, franchises, permits, certificates, approvals, and authorizations from Governmental Bodies necessary for the ownership and use of the Acquired Assets.

4.6 Brokers. There is no investment banker, broker, finder, or other intermediary which has been retained by or is authorized to act on behalf of Purchaser that might be entitled to any fee or commission in connection with the Transactions.

4.7 No Litigation. There are no Actions pending or, to the Knowledge of Purchaser, threatened against or affecting Purchaser that will materially and adversely affect Purchaser's performance under this Agreement or Purchaser's ability to consummate the Transactions.

4.8 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments, agreements or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, and any member of the management of Seller or its board of managers (or applicable governing body of any Affiliate of Seller), any holder of equity or debt securities of Seller, or any lender or creditor of Seller or any of its Affiliates, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the Transactions or (b) that would be reasonably likely to prevent, restrict, impede or affect adversely the ability of Seller or any of its Affiliates to entertain, negotiate or participate in any of the Transactions.

4.9 Solvency. As of the date hereof Purchaser is and, assuming (x) that the representations and warranties made by Seller herein are true and correct, (y) Seller has complied in all material respects with its covenants and other agreements hereunder, and (z) the conditions set forth in Section 7.1 and Section 7.2 have been satisfied, then immediately after giving effect to the transactions contemplated hereby Purchaser shall be, Solvent. “Solvent” means, with respect to any Person, such Person (a) is able to pay its debts as they become due; (b) owns property that has a fair saleable value greater than the amounts required to pay its debt (including a reasonable estimate of the amount of all contingent liabilities) and (c) has adequate capital to carry on its business. In connection with the Transactions, Purchaser is not incurring, has not incurred, and does not plan to incur, debts beyond its ability to pay as they become absolute and matured.

4.10 No Additional Representations or Warranties. Except for the representations and warranties expressly contained in this Article IV (as qualified by the Schedules and in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement) or in the certificate to be delivered pursuant to Section 2.5(d) (the “Express Purchaser Representations”) (it being understood that Seller has relied only on the Express Purchaser Representations), Seller acknowledges and agrees that neither Purchaser nor any other Person on behalf of Purchaser makes, and Seller has not relied on, is not relying on, and will not rely on the accuracy or completeness of any express or implied representation or warranty with respect to Purchaser or with respect to any information, statements, disclosures, documents, projections, forecasts or other material of any nature made available or provided by any Person to Seller or any of its Affiliates or their respective Advisors on behalf of Purchaser. Without limiting the foregoing, except for the Express Purchaser Representations, neither Purchaser nor any other Person will have or be subject to any Liability whatsoever to Seller, or any other Person, resulting from the distribution to Seller, its Affiliates or their respective Advisors, or Seller’s, its Affiliates’ or their respective Advisors’ use of or reliance on, any such information, statements, disclosures, documents, projections, forecasts or other material made available to them in expectation of the Transactions or any discussions with respect to any of the foregoing information.

4.11 No Outside Reliance. Notwithstanding anything contained in this Article IV or any other provision of this Agreement to the contrary, Purchaser acknowledges and agrees that the Express Seller Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser and on which Purchaser may rely in connection with the Transactions. Purchaser acknowledges and agrees that all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (a) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Seller Representations), including in the Information Presentation, the Dataroom, any projections or in

any meetings, calls or correspondence with management of Seller or any other Person on behalf of Seller or any of its Affiliates or Advisors and (b) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of Seller, or the quality, quantity or condition of Seller's assets, are, in each case specifically disclaimed by Seller and Purchaser has not relied on any such representations, warranties or statements. Purchaser acknowledges that it has conducted to its full satisfaction an independent investigation and verification of the business including its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of Seller, and, in making its determination to proceed with the Transactions, Purchaser has relied solely on the results of the Purchaser Group's own independent investigation and verification, and has not relied on, is not relying on, and will not rely on, Seller, the Information Presentation, any projections or any information, statements, disclosures, documents, projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors in the Dataroom or otherwise, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or Seller or any of its Affiliates or Advisors, or any failure of any of the foregoing to disclose or contain any information, except for the Express Seller Representations (it being understood that Purchaser has relied only on the Express Seller Representations).

ARTICLE V

BANKRUPTCY COURT MATTERS

5.1 Selection of Successful Bid and Winning Bidder and Sale Approval.

(a) Pursuant to the Bidding Procedures Order, by execution and delivery of its counterpart signature page hereto, Seller hereby confirms that Purchaser has made the highest or otherwise best bid pursuant to the Bidding Procedures Order and has selected the Transactions as the Successful Bid and Purchaser as the Winning Bidder (each, as defined in the Bidding Procedures Order).

(b) (i) Promptly, and in any event no later than December 21, 2022 (subject to Bankruptcy Court approval where indicated), Seller shall: publicly announce that the Transactions have been selected as the Successful Bid and Purchaser has been selected as the Winning Bidder; and (ii) promptly, and in any event no later than December 21, 2022 (subject to Bankruptcy Court approval where indicated), Seller shall file a motion with the Bankruptcy Court attaching the form of an order approving the execution, delivery and performance of this Agreement by Seller (including payment of the Purchaser Expenses pursuant to Section 6.21(b) and the provisions of this Article V contemplating certain performance by Seller prior to Closing), other than the performance of those obligations to be performed at or after the Closing (the "Agreement Order"), which Agreement Order shall be in form and substance acceptable to Purchaser. Purchaser agrees that it will promptly take such actions as are reasonably requested by Seller to assist in obtaining Bankruptcy Court approval of the Agreement Order.

5.2 No-Shop.

(a) From and following the execution and delivery of this Agreement by Seller, Seller and its Affiliates shall not, and shall not permit their respective Advisors or Affiliates to, (i) initiate contact with, or solicit or encourage submission of any inquiries, proposals or offers by, any Person (other than Purchaser, its Affiliates and its and their respective Advisors) with respect to an Alternative Transaction, (ii) engage in, continue or otherwise participate in any discussions or negotiations regarding an Alternative Transaction or that could reasonably be expected to lead to an Alternative Transaction, (iii) enter into any confidentiality agreement with respect to, or provide any non-public information or data to any Person relating to, any Alternative Transaction, or (iv) otherwise agree, authorize or commit to do any of the foregoing; provided that, notwithstanding the foregoing, from and after entry of the Agreement Order, Seller may take the actions set forth in clauses (ii) and (iii) above if (A) Seller has received a written, bona fide offer, proposal or indication of interest to engage in an Alternative Transaction (an “Acquisition Proposal”) from any Person after the date of this Agreement that did not result from Seller’s breach of this Section 5.2(a), and (B) the board of directors (or similar governing body) of Seller determines in good faith, after consultation with its financial advisor and outside legal counsel, that such Acquisition Proposal constitutes or is reasonably likely to lead to a Higher and Better Offer and that failure to take such actions would violate the directors’ fiduciary duties under applicable Law; provided further that if the Closing has not occurred prior to the Outside Date unless the failure of the Closing to have occurred by the Outside Date was caused by Seller’s failure to perform any of its obligations under this Agreement, and there is no Back-up Bidder (as defined in the Bidding Procedures Order) or the agreement with the Back-up Bidder has terminated in accordance with its terms, then this Section 5.2(a) shall automatically terminate and be of no further force and effect as of such date. Until entry of the Agreement Order, Seller shall promptly (but in any event within twenty-four (24) hours) provide written notice to Purchaser of any breach of this Section 5.2(a).

(b) Seller shall promptly (but in any event within twenty-four (24) hours) give written notice to Purchaser if (i) any inquiries, proposals or offers with respect to an Alternative Transaction or that could reasonably be expected to lead to an Alternative Transaction are received, (ii) any non-public information or data concerning Seller or its Affiliates or access to Seller’s or its Affiliates’ properties, books or records in connection with any Alternative Transaction or any inquiry, proposal or offer that could reasonably be expected to lead to an Alternative Transaction is requested, or (iii) any discussions or negotiations relating to an Alternative Transaction or any inquiry, proposal or offer that could reasonably be expected to lead to an Alternative Transaction are sought to be engaged in or continued by, from or with Seller, its Affiliates or any of its or their respective Advisors, as the case may be. Such notice shall set forth the name of the applicable Person making such inquiry, the material terms and conditions of any proposed Alternative Transaction (including, if applicable, correct and complete copies of any proposed agreements, inquiries, proposals or offers or, where no such copies are available, a reasonably detailed written description thereof) and the status of any such discussions or negotiations. Seller shall thereafter keep Purchaser reasonably informed, on a reasonably prompt basis, of the status of any discussions or negotiations with respect thereto. Until entry of the Agreement Order, Seller shall promptly (but in any event within twenty-four (24) hours) provide written notice to Purchaser of any breach of this Section 5.2(b).

(c) Seller (i) shall promptly (and in any event within twenty-four (24) hours) give notice to Purchaser upon a determination by Seller or its board of directors (or comparable governing body) that any Acquisition Proposal received from any Person after the date of this Agreement that did not result from Seller's breach of Section 5.2(a) constitutes a Higher and Better Offer (a "Higher Offer Determination Notice") and (ii) may cause or permit Seller or any of the other Debtors to enter into a definitive agreement with respect to such Acquisition Proposal; provided that (A) Seller and its board of directors (or comparable governing body) may only make such determination described in clause (i) of this Section 5.2(c) if, prior to the determination that such Acquisition Proposal constitutes a Higher and Better Offer, Seller negotiates, and causes its representatives to negotiate, with Purchaser in good faith (to the extent Purchaser and its representatives desire to negotiate) during such three (3) Business Day period to amend the terms and conditions of this Agreement and, no earlier than the end of such three (3) Business Day period, the board of directors (or comparable governing body) of Seller determines in good faith (after consultation with its financial advisor(s) and outside legal counsel), after giving effect to such proposed amendments to the terms and conditions of this Agreement, that such Acquisition Proposal still constitutes a Higher and Better Offer (provided further that if any material amendment is made to such Acquisition Proposal, such Acquisition Proposal shall be subject again (but only once again) to the foregoing, except that references to three (3) Business Days shall be deemed to be two (2) Business Days, and whatever the result of the second instance of the foregoing, Seller shall not be required to undertake the foregoing again before making a determination that such Acquisition Proposal constitutes a Higher and Better Offer and, if applicable, terminating this Agreement), and (B) Seller and its board of directors (or comparable governing body) may only take such action described in clause (ii) of this Section 5.2(c) if the board of directors (or comparable governing body) of Seller determines in good faith (after consultation with its outside legal counsel) that the failure to take such action would violate with its fiduciary duties under applicable Law.

5.3 Bankruptcy Actions.

(a) No later than December 21, 2022, Seller shall file with the Bankruptcy Court an amended Disclosure Statement (the "Amended Disclosure Statement") containing such amendments as may be necessary or appropriate to reflect the Seller's entry into this Agreement and pursuit of the Transactions, which, solely with respect to matters relating to this Agreement and the Transactions, shall be in a form and substance reasonably acceptable to Purchaser. Concurrently with the filing of such Amended Disclosure Statement (*i.e.*, no later than December 21, 2022), Seller shall file the Plan Solicitation Motion which, solely with respect to matters relating to this Agreement and the Transactions, shall be in form and substance reasonably acceptable to Purchaser; provided that Seller may modify the Plan Solicitation Motion, the Plan, and the Confirmation Order pursuant to discussions with the United States Trustee assigned to the Bankruptcy Case, the Bankruptcy Court, any creditor or committee representing a group of creditors in the Bankruptcy Case, or any other party in interest, in each case, with the consent of Purchaser solely as it pertains to matters relating to this Agreement and Transactions (such consent not to be unreasonably withheld, conditioned or delayed).

(b) From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Seller shall use reasonable best efforts to obtain entry by the Bankruptcy Court of the Agreement Order and the Confirmation Order.

(c) The Parties shall use their respective reasonable best efforts to (i) obtain entry by the Bankruptcy Court of the Agreement Order, (ii) obtain entry by the Bankruptcy Court of the Plan Solicitation Order, (iii) commence solicitation of the Plan, and (iv) (A) facilitate the solicitation, confirmation, and consummation of the Plan and the transactions contemplated thereby and hereby, (B) obtain entry of the Confirmation Order, and (C) and consummate the Plan and the Transactions on the timeline set forth in the Plan Solicitation Motion and in any case prior to the Outside Date.

(d) Purchaser shall promptly take all actions as are reasonably requested by Seller to assist in obtaining the Bankruptcy Court's entry of the Agreement Order, the Plan Solicitation Order, the Confirmation Order, and any other Order reasonably necessary in connection with the Transactions as promptly as practicable, including furnishing affidavits, financial information, or other documents or information for filing with the Bankruptcy Court and making such employees and Advisors of Purchaser and its Affiliates reasonably available to testify before the Bankruptcy Court for the purposes of, among other things providing necessary assurances of performance by Purchaser under this Agreement, and demonstrating that Purchaser is a "good faith" purchaser under section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser's ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing.

(e) Any documents filed by Seller with the Bankruptcy Court in connection with obtaining approval of effectuating the Closing shall be reasonably acceptable to Purchaser.

(f) Each of Seller and Purchaser shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the other Party or required by the Bankruptcy Court in connection with the Transactions and the Plan solely with respect to matters relating to this Agreement and (ii) keep the other reasonably apprised of the status of material matters related to the Agreement and the Plan solely as it pertains to matters relating to this Agreement and Transactions, including, upon reasonable request promptly furnishing the other with copies of notices or other communications received by Seller from the Bankruptcy Court with respect to the Transactions or the Plan solely as it pertains to matters relating to this Agreement and Transactions.

(g) Seller and Purchaser acknowledge that this Agreement and the sale of the Acquired Assets are subject to Bankruptcy Court approval. Purchaser acknowledges that Seller and the other Debtors must take reasonable steps to demonstrate that they have sought to obtain the highest or otherwise best price for the Acquired Assets, including giving notice thereof to the creditors of the Debtors and other interested parties, providing information about Seller to prospective bidders, entertaining higher and better offers from such prospective bidders.

(h) Purchaser shall provide adequate assurance of future performance as required under section 365 of the Bankruptcy Code for the Assigned Contracts. Purchaser agrees that it will take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of adequate assurance of future performance under the Assigned Contracts, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Purchaser's Advisors reasonably available to testify before the Bankruptcy Court.

5.4 Cure Costs. Subject to entry of the Agreement Order and the Confirmation Order, Purchaser shall, on or prior to the Closing (or, in the case of any Contract that is to be assigned following the Closing pursuant to Section 1.5, on or prior to the date of such assignment), pay the Cure Costs and cure any and all other defaults and breaches under the Assigned Contracts so that such Contracts may be assumed by Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement.

5.5 Approval. Seller's and Purchaser's obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Agreement Order and the Confirmation Order). Nothing in this Agreement shall require Seller or its Affiliates to give testimony to or submit a motion to the Bankruptcy Court that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court or its stakeholders.

5.6 No Successor Liability. The Parties intend that upon the Closing the Purchaser Group shall not and shall not be deemed to: (a) be a successor (or other such similarly situated party), or otherwise be deemed a successor, to Seller, including, a "successor employer" for the purposes of the Code, ERISA, or other applicable Laws; (b) have Liability or responsibility for any Liability or other obligation of Seller arising under or related to the Acquired Assets other than as expressly set forth in this Agreement, including successor or vicarious Liabilities of any kind or character, including any theory of antitrust, environmental, successor, or transferee Liability, labor law, de facto merger, or substantial continuity (including under applicable Money Transmitter Requirements or securities Laws of any Governmental Body); (c) have, de facto or otherwise, merged with or into Seller; (d) be an alter ego or a mere continuation or substantial continuation of any of Seller (and there is no continuity of enterprise between Purchaser and Seller), including, within the meaning of any foreign, federal, state or local revenue, pension, ERISA, COBRA, Tax, labor, employment, environmental, or other Law, rule or regulation (including filing requirements under any such Laws, rules or regulations), or under any products liability Law or doctrine with respect to Seller's Liability under such Law, rule or regulation or doctrine; or (e) be holding itself out to the public as a continuation of Seller or its estate (the foregoing clauses (a) through (e), collectively, "Successor Liabilities").

5.7 Filings. Seller shall, and shall cause the other Debtors to, give Purchaser reasonable advance notice of, and opportunity to review and approve, any motions, pleadings, notices and other documents to be filed during the Bankruptcy Case that would reasonably be expected to be material and adverse to the Transactions (such approval not to be unreasonably withheld, conditioned or delayed, provided that Purchaser may withhold their approval in their sole discretion to the extent such motions, pleadings, notices and other documents would be inconsistent with the consummation of the Transactions in accordance herewith).

5.8 Waiver of Conflicts. Notwithstanding anything to the contrary herein or otherwise, Seller acknowledges that Paul Hastings LLP ("Paul Hastings") may have represented and may currently represent the Purchaser or one or more of its Affiliates in connection with the Transactions (including the negotiation, preparation, execution and delivery of this Agreement and related agreements, and the consummation of the Transactions) as well as other past and ongoing regulatory matters generally (the "Covered Matters"). Accordingly, Seller hereby irrevocably consents and agrees, on its behalf and on behalf of its Affiliates, to Paul Hastings representing the

Purchaser and its Affiliates from and after the Closing in connection with any matter arising out of or related to the Covered Matters. Seller (i) hereby irrevocably waives and will not assert, and will cause each of its Affiliates to waive and not assert, any actual or potential conflict of interest which has or may arise as a result of Paul Hastings's representation of the Purchaser or one or more of its Affiliates, including in any Action, in a Covered Matter, (ii) hereby consents, and will cause each of its Affiliates to consent to, any such representation, even though, in each case, (x) the interests of the Purchaser or such Affiliates may be directly adverse to Seller or its Affiliates, (y) Paul Hastings may have represented Seller or its Affiliates in a substantially related matter, or (z) Paul Hastings may be handling other ongoing matters for Seller or its Affiliates, and (iii) shall cooperate, and shall cause each of its Affiliates to cooperate, with the Purchaser in effectuating the foregoing waiver (including with respect to any objections raised by or before the Bankruptcy Court or the United States Trustee assigned to the Bankruptcy Case in respect of such waiver or representation).

ARTICLE VI

COVENANTS AND AGREEMENTS

6.1 Conduct of Seller.

(a) Except (i) as required by applicable Law, Order or a Governmental Body, (ii) any limitations on operations imposed by the Bankruptcy Court or the Bankruptcy Code, (iii) as expressly contemplated or required by this Agreement, (iv) to the extent related to an Excluded Asset or an Excluded Liability or (v) as set forth on Schedule 6.1, during the period from the date of this Agreement until the Closing (or such earlier date and time on which this Agreement is terminated pursuant to Article VIII), unless Purchaser otherwise consents in writing, Seller shall use its reasonable best efforts to carry on its business in the Ordinary Course in all material respects; provided that no action by Seller with respect to matters specifically addressed by Section 6.1(b) shall be deemed to be a breach of this Section 6.1(a) unless such action would constitute a breach of Section 6.1(b).

(b) Except (i) as required by applicable Law, Order or a Governmental Body, (ii) any limitations on operations imposed by the Bankruptcy Court or the Bankruptcy Code, (iii) as expressly contemplated, required or permitted by this Agreement, (iv) to the extent related to an Excluded Asset or an Excluded Liability or (v) as set forth on Schedule 6.1, during the period from the date of this Agreement until the Closing (or such earlier date and time on which this Agreement is terminated pursuant to Article VIII), unless Purchaser otherwise consents in writing, Seller shall not:

(vi) (x) grant any Encumbrance (other than Permitted Encumbrances) on any of its material Acquired Assets (other than Acquired Coins, which, for the avoidance of doubt, are addressed in subclause (y) of this item (vi)) other than to secure Indebtedness and other obligations in existence at the date of this Agreement (and required to be so secured by their terms), or (y) grant any Encumbrance (other than any Encumbrances that will be removed or released by operation of the Confirmation Order or the Plan) on Acquired Coins, including by submitting any Cryptocurrency to any staking contract or otherwise causing any Seller Held Coins that are not currently Staked Coins to become Staked Coins;

(vii) except, in each case, with respect to income Taxes or information Tax Returns: make, change or revoke any material Tax election; change an annual accounting period for material Taxes; adopt or change any material accounting method with respect to material Taxes; file any amended material Tax Return; enter into any closing agreement for material Taxes; settle or compromise any material Tax claim or assessment; or consent to any extension or waiver of the limitation period applicable to any

claim or assessment with respect to material Taxes; in each case to the extent such action would adversely affect the Acquired Assets or Purchaser in a taxable period (or portion thereof) beginning after the Closing Date;

(viii) waive, release, assign, settle or compromise any pending or threatened Action against Seller to the extent that such waiver, release, assignment, settlement or compromise would (A) result in an Assumed Liability in an amount in excess of \$1,000,000, individually or in the aggregate, or (B) waive or release any material rights or claims that would constitute Acquired Assets;

(xi) lend any Cryptocurrency to any Person, or engage in purchases or sales of any Cryptocurrency (other than Withheld Coins) other than in connection with the Rebalancing Exercise; or

(xii) authorize any of, or commit or agree, in writing or otherwise, to take any of, the foregoing actions.

(c) Nothing contained in this Agreement is intended to give Purchaser or its Affiliates, directly or indirectly, the right to control or direct Seller's operations or business prior to the Closing, and nothing contained in this Agreement is intended to give Seller, directly or indirectly, the right to control or direct Purchaser's or its Subsidiaries' operations. Notwithstanding anything to the contrary contained herein, (i) any action taken, or omitted to be taken, by Seller pursuant to any Law, Order, directive, pronouncement or guideline issued by any Governmental Body or industry group providing for business closures, "sheltering-in-place" or other restrictions that relates to, or arises out of, any pandemic, epidemic or disease outbreak shall in no event be deemed to constitute a breach of this Section 6.1 and (ii) any action taken, or omitted to be taken, by Seller to protect the business of Seller that is responsive to any pandemic, epidemic or disease outbreak, as determined by Seller in its reasonable discretion, shall in no event be deemed to constitute a breach of this Section 6.1.

6.2 Access to Information.

(a) From the date hereof until the Closing (or the earlier termination of this Agreement pursuant to Article VIII), Seller will (x) provide Purchaser and its authorized Advisors with reasonable access to, upon reasonable advance notice and during regular business hours, Seller's officers, employees, Advisors, properties, systems, offices, and data, documents, and information of the Seller Parties regarding the Acquired Assets, the Assumed Liabilities, the Users, Voyager User Accounts and the Voyager Platform (including, for the avoidance of doubt any of the foregoing that constitutes Acquired Information), including such financial, operating and other data and information related to the Transactions, the Acquired Assets, the Assumed Liabilities, the

Users, Voyager User Accounts, or the Voyager Platform (including, for the avoidance of doubt any of the foregoing that constitutes Acquired Information) as Purchaser or any of its representatives may reasonably request and (y) instruct the representatives of Seller to cooperate to provide such access; provided that (i) such access will occur in such a manner reasonably appropriate to protect the confidentiality of the Transactions, (ii) all requests for access will be directed to Moelis or such other Person(s) as Seller may designate in writing from time to time and (iii) nothing herein will require Seller to provide access to, or to disclose any information to, Purchaser if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws or would violate any fiduciary duty under applicable Law with respect to Seller; provided that, in the event that Seller withholds access or information in reliance on the foregoing clause (A) or (B), Seller shall provide (to the extent possible without waiving or violating the applicable agreement, legal privilege, Law or fiduciary duty under applicable Law with respect to Seller) notice to Purchaser that such access or information is being so withheld and shall use reasonable best efforts to provide such access or information in a way that would not risk waiver of such legal privilege, applicable Law, or fiduciary duty.

(b) The information provided pursuant to this Section 6.2 will be governed by the Confidentiality Agreement and the confidentiality provisions in Section 6.19. Each Party will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to such Party or any of its Advisors. Neither Party makes any representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and the other Party may not rely on the accuracy of any such information, in each case, other than, with respect to Purchaser, the Express Seller Representations and, with respect to Seller, the Express Purchaser Representations.

(c) From and after the Closing for a period of three (3) years following the Closing Date (or, if later, the closing of the Bankruptcy Case), Purchaser will, following Seller's good faith written request, and solely to the extent necessary for Seller to (i) comply with Tax reporting obligations, (ii) consummate the closing of the Bankruptcy Case, (iii) prepare annual audited financial statements, (iv) submit a filing pursuant to applicable securities laws and regulations or (v) conduct the wind down of the estate (including reconciliation, investigation, and pursuit of claims) and dissolution of Seller and its Affiliates, provide Seller and its Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records in Purchaser's custody or control, including work papers, schedules, memoranda, Tax Returns, Tax schedules, Tax rulings, and other documents (for the purpose of examining and copying), in each case to the extent relating to the Acquired Assets, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of Purchaser, in each case at no cost or expense to Purchaser; provided that (i) such access does not unreasonably interfere with the normal operations of Purchaser and (ii) nothing herein will require Purchaser to provide access to, or to disclose any information to, Seller or its Advisors if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws or would violate any fiduciary duty; provided that, in the event that Purchaser withholds access or information in reliance on the foregoing clause (A) or (B), Purchaser shall provide (to the extent possible without waiving or violating the applicable agreement, legal privilege, Law or fiduciary duty) notice to Seller that such access or information is being so withheld and shall use reasonable

best efforts to provide such access or information in a way that would not risk waiver of such legal privilege, applicable Law, or fiduciary duty. Unless otherwise consented to in writing by Seller, Purchaser will not, for a period of three (3) years following the Closing Date, destroy, alter or otherwise dispose of any of such books and records without first offering to surrender to Seller such books and records or any portion thereof that Purchaser may intend to destroy, alter or dispose of.

(d) Except as expressly contemplated by this Agreement (including in connection with the Commercial Covenants, Section 6.3, Section 6.10(b) and Section 6.18), Purchaser will not, and will not permit any member of the Purchaser Group to, contact any officer, manager, director, employee, customer, supplier, lessee, lessor, lender, licensee, licensor, distributor, noteholder or other material business relation of Seller prior to the Closing with respect to Seller, their business or the Transactions without the prior written consent of Seller for each such contact.

6.3 Employee Matters.

(a) From and after the date hereof (and, if applicable, following the Closing until the winddown or dissolution of Seller), subject to applicable Laws, Seller shall deliver to Purchaser such information and documents regarding employees of Holdings (the “Seller Employees”) and independent contractors of Seller or Holdings (the “Seller Contractors”), in each case, as Purchaser shall reasonably request. Prior to the date hereof, Seller has provided Purchaser a true, correct and complete list of the Seller Employees and Seller Contractors identified by name, if applicable, department, and (subject to applicable Laws) true, correct and complete copies of all talent assessment reports for each such Seller Employee and Seller Contractor. From and after the date hereof (and, if applicable, following the Closing until the winddown or dissolution of Seller), Seller shall use reasonable best efforts to make such Seller Employees who remain employed by Holdings and Seller Contractors who remain engaged by Seller or Holdings, in each case, reasonably available to Purchaser or its Affiliates and Purchaser will work in good faith with Seller to identify top performing Seller Employees and Seller Contractors and will determine whether to make offers of employment or other services to any such Seller Employee or Seller Contractors (including by prioritizing review of Seller Employees for applicable open positions of Purchaser and its Affiliates, if any). Purchaser (or an Affiliate of Purchaser) may, in its sole discretion, make offers of employment, consulting or other services to such Seller Employees or Seller Contractors (if any) as Purchaser shall determine, on such terms and conditions as Purchaser shall determine in its sole and absolute discretion. In the event that Purchaser (or an Affiliate of Purchaser) makes such an offer of employment or services and such Seller Employee or Seller Contractor accepts, Seller hereby agrees not to enforce against Purchaser (or its Affiliate) or such Seller Employee or independent contractor the terms and conditions of any agreement to refrain from competing, directly or indirectly, with the business of Seller or any of its Affiliates or to refrain from soliciting employees, customers or suppliers of Seller or any of its Affiliates that may be applicable to such Seller Employee or Seller Contractor. Seller shall not take any action that would reasonably be expected to materially and adversely affect Purchaser’s hiring or engagement of such Seller Employee(s) or Seller Contractor(s) in accordance with this Section 6.3; provided that the announcement and implementation of any Seller Plans (including any retention programs or post-Closing treatment of Seller Employees), in each case, in a manner consistent with the provisions of this Agreement, shall not be deemed to be a breach of this sentence. Notwithstanding anything

to the contrary herein or otherwise, nothing herein shall require or obligate Purchaser or any of its Affiliates to employ or make offers of employment to any Person, or make any such offers of employment on any particular terms, each of which decisions shall be made in Purchaser's sole discretion.

(b) Prior to and following the Closing Date, Seller, Holdings and each of their Affiliates shall not communicate, and shall ensure that no representative of Seller, Holdings or their respective Affiliates communicates, with any Seller Employee or other service provider of Seller regarding post-Closing employment matters (including post-Closing employee benefit plans and compensation) with Purchaser without the prior written consent of Purchaser; provided that Seller, Holdings, and their Affiliates shall be permitted to communicate regarding their employment and termination plans and related matters.

(c) Purchaser shall not assume any Seller Plans or any Liability to or in respect of any employees or former employees of Holdings and Seller and which relates to such employees' employment with Holdings or Seller, including (i) any employment agreement, whether or not written, between Seller and any person, (ii) any Liability under any Seller Plan, or (iii) Liability arising out of any claim of an unfair labor practice, or any claim under any state unemployment compensation or worker's compensation law or regulation or under any federal or state employment discrimination law or regulation as a result of an action taken by Seller or Holdings, and all such Liabilities shall be Excluded Liabilities hereunder.

(d) Seller will, or will cause its Affiliates to, comply in all material respects with the Worker Adjustment and Retraining Notification Act of 1988 or any similar Laws ("WARN Act") with respect to any "plant closing" or "mass layoff" or group termination or similar event under the WARN Act affecting employees of Debtors (including as a result of the consummation of Transactions) whether occurring prior to or on the Closing. Subject to the terms of this Agreement, Seller and its Affiliates (including Holdings) reserve the right to (i) terminate any of their employees at any time, and otherwise reduce employee work hours, benefits and compensation, and (ii) issue termination and/or WARN Act notices relating to their employees at any time.

(e) For any employees who are principally based outside the United States, the provisions of this Section 6.3 shall apply to such employees *mutatis mutandis* to the maximum extent permitted by applicable Law.

(f) The provisions of this Section 6.3 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Seller or Holdings), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.3 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.3, alter or limit Purchaser's, Seller's or Holdings' ability to amend, modify or terminate any particular benefit plan, program, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to an offer of employment or service, employment or continued employment

or service for any period of time by reason of this Agreement, or any right to a particular term or condition of employment or service.

6.4 Regulatory Matters.

(a) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), subject to the other provisions of this Section 6.4, Seller will, and will cause its Affiliates and its and their respective employees, representatives, advisors and agents to, (i) make or cause to be made all filings and submissions to the extent required to be made by Seller or any of its Affiliates under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Purchaser, its Affiliates and its and their respective representatives in exchanging such information and providing such assistance as Purchaser may reasonably request in connection with any filings or submissions to be made by any member of the Purchaser Group under any applicable Laws in connection with the Transactions, (iii) supply promptly any additional information and documentary material that may be requested in connection with such filings or submissions and (iv) use reasonable best efforts to take any actions necessary to obtain all approvals or clearances from any relevant Governmental Body that are required to be obtained by Seller or its Affiliates under applicable Law for the consummation of the Transactions.

(b) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), subject to the other provisions of this Section 6.4, Purchaser will, and will cause its respective employees, representatives, advisors and agents to, (i) make or cause to be made all filings and submissions to the extent required to be made by Purchaser under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Seller, its Affiliates and its and their respective representatives in exchanging such information and providing such assistance as Seller may reasonably request in connection with any filings or submissions to be made by Seller or any of its Affiliates under any applicable Laws in connection with the Transactions, (iii) supply promptly any additional information and documentary material that may be requested in connection with such filings or submissions, and (iv) use reasonable best efforts to take any actions necessary to obtain all approvals or clearances from any relevant Governmental Body that are required to be obtained by Purchaser under applicable Law for the consummation of the Transactions.

(c) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), the Parties commit to instruct their respective counsel to cooperate with each other to respond to any reasonable inquiries and use reasonable best efforts to seek to resolve any objections raised by any Governmental Body as promptly as practicable and for greater certainty, each Party and its respective counsel undertake to (i) promptly notify the other Party or its counsel of, and, if in writing, furnish such other Party or its counsel with copies of (or, in the case of oral communications, advise such other Party or its counsel of the contents of), any substantive communication received by such Person from a Governmental Body and (ii) keep the other Party or its counsel informed with respect to the status of any applicable submissions and filings to or inquiries by any Governmental Body in connection with this Agreement and the Transactions and any developments, meetings or discussions with any Governmental Body in respect thereof, including with respect to (A) the commencement or proposed or threatened commencement of any investigation or other Action, and (B) the nature

and status of any inquiries or objections raised or proposed or threatened to be raised by any Governmental Body with respect to this Agreement and the Transactions. From and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), none of Seller or any of its Affiliates, on the one hand, or Purchaser, on the other hand, will participate in any substantive meeting or discussion with any Governmental Body with respect of any such filings, applications, investigation or other inquiry without giving the other Party reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, a reasonable opportunity to attend and participate in such meeting or discussion, and each Party will have a reasonable opportunity to review and provide comments (which shall be considered in good faith by the other Party) on the content of any filing, submission or other written communication (and any analyses, memoranda, presentations, white papers, correspondence or other written materials submitted therewith) to be submitted by the other Party or any of its Affiliates to any Governmental Body in advance of any such submission. Each Party acknowledges that, with respect to any non-public information provided by a Party to the other under this Section 6.4, each Party may (1) designate such material as restricted to “outside counsel only” and any such material shall not be shared with employees, officers or directors or their equivalents of the receiving Party without approval of the disclosing Party and (2) make appropriately limited redactions necessary to satisfy contractual confidentiality obligations, preserve attorney-client privilege or protect material relating to the valuation of the Acquired Assets. Notwithstanding anything to the contrary herein or otherwise, Purchaser will control and have final decision making authority on all regulatory strategy, submissions and procedures, after considering in good faith any reasonable advice provided by Seller in good faith.

(d) Notwithstanding anything to the contrary in this Agreement, nothing shall require or be construed to require any member of the Purchaser Group to (i) oppose any motion or Action for a temporary, preliminary or permanent Order against, or preventing or delaying, the consummation of the Transactions, or exhaust all avenues of appeal, including any proper appeal of any adverse decision or Order by any Governmental Body, (ii) enter into a consent decree, consent agreement, settlement or other agreement or arrangement (including any ancillary agreements) to hold separate, license, sell, transfer, dispose or divest (pursuant to such terms as may be required by any Governmental Body) any asset (whether tangible or intangible), (iii) agree to the termination, modification, or assignment of any relationships, joint ventures, contracts, assets, liabilities or obligations, (iv) agree to any limitations on governance, conduct, or actions of members of the Purchaser Group or operations of their respective businesses or with respect to the Acquired Assets or Assumed Liabilities, or (v) enter into any national security agreement, letter of assurance, or other mitigation agreement with the Committee on Foreign Investment in the United States or any member agency thereof acting in that capacity.

(e) From and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), Seller will not, and will not permit any of its Affiliates to, knowingly take any action, engage in any conduct or enter into any transaction that would reasonably be expected to (i) materially increase the risk of any Governmental Body entering an Order prohibiting or materially delaying the consummation of the Transactions or (ii) materially delay the consummation of the Transactions.

(f) Subject to Section 6.4(d), from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), each Party will

use reasonable best efforts to (i) cooperate with and (ii) seek to secure approvals or authorizations from, any relevant Governmental Body, including state banking departments enforcing money transmission laws, in order to permit consummation of the Transactions in a timely manner in compliance with applicable Laws.

6.5 Reasonable Best Efforts; Cooperation.

(a) Subject to the other terms of this Agreement, and without limiting, affecting or modifying the Parties' obligations under Section 6.4, or any of the Commercial Covenants, each Party shall, and shall cause its Advisors to, use its reasonable best efforts to perform its obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary under applicable Law to cause the transactions contemplated herein to be effected as soon as practicable and the closing conditions set forth in Article VII to be satisfied, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with the other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder. The "reasonable best efforts" of Seller will not require Seller or any of its Affiliates or Advisors to expend any money to remedy any breach of any representation or warranty, to commence any Action, to waive or surrender any right, to modify any Contract or to waive or forgo any right, remedy or condition hereunder. Notwithstanding anything to the contrary herein, in the event of a conflict between this Section 6.5(a) and Section 6.4, the provisions of Section 6.4 shall control with respect to such conflict.

(b) The obligations of Seller and Purchaser pursuant to this Agreement, including this Section 6.5, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Case), Seller's debtor-in-possession financing, if any, and Seller's obligations as a debtor-in-possession to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order, the Agreement Order, and the Confirmation Order) and Seller's duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

6.6 Data Transfer Matters.

(a) Seller shall, and shall cause its Affiliates to, (i) within 30 days (with the Parties using their reasonable best efforts to do so within five (5) Business Days) following the later of the date hereof and the date Purchaser provides the form of such notification, distribute an initial email notification, in the form provided by Purchaser, to all Users and any other consumers located or having a home address in the United States from whom Seller has collected Personal Information regarding the Transactions (including the Rebalancing Exercise) and the transfer of such individuals' Personal Information or accounts (including the ability to opt in to a pre-Closing transfer of such User's Acquired User Data to Purchaser), and prominently post a notice, in the form provided by Purchaser, to Seller's and its Affiliates' (as applicable) primary customer-facing website regarding the same; (ii) on a weekly basis, upon the expiration of any opt in period provided in the email notification distributed by Seller, but no earlier than the later of January 3, 2023 and entry of the Agreement Order, deliver to Purchaser the respective Acquired User Data for Users who have opted into the pre-Closing data transfer pursuant to the foregoing item (i) and whose Acquired User Data has not previously been transferred (the "Pre-Closing Data Transfer");

(iii) following the date of the initial email notification until the Closing Date, continue distributing additional email notifications, in the form provided by Purchaser, to such individuals, as Purchaser reasonably requires; and (iv) on the Closing Date, deliver to Purchaser all other Acquired User Data. All notifications contemplated by the foregoing shall be subject to Purchaser's consideration of any comments thereto proposed in good faith by Seller or counsel to the committee of unsecured creditors in the Bankruptcy Case and subject to applicable Law.

(b) From and after the date hereof and through and following the Closing, Seller shall, and shall cause its Affiliates to, maintain or maintain with a third party data management and retention firm, for the entirety of the applicable retention period and at least ninety (90) days thereafter, all information required to be maintained pursuant to, or to comply with, applicable Money Transmitter Requirements or Laws related to Sanctions.

(c) Seller shall, and shall cause its Affiliates to, use reasonable best efforts to procure that all information and documentation requested in connection with the KYC Procedures meets the standards set forth in such KYC Procedures (including moving files located in storage repositories (*e.g.*, Google Drive or Box) to the appropriate files associated with the applicable User and associating such information and documentation with the applicable User), as determined by Purchaser in its reasonable discretion, prior to the User Asset Migration Date, but in each case in no event prior to the applicable timing contemplated by clauses (i) through (iv) of Section 6.6(a).

6.7 Use of Name.

(a) Seller agrees that: (i) within ninety (90) days from the Closing Date, Seller shall (and shall cause its Affiliates to) cause an amendment to the governing documents of Seller and its Affiliates (as applicable) to be filed with the appropriate Governmental Body and shall take all other reasonable actions necessary to change Seller's and such Affiliate's legal, name to a name or names not containing "Voyager," any other trade mark or trade name set forth in Schedule 6.7(a) or any name confusingly similar to the foregoing; (ii) after the Closing Date neither Seller nor any of its Affiliates shall have any ownership rights in or to the name "Voyager," any other trade mark or trade name set forth in Schedule 6.7(a) or any service marks, trademarks, trade names, identifying symbols, logos, emblems, signs or insignia related thereto or containing or comprising the foregoing, including any name or mark confusingly similar thereto (collectively, the "Seller Marks"); and (iii) except as set forth in Section 6.7(a), Seller and its Affiliates shall, within ninety (90) days of the Closing Date, cease to make any use of the Seller Marks, including in any corporate or other legal name.

(b) Notwithstanding Section 6.7(a), for a period of ninety (90) days after the closing of the Bankruptcy Case, unless extended by mutual agreement of Purchaser and Seller, Purchaser hereby grants to Seller and its Affiliates (including, for the avoidance of doubt, any wind-down or similar administrator in the Bankruptcy Case or under the Plan) a non-exclusive, limited, non-transferable, non-sublicensable and revocable license to use the Seller Marks for the sole purposes of unwinding Seller's businesses and assisting Purchaser with all migrations, integrations and Transactions.

6.8 Further Assurances.

(a) From time to time from and after the date hereof through and following the Closing (in the case of Seller, until the winddown or dissolution of Seller), as and when requested by either Party, the other Party will execute and deliver, or cause to be executed and delivered, all such further conveyances, notices, assumptions, assignments, documents and other instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the Transactions (including for the avoidance of doubt, the transfer and conveyance of any Acquired Assets that may be in the possession of Seller's Affiliates to Purchaser); provided that nothing in this Section 6.8 shall require Purchaser or the Purchaser Group to assume any Liabilities of Seller or any of its Affiliates other than the Assumed Liabilities or Seller or any of its Affiliates to transfer any assets other than Acquired Assets. In addition, from time to time following the Closing Date (in the case of Seller, until the winddown or dissolution of Seller), each Party shall, and shall cause its Affiliates to, promptly execute, acknowledge and deliver such further documents and perform such further acts as are reasonably requested by the other Party and as may be reasonably necessary to transfer and convey to Purchaser, or make available to Purchaser the Acquired Assets or the Assumed Liabilities pursuant to this Section 6.8.

6.10 User Migration.

(a) Following the date hereof, Seller shall, and shall cause its Affiliates to cooperate with Purchaser to, develop (and each Party shall use reasonable best efforts to develop within 15 Business Days following the date hereof) a mutually agreed upon integration plan that sets forth all technology integrations that Purchaser deems reasonably necessary to enable all migrations of User accounts on the Voyager Platform to the Binance.US Platform as contemplated by this Agreement (the “Integration Plan”). The Integration Plan will include among other things: (i) directing customers on the Voyager Platform (including through links on the home screen for the web interface and mobile app for the Voyager Platform) to the Binance.US Platform log-in webpage or mobile app, (ii) migrating all Acquired User Data (subject to Section 6.6(a)) reasonably necessary for Purchaser to validate whether Users qualify as Existing Users and (iii) developing a process whereby any User that is not an Existing User can affirmatively accept terms and conditions to provide such User with access to their Net Owed Coins in a new Binance.US Platform account from directly within the Voyager Platform and related app in accordance with the provisions of this Agreement. Each Party shall, and shall cause its Affiliates and its and their respective employees and representatives to, comply with and implement the Integration Plan. From and after the date hereof (and following the Closing, if applicable, until the date that is six (6) months following the Closing Date), Seller shall, and shall cause its Affiliates and its and their respective employees and representatives to provide to Purchaser, its Affiliates and its and their respective employees and representatives (x) any assistance reasonably requested or required by Purchaser, its Affiliates and its and their respective employees and representatives in connection with the opening of User accounts on the Binance.US Platform, the transfer of information and Net Owed Coins from the Voyager Platform to the Binance.US Platform (including in connection with customer queries and troubleshooting with respect thereto), and the actions contemplated by this Section 6.10 and the Integration Plan and (y) subject to Section 6.6 and applicable Law, all necessary Acquired User Data in Seller’s or its Affiliates’ possession required to effectuate the Integration Plan. Purchaser shall bear the reasonable and documented out-of-pocket expenses incurred by Seller in connection with the provision of such assistance following the Closing pursuant to the immediately preceding sentence.

(b) Notwithstanding the provisions of Section 6.2(c) or Section 10.17, following entry of the Agreement Order, Purchaser and its Affiliates shall, at their sole cost and expense, be entitled to issue communications directed to Users on the Binance.US Platform and through other means of Purchaser’s choosing in connection with the Transactions or the opening of accounts on the Binance.US Platform; provided that such communications are consistent with this Agreement and applicable Law; provided that Purchaser shall not issue any such communications prior to the Closing Date without Seller’s prior written consent (which shall not be unreasonably withheld, conditioned or delayed) and subject to reasonable consultation with counsel to the committee of unsecured creditors in the Bankruptcy Case. Except as required by Section 6.11(d), Seller shall not, and Seller shall cause its Affiliates not to, issue any communication to Users, whether on the Voyager Platform or otherwise, except to the extent the form and substance of such communication has been previously approved by Purchaser or is required by applicable Law; provided that the foregoing shall not prohibit Seller from responding on an individual basis to technical support queries from Users or answering questions related to the amount of Coins such User has deposited on the Voyager Platform or communicating with customers regarding withdrawal of cash from the “for benefit of” customer accounts at

Metropolitan Commercial Bank; provided further that Seller shall, and shall cause its Affiliates to, provide Purchaser and counsel to the committee of unsecured creditors in the Bankruptcy Case with regular updates on the timing and content of such communications and shall cooperate with Purchaser in addressing any concerns related thereto. The Parties will work in good faith to (i) develop a set of talking points or FAQs for Users and Eligible Creditors with respect to the Transactions, the Bankruptcy Cases, and related matters and (ii) continue to review and revise such talking points or FAQs as other inquiries from Users and Eligible Creditors or other circumstances arise.

(c) Subject to Seller's providing the Acquired User Data in accordance with Section 6.6, and such Acquired User Data meeting the standards set forth in the KYC Procedures, as determined by Purchaser in its reasonable discretion, Purchaser shall cause an account to be opened for each User on the Binance.US Platform on or before the User Asset Migration Date. In addition to the foregoing, if Seller has not provided or does not have Acquired User Data meeting such standards with respect to a particular User, if such User provides such information and documentation meeting the standards set forth in such KYC Procedures, as determined by Purchaser in its reasonable discretion, Purchaser shall cause an account to be opened for such User in accordance with its standard account opening procedures following its receipt of such information and documentation.

(d) Seller and Purchaser shall offer (i) each eligible creditor pursuant to the Plan that is not a User (each, an "Eligible Creditor") and (ii) each User the opportunity, subject to the consummation of the Closing and such User and Eligible Creditor meeting the requirements of the KYC Procedures and accepting the terms and conditions of the Binance.US Platform, to receive its Net Owed Coins or other Plan distribution through the Binance.US Platform in accordance with Section 6.12 and the Plan. Within three (3) Business Days following the request of Purchaser (which request for the sake of clarity may be offered multiple times), Seller shall send to each User and Eligible Creditor a communication in the form provided by Purchaser notifying them of such offer.

(e) For the sake of clarity and notwithstanding anything to the contrary herein or otherwise, (i) none of Purchaser or any of its Affiliates shall be required to (A) activate an account or pay or credit any amount, whether in Coins, cash or otherwise, to any User or Eligible Creditor (or its account) that does not meet the requirements of the KYC Procedures and accept the terms and conditions of the Binance.US Platform, (B) pay or credit any amount, whether in Coins, cash or otherwise, to any User or Eligible Creditor or its account except in accordance with the Plan, or (C) credit the account of any User or Eligible Creditor with respect to Coins that have not actually been delivered to Purchaser in accordance with the provisions of Section 2.4(b), (ii) neither Purchaser nor any of its Affiliates is assuming any Liabilities of Seller or any of its Affiliates with respect to Users' accounts on the Voyager Platform or any Eligible Creditor, all of which Liabilities shall constitute Excluded Liabilities, and (iii) neither Purchaser nor any of its Affiliates shall be required to provide trading services on the Binance.US Platform or otherwise in respect of any Unsupported Coins.

6.11 Rebalancing Exercise; Seller Statement.

(a) Following the date hereof and prior to the Closing (or the earlier termination of this Agreement pursuant to Article VIII), (i) Seller shall purchase and sell Cryptocurrency through one or more transactions such that, following the completion of such transactions, the number of Acquired Coins of each type is equal to the aggregate number of Deposited Coins of such type multiplied by the Rebalancing Ratio (subject to a Rebalancing Exercise Delta with respect to each Acquired Coin of no more than five percent (5%) or, if after conducting such transactions and using reasonable best efforts to meet the Rebalancing Exercise Delta of five percent (5%), Seller reasonably and in good faith determines that it will not be able to meet such Rebalancing Exercise Delta, then such other amount as Purchaser and Seller consent to, such consent not to be unreasonably withheld, conditioned or delayed), the purpose of which transactions the Parties acknowledge and agree is to ensure that there are sufficient Acquired Coins of each type to pay to each User's account on the Binance.US Platform a number of Post-Rebalancing Coins of such type in accordance with the provisions of this Agreement (such transactions, the "Rebalancing Exercise"), and (ii) Seller shall, and shall cause its employees, accountants, advisors and representatives to, consult with, and keep reasonably informed, Purchaser, its Affiliates and their respective employees, accountants, advisors and representatives with respect to the Rebalancing Exercise and all actions taken in connection therewith, including by providing Purchaser with regular updates regarding the status of the Rebalancing Exercise. For the sake of clarity, the Parties agree that for purposes of the Rebalancing Exercise, if ETH Coins that are Staked Coins cannot be unstaked by the Rebalancing Date, or if there are Coins that Seller is otherwise unable to access due to such Coins being custodied with providers that have entered insolvency proceedings prior to the date hereof, then the Parties will agree on appropriate modifications to the Rebalancing Exercise and the process for distributing Net Owed Coins to Users in light of the foregoing. The Parties agree that the Rebalancing Exercise shall be completed in accordance with the provisions of this Agreement by no later than the date that is one (1) Business Day prior to the Closing Date (such date, the "Rebalancing Date").

(b) In order to facilitate the Rebalancing Exercise, Seller shall, promptly following the date hereof, to the extent not already created prior to the date hereof, create an institutional account in Seller's name on the Binance.US Platform, and Seller may, but shall not be required to, transfer any or all Seller Held Coins to such institutional account in order to facilitate the Rebalancing Exercise (and, for the avoidance of doubt, the Binance.US Platform shall serve merely as an exchange agent in connection with the Rebalancing Exercise). Prior to engaging in any Subject Transaction outside the Binance.US Platform, Seller shall provide Purchaser with a written notice describing the parameters of such Subject Transaction, including the proposed number of Seller Held Coins of each type to be transferred in connection with such Subject Transaction (each, a "Transaction Notice") and Purchaser shall be entitled to make, by written notice (each, a "Transaction Offer Notice") to Seller within three (3) Business Days following receipt of such Transaction Notice, an offer to conduct such Subject Transaction on the Binance.US Platform, including a description of the estimated numbers of Acquired Coins that would result from the consummation of such Subject Transaction. If Seller receives any proposal to conduct such Subject Transaction from any third party which would result in a number of Acquired Coins in excess of that set forth in the Transaction Notice, Seller shall inform Purchaser of the same, and Seller shall not conduct such Subject Transaction with or through other Person(s) unless Seller provides written notice to Purchaser that Seller has determined in good faith that the

terms offered by such other Person(s) with respect to such Subject Transaction (which such terms shall be set forth in such notice) are more favorable (in terms of the best interests of Seller and its estate) than the terms set forth in the Transaction Offer Notice and Purchaser does not provide an updated Transaction Offer Notice within one (1) Business Day following receipt of such notice from Seller with terms as or more favorable (in terms of the best interests of Seller and its estate) than those set forth in Seller's notice. If Purchaser does so provide such an updated Transaction Offer Notice, Seller conduct such applicable Subject Transaction on the Binance.US Platform in accordance with such updated Transaction Offer Notice. In addition to the foregoing, Seller may request that Purchaser facilitate all or part of the Rebalancing Exercise, in which case all or such portion of the Rebalancing Exercise shall be conducted on the Binance.US Platform. Seller's use of the Binance.US Platform for the Rebalancing Exercise shall be subject in all respects to the standard terms and conditions of the Binance.US Platform (including applicable fees, spreads, costs and expenses except as set forth in the applicable Transaction Offer Notice). For the sake of clarity, Seller may withdraw any Coins from the Binance.US Platform prior to the Closing and Seller shall not be required to maintain Coins on the Binance.US Platform in connection with the Rebalancing Exercise or otherwise (except as otherwise expressly contemplated hereunder from and after the Closing and acknowledging that this sentence is not intended to and shall not preclude transactions in the Rebalancing Exercise being undertaken on the Binance.US Platform in accordance with the provisions hereof).

(c) At least one (1) Business Day prior to the Closing Date and following completion of the Rebalancing Exercise in accordance with Section 6.11(a), Seller will deliver to Purchaser a ledger in a form reasonably specified by Purchaser as far in advance of the Rebalancing Date as is reasonably practicable (the "Seller Statement") setting forth in reasonable detail, in each case as of the Rebalancing Date and following the completion of the Rebalancing Exercise in accordance with Section 6.11(a), (i) each User's user identification number, (ii) the Rebalancing Ratio and the calculation thereof, (iii) the number of each User's Deposited Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Deposited Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject), (iv) the number of each User's Post-Rebalancing Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Post-Rebalancing Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject), (v) the total number of Seller Held Coins and Acquired Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Seller Held Coins and Acquired Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject), (vi) the total amount of gas fees that Seller will pay in connection with the transfer of each type of Acquired Coin to Purchaser in accordance with Section 2.4, and (vii) the amount of cash, Coins or other property (including the name and relevant ticker symbol used on the Voyager Platform for such Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject) payable to each Eligible Creditor, after taking into account gas or other transaction fees incurred and paid by Seller in connection with transferring such Coins to Purchaser, and any identifying information and information required to make such payments to such Eligible Creditor under the Plan, in each case together with reasonably detailed supporting information and documentation and prepared by Seller based on Seller's and its Affiliates' books and records. Notwithstanding anything to the contrary herein, Seller hereby acknowledges and agrees that (A) Purchaser and its Affiliates shall be entitled to fully rely on the Seller Statement

and any data, information or calculation set forth therein for purposes of Section 6.11(d), and (B) in no event shall Purchaser or any of its Affiliates be responsible (x) to any Person for the Seller Statement, any data, information or calculation set forth therein or any error or inaccuracy with respect thereto or (y) for any losses, liabilities or damages in respect thereof, in each case, to the extent Purchaser takes any action in reliance thereon.

(d) Promptly following the completion of the Rebalancing Exercise, Seller shall send to each User a communication notifying such User of the Rebalancing Exercise, such User's Deposited Coins, and the Net Owed Coins attributable to such User's account on the Voyager Platform following the Rebalancing Exercise and any gas fees incurred in connection with the transfer of Coins to Purchaser pursuant to Section 2.4. Seller will, upon Purchaser's request, deliver to each Eligible Creditor a communication relating to the Transactions, any payments to be made by Purchaser or any of its Affiliates to such Eligible Creditor and any matters relating to opening an account on the Binance.US Platform, in each case that is in form and substance reasonably acceptable to Purchaser.

6.12 Crediting of Accounts; Unsupported Jurisdictions, Transfer of Coins to Seller; Liquidations or Distributions by Seller.

(a) Subject to the provisions of Section 6.10, on the User Asset Migration Date, Purchaser shall credit, or cause to be credited, (i) to the Binance.US Platform account of each User, such User's Net Owed Coins and (ii) to the Binance.US Platform account of each Eligible Creditor, the applicable amount payable to such Eligible Creditor as set forth in the Seller Statement. For the avoidance of doubt, Coins credited to any User's or Eligible Creditor's accounts on the Binance.US Platform may be made from any Coins held by or on behalf of Purchaser or any of its Affiliates. As a condition precedent to any User or Eligible Creditor accessing its account or Coins on the Binance.US Platform, such User or Eligible Creditor must satisfy the requirements set forth in Section 6.10. Following such User's or Eligible Creditor's satisfaction of such requirements, Purchaser shall allow such User or Eligible Creditor, as applicable, to access trading services with respect to its Coins subject to the Binance.US Platform's customary terms and conditions (including any transaction fees, spreads, costs and expenses). Notwithstanding anything to the contrary herein, with respect to any User or Eligible Creditor that does not satisfy such requirements prior to the date that is three (3) months following the later of the Closing Date or the date on which such terms and conditions are made available for such User or Eligible Creditor to accept, then Purchaser shall convert any Acquired Coins with respect to such Users or Eligible Creditors into United States Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such United States Dollars, together with any cash or other assets in respect of such Users or Eligible Creditors to Seller within five (5) Business Days, for further distribution by Seller in accordance with the Plan.

(b) Notwithstanding anything to the contrary herein or otherwise, for any Person (including any User or Eligible Creditor) that is located in Hawaii, New York, Texas or Vermont, to the extent that Purchaser does not have a Money Transmitter License or similar license in such jurisdiction or in any other jurisdiction where the applicable Governmental Body asserts after the date of this Agreement that Purchaser or any of its Affiliates requires a Money Transmitter License or similar license in order to consummate the Transactions or perform its obligations hereunder (each, an "Unsupported Jurisdiction"), Purchaser and its Affiliates shall not be required

to (i) credit or make any payment (with any Coins, cash or otherwise) to any account of such Person (including any User or Eligible Creditor) on the Binance.US Platform, or (ii) permit any such Person or account of such Person on the Binance.US Platform to be active or conduct any trading or investing in Coins. Notwithstanding anything herein to the contrary, prior to the Closing, Seller have the option to elect (upon consultation with professionals representing the committee of unsecured creditors in the Bankruptcy Case) that either (i) Seller shall not deliver to Purchaser any Coins, cash, or other asset with respect to any User or Eligible Creditor located in an Unsupported Jurisdiction or (ii) Seller shall deliver such Coins to Purchaser at Closing. Upon receipt by Purchaser of any Unsupported Jurisdiction Approvals with respect to any Unsupported Jurisdiction(s), which Unsupported Jurisdiction Approvals permit Purchaser to perform its obligations under Section 6.12(a) in such Unsupported Jurisdiction, then Purchaser shall promptly notify Seller of receipt of such Unsupported Jurisdiction Approval and, if Seller has not previously delivered applicable Coins, cash, or other asset with respect to any User or Eligible Creditor located in such Unsupported Jurisdiction then Seller shall so deliver such assets to Purchaser within five (5) Business Days of such notification, and Purchaser shall (following receipt of any applicable assets if required) consummate the actions in such Unsupported Jurisdiction that were restricted by this Section 6.12(b); provided that to the extent Purchaser does not receive such Unsupported Jurisdiction Approval(s) with respect to any Unsupported Jurisdiction prior to the date that is six (6) months following the Closing Date, then to the extent Purchaser is holding any Acquired Coins with respect to Users or Eligible Creditors in such Unsupported Jurisdictions, Purchaser shall convert such Acquired Coins into United States Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such United States Dollars, together with any cash or others assets in respect of such Users or Eligible Creditors to Seller within five (5) Business Days, for further distribution by Seller in accordance with the Plan.

(c) From and after the Closing, or if this Agreement is terminated in accordance with its terms (other than in connection with a Purchaser Default Termination), then from and after such termination, if Seller or any of its Affiliates intends to consummate a transaction or series of related transactions pursuant to which it will purchase, sell or liquidate any Coins or distribute the proceeds thereof to any User or Eligible Creditor, in each case other than any Additional Bankruptcy Distributions (but including any purchase, sale or liquidation of any Coins prior to making any Additional Bankruptcy Distributions) or any of the transactions provided for in the preceding provisions of this Section 6.12 then (i) Seller may, but shall not be required to, utilize the Binance.US Platform, or other service offerings of Purchaser or its Affiliates, to consummate such transaction or series of related transactions (including any purchase, sale, liquidation or distribution described above) on Purchaser's and its Affiliates' standard terms and conditions (including any transaction fees, spreads, costs and expenses) and (ii) if this Agreement is terminated in accordance with its terms (other than in connection with a Purchaser Default Termination), then Seller may, but shall not be required to, elect that Purchaser and Seller will (and Seller will cause its Affiliates and any other Person with whom Seller or its Affiliates is consummating any such transaction or transactions to) cooperate in good faith to develop and facilitate any transaction similar to the Rebalancing Exercise required by Seller, any of its Affiliates, and any other Person with whom Seller or its Affiliates is consummating any such transaction or transactions, in order to consummate any such transaction or series of related transactions; provided that in no event will Purchaser or any of its Affiliates be required to make any distribution or facilitate or consummate any transaction under this Section 6.12(c) with respect

to any User located in an Unsupported Jurisdiction. In connection with any distribution made by Purchaser or its Affiliates pursuant to this Section 6.12(c), all right, title and interest in and to any property so distributed (including any Coins) shall be made or transferred to Purchaser or its Affiliates free and clear of any Encumbrances prior to any such distribution by Purchaser or its Affiliates and such distributions will be made on Purchaser's and its Affiliates' standard terms and conditions (including any transaction fees, spreads, costs and expenses).

(d) The provisions of Sections 6.10, 6.11, 6.12, and 6.14 shall be subject to such protocols, if any, as the Parties may agree in writing after the date hereof with respect to the transfer of information, migration of users, migration or transfer of Coins, and any matters related to the foregoing or such Sections.

(e) Notwithstanding anything to the contrary herein, but subject to the last sentence of this Section 6.12(e), (i) Seller (prior to the Closing) and each User and Eligible Creditor (from and after the Closing) shall retain all right, title, and interest in and to Coins allocated to it in accordance with this Agreement on the Binance.US Platform (notwithstanding any terms and conditions of the Binance.US Platform) through and including such time as such Coins are returned or distributed to Seller or such User and Eligible Creditor, as applicable, hereunder, and such Coins shall be held by Purchaser solely in a custodial capacity in trust and solely for the benefit of Seller or the applicable User or Eligible Creditor; provided that in the case of Coins allocable to Users or Eligible Creditors located in Unsupported Jurisdictions, to the extent, if any, that such Coins are transferred to Purchaser pursuant to Section 6.12(b), from and after the Closing until the applicable Unsupported Jurisdiction Approval is obtained or such Coins are liquidated in accordance with Section 6.12(b) hereunder, such Coins shall be held by Purchaser in a custodial capacity on behalf of Seller and not the applicable User or Eligible Creditor; (ii) any and all cash or cash equivalents to be transferred at any time to Purchaser hereunder for further distribution to Seller or any User or Eligible Creditor (and not for Purchaser's own account (e.g., Purchaser Expenses)) shall at all times (until transferred by Purchaser to Seller or the applicable User or Eligible Creditor, as applicable, hereunder) be held solely in a third party bank account of a FDIC-insured financial institution solely for the benefit of or "fbo" Seller or such User or Eligible Creditor, as applicable; (iii) Purchaser shall not, after the date hereof, introduce any further conditions to the withdrawal of cash from accounts on the Binance.US Platform that are not in effect as of the date hereof that would apply to any User's or Eligible Creditor's account on the Binance.US Platform; (iv) Purchaser shall not at any time halt (temporarily or permanently) withdrawals of cash or such Coins from any User's or Eligible Creditor's account on the Binance.US Platform; (v) Purchaser shall not halt trading of such Coins on the Binance.US Platform at any point during the 30 days following any distribution to any User's or Eligible Creditor's account on the Binance.US Platform hereunder, except, in the case of each of the foregoing clauses (iii), (iv) and (v), (A) as required by applicable Law or any Order or Governmental Body, (B) as may be permitted pursuant to Purchaser's terms and conditions in effect on the Closing Date (including for purposes of halting fraud or illegal activity), (C) as necessary to complete any system, account, wallet, security or exchange maintenance, patching, repair, upgrade or to the extent any withdrawal or trading is unable to be processed due to any act or omission by, or any Event related to, any third party (e.g., a bank closure or a third party ceasing to support any Cryptocurrency), (D) in order to avoid any legal, compliance or regulatory issue or in order to ensure market stability, or (E) in order to avoid any information security risk; (vi) Purchaser shall not take, permit to be taken, or omit to take any action that would reasonably

be expected to (A) result in the insolvency of Purchaser or (B) prevent or materially impair or materially delay the ability of Purchaser to perform the Commercial Covenants in accordance herewith; (vii) Purchaser shall comply in all material respects with all provisions of the Plan applicable to Purchaser or the Distribution Agent (as defined in the Plan) to the extent Purchaser is acting as a distribution agent in connection with the Plan; and (viii) Purchaser shall not pledge, repledge, hypothecate, rehypothecate, sell, lend, stake, arrange for staking, or otherwise transfer or use any amount of such Coins, separately or together with other property, with all attendant rights of ownership, and for any period of time and without retaining a like amount of Coins, or invest such Coins (except as otherwise directed by Seller or any User or Eligible Creditor, as applicable). Notwithstanding the foregoing, Purchaser's obligations under this Section 6.12(e) shall terminate and be of no further force or effect on the earlier of (x) the date that Purchaser's obligations under Section 6.10, Section 6.11, Section 6.12, and Section 6.14 have been performed in full or Purchaser otherwise ceases to have any obligations thereunder, and (y) the date on which this Agreement is terminated in accordance with its terms.

6.13 VGX Token Listing Review Process. Following the entry of the Agreement Order, Purchaser will initiate and undertake consistent with its policies and past practices an internal review process to determine whether VGX tokens can be listed for trading on the Binance.US Platform, which review process will include submitting the VGX token to Purchaser's listing committee for consideration consistent with its policies and past practices.

6.14 Additional Bankruptcy Distributions. The provisions of this Section 6.14 shall cease to apply and be of no further force and effect upon the soonest to occur of (a) Purchaser ceasing to provide the services necessary to comply with this Section 6.14, (b) Purchaser's bankruptcy or insolvency, (c) the issuance of a final, non-appealable Order by a Governmental Body prohibiting the consummation of the transactions contemplated by this Section 6.14, (d) any Purchaser Development (disregarding for the purposes of this Section 6.14 the language "prior to the Closing"), and (e) Purchaser's material breach of Section 6.12(e) or this Section 6.14 which remains uncured for 30 days following Purchaser's receipt of Seller's written notice of such material breach.

(a) Any Additional Bankruptcy Distributions made on account of Users' or Eligible Creditors' claims against the Debtors and all right, title and interest therein and thereto shall be made or transferred to Purchaser free and clear of any Encumbrances. Any such transfers in Coins shall be deemed complete when each transfer is publicly confirmed on the blockchain for the related Coin at least the number of times set forth on <https://support.kraken.com/hc/en-us/articles/203325283-Cryptocurrency-deposit-processing-times> (or a successor site mutually agreed by Seller and Purchaser), or, for any Coins held in Seller's account on the Binance.US Platform, transferred to the Binance.US Platform account designated by Purchaser, or in the case of staked ETH Coins, such staked ETH Coins shall be delivered pursuant to the means reasonably specified by Purchaser.

(b) Upon the Bankruptcy Court's approval of any Additional Bankruptcy Distributions (including through the Confirmation Order), Seller shall deliver to Purchaser a statement setting forth (i) the amount of Additional Bankruptcy Distributions to be made to each User or Eligible Creditor, as applicable, as approved by the Bankruptcy Court in Coins (including the name and relevant ticker symbol used on the Voyager Platform for such Coins, together with

all information regarding the underlying networks and smart contracts to which such Coins are subject) after taking into account gas or other transaction fees incurred and paid by Seller in connection with transferring such Coins to Purchaser in accordance with this Section 6.14, (ii) the amount of Additional Bankruptcy Distributions to be made to each User or Eligible Creditor, as applicable, as approved by the Bankruptcy Court in cash, and (iii) the user identification number of each such User or other identifying or account information of any Eligible Creditor, as applicable (such statement, the “Post-Bankruptcy Statement”). The provisions set forth in the last sentence of Section 6.11(a) shall apply to the Post-Bankruptcy Statement, *mutatis mutandis*.

(c) Promptly following Purchaser’s receipt of any Additional Bankruptcy Distributions (but no later than five (5) Business Days following receipt of any Additional Bankruptcy Distributions), Purchaser shall credit such Additional Bankruptcy Distributions to each User’s and Eligible Creditor’s accounts, if any, on the Binance.US Platform in such amounts set forth on, and in accordance with, the Post-Bankruptcy Statement. The Additional Bankruptcy Distributions credited to each User and Eligible Creditor in accordance with this Section 6.14(a) are referred to herein as “Credited Additional Bankruptcy Distributions”.

(d) If any Additional Bankruptcy Distribution is to be received by Purchaser pursuant to Section 6.14(a), prior to the crediting of the applicable Credited Additional Bankruptcy Distribution pursuant to Section 6.14(a), Seller shall reduce such Credited Additional Bankruptcy Distribution by and shall retain (i) the number of Coins allocated in the applicable Post-Bankruptcy Statement to each User or Eligible Creditor located in an Unsupported Jurisdiction in which Purchaser or its applicable Affiliate(s) have not received the necessary Money Transmitter License, and (ii) the amount of cash allocated in the applicable Post-Bankruptcy Statement to each User or Eligible Creditor located in an Unsupported Jurisdiction in which Purchaser or its applicable Affiliate(s) have not received the necessary Money Transmitter License, and, in either case, such amounts shall be distributed by Seller in accordance with the Plan.

(e) There shall be no transaction fees, spreads, costs or expenses charged to or payable by Seller, any User, or any Eligible Creditor with respect to any Additional Bankruptcy Distributions to the account of Seller, such User or such Eligible Creditor, as applicable, on the Binance.US Platform contemplated by this Section 6.14. With respect to any User or Eligible Creditor that does not meet the requirements of the KYC Procedures and accept the terms and conditions of the Binance.US Platform (or otherwise is not or no longer is a user with an active account on the Binance.US Platform) as of or prior to the date of such Post-Bankruptcy Statement, Purchaser shall convert all Coins allocable to such User or Eligible Creditor in such Additional Bankruptcy Distribution into United States Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such United States Dollars, together with any cash or other assets in respect of such Users or Eligible Creditors, to Seller within five (5) Business Days, for further distribution by Seller in accordance with the Plan.

6.15 Unstaking. Promptly following the date hereof (until the Closing or the earlier termination of this Agreement pursuant to Article VIII) but without limiting what is permitted by Section 6.1(b)(iii), Seller shall, and shall cause its Affiliates to, (a) ensure that all Seller Held Coins (other than ETH Coins that are Staked Coins as of the date hereof) are freely transferable and not subject to any restrictions on transfer (including restrictions on transfer implemented through

“smart contracts” or other technological means), (b) without limiting the foregoing, ensure that all Seller Held Coins (other than ETH Coins that are Staked Coins as of the date hereof) are unstaked prior to the Rebalancing Date, and (c) consult with Purchaser and its representatives, keep Purchaser and its representatives reasonably informed, and provide Purchaser and its representatives with draft documents reasonably in advance of execution or delivery thereof and incorporate any comments therein proposed in good faith by Purchaser or its representatives, in each case, in connection with any of the foregoing.

6.16 Receipt of Misdirected Assets; Liabilities. From and after the Closing, if Purchaser or Seller becomes aware that Seller or any of its Affiliates is in possession of any right, property or asset that is an Acquired Asset, such Party shall promptly inform the other Party of that fact. Thereafter, at the request of Purchaser, Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser or any other entities nominated by Purchaser for no consideration, and such asset will be deemed the property of Purchaser of any such nominees held in trust by Seller for Purchaser or any such nominees until so transferred. From and after the Closing, if Purchaser or Seller becomes aware that Purchaser or any of its Affiliates is in possession of any right, property or asset that is an Excluded Asset, such Party shall promptly inform the other Party of that fact. Thereafter, at the request of Seller, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Seller or any other entities nominated by Seller for no consideration, and such asset will be deemed the property of Seller of any such nominees held in trust by Purchaser for Seller or any such nominees until so transferred; provided that if Purchaser discovers any items (or portions thereof) that would be Documents but for the fact that they relate to Excluded Assets, Purchaser shall use reasonable best efforts to destroy such items. Notwithstanding anything to the contrary herein or otherwise, if any amount (including any principal, interest, fees, expenses or penalties) is outstanding or unpaid under any Loan from or after the Closing, then such Loan, any agreements or documents entered into in connection therewith and any collateral posted in respect thereof shall be deemed Acquired Assets for all purposes under this Agreement and any other agreements or documents entered into in connection herewith, and Seller shall, and shall cause its Affiliates to, sell, transfer, assign, convey and deliver to Purchaser all of its and their right, title and interest in and to the foregoing, free and clear of all Encumbrances in the same manner as the other Acquired Assets under Section 1.1, *mutatis mutandis*, for no additional consideration and at no cost or expense to Purchaser or its Affiliates.

6.17 Acknowledgment by Purchaser.

(a) Purchaser acknowledges and agrees that it has conducted to its full satisfaction an independent investigation and verification of the business, including its financial condition, results of operations, assets, Liabilities, properties, Contracts, regulatory compliance, business risks and prospects of Seller and the Acquired Assets and the Assumed Liabilities, and, in making its determination to proceed with the Transactions, Purchaser and the Purchaser Group have relied solely on the results of the Purchaser Group’s own independent investigation and verification and have not relied on, are not relying on, and will not rely on, Seller, any information, statements, disclosures, documents, Projections, forecasts or other material made available to Purchaser or any of its Affiliates or their respective Advisors in the Dataroom, the Information

Presentation, or the Projections or any information, statements, disclosures or materials, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Seller Representations (it being understood that Purchaser and the Purchaser Group have relied only on the Express Seller Representations). Purchaser acknowledges and agrees that (i) the Express Seller Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser or any member of the Purchaser Group and on which Purchaser or any member of the Purchaser Group may rely in connection with the Transactions and (ii) all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (A) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Seller Representations) including in the Dataroom, Information Presentation, Projections, meetings, calls or correspondence with management of Seller, any of the Seller Parties or any other Person on behalf of Seller or any of the Seller Parties or any of their respective Affiliates or Advisors and (B) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, regulatory compliance, business risks and prospects of Seller, or the quality, quantity or condition of Seller's assets, are, in each case, specifically disclaimed by Seller, on its behalf and on behalf of the Seller Parties. Purchaser: (x) disclaims reliance on the items in clause (ii) in the immediately preceding sentence (which, for the avoidance of doubt, do not include any Express Seller Representations); and (y) acknowledges and agrees that it has relied on, is relying on and will rely on only the items in clause (i) in the immediately preceding sentence. Without limiting the generality of the foregoing, Purchaser acknowledges and agrees that neither Seller or any other Person (including the Seller Parties), has made, is making or is authorized to make, any representations or warranties, whether in written, electronic or oral form, express or implied with respect to, (1) any potentially material information regarding Seller or any of its assets (including the Acquired Assets), Liabilities (including the Assumed Liabilities) or operations and (2) as to the quality, merchantability, fitness for a particular purpose, or condition of Seller's business, operations, assets, Liabilities, Contracts, regulatory compliance, business risks and prospects or any portion thereof, except, in each case, solely to the extent set forth in the Express Seller Representations.

(b) Without limiting the generality of the foregoing, in connection with the investigation by the Purchaser Group of Seller, Purchaser and the members of the Purchaser Group, and the Advisors of each of the foregoing, have received or may receive, from or on behalf of Seller, certain projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in the Information Presentation, Dataroom, management meetings, etc.) (collectively, "Projections"). Purchaser acknowledges and agrees that (i) such Projections are being provided solely for the convenience of Purchaser to facilitate its own independent investigation of Seller, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Purchaser is familiar with such uncertainties, and (iv) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections).

6.18 IT Migration. From and after the date hereof until one hundred twenty (120) days after the Closing Date, upon Purchaser's request, Seller shall, and shall cause its Affiliates to, use reasonable best efforts to make available all relevant technical staff, employees and representatives

of Seller and its Affiliates, including the Chief Technology Officer of Seller and its Affiliates, to Purchaser and its Affiliates, to (a) assist Purchaser and its Affiliates in understanding all Business Software and Business Accounts, (b) assist with the Integration Plan, (c) transition of all accounts with third party sites necessary to support the Voyager Platform and its associated mobile applications, (d) address the logistics of transferring the Business Software and Business Accounts to Purchaser, including providing Purchaser with access to all credentials to GitHub accounts and other repositories for storage of source code for the Business Software, and (e) any other technical assistance that Purchaser or any of its Affiliates deems reasonably necessary to enable all migrations, integrations and Transactions. Purchaser hereby grants Seller a limited, non-exclusive, non-transferable, non-sublicensable and revocable license to access and use the Business Software for the sole purpose of providing the support to Purchaser as contemplated in this Section 6.18. Seller and its Affiliates may not use, modify, share, disclose or revise such Business Software for any other purpose. Seller shall bear all costs and expenses associated with the provision of such services on or prior to the Closing Date pursuant to this Section 6.18. Purchaser shall bear the reasonable and documented costs and expenses incurred by Seller in connection with the provision of such services during the 120-day period after the Closing Date pursuant to this Section 6.18. Seller can provide no assurance that Seller's employees will elect to remain employed by Seller prior to or following the Closing and Seller will not be required to replace any such resigning employees.

6.19 Confidentiality.

(a) Each Party acknowledges that Confidential Information has been, and in the future will be, provided to it in connection with this Agreement and the Transactions, including under Section 6.2.

(b) Seller acknowledges that from and after the Closing, all non-public information relating to the Acquired Assets and the Assumed Liabilities will be valuable and proprietary to Purchaser and its Affiliates. Seller agrees that, from and after the Closing, Seller will not, and will cause their Affiliates and Advisors not to, directly or indirectly, without the prior consent of Purchaser, disclose to any Person any Confidential Information relating to Purchaser and its Affiliates, the Acquired Assets or the Assumed Liabilities.

(c) Notwithstanding anything to the contrary herein, the provisions of this Section 6.19 will not prohibit any disclosure (i) required by applicable Law, Order or the rules of a securities exchange to which it is subject, (ii) in connection with a regulatory inquiry by a Governmental Body or self-regulatory organization, (iii) as necessary in connection with Seller's bankruptcy process or (iv) to each Party's Advisors who have been informed of the confidential nature of the information and have been instructed to keep such information confidential. Purchaser acknowledges and understands that this Agreement may be publicly filed in the Bankruptcy Court and further made available by Seller to prospective bidders and that, except as prohibited herein, such disclosure will not be deemed to violate any confidentiality obligations owing to Purchaser, whether pursuant to this Agreement or otherwise. Each Party agrees that such Party will be responsible for any breach or violation of the provisions of this Section 6.19 by any of such Party's Affiliates. Each Party acknowledges and agrees that the remedies at law for any breach or threatened breach of this Section 6.19 by Seller or Purchaser are inadequate to protect Purchaser or Seller and its Affiliates, as applicable, and that the damages resulting from any such

breach are not readily susceptible to being measured in monetary terms. Accordingly, without prejudice to any other rights or remedies otherwise available to either Party or its Affiliates, each Party acknowledges and agrees that upon any breach or threatened breach by a Party of the terms and conditions of this Section 6.19, the other Party and its Affiliates, as applicable will be entitled to immediate injunctive relief and to seek an order restraining any threatened or future breach from any court of competent jurisdiction without proof of actual damages or posting of any bond in connection with any such remedy. The provisions of this Section 6.19 will survive the Closing and terminate two (2) years after the Closing Date.

6.20 Acquired Assets Owned by Non-Debtors. To the extent any item set forth in Schedule 6.20 or any other asset used in or relating to the Cryptocurrency custody and trading business of Seller constitutes property of Voyager IP, LLC, and, but for this Section 6.20, is of a type that would constitute an Acquired Asset (disregarding solely for this purpose any reference to “of Seller” or other reference indicating ownership, licensing, holding, leasing or use of any type of Acquired Asset by Seller), Seller shall cause Voyager IP, LLC’s right, title and interest in and to such item or asset to be transferred (for no additional consideration) to Purchaser reasonably promptly after Closing as an Acquired Asset as if transferred at the Closing in accordance with the other provisions of this Agreement, including by designating Voyager IP, LLC as an additional assignor under the Trademark and Domain Name Assignment Agreement.

6.21 Seller Expenses.

(a) Purchaser shall (i) at the Closing bear as a component of the Purchase Price pursuant to Section 2.1(a), without duplication, the Seller Expenses or (ii) if this Agreement is validly terminated in accordance with its terms, pay to Seller, within three (3) Business Days following such termination, cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by Seller in an amount equal to the Seller Expenses; provided that notwithstanding anything to the contrary herein, (A) in no event shall the aggregate amount of Seller Expenses payable by Purchaser hereunder exceed the Seller Expense Cap, (B) any fees and expenses (including reasonable and documented out-of-pocket financial advisor and legal fees, expenses and disbursements) incurred by Seller or any of its Affiliates, or otherwise relating to the activities or operations of Seller or any of its Affiliates, on or prior to the Seller Expense Start Date shall not constitute Seller Expenses, and (C) (x) if the Closing or the termination of this Agreement occurs on or prior to the Seller Expense Start Date, (y) if this Agreement is terminated pursuant to (1) Section 8.1(b) or Section 8.1(c) by Purchaser, or by Seller in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Section 8.1(e), or (2) Section 8.1(e), Section 8.1(g), Section 8.1(h) or Section 8.1(i), or (z) the Closing does not occur on or prior to the Seller Expense Start Date due to any act or omission by Seller or any of its Affiliates or any material breach of this Agreement by Seller, then in each case the Seller Expenses shall be zero (0).

(b) For purposes of this Agreement, “Seller Expenses” means all reasonable and documented costs, fees, and expenses (including reasonable and documented out-of-pocket financial advisor and legal fees, expenses and disbursements) incurred by or behalf of any Debtor during the period beginning on the Seller Expense Start Date and ending on the earlier of (i) the Closing Date and (ii) the date on which this Agreement is validly terminated in accordance with its terms, in each case (A) solely in connection with maintaining its operations in the Ordinary

Course or by professionals in connection with the Bankruptcy Case, (B) that Seller would not have otherwise incurred if the Closing had occurred on or prior to the Seller Expense Start Date, and (C) which fees and expenses of such professional are approved by the Bankruptcy Court.

6.22 Purchaser Expenses.

(a) If this Agreement is terminated (i) by Seller pursuant to Section 8.1(c), in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Section 8.1(e), or (ii) pursuant to Section 8.1(e), Section 8.1(g), Section 8.1(h) or Section 8.1(i)(ix), then Seller shall pay to Purchaser, within three (3) Business Days following such termination, cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by Purchaser in an amount equal to the Purchaser Expenses; provided that notwithstanding anything to the contrary herein, in no event shall the aggregate amount of Purchaser Expenses payable by Seller hereunder exceed \$5,000,000; provided further that if this Agreement is validly terminated by Seller pursuant to Section 8.1(g) (x) in order for Seller to pursue a Liquidation as a result of and following any Effect with respect to Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, or any Effect with respect to Purchaser's Affiliates that has an Effect on Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, that, individually or in the aggregate with all other such Effects, would reasonably be expected to (1) prevent or materially impair or materially delay the ability of Purchaser to consummate the Transactions in accordance herewith or (2) materially and adversely affect the Users, Eligible Creditors, or the Acquired Coins on the Binance.US Platform, including following the Closing, as compared to users and Coins on the Binance.US Platform as of the date hereof, and (y) such termination was not effected (1) in connection with a Higher and Better Offer or (2) because the estimated proceeds from such Liquidation are or would reasonably be expected to be greater than the Closing Date Payment (plus the fair market value of any Acquired Coins or any proceeds therefrom, in each case, as determined at the time Seller commences such Liquidation), then no Purchaser Expenses shall be payable.

(b) For purposes of this Agreement, "Liquidation" means any combination of one or more of the following: (i) a plan under chapter 11 of the Bankruptcy Code that provides for sales or liquidation of the Debtors' assets through a transaction (other than a sale of substantially all of the Debtors' assets to one purchaser on a going concern basis), including the Plan, (ii) one or more sales of assets pursuant to section 363 of the Bankruptcy Code other than a sale of substantially all of the Debtors' assets to one purchaser on a going concern basis, (iii) conversion of the Bankruptcy Case to cases under chapter 7 of the Bankruptcy Code, (iv) foreclosure or other exercise of remedies (including a deed in lieu of foreclosure) by or in favor of one or more creditors, (v) abandonment of the Debtors' assets to a creditor, or (vi) a dismissal of the Bankruptcy Cases.

(c) For the purposes of this Agreement, "Purchaser Expenses" means all reasonable and documented fees and expenses (including reasonable and documented out-of-pocket legal fees, expenses and disbursements) incurred by Purchaser since August 5, 2022, in connection with, arising from or related to efforts to purchase the Acquired Assets (as defined in the Bidding Procedures Order), which, for the avoidance of doubt, includes its evaluation,

negotiation and pursuit of the Transactions, this Agreement and the other documents and agreements contemplated hereby (the “Purchaser Bid Process”).

(d) All amounts payable to Purchaser pursuant to Section 6.22(a) upon termination of this Agreement shall be payable in cash by wire transfer of immediately available funds to such bank account as shall be designated by Purchaser in writing, and without the requirement of any notice or demand from Purchaser or any application to or order of the Bankruptcy Court other than the Agreement Order.

ARTICLE VII CONDITIONS TO CLOSING

7.1 Conditions Precedent to the Obligations of Purchaser and Seller. The respective obligations of each Party to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) there shall be no Law or Order (including any temporary restraining order or preliminary or permanent injunction) in effect restraining, enjoining, making illegal or otherwise prohibiting the Transactions;

(b) the Bankruptcy Court shall have entered the Agreement Order, which Agreement Order shall (i) be in form and substance reasonably acceptable to Purchaser, (ii) comply in all respects with Section 5.1(b), and (iii) be a Final Order; and

(c) the Bankruptcy Court shall have entered the Confirmation Order, in form and substance, solely with respect to matters relating to this Agreement or the Transactions, reasonably acceptable to Purchaser, confirming a Plan in form and substance, solely with respect to matters relating to this Agreement or the Transactions, reasonably acceptable to Purchaser, and the Confirmation Order shall be a Final Order.

7.2 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Purchaser in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) (i) the representations and warranties of Seller set forth in Article III (in each case, other than the Fundamental Representations and the representations and warranties set forth in Section 3.16(a)) shall be true and correct in all respects as of the Closing Date as though made on and as of the Closing Date, except (x) that representations and warranties that are made as of a specified date need be so true and correct only as of such date and (y) to the extent the failure of such representations and warranties to be true and correct as of such dates has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; provided that for purposes of the immediately preceding clause (i), the qualifications as to materiality and Material Adverse Effect contained in such representations and warranties shall not be given effect; (ii) the representations and warranties set forth in Section 3.1(a) (*Organization and Qualification*), Section 3.2 (*Authorization of Agreement*), Section 3.3(a)(i) (*Conflicts; Consents*), Section 3.6(a) (*Exclusive Ownership*), and Section 3.14 (*Brokers*) (collectively, the

“Fundamental Representations”) shall be true and correct in all but *de minimis* respects as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct in all but *de minimis* respects only as of such date; and (iii) the representations and warranties set forth in Section 3.16(a) shall be true and correct in all respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date;

(b) Seller shall not have materially breached any of the covenants required to be performed or complied with by Seller under this Agreement on or prior to the Closing; provided that notwithstanding the foregoing, Seller shall have performed or caused to be performed, in all respects, all of the obligations and covenants required by Section 6.15(a) and (b); and

(c) Seller shall have delivered, or caused to be delivered, to Purchaser all of the items set forth in Section 2.4.

7.3 Conditions Precedent to the Obligations of Seller. The obligations of Seller to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) the representations and warranties made by Purchaser in Article IV shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except (x) that representations and warranties that are made as of a specified date need be so true and correct only as of such date and (y) where the failure of such representations or warranties to be so true and correct has not and would not, individually or in the aggregate, reasonably be expected to prevent or materially impair or delay the ability of Purchaser to consummate the Transactions; provided that for purposes of this Section 7.3(a), the qualifications as to materiality, material adverse effect and words of similar import contained in such representations and warranties shall not be given effect;

(b) Purchaser shall not have materially breached any of the covenants required to be performed or complied with by Purchaser under this Agreement on or prior to the Closing; and

(c) Purchaser shall have delivered, or caused to be delivered, to Seller all of the items set forth in Section 2.5.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing. Neither Purchaser nor Seller may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party’s material breach of any covenant, representation or warranty hereunder.

ARTICLE VIII

TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated only in accordance with this Section 8.1. This Agreement may be terminated at any time prior to the Closing:

- (a) by the mutual written consent of Seller and Purchaser;
- (b) by written notice of either Purchaser or Seller, upon the issuance of an Order by a Governmental Body restraining, enjoining or otherwise prohibiting the consummation of the Transactions or declaring unlawful the Transactions, and such Order having become final, binding and non-appealable; provided that no termination may be made by a Party under this Section 8.1(b) if the issuance of such Order was caused by such Party's material breach of any of its representation, warranties, covenants or agreements hereunder;
- (c) by written notice of either Purchaser or Seller, if the Closing shall not have occurred on or before the date that is four (4) months following the date hereof (the "Outside Date"); provided that Purchaser may, at its election and upon written notice to Seller, elect to extend the Outside Date for an additional thirty (30) days (such extended date, the "Extended Outside Date"); provided further that a Party shall not be permitted to terminate this Agreement, or extend the Outside Date, pursuant to this Section 8.1(c) if the failure of the Closing to have occurred by the Outside Date or Extended Outside Date, as applicable, was caused by such Party's material breach of any of its representation, warranties, covenants or agreements;
- (d) by written notice from Seller to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser is or will have become untrue, in each case, such that the conditions set forth in Section 7.1 or Section 7.3 would not be satisfied, including a breach of Purchaser's obligation to consummate the Closing; provided that (i) if such breach is curable by Purchaser then Seller may not terminate this Agreement under this Section 8.1(d) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date or Extended Outside Date, if any, and (B) thirty (30) days after Seller notifies Purchaser of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to Seller at any time that Seller is in material breach of, any covenant, representation or warranty hereunder;
- (e) by written notice from Purchaser to Seller, upon a breach of any covenant or agreement on the part of Seller, or if any representation or warranty of Seller is or will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or Section 7.2(b) would not be satisfied; provided that (i) if such breach is curable by Seller then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date or Extended Outside Date, if any, and (B) thirty (30) days after Purchaser notifies Seller of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in material breach of, any covenant, representation or warranty hereunder;

(f) by written notice from Seller to Purchaser, if (A) all of the conditions set forth in Sections 7.1 and 7.2 have been and continue to be satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived, (B) Seller has confirmed in writing to Purchaser that all of the conditions set forth in Sections 7.1 and 7.2 have been and continue to be satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Seller stands ready, willing and able to consummate the Closing so, and (C) Purchaser fails to consummate the Closing within three (3) Business Days of its receipt of such written notice from Seller;

(g) by written notice from Seller to Purchaser, which may be revocable in the sole discretion of Seller by written notice from Seller to Purchaser within five (5) Business Days, if Seller or the board of directors (or similar governing body) of Seller determine, in good faith and after consultation with its legal and other advisors, that proceeding with the Transactions or failing to terminate this Agreement would be inconsistent with its or such Person's or body's fiduciary duties; provided that if such determination is in connection with an Acquisition Proposal, Seller may only terminate this Agreement pursuant to this Section 8.1(g) upon compliance with the provisions set forth in Section 5.2(c);

(h) by written notice from Purchaser to Seller, if (A) Seller seeks or otherwise take material steps in furtherance of, or do not use reasonable best efforts to oppose any other Person in seeking, an order of the Bankruptcy Court dismissing the Bankruptcy Case or converting the Bankruptcy Case to a petition for relief under Chapter 7 of the Bankruptcy Code, (B) the Bankruptcy Case is dismissed or converted to a case or cases under Chapter 7 of the Bankruptcy Code, or if a trustee or examiner with expanded powers to operate or manage the financial affairs or reorganization of Seller is appointed in the Bankruptcy Case or (C) the Bankruptcy Court enters an order pursuant to section 362 of the Bankruptcy Code lifting the automatic stay with respect to any Acquired Assets; or

(i) by written notice from Purchaser to Seller, if:

(i) the Agreement Order is not entered by January 6, 2023;

(ii) the Plan Solicitation Motion and the Amended Disclosure Statement are not filed with the Bankruptcy Court by December 21, 2022;

(iii) the Plan Solicitation Order is not entered by January 6, 2023;

(iv) the Confirmation Order is not entered by March 1, 2023;

(v) Seller or any of the other Debtors file any motions, pleadings, notices or other documents with the Bankruptcy Court in material breach of Section 5.7;

(vi) Seller enters into one or more Alternative Transactions with one or more Persons other than Purchaser, or the Bankruptcy Court approves an Alternative Transaction other than with Purchaser;

(vii) Seller has delivered a Higher Offer Determination Notice to Purchaser;

(viii) Seller or its Affiliates or Advisors have committed a breach of Section 5.1(a); or

(ix) Seller or its Affiliates or Advisors have committed a breach of, Section 5.2; provided that (without modifying Purchaser's rights to terminate this Agreement under any other Section of this Agreement) Purchaser shall not be entitled to terminate this Agreement pursuant to this Section 8.1(i)(ix) following entry of the Agreement Order by the Bankruptcy Court.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become void and there shall be no Liability on the part of either Party or any of its partners, officers, directors or shareholders; provided that Section 2.2, Section 6.2(b), Section 6.12(c), Section 6.19, Section 6.21, Section 6.22, this Section 8.2, Section 8.3, Section 8.4 and Article X (other than Section 10.12 with respect to the availability of an injunction or injunctions, specific performance or other equitable relief to cause the Closing to occur, which shall terminate upon any termination of this Agreement) and the definitions referenced in such Sections and Articles, even if not included in such Sections and Articles, and, for the avoidance of doubt, the Confidentiality Agreement, shall survive any such termination; provided further that, subject to Section 8.3, no termination will relieve either Party from any Liability for damages (including damages based on the loss of the economic benefits of the Transactions, including the Purchase Price, to Seller), losses, costs, or expenses (including reasonable legal fees and expenses) resulting from any willful breach of this Agreement by such Party prior to any such termination or Fraud by such Party. For purposes of this Agreement, "willful breach" means with respect to any breaches or failures to perform any of the covenants or other agreements contained herein, a material breach that is a consequence of an act or failure to act undertaken by the breaching Person with actual knowledge (which shall not be deemed to include knowledge of facts that a Person acting reasonably should have, based on reasonable due inquiry) that such Person's act or failure to act would, or would reasonably be expected to, result in or constitute a material breach of this Agreement.

(b) If this Agreement is terminated prior to the Closing, at any time following such termination, promptly following the written request of Seller, Purchaser shall, as soon as practicable, return, destroy or permanently erase (on all forms of physical and electronic media) all Acquired User Data transferred to Purchaser prior to the Closing in accordance with Section 6.6(a) or otherwise in connection with the KYC Procedures and permanently close and remove any account established with or with reference to any Acquired User Data, and, upon written request from Seller following any destruction or erasure of data, provide an officer's certificate certifying as to such destruction or erasure. Such destruction or erasure shall be in accordance with all Laws regarding data disposal, and the eradication and destruction technique used will be appropriate for the storage medium and format. Notwithstanding the foregoing, Purchaser shall have the right to retain a copy of the Acquired User Data to the extent required for legal, regulatory or compliance purposes, so long as such Acquired User Data is kept confidential

as required under this Agreement and the Confidentiality Agreement and is used for no other purpose.

8.3 Reverse Termination Fee. In the event that (a) the conditions set forth in Sections 7.1(b), 7.1(c), and 7.2 have been satisfied or duly waived and (b) (i) this Agreement is validly terminated in accordance with Section 8.1(b) or Section 8.1(c), (ii) Purchaser fails to consummate the Closing by the Outside Date or the Extended Outside Date, as applicable, as a result of the failure of the conditions set forth in Section 7.1(a), or (iii) this Agreement is terminated pursuant to Section 8.1(g) in connection with and following a Purchaser Development and not in connection with a Higher and Better Offer, then, in any such case, within three (3) Business Days following such valid termination the Deposit (including all received investment income, if any) shall be released to Seller (such release, which, for the avoidance of doubt, shall be equal to and shall not exceed \$10,000,000 in the aggregate, the “Reverse Termination Fee”).

8.4 Further Effect of Termination. Notwithstanding anything to the contrary in this Agreement, the Confidentiality Agreement or any other document or instrument delivered by either Party in connection with the Transactions, but subject in all respects to the other provisions of this Section 8.4:

(a) Seller, on behalf of itself and the Seller Parties, acknowledges and agrees that any disbursement of the Deposit to Seller pursuant to Section 2.2(b), payment of any Seller Expenses to Seller pursuant to Section 6.21 or payment of the Reverse Termination Fee pursuant to Section 8.3 shall be deemed liquidated damages and shall be the sole and exclusive recourse of Seller and the Seller Parties against Purchaser and the Purchaser Group for any loss or damage suffered in connection with, relating to or arising out of this Agreement or the Transactions (including circumstances giving rise to any termination of this Agreement) and including losses or damages suffered as a result of any breach of this Agreement or any representation, warranty, covenant or agreement contained herein by Purchaser or the failure of the Transactions to be consummated (whether or not for intentional, unintentional or willful breach or otherwise), except in the event Seller is entitled to elect specific performance of Purchaser’s obligations (including to consummate the Transactions) pursuant to Section 10.12.

(b) In the event of a valid termination of this Agreement pursuant to Section 8.1, if Seller is entitled to receive the Deposit pursuant to Section 2.2, payment of any Seller Expenses pursuant to Section 6.21, or payment of the Reverse Termination Fee pursuant to Section 8.3, then, upon release of the Deposit to Seller in accordance with Section 2.2(b), payment of such Seller Expenses pursuant to Section 6.21 or payment of the Reverse Termination Fee pursuant to Section 8.3, as applicable, (i) Purchaser and the Purchaser Group shall not have any further liability or obligation relating to or arising out of this Agreement or the Transactions (including any liability or obligation for monetary damages) and (ii) neither Seller nor any of the Seller Parties will have any right of recovery, whether arising under contract Law, tort Law or any other theory of Law, against, and no personal liability shall attach to Purchaser or any other member of the Purchaser Group, whether by or through attempted piercing of the corporate, limited partnership or limited liability company veil, by the enforcement of any assessment or by any legal or equitable Action, by virtue of any statute, regulation or applicable Law, or otherwise.

(c) (i) The maximum aggregate liability of Purchaser and the Purchaser Group in connection with this Agreement and the Transactions shall be limited to the sum of (x) (1) solely where and to the extent the Deposit is forfeited by Purchaser in accordance with Section 2.2(b), the Deposit or (2) without duplication of any forfeiture of the Deposit pursuant to Section 2.2(b) and solely where and to the extent the Reverse Termination Fee is payable in accordance with Section 8.3, the Reverse Termination Fee, plus (y) solely where and to the extent the Seller Expenses are payable in accordance with Section 6.21, the Seller Expenses; (ii) in no event shall Purchaser be obligated to pay any of the Deposit, the Seller Expenses or the Reverse Termination Fee on more than one occasion and (iii) under no circumstances will any of Seller or any of the Seller Parties seek, obtain or accept, monetary damages or losses of any kind (including damages for the loss of the benefit of the bargain, opportunity cost, loss of premium, time value of money or otherwise, or any consequential, special, expectancy, indirect or punitive damages or any losses or damages based on a multiple or multiplier) in connection with, relating to or arising out of the termination of this Agreement in excess of the sum of (A) (1) solely where and to the extent the Deposit is forfeited in accordance with Section 2.2(b), the Deposit or (2) without duplication of any forfeiture of the Deposit pursuant to Section 2.2(b) and solely where and to the extent the Reverse Termination Fee is payable in accordance with Section 8.3, the Reverse Termination Fee, plus (B) solely where and to the extent the Seller Expenses are payable in accordance with Section 6.21, the Seller Expenses; provided, however, that the foregoing shall not be interpreted to limit in any way Seller's right to require specific performance of Purchaser's obligations (including to consummate the Transactions) pursuant to Section 10.12 in the event this Agreement has not been terminated and to the extent such specific performance is available to Seller under Section 10.12. Notwithstanding anything to the contrary herein or otherwise, in no event shall Seller be entitled to receive both (1) the forfeiture of the Deposit together with all received investment income, if any, pursuant to Section 2.2(b) and (2) the payment of the Reverse Termination Fee pursuant to Section 8.3 (it being acknowledged that the payment of the Reverse Termination Fee pursuant to Section 8.3 includes forfeiture of the Deposit together with all received investment income, if any).

(d) Seller may seek both payment of monetary damages (including the Reverse Termination Fee, the Deposit or the Seller Expenses) in accordance with this Agreement, on the one hand, and specific performance of Purchaser's obligation to consummate the Closing pursuant to Section 10.12; provided that in no event shall Seller be entitled to receive both (1) payment of monetary damages (including the Reverse Termination Fee, the Deposit or the Seller Expenses) in accordance with this Agreement (and for the avoidance of doubt, subject to the other limitations thereon set forth in this Section 8.4) and (2) such specific performance pursuant to Section 10.12.

ARTICLE IX

TAXES

9.1 Transfer Taxes. Any sales, use, purchase, transfer, deed, stamp, documentary or other similar Taxes and recording charges (but excluding any such Taxes or charges that are based in whole or in part upon income, profits or gains) payable by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions (the "Transfer Taxes") shall be borne and timely paid by Purchaser, and Purchaser shall timely file all Tax Returns related to any Transfer Taxes.

9.2 Cooperation. Purchaser and Seller shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes. In furtherance thereof, Purchaser and Seller shall reasonably cooperate in good faith to determine and agree to the tax treatment to each of them and to the Users of the Transactions, provided that agreeing on consistent tax treatment shall not be a closing condition and neither Party shall have any liability under this Agreement if the Parties are unable to so agree.

9.3 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Seller shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date and (ii) all Tax Returns of Seller (including, for the avoidance of doubt, for any Straddle Period, but not including, for the avoidance of doubt, information returns). With respect to any such Tax Return that reflects any Tax that is an Assumed Liability (not including, for the avoidance of doubt, any income Tax Return of Seller or Seller's Affiliates for any tax period and not including any information Tax Return), Seller shall use reasonable best efforts to (x) prepare such Tax Returns consistent with past practice, except as otherwise required by applicable Law, (y) provide Purchaser with a draft of such Tax Returns at least ten (10) days prior to the filing of any such Tax Return, and (z) incorporate any changes reasonably requested by Purchaser with respect to such Tax Returns prior to filing. Except to the extent any Tax reflected on a return required to be prepared and filed by Seller pursuant to this Section 9.3 constitutes an Assumed Liability, Seller shall be responsible for paying any Taxes reflected on any Tax Return that Seller is obligated to prepare and file under this Section 9.3(a). Notwithstanding anything herein to the contrary: (i) nothing in this Agreement shall give Purchaser or its Affiliates any rights with respect to or control over any income Tax Return of Seller or Seller's Affiliates for any tax period (any such Tax Return, a "Seller Income Tax Return"), and (ii) if any Governmental Body approaches (including by way of initiating any audit, investigation, or other proceeding) either Party with respect to the income Tax characterization of the Transactions (any such action, a "Transaction-Related Action"), then the Party in receipt of such notice shall reasonably promptly inform the other Party of such Transaction-Related Action.

(b) Purchaser shall prepare and timely file all Tax Returns with respect to the Acquired Assets that are not addressed by Section 9.3(a) (including, for the avoidance of doubt, all Tax Returns with respect to the Acquired Assets for any taxable period beginning after the Closing Date). With respect to any such Tax Return for any Straddle Period that reflects any Tax that is an Excluded Liability (each, a "Relevant Tax Return"), Purchaser shall prepare such Relevant Tax Returns and shall provide Seller with a draft of such Relevant Tax Returns at least ten (10) days prior to the filing of any such Tax Return. Purchaser shall incorporate any changes reasonably requested by Seller with respect to such Tax Returns. Seller shall be responsible for paying any Taxes reflected on any Tax Return that Purchaser is obligated to prepare and file under this Section 9.3(b) to the extent such Taxes constitute Excluded Liabilities.

(c) Purchaser shall not file any amendment to any previously filed Tax Return with respect to the Acquired Assets for any Pre-Closing Tax Period that would have the effect of increasing any Tax due for a Pre-Closing Tax Period or portion of a Straddle Period ending on the Closing Date, in each case, that is an Excluded Liability, unless Purchaser receives an opinion

from a nationally recognized accounting firm or law firm that there is no adequate “reporting position” with respect to any previously-asserted position with respect to Taxes. Upon such determination, Purchaser shall provide no less than forty-five (45) days’ notice of such position before filing any such Tax Return. In the event Seller disagrees with such Tax position, and the dispute cannot be resolved between the Parties, such dispute shall be submitted to an independent national accounting firm or law firm for resolution, with the costs of such resolution to be evenly split by Purchaser and Seller. The determination of such independent national accounting firm or law firm shall be binding on both Parties and any Tax Return shall be filed consistently with such resolution.

(d) For all purposes under this Agreement, in respect of any Straddle Period, the portion of Taxes that are allocable to the portion of the Straddle Period ending on the Closing Date will be: (i) in the case of any Taxes other than those described in clause (ii) below, deemed to include the amount that would be payable if the relevant Straddle Period ended on and included the Closing Date; and (ii) in the case of any property Taxes and other similar Taxes, deemed to include the amount of such Tax for the entire Straddle Period multiplied by a fraction the numerator of which is the number of days in the Straddle Period ending on and including the Closing Date and the denominator of which is the number of days in the entire Straddle Period.

(e) Notwithstanding anything herein to the contrary, prior to the Closing, Seller and its Affiliates may contribute, assign or otherwise transfer the 3AC Loan to any third-party purchaser, trust or other entity.

ARTICLE X

MISCELLANEOUS

10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for five (5) years following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and Seller acknowledge and agree, on their own behalf and on behalf of the Purchaser Group or the Seller Parties, as the case may be, that the agreements contained in this Section 10.1 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for five (5) years and (b) are an integral part of the Transactions and that, without the agreements set forth in this Section 10.1, neither of the Parties would enter into this Agreement.

10.2 Expenses. 10.4 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order (with respect to the matters covered thereby) and the entry and terms of the Agreement Order, the Plan and the Confirmation Order, Seller, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Case or any successor Chapter 7 case; provided that neither this Agreement nor any of the rights or obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and Seller, and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that Purchaser shall be entitled to assign or delegate this Agreement or all or any part of its rights or obligations hereunder to any of its Affiliates; provided further that in each case no such assignment or delegation shall relieve Purchaser of any of its obligations hereunder.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and Seller or (b) waived only in a writing executed by the Person against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any

way any other provision or prior or subsequent breach or default. Except where a specific period for action or inaction is provided herein, no delay on the part of either Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement is intended or will be construed to give any Person other than the Parties any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future direct or indirect equityholder, shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or Advisor of either Party will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or for any Action based upon, arising out of or related to this Agreement.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction. To the extent permitted by applicable Law, each Party waives any provision of Law that renders any provision of this Agreement invalid or unenforceable in any respect.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The table of contents and headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; however, each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, to the extent it is readily apparent on its face without the need for a cross-reference. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and neither Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or

included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Schedule is a summary only and is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by either Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements between the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if either of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (a) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Seller nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that either Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order. Except as limited by Section 8.4(d), (i) the remedies available to Seller pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and (ii) the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit Seller from seeking to collect or collecting damages. If, prior to the Outside Date or Extended Outside Date, if any, either Party brings any action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date or Extended Outside Date, if any, will automatically be extended

(y) for the period during which such action is pending, plus ten (10) Business Days or (z) by such other time period established by the court presiding over such action, as the case may be.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action that may be based upon, arising out of, or related to this Agreement or the negotiation, execution or performance of this Agreement and the Transactions brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Delaware Chancery Court and any state court sitting in the State of Delaware to which an appeal from the Delaware Chancery Court may be validly taken (or, if the Delaware Chancery Court declines to accept jurisdiction over a particular matter, any state or federal court within the state of Delaware) ((a) and (b), the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any such Action arising out of or relating to this Agreement and the Transactions. Each of the Parties agrees not to commence any Action relating thereto except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Court, and no Party will file a motion to dismiss any Action filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Courts, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of such Action. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of either Party to serve process in any other manner permitted by Law.

10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement, and any Action that may be based upon, arising out of or related to this Agreement or the negotiation, execution or performance of this Agreement or the Transactions will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT, THE DOCUMENTS AND AGREEMENTS CONTEMPLATED HEREBY AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION BASED ON, ARISING OUT OF OR RELATED TO THIS AGREEMENT, ANY DOCUMENT OR AGREEMENT CONTEMPLATED HEREBY OR THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH ACTION WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES TO THIS AGREEMENT MAY FILE

AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 No Right of Set-Off. Purchaser, on its own behalf and on behalf the Purchaser Group and its and their respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment or similar rights that Purchaser, any member of the Purchaser Group or any of its or their respective successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Purchaser pursuant to this Agreement or any other document or instrument delivered by Purchaser in connection herewith.

10.16 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the extent signed and delivered by means of a .PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

10.17 Publicity. The initial press release regarding this Agreement and the Transactions (the “Press Release”) shall be made promptly following the execution and delivery of this Agreement and shall be in such form as the Parties mutually agree. Except as contemplated by the Commercial Covenants, and subject in all respects to Section 10.19, none of Seller and the Seller Parties shall issue any press release or public announcement (directly or indirectly) concerning this Agreement, the Transactions, the Acquired Assets, the Assumed Liabilities, the Purchaser Bid Process or any other matters related thereto or arising in connection therewith without obtaining the prior written approval of Purchaser (which approval will not be unreasonably withheld, conditioned or delayed) unless, (a) in the reasonable judgment of Seller after consultation with counsel (who may be in-house counsel), disclosure is otherwise required by applicable Law or by the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or the Plan or (b) to correct any misstatement of fact made by Purchaser in any communication pursuant to the immediate next sentence; provided that Seller shall use its

reasonable efforts consistent with such applicable Law or Bankruptcy Court requirement to consult with Purchaser with respect to the disclosure thereof. Following the publication of the Press Release, Purchaser shall be permitted to make one or more public statements or issue one or more press releases, in each case, regarding the Acquired Assets and the Assumed Liabilities, this Agreement, the Transactions and the Purchaser Bid Process or any other matter related thereto or arising therefrom or otherwise in connection therewith to the extent not in violation of the Confidentiality Agreement and not in disparagement of Seller or any Seller Party; provided that Purchaser shall use its reasonable best efforts (considered in light of the circumstances in which such disclosure is to be made) to consult in good faith with Seller prior to making any such disclosure.

10.18 Bulk Sales Laws. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer laws except Permitted Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Confirmation Order. In furtherance of the foregoing, to the extent permitted by applicable Laws, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

10.19 Fiduciary Obligations. Nothing in this Agreement, or any document related to the Transactions, will require Seller or any of its managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations; provided, however, that no such action or inaction shall be deemed to prevent Purchaser from exercising any termination rights it may have hereunder as a result of such action or inaction.

10.20 No Solicitation. This Agreement, the Plan and the transactions contemplated herein and therein are the product of negotiations between the Parties. Notwithstanding anything herein to the contrary, this Agreement is not, and shall not be deemed to be, (a) a solicitation of votes for the acceptance of the Plan or any other plan of reorganization for the purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise or (b) an offer for the issuance, purchase, sale, exchange, hypothecation, or other transfer of securities or a solicitation of an offer to purchase or otherwise acquire securities for purposes of the Securities Act or the Exchange Act and Seller will not solicit acceptances of the Plan from any party until such party has been provided with copies of a disclosure statement containing adequate information as required by section 1125 of the Bankruptcy Code.

10.21 Acknowledgment. Notwithstanding anything in this Agreement to the contrary (including Section 3.17, Section 3.18, Section 4.10, Section 4.11, Section 6.17 and Section 10.1), nothing herein shall relieve any Person from any Liability on account of Fraud.

DEBTORS' MOTION FOR
ENTRY OF AN ORDER (I) AUTHORIZING ENTRY INTO THE
BINANCE US PURCHASE AGREEMENT AND (II) GRANTING RELATED RELIEF

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) respectfully state the following in support of this motion (this “Motion”):²

Preliminary Statement

1. For the better part of the past year, the cryptocurrency industry experienced (and continues to experience) unprecedented turmoil. The Debtors commenced these chapter 11 cases with the objective of consummating the most value-maximizing transaction for their customers and other creditors on an expedited timeline. Following a thorough and extensive marketing

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Debtors’ principal place of business is 33 Irving Place, Suite 3060, New York, NY 10003.

² Capitalized terms used by not defined herein shall have the meaning given to them in the Binance US Purchase Agreement or the Bidding Procedures (each as defined below), as applicable.

process, the Debtors believed they accomplished that goal with the proposed sale transaction with West Realm Shires Inc. (“WRSI” and, along with affiliates, “FTX,” and the sale transaction thereunder, the “FTX Transaction”). However, and as discussed in more detail herein, the shocking collapse of FTX gutted any possibility of closing the FTX Transaction. The Debtors quickly pivoted to reengaging with alternative bidders and on December 18, 2022 executed that certain asset purchase agreement (the “Binance US Purchase Agreement”) with BAM Trading Services Inc. d/b/a Binance.US (“Binance US” and the sale transaction thereunder, the “Binance US Transaction”). Importantly, the contemplated Binance US Transaction includes a “toggle” to a transaction whereby the Debtors will return cryptocurrency to creditors should they conclude that option to be in creditors’ best interests and exercise their “Fiduciary Out,” or should the Binance US Transaction not close by a date certain to ensure an outside date (the “Toggle Transaction”).

2. The Debtors value Binance US’s bid at approximately \$1.022 billion, comprised of (a) the value of cryptocurrency on the Voyager platform as of a date to be determined, which as of December 19, 2022 at 0:00 UTC, is estimated to be \$1.002 billion, plus (b) additional consideration, which is estimated to provide at least \$20 million of incremental value. The Debtors intend to move swiftly towards confirmation and resolution of these chapter 11 cases in order to mitigate any further delay in distributing recoveries to their creditors.

I. The Initial Marketing Process and Proposed Sale to FTX.

3. Before the Petition Date, and as discussed in the *Declaration of Stephen Ehrlich, Chief Executive Officer of the Debtors, in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 15] (the “First Day Declaration”), the Debtors commenced a marketing process for an investment in, or a sale of the Debtors’ business to, a third-party purchaser. Discussions with

interested parties, however, revealed that an in-court process would be necessary to yield the most value-maximizing transaction available to the Debtors. Accordingly, the Debtors commenced these chapter 11 cases and continued their marketing efforts postpetition.

4. The Debtors and their advisors left no stone unturned. Over the past six months, Moelis & Company LLC (“Moelis”), the Debtors’ investment banker, reached out to 96 strategic investors and financial sponsors, many of which had significant experience in the cryptocurrency industry. 60 parties executed non-disclosure agreements and were provided with access to a virtual data room with comprehensive information regarding the Debtors’ business operations and financial position. The virtual data room was robust, supplemented throughout the marketing process, and contained thousands of diligence items. Moelis also held virtual diligence sessions with the Debtors and multiple interested parties.

5. On the first day of these chapter 11 cases, the Debtors filed the *Joint Plan of Reorganization of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 17] (as amended and restated from time to time, the “Standalone Plan”). The Standalone Plan served as a floor for the marketing process. Shortly thereafter, the Debtors filed the *Debtors’ Motion Seeking Entry of an Order (I) Approving the Bidding Procedures and Related Dates and Deadlines, (II) Scheduling Hearings and Objection Deadlines with Respect to the Debtors’ Sale, Disclosure Statement, and Plan Confirmation, and (III) Granting Related Relief* [Docket No. 126] (the “Bidding Procedures Motion,” and the bidding procedures established therein, the “Bidding Procedures”),³ which set a timeline for interested

³ The Court approved the Bidding Procedures Motion on August 5, 2022. See *Order (I) Approving the Bidding Procedures, (II) Scheduling the Bid Deadlines and the Auction, (III) Approving the Form and Manner of Notice Thereof, (IV) Scheduling Hearings and Objection Deadlines with Respect to the Debtors’ Sale, Disclosure Statement, and Plan Confirmation, and (V) Granting Related Relief* [Docket No. 248] (the “Bidding Procedures Order”).

parties to submit bids for an acquisition of the Debtors' assets and procedures for conducting an auction if multiple bids were received.

6. The Debtors' marketing process proved fruitful and yielded bids from numerous strategic investors. Accordingly, on September 13, 2022, the Debtors commenced an auction (the "Auction") to determine the winning bid. The two-week Auction consisted of hard-fought, arm's-length negotiations with each participating bidder. At the conclusion of the Auction, WRSI was announced as the Successful Bidder.

7. This court entered an *Order Authorizing Entry into the Asset Purchase Agreement* [Docket No. 581] (the "FTX Purchase Agreement") on October 20, 2022. Details of the FTX Transaction were set forth in the Debtors' *First Amended Disclosure Statement Relating to the Second Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 498] (the "FTX Disclosure Statement") and contemplated to be effectuated pursuant to the *Second Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 590] (the "FTX Plan"). The Court entered an order approving the adequacy of the FTX Disclosure Statement on October 21, 2022 [Docket No. 586], and solicitation for acceptance or rejection of the FTX Plan commenced shortly thereafter. A confirmation hearing was scheduled for December 8, 2022. However, a mere two weeks after solicitation commenced, it quickly became evident that any transaction with FTX would be unattainable.

II. The FTX Collapse.

8. Shortly after public reports emerged drawing concern around FTX and the legitimacy of its operations, on November 11, 2022, 101 FTX entities commenced filing for voluntary relief under chapter 11 in the United States Bankruptcy Court for the District of

Delaware (the “FTX Bankruptcy Proceeding”).⁴ WRSI, the contemplated purchaser under the FTX Transaction, filed for chapter 11 on November 14, 2022.

9. While the FTX Bankruptcy Proceeding is still unfolding, early indications are that the former Chief Executive Officer of FTX, Sam Bankman-Fried, and FTX were carrying on one of the largest financial frauds in history. Mr. John Ray III, who was appointed Chief Executive Officer of FTX following the resignation of Mr. Bankman-Fried and who previously oversaw the restructuring of Enron, commented in an early filing in the FTX Bankruptcy Proceeding that “[n]ever in my career have I seen such a complete failure of corporate controls and such a complete absence of trustworthy financial information.”⁵ On December 12, 2022, Mr. Bankman-Fried was arrested by the Bahamian Police and is currently being held at the Fox Hill Prison in Nassau, Bahamas without bail. The full extent of the injury caused by FTX’s apparent fraud will likely take years to uncover.

III. Continuation of the Marketing Process.

10. As FTX appeared to be collapsing, but before its chapter 11 filing, on November 10, 2022, the Debtors requested that FTX waive the “No-Shop” provision (Section 5.2) of the FTX Purchase Agreement. FTX, through its counsel, acquiesced. On December 9, 2022, the Debtors filed with this Court the *Joint Stipulation and Agreed Order Between the Debtors and FTX US* seeking to terminate the FTX Purchase Agreement [Docket No. 717] (the “Stipulation”). The Debtors and FTX intend to seek approval of the Stipulation by the court overseeing the FTX Bankruptcy Proceeding as well.

⁴ *In re FTX Trading Ltd.*, Case No. 22-11068 (JTD) (Bankr. D. Del. Nov. 11, 2022).

⁵ *Declaration of John J. Ray III in Support of Chapter 11 Petitions and First Day Pleadings* [Docket No. 24], filed in *In re FTX Trading Ltd.*, Case No. 22-11068 (JTD) (Bankr. D. Del. Nov. 17, 2022); *see also United States of America v. Samuel Bankman-Fried*, 22-crim-673 (S.D.N.Y. December 9, 2022); *Securities and Exchange Commission v. Samuel Bankman-Fried*, Civil Action. No. 22-cv-10501 (S.D.N.Y. Dec. 13, 2022).

11. While the Debtors were shocked and dismayed by FTX's cataclysmic collapse, they swiftly reengaged in negotiations with other potential counterparties to evaluate alternative transactions that would maximize value for the Debtors and their creditors.

12. As disclosed throughout the entirety of these cases, the Debtors had already conducted a comprehensive marketing process that resulted in a two-week Auction and leveraged those prior efforts to move quickly towards agreement with an alternative bidder. While many of the parties that the Debtors engaged with following the FTX collapse were previously involved in the marketing process, several new parties expressed interest and engaged in discussions with the Debtors. When analyzing proposals received from interested parties, the Debtors and their advisors considered both the viability and risk factors associated with each proposed transaction, including but not limited to, timing considerations, third-party financing requirements, ability to consummate, cybersecurity risks, regulatory and licensing status, and counterparty risk based on the Debtors' counterparty due diligence conducted during the one-month negotiation period.

13. Notably, the Debtors and their advisors contemplated pursuing the Toggle Transaction. The Debtors and their advisors determined that pursuing the Toggle Transaction would impose costs of its own on the Debtors, would take time, and would present its own risks. Among other things, the Toggle Transaction would involve the Debtors "rebalancing" their cryptocurrency holdings to prepare for distributions to creditors, and then reopening the Voyager platform for approximately a month to allow customers to withdraw their pro rata share of cryptocurrency, to the extent it can be withdrawn. While a viable option, the Toggle Transaction, among other things, would likely (a) be less tax efficient for customers than a third party transaction; (b) lead to incremental value leakage over and above that in a third party transaction; (c) create additional security risks (particularly if the Debtors are unable to retain critical personnel

necessary to perform the Toggle Transaction); (d) require the Debtors to liquidate additional cryptocurrency as working capital to complete the work required; (e) strand certain cryptocurrency, which can be withdrawn by customers from certain third party exchanges (like Binance US) but not from Voyager; and (f) severely damage the value of the VGX token, which is the native token of the Voyager platform.

IV. The Proposed Sale to Binance US.

14. Following good-faith, arm's length negotiations with several alternative transaction parties, the Debtors determined that based on the information they have to date, the transaction proposed by Binance US was the highest or otherwise best offer available for the Debtors' assets. The Debtors value the Binance US Transaction at approximately \$1.022 billion, comprising (i) the value of cryptocurrency on the Voyager platform as of a date to be determined, which as of December 19, 2022 at 0:00 UTC, is estimated to be \$1.002 billion, plus (ii) additional consideration, which is estimated to provide at least \$20 million of incremental value. The Binance US Transaction also includes additional benefits, such as it (i) provides the most tax efficient route forward as Binance US supports 100% of the cryptocurrency coins on the Debtors' platform, (ii) it is the only transaction available to the Debtors that did not require the Debtors to liquidate cryptocurrency for working capital purposes, (iii) includes reimbursement by Binance US of up to \$15 million of Seller's expenses, (iv) provides a \$10 million reverse termination fee payable to the Seller by Binance US to compensate the Debtors' estates in the event that Binance US cannot consummate the transaction, and (v) in the event that the Debtors pivot to the Toggle Transaction, provides that Binance US will provide certain services to facilitate such transaction to ensure that the Debtors can rely on the Binance US platform to minimize leakage with and cybersecurity risks when returning cryptocurrency to creditors.

15. It was (and is) well known that the Debtors' assets were once again for sale following the very public FTX collapse. The Debtors believed (and continue to believe) that time is of the essence to enter into a transaction that can be consummated expeditiously to reduce the administrative costs of these chapter 11 cases, maximize stakeholder recoveries, and minimize uncertainty while the cryptocurrency environment continues to fluctuate. Nonetheless, as described in the Tichenor Declaration, the most recent marketing process was thorough, public, fair, and produced the most value-maximizing transaction upon culmination of further negotiations with several interested parties.

16. The Debtors will seek to effectuate the Binance US Transaction through the *Third Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (the "Plan"), filed substantially contemporaneously herewith, whereby the Debtors' customers and other creditors will be able to vote to accept or reject the Plan and ultimately the Binance US Transaction included therein. The Debtors do not seek approval of the Binance US Transaction through this Motion.

17. However, by this Motion, the Debtors do seek the Court's approval to enter into the Binance US Purchase Agreement. The Binance US Purchase Agreement provides a viable path for the Debtors to exit from these chapter 11 cases in an industry experiencing significant volatility during the continued "Crypto Winter." Prior to approval of this Motion, the Debtors are subject to a strict "No Shop" under the Binance US Purchase Agreement. The "No Shop" was important to Binance US during the interim period between the filing of the Binance US Purchase Agreement and the hearing on this Motion during which Binance US would not have the protection of payment of the Purchaser Expenses (as defined below) in the event the Debtors determined to proceed with a higher and/or better offer. Upon approval of this Motion, the "No Shop" provision will revert to

the formulation approved by the Court in connection with the FTX Transaction, which (if approved) would prohibit the Seller from initiating contact with, or soliciting, an alternative transaction. However, the “No Shop” provision does not prohibit any other party from coming forward with a higher and better offer.

18. Importantly, the Binance US Purchase Agreement contains a “Fiduciary Out”, which provides that the Seller may terminate the Binance US Purchase Agreement at any time in the event that not doing so would be inconsistent with the Seller’s fiduciary duties. Moreover, the structure of the proposed transaction, including its “Fiduciary Out,” permits the Debtors to toggle *either* to a higher and better third-party bid (should one emerge) *or* to the Toggle Transaction, if the Debtors determine in their business judgment between now and closing that the Binance US Transaction is no longer the highest and best option for any reason. Based on the diligence the Debtors have performed to date on their proposed counterparty, they believe the Binance US Transaction is the highest and best option. But the Debtors recognize that the cryptocurrency industry is experiencing an extremely volatile period for an already volatile business, and the Debtors continue to monitor what seem to be daily developments in the sector. Not only does the structure of the proposed transaction permit the Debtors to pivot to the Toggle Transaction if they conclude the Binance US Purchase Agreement is no longer higher and better due to a development along the way, but also the work to prepare to consummate and execute on the Binance US Purchase Agreement will better prepare the Debtors to complete the Toggle Transaction if the toggle becomes necessary.

19. The Binance US Purchase Agreement includes an expense reimbursement provision whereby the Seller would be responsible to reimburse Binance US for its reasonable and documented out-of-pocket expenses of up to \$5 million in the event the Binance US Purchase

Agreement is terminated (a) by the Seller if the closing has not occurred by the Outside Date or extended Outside Date, as applicable, in circumstances where Binance US would be entitled to terminate the Binance US Purchase Agreement for breach of the Binance US Purchase Agreement by the Seller, or (b) pursuant to Section 8.1(e) (Seller breach), Section 8.1(g) (Seller exercise of the fiduciary out), Section 8.1(h) (dismissal or conversion of the chapter 11 cases to chapter 7, or if the automatic stay is lifted with respect to any Acquired Assets), or Section 8.1(i)(ix) (Seller breach of the “No Shop”); *provided* that if the Binance US Purchase Agreement is validly terminated by Seller pursuant to Section 8.1(g) (Seller exercise of the fiduciary out) (x) in order for Seller to pursue the Toggle Transaction as a result of and following any Effect with respect to Binance US’s business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, or any Effect with respect to Binance US’s Affiliates that has an Effect thereon that would reasonably be expected to (i) prevent or materially impair or materially delay the ability of Binance US to consummate the Binance US Transaction or (ii) materially and adversely affect the customers, creditors, or the acquired cryptocurrency on the Binance US platform, and (y) such termination was not caused by (i) the Debtors determination to pursue a higher and better offer from a third party or (ii) because the estimated proceeds from the Toggle Transaction are or would reasonably be expected to be greater than the consideration under the Binance US Transaction, then no Purchaser Expenses shall be payable (the “Purchaser Expenses”).⁶ *See* Binance US Purchase Agreement, Section 6.22. The Purchaser Expenses were negotiated at arm’s length and insisted on by Binance US as a required condition to entering into the Binance US Purchase Agreement. However, the Purchaser Expenses are narrow. The Debtors

⁶ This summary of the circumstances that can trigger the Purchaser Expenses is entirely qualified by the Binance US Purchase Agreement (including Sections 6.22 and 8.1 thereof). believe that the Purchaser Expenses, which are only triggered in the limited circumstances noted above, are a small price to pay to lock in a transaction that will provide meaningful recoveries to creditors in these chapter 11 cases.

20. Further, the Debtors successfully negotiated additional assurances and value for the benefit of their estates under the Binance US Purchase Agreement, including (i) reimbursement by Binance US of up to \$15 million of Seller's expenses, (ii) a \$10 million good faith deposit paid by Binance US to the Seller, and (iii) a \$10 million reverse termination fee payable to the Seller by Binance US, in each case, subject to the terms and conditions set forth in the Binance US Purchase Agreement.

21. In light of the foregoing, the Debtors believe that entry into the Binance US Purchase Agreement is in the best interests of the Debtors' estates.

Relief Requested

22. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the "Order"), (i) authorizing entry into the Binance US Purchase Agreement and (ii) granting related relief. In support of the Debtors' request for entry of the Order, the Debtors submit the Tichenor Declaration, filed substantially contemporaneously herewith.⁷

Jurisdiction and Venue

23. The United States Bankruptcy Court for the Southern District of New York (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, entered February 1, 2012. The Debtors confirm their consent to the Court

24. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

25. The bases for the relief requested herein are sections 105(a), 363, 1107, and 1108 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), rule 2002 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), rules 2002-1 and 9006-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”), and the *Sale Guidelines for the Conduct of Asset Sales Established and Adopted by the United States Bankruptcy Court for the Southern District of New York Pursuant to General Order M-383* (the “Sale Guidelines”).

Background

26. On July 5, 2022 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of the facts and circumstances of these chapter 11 cases is set forth in the First Day Declaration, incorporated by reference herein.

27. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These chapter 11 cases have been consolidated for procedural purposes only and are jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 18]. On July 19, 2022, the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed an official committee of unsecured creditors [Docket No. 102] (the “Committee”).

Summary of the Key Terms of the Binance US Purchase Agreement

28. As described herein, the Debtors executed the Binance US Purchase Agreement following a robust and extensive marketing process and multiple rounds of bidding at the Auction over the course of two weeks and then further engagement with interested third parties following the FTX collapse. Agreement Provision	Summary Description ⁸
Expense Reimbursement by Seller to Purchaser	<p>If the Agreement is terminated (i) by Seller pursuant to Section 8.1(c), in circumstances where Purchaser would be entitled to terminate the Agreement pursuant to Section 8.1(e), or (ii) pursuant to Section 8.1(e), Section 8.1(g), Section 8.1(h) or Section 8.1(i)(ix), then Seller shall pay to Purchaser, within three (3) Business Days following such termination, cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by Purchaser in an amount equal to the Purchaser Expenses; provided that notwithstanding anything to the contrary herein, in no event shall the aggregate amount of Purchaser Expenses payable by Seller hereunder exceed \$5,000,000; <u>provided further</u> that if the Agreement is validly terminated by Seller pursuant to Section 8.1(g) (x) in order for Seller to pursue a Liquidation as a result of and following any Effect with respect to Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, or any Effect with respect to Purchaser's Affiliates that has an Effect on Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, that, individually or in the aggregate with all other such Effects, would reasonably be expected to (1) prevent or materially impair or materially delay the ability of Purchaser to consummate the Transactions in accordance herewith or (2) materially and adversely affect the Users, Eligible Creditors, or the Acquired Coins on the Binance.US Platform, including following the Closing, as compared to users and Coins on the Binance.US Platform as of the date hereof, and (y) such termination was not effected (1) in connection with a Higher and Better Offer or (2) because the estimated proceeds from such Liquidation are or would reasonably be expected to be greater than the Closing Date Payment (plus the fair market value of any Acquired Coins or any proceeds therefrom, in each case, as determined at the time Seller commences such Liquidation), then no Purchaser Expenses shall be payable.</p> <p>See Binance US Purchase Agreement, §§ 6.22, 8.1.</p>
Fiduciary Out	<p>Nothing in the Agreement, or any document related to the Transactions, will require Seller or any of its managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations; provided, however, that no such action or inaction shall be deemed to prevent Purchaser from exercising any termination rights it may have as a result of such action or inaction.</p> <p>See Binance US Purchase Agreement, § 10.19.</p>

III. Rebalancing of the Debtors' Cryptocurrency.

29. The Debtors hold a significant amount of cryptocurrency across a diverse portfolio of coins. To effectuate the Binance US Transaction or the Toggle Transaction, the Debtors will need to "rebalance" their cryptocurrency portfolio (*i.e.*, execute trades of various types of cryptocurrency to ensure that the proper types of coins are available for distribution to each customer) on the Debtors' platform. Accordingly, the Debtors seek authority to execute any

rebalancing to effectuate the Binance US Transaction or the Toggle Transaction pursuant to the terms of the Binance US Purchase Agreement.

Basis for Relief

I. The Debtors' Entry into the Binance US Purchase Agreement Should Be Approved as an Exercise of Sound Business Judgment.

30. The Court may authorize the Debtors to enter into the Binance US Purchase Agreement pursuant to sections 105(a) and 363(b) of the Bankruptcy Code. Pursuant to section 363(b) of the Bankruptcy Code, the Debtors need only show a legitimate business justification to enter into the Binance US Purchase Agreement. *See, e.g., Comm. Of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1070 (2d Cir. 1983); *Comm. of Asbestos-Related Litigants v. Johns-Manville Corp. (In re Johns-Manville Corp.)*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts generally will not entertain objections to the debtor’s conduct.”). When a valid business justification exists, the law vests the debtor’s decision with a strong presumption ““that in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company.”” *In re GSC, Inc.*, 453 B.R. 132, 174 (Bankr. S.D.N.Y. 2011) (quoting *Smith v. Van Gorkom*, 488 A.2d 858, 872 (Del. 1985)). Accordingly, parties challenging a debtor’s decision must make a showing of “bad faith, self-interest or gross negligence.” *Official Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res., Inc.)*, 147 B.R. 650, 656 (S.D.N.Y. 1992) (citations omitted).

31. In addition, the Court may also authorize the entry into the Binance US Purchase Agreement based on section 105(a) of the Bankruptcy Code. Section 105(a) codifies the Court’s inherent equitable powers to “issue any order, process, or judgment that is necessary or appropriate

to carry out the provisions of this title.” Under section 105(a), courts may authorize actions that are essential to the continued operation of a debtor’s business. *See In re C.A.F. Bindery, Inc.*, 199 B.R. 828, 835 (Bankr. S.D.N.Y. 1996).

32. The relief requested by this Motion represents a sound exercise of the Debtors’ business judgment, is necessary to avoid immediate and irreparable harm to the Debtors’ estates, and is justified under sections 105(a) and 363(b) of the Bankruptcy Code. The Binance US Purchase Agreement represents the most efficient and appropriate means of maximizing recoveries to stakeholders on an expedited timeline in light of the extraordinary circumstances in these cases.

A. A Sound Business Purpose Exists for Entry into the Binance US Purchase Agreement.

33. The Debtors have concluded that entry into the Binance US Purchase Agreement, which outlines and governs the terms of the Binance US Transaction, is in the best interest of their chapter 11 estates and is supported by a number of sound business reasons.

- **First**, the Debtors believe that the Binance US Transaction will maximize the value of the Debtors’ assets because the Purchase Price offers significantly more value and less risk than the Acquired Assets would have on a stand-alone basis or through any other bids received by the Debtors.
- **Second**, the Debtors believe that, as a result of the marketing efforts that have been undertaken, the highest and best offer has been obtained and will provide maximum value to the Debtors under the current circumstances.
- **Third**, the Sale was subject to a public and competitive process, enhancing the Debtors’ ability to receive the highest or otherwise best value for their assets. Consequently, the Sale has been subject to a “market check” that, in the Debtors’ reasonable business judgment, was the best means for establishing whether a fair and reasonable price is being paid. *See, e.g., In re Trans World Airlines, Inc.*, No. 01-00056, 2001 WL 1820326 at *4 (Bankr. D. Del. 2001) (although a “section 363(b) sale transaction does not require an auction procedure,” “[t]he auction procedure has developed over the years as an effective means for producing an arm’s length fair value transaction.”).
- **Fourth**, the Seller engaged in hard-fought, arm’s length negotiations with Binance US over the terms of the Binance US Purchase Agreement, which includes protections for the Seller including (i) a \$10 million good faith deposit

paid by Binance US to the Seller (section 2.2 of the Binance US Purchase Agreement), (ii) reimbursement by Binance US to the Seller of up to \$15 million in expenses subject to the terms of the Binance US Purchase Agreement (section 6.21 of the Binance US Purchase Agreement) and (iii) a \$10 million Reverse Termination Fee owed by Binance US to the Seller, subject to the terms of the Binance US Purchase Agreement (section 8.3 of the Binance US Purchase Agreement).

- ***Fifth***, entry into the Binance US Purchase Agreement allows the Debtors to lock in the terms of the Binance US Transaction now, subject to confirmation of the Plan, which is particularly important given the continued volatility of cryptocurrency markets.

34. The Debtors submit that the Binance US Transaction contemplated under the Binance US Purchase Agreement constitutes the highest or otherwise best offer for the Acquired Assets and will provide the Debtors the best path forward to maximizing value for their estates and, ultimately, providing a recovery to creditors on an efficient timeline. As such, the Debtors believe that entry into the Binance US Purchase Agreement is a valid and sound exercise of the Debtors' business judgment.

B. Adequate and Reasonable Notice of Entry Into the Binance US Purchase Agreement Has Been Provided.

35. Although the Debtors do not seek approval of the Binance US Transaction by this Motion, notice of entry into the Binance US Purchase Agreement was adequate and reasonable. Further, the Debtors' marketing process and the notice provided through this Motion constitute adequate and reasonable notice of the Binance US Transaction. The Debtors undertook a very public and lengthy Auction that spanned multiple weeks and received late interest from parties. The Debtors' creditors and parties-in-interest were apprised of the marketing process throughout these chapter 11 cases. Creditors and parties-in-interest were also aware of the very public FTX collapse and the Debtors' need to pursue an alternative transaction immediately. Further, parties-in-interest will have the opportunity to vote on and/or object to the Binance US Transaction through the Plan solicitation and confirmation process.

C. The Purchase Price Contemplated in the Binance US Purchase Agreement Reflects a Fair Value Transaction.

36. It is well-settled that, where there is a court-approved auction process, a full and fair price is presumed to have been obtained for the assets sold as the best way to determine value is exposure to the market. *See Bank of Am. Nat'l Trust & Sav. Ass'n. v. 203 N. LaSalle St. P'ship*, 526 U.S. 434, 457 (1999); *see also Trans World Airlines*, 2001 WL 1820326 at *4. As discussed herein, the Debtors and their advisors conducted a thorough and extensive marketing process. Among other things, the Debtors have engaged in significant discussions with 90 interested parties, provided potential bidders with virtual data room access, including thousands of pages of business and financial diligence, hosted meetings with the Debtors' management team, held numerous conference calls and meetings with interested parties, considered alternative transaction structures, and otherwise taken all appropriate efforts to increase transaction value. The Debtors respectfully submit that this process maximized the number of bidders that participated in a competitive Auction process and subsequent thorough and robust negotiations following the FTX collapse, and, accordingly, provided the Debtors and their stakeholders with the best possible transaction.

II. A Sound Business Purpose Exists for The Seller to Agree to the Purchaser Expenses Provision under the Binance US Purchase Agreement.

37. Binance US insisted on the Purchaser Expenses provision as a condition to entering into the Binance US Purchase Agreement. However, the Purchaser Expenses are narrow and the Seller is only responsible to reimburse Binance US for its reasonable and documented out-of-pocket expenses of up to \$5 million in the event the Binance US Purchase Agreement is terminated (a) by the Seller if the closing has not occurred by the Outside Date or extended Outside Date, as applicable, in circumstances where Binance US would be entitled to terminate the Binance US Purchase Agreement for breach of the Binance US Purchase Agreement by the Seller, or

(b) pursuant to Section 8.1(e) (Seller breach), Section 8.1(g) (Seller exercise of the fiduciary out), Section 8.1(h) (dismissal or conversion of the chapter 11 cases to chapter 7, or if the automatic stay is lifted with respect to any Acquired Assets), or Section 8.1(i)(ix) (Seller breach of the “No Shop”); *provided* that if the Binance US Purchase Agreement is validly terminated by Seller pursuant to Section 8.1(g) (Seller exercise of the fiduciary out) (x) in order for Seller to pursue the Toggle Transaction as a result of and following any Effect with respect to Binance US’s business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, or any Effect with respect to Binance US’s Affiliates that has an Effect thereon that would reasonably be expected to (i) prevent or materially impair or materially delay the ability of Binance US to consummate the Binance US Transaction or (ii) materially and adversely affect the customers, creditors, or the acquired cryptocurrency on the Binance US platform, and (y) such termination was not caused by (i) the Debtors determination to pursue a higher and better offer from a third party or (ii) because the estimated proceeds from the Toggle Transaction are or would reasonably be expected to be greater than the consideration under the Binance US Transaction, then no Purchaser Expenses shall be payable. *See* Binance US Purchase Agreement, Section 6.22.

38. The potential for the Debtors to potentially be responsible for Purchaser Expenses was already contemplated by this Court’s Bidding Procedures Order. Moreover, bankruptcy courts routinely approve asset purchase agreements that contain similar bid protections that provide a benefit to the estates. *See, e.g., In re WorldSpace, Inc.*, 2010 WL 4739929, at *4–5 (Bankr. D. Del. June 2, 2010) (approving the break-up fee in an asset purchase agreement for a variety of reasons, including that the break-up fee was reasonable and appropriate, essential to induce the buyer to enter the agreement, and entered into under the debtors’ compelling and sound business justification); *see also In re Genco Shipping & Trading Limited*, 509 B.R. 455, 465 (Bankr.

S.D.N.Y. 2014) (citing *In re Metaldyne Corp.*, 409 B.R. 661, 670 (Bankr. S.D.N.Y. 2009); *see also In re Integrated Res., Inc.*, 147 B.R. at 657–58 (to evaluate bid protections, courts should employ the business judgment rule, which proscribes judicial second-guessing of the corporate debtor’s actions taken in good faith, absent self-dealing and in the exercise of honest judgment); *In re Fin. News Network, Inc.*, 980 F.2d 165 (2d Cir. 1992); *Integrated Res., Inc.*, 147 B.R. at 659–60 (“Break-up fees are important tools to encourage bidding and to maximize the value of the debtor’s assets In fact, because the . . . corporation has a duty to encourage bidding, break-up fees can be *necessary* to discharge [such] duties to maximize value.” (emphasis added)); *See In re O’Brien Env’tl. Energy, Inc.*, 181 F.3d 527 (3d Cir. 1999).

39. Further, the Purchaser Expenses under the Binance US Purchase Agreement constitute “actual and necessary costs and expenses of preserving the estate” entitled to administrative expense status and payment under sections 503(b) and 507(a)(2) of the Bankruptcy Code. 11 U.S.C. §§ 503(b)(1)(A) and 507(a)(2). Courts in this district have often granted relief similar to the relief requested herein. *See, e.g., In re Garrett Motion, Inc.*, Case No. 20-12212 (Bankr. S.D.N.Y. Mar. 12, 2021) (approving administrative expense priority to backstop fees and expenses); *In re SunEdison, Inc.*, Case No. 16-10992 (Bankr. S.D.N.Y. June 6, 2017) (same); *In re Roust Corp.*, Case No. 16-23786 (Bankr. S.D.N.Y. Jan. 10, 2017) (same); *In re K-V Discovery Solutions Inc.*, Case No. 12-13346 (Bankr. S.D.N.Y. June 7, 2013) (same). The facts and circumstances here warrant similar treatment.

40. The Court should rely on the business judgment standard when determining the appropriateness of the Purchaser Expenses. The Seller exhibited a sound exercise of its business judgment in agreeing to the Purchaser Expenses because Binance US is unwilling to enter into the Binance US Purchase Agreement and have its transaction subject to higher and better offers

without the protection of reimbursement of the expenses it incurred in setting a floor for other potential bidders. The risk of losing the Binance US Transaction due to the Seller's refusal to agree to the Purchaser Expenses significantly outweighs the cost associated with the Purchaser Expenses that are triggered under very limited circumstances.

41. In short, the proposed Purchaser Expenses are fair and reasonable under the circumstances because they constitute a "fair and reasonable percentage of the proposed purchase price" and are "reasonably related to the risk, effort, and expenses of the prospective purchaser." *In re Intergrated Res., Inc.*, 147 B.R. at 662 (quoting *In re 995 Fifth Ave. Assocs., L.P.*, 96 B.R. 24, 28 (Bankr. S.D.N.Y. 1989)). Approval of the Purchaser Expenses is necessary for Binance US to enter into the Binance US Purchase Agreement and remain committed through the Debtors' plan solicitation and confirmation process, all during which the Debtors have the ability to exercise their fiduciary out should a higher or otherwise better offer be proposed. Accordingly, the Purchaser Expenses are an appropriate and crucial component of the Binance US Purchase Agreement and a prudent exercise of the Debtors' business judgment consistent with the legal standards this Court and other courts in this jurisdiction have established and recognized.

Reservation of Rights

42. Nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or should be construed as (a) an admission as to the validity of any particular claim against the Debtors, (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds, (c) a promise or requirement to pay any particular claim, (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion, (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code,

(f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law, or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Motion Practice

43. This Motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of their application to this Motion. Accordingly, the Debtors submit that this Motion satisfies Local Rule 9013-1(a).

Notice

44. The Debtors will provide notice of this Motion to the following parties and/or their respective counsel, as applicable: (a) the U.S. Trustee; (b) the Committee; (c) the lender under the Debtors' prepetition loan facility; (d) the United States Attorney's Office for the Southern District of New York; (e) the Internal Revenue Service; (f) the Toronto Stock Exchange; (g) the attorneys general in the states where the Debtors conduct their business operations; (h) all parties who have expressed a written interest in the Acquired Assets; and (i) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

45. No prior request for the relief sought in this Motion has been made to this or any other court.

WHEREFORE, the Debtors respectfully request that the Court enter the Order, substantially in the form attached hereto as **Exhibit A**, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

Upon the Motion (the “Motion”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of an order (this “Order”): (i) authorizing entry into the Binance US Purchase Agreement and (ii) granting related relief; and the Debtors having determined, after an extensive marketing process, that BAM Trading Services Inc. d/b/a Binance.US (“Binance US” or the “Purchaser”) has submitted the highest or otherwise best bid for the Acquired Assets; and the Debtors having selected Binance US as the Winning Bidder pursuant to the Bidding Procedures Order; and upon adequate and sufficient notice of the Motion, all as more fully set forth in the Motion; and upon the First Day Declaration and the Tichenor Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, entered February 1, 2012; and this Court having the power to enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Debtors’ principal place of business is 33 Irving Place, Suite 3060, New York, NY 10003.

² Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

§§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY FOUND AND DETERMINED THAT:

A. The Debtors and the Purchaser negotiated the Binance US Purchase Agreement at arm's length and in good faith, without collusion, all within the meaning of section 363(m) of the Bankruptcy Code.

B. The Purchaser Expenses, as set forth in the Binance US Purchase Agreement, are: (1) commensurate to the real and substantial benefits conferred upon the Debtors' estates by the Purchaser; (2) reasonable and appropriate in light of the size and nature of the proposed sale contemplated by the Binance US Purchase Agreement, the commitments that have been made by the Purchaser, and the efforts that have been and will be expended by the Purchaser; and (3) necessary to induce the Purchaser to continue to pursue such sale and continue to be bound by the Binance US Purchase Agreement. The Purchaser Expenses are an essential inducement to, and condition of, the Purchaser's entry into, and continuing obligations under, the Binance US Purchase Agreement. Unless it is assured that the Purchaser Expenses will be available, the Purchaser is unwilling to be bound to the terms of the Binance US Purchase Agreement (including the obligation to maintain its committed offer in accordance with the terms of the Binance US

Purchase Agreement while such offer is subject to higher or otherwise better bids as contemplated by the Bidding Procedures). The Purchaser has provided a material benefit to the Debtors and their creditors by providing a baseline value, thereby increasing the likelihood that the value of the Acquired Assets will be maximized through the Debtors' sale process.

C. Accordingly, the Purchaser Expenses are (1) fair, reasonable and appropriate and designed to maximize value for the benefit of the Debtors' estates; and (2) an actual and necessary cost of preserving the Debtors' estates within the meanings of sections 503(b) and 507(a) of the Bankruptcy Code.

IT IS HEREBY ORDERED THAT:

I. Notice of the Motion.

1. Notice of the Hearing, the Motion, and the Debtors' entry into the Binance US Purchase Agreement, was timely, proper, and reasonably calculated to provide interested parties with timely and proper notice thereof, and no other or further notice of the Motion and the Hearing is, or shall be, required. The requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice. A reasonable opportunity to object and be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities.

II. Highest or Otherwise Best Offer.

2. The Debtors' pre- and postpetition marketing process with respect to the Acquired Assets afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets. The transactions contemplated by the Binance US Purchase Agreement constitute the highest or otherwise best offer for the Acquired Assets, and the Debtors' determination that the terms of the Binance US Purchase Agreement constitute the highest or otherwise best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment; *provided* that nothing in this Order shall limit or

otherwise restrict in any way the Seller's rights and obligations under section 5.2 of the Binance US Purchase Agreement. Entry of this Order, including approval of the Seller's entry into, and performance under, the Binance US Purchase Agreement, is in the best interests of the Debtors, their estates, creditors, and all other parties in interest.

III. General Provisions.

3. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to these chapter 11 cases pursuant to Bankruptcy Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

4. All objections to the Motion or the relief requested therein that have not been withdrawn, waived, or settled as announced to the Court at the Hearing or by stipulation filed with the Court, and all reservations of rights included in such objections or otherwise, are hereby denied and overruled on the merits with prejudice.

5. The Motion is granted as set forth herein.

6. Voyager Digital, LLC, as seller under the Binance US Purchase Agreement, is authorized, pursuant to sections 105(a) and 363(b) of the Bankruptcy Code, to enter into the Binance US Purchase Agreement and perform its obligations under the Binance US Purchase Agreement other than those obligations to be performed at or after the consummation of the Sale, which obligations the Debtors will seek approval of in connection with confirmation of a chapter 11 plan. The Seller and Purchaser are granted all rights and remedies provided to them under the Binance US Purchase Agreement.

7. The Binance US Purchase Agreement shall be binding and specifically enforceable against the parties thereto in accordance with its terms, including, without limitation, Section 5.2

(the “No-Shop” provision) and, as applicable, those additional obligations set forth in Article V (Bankruptcy Court Matters) and Article VI (Covenants and Agreements) of the Binance US Purchase Agreement.

8. The Debtors are authorized, but not directed, to enter into non-material amendments to the Binance US Purchase Agreement from time to time as necessary, subject to the terms and conditions set forth in the Binance US Purchase Agreement, and without further order of the Court.

9. The Seller is authorized to satisfy the Purchaser Expenses pursuant to the terms and conditions set forth in the Binance US Purchase Agreement, and the Purchaser Expenses, as set forth in the Binance US Purchase Agreement, are approved in their entirety. The Purchaser Expenses provisions in the Binance US Purchase Agreement and this Order shall be binding on the Seller, its successors and assigns, and shall survive the termination of the Binance US Purchase Agreement, appointment of a chapter 11 trustee or similar fiduciary, and dismissal or conversion of the chapter 11 cases; *provided, however*, that the obligation to pay or honor the Purchaser Expenses shall be subject to the terms and conditions of the Binance US Purchase Agreement. The Purchaser Expenses shall be entitled to administrative expense status under sections 503(b) and 507(a)(2) of the Bankruptcy Code.

10. The Purchaser is obligated to satisfy the terms and conditions of the Binance US Purchase Agreement in its entirety, including Section 2.2 (Good Faith Deposit), Section 6.21 (Seller Expenses), and Section 8.3 (the Reverse Termination Fee).

11. To the extent the automatic stay provisions of section 362 of the Bankruptcy Code would otherwise apply, such provisions are vacated and modified to the extent necessary to permit the parties to the Binance US Purchase Agreement to exercise their termination rights thereunder in accordance with its terms, and deliver any notice contemplated thereunder, in each case, without

further order of the Court.

12. The Debtors are authorized to rebalance their cryptocurrency portfolio subject to the terms of the Binance US Purchase Agreement.

13. Nothing in this Order, the Binance US Purchase Agreement, the Plan, or any order confirming the Plan discharges, releases, impairs or otherwise precludes: (i) any liability to any governmental unit as defined in 11 U.S.C. § 101(27) (“Governmental Unit”) that is not a “claim” within the meaning section 101(5) of the Bankruptcy Code; (ii) any claim of any Governmental Unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the date of the closing of the Sale; or (iii) any liability to a Governmental Unit on the part of any Person other than the Debtors. Nor shall anything in this Order or related documents enjoin or otherwise bar a Governmental Unit from asserting or enforcing any liability described in the preceding sentence. Notwithstanding anything to the contrary, nothing in this paragraph 13 shall be construed as a determination as to any liability or claim owing to a Governmental Unit or whether any Governmental Unit is subject to the automatic stay under section 362 of the Bankruptcy Code or limits, lifts or otherwise modifies the automatic stay under section 362 of the Bankruptcy Code.

14. Further, nothing in this Order, the Binance US Purchase Agreement, the Plan, or any order confirming the Plan authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law. Nothing in this Order, the Binance US Purchase Agreement, the Plan, or any order confirming the Plan shall relieve any entity from any otherwise applicable obligation to address or comply with information requests or inquiries from any

Governmental Unit. Nothing in this Order, the Binance US Purchase Agreement, the Plan, or any order confirming the Plan shall affect any valid setoff or recoupment rights of any Governmental Unit. Nothing in this Order, the Binance US Purchase Agreement, the Plan, or any order confirming the Plan divests any state tribunal of any otherwise applicable jurisdiction it may have under police or regulatory law. Nothing in this Order, the Binance US Purchase Agreement, the Plan, or any order confirming the Plan, shall be construed as a determination of whether the automatic stay applies to this paragraph 14 or limits, lifts or otherwise modifies the automatic stay under section 362 of the Bankruptcy Code.

15. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity of any particular claim against the Debtors; (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to the Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens. Any payment made pursuant to this Order is not intended and should not be construed as an admission as the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

16. The Debtors shall maintain copies of their books and records as set forth in the Plan. Nothing in this Order shall affect the obligations of the Debtors and/or any transferee or

custodian to maintain all books and records that are subject to any governmental subpoena, document preservation letter, or other investigative request from a governmental agency.

17. Notwithstanding anything to the contrary in the Motion, this Order, or any findings announced at the Hearing, nothing in the Motion, this Order, or announced at the Hearing constitutes a finding under the federal securities laws as to whether crypto tokens or transactions involving crypto tokens are securities, and the right of the United States Securities and Exchange Commission to challenge transactions involving crypto tokens on any basis is expressly reserved.

18. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

19. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

20. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

21. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

22. The failure to specifically include any particular provision of the Binance US Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that entry into the Binance US Purchase Agreement be authorized and approved in its entirety.

23. The Court shall retain exclusive jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Binance US Purchase Agreement, all amendments thereto and any waivers and consents thereunder, and to adjudicate,

if necessary, any and all disputes concerning or relating in any way to interpretation, implementation, or enforcement of the Binance US Purchase Agreement, including, but not limited to, any matter, claim, or dispute arising from or relating to the Binance US Purchase Agreement, and any purported termination of the Binance US Purchase Agreement pursuant to paragraph 11 of this Order.

24. To the extent that this Order is inconsistent with the Motion, the terms of this Order shall govern.

ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (this “Agreement”), dated as of December 18, 2022, is made by and between BAM Trading Services Inc. d/b/a Binance.us, a Delaware corporation (“Purchaser”), and Voyager Digital, LLC, a Delaware limited liability company (“Seller”). Purchaser and Seller are each referred to herein individually as a “Party” and collectively as the “Parties.” Capitalized terms used herein shall have the meanings set forth herein or in Article XI.

WHEREAS, on July 5, 2022 (the “Petition Date”), Seller, together with Voyager Digital Ltd., a Canadian corporation and Seller’s indirect equityholder (“Parent”), and Voyager Digital Holdings, Inc., a Delaware corporation and Seller’s direct equityholder (“Holdings” and, collectively with Seller and Parent, the “Debtors”), filed voluntary petitions for relief (collectively, the “Petitions”) under chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), to be jointly administered for procedural purposes (collectively, the “Bankruptcy Case”); and

WHEREAS, Purchaser desires to purchase the Acquired Assets and assume the Assumed Liabilities from Seller, and Seller desires to sell, convey, assign, and transfer to Purchaser the Acquired Assets together with the Assumed Liabilities, in a sale authorized by the Bankruptcy Court pursuant to, inter alia, sections 105, 363, 365, 1129, 1141 and 1142 of the Bankruptcy Code, in accordance with the other applicable provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure and the local rules for the Bankruptcy Court, all on the terms and subject to the conditions set forth in this Agreement, the Agreement Order, the Plan and the Confirmation Order.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants, and agreements set forth herein, intending to be legally bound hereby, Purchaser and Seller hereby agree as follows.

ARTICLE I

PURCHASE AND SALE OF THE ACQUIRED ASSETS; ASSUMPTION OF ASSUMED LIABILITIES

1.1 Purchase and Sale of the Acquired Assets. Pursuant to sections 105, 363, 365, 1129, 1141 and 1142 of the Bankruptcy Code, on the terms and subject to the conditions set forth herein and in the Agreement Order, the Plan and the Confirmation Order, at the Closing, Seller shall sell, transfer, assign, convey, and deliver to Purchaser, and Purchaser shall purchase, acquire, and accept from Seller, all of Seller’s right, title and interest in and to, as of the Closing, the Acquired Assets, free and clear of all Encumbrances other than Permitted Post-Closing Liens; provided, in respect of the Acquired Coins, Purchaser shall acquire all of Seller’s right, title and interest in and to the Acquired Coins free and clear of all Encumbrances (including Encumbrances implemented through “smart contracts” or other technological means), except that with respect to any ETH Coins that are Staked Coins as of the date hereof and cannot be unstaked as of the Closing, such ETH Coins shall be subject to such staking. “Acquired Assets” means all of the properties, rights and interests in and to only the following assets of Seller as of the Closing, wherever located and

whether or not required to be reflected on a balance sheet prepared in accordance with IFRS, including any such properties, rights and interests in any assets of the following types acquired by Seller after the date hereof and prior to the Closing:

(e) all rights to continue the customer relationships with customers of Seller and its Affiliates to the extent pertaining to savings and trading services related to Cryptocurrency;

(f) all Contracts listed on Schedule 1.1(f) (the “Assigned Contracts”) (for the avoidance of doubt, not including the 3AC Loan); and

(g) other than the Excluded Documents, all Documents, goodwill, payment intangibles and general intangible assets and rights of or otherwise used or held for use by or on behalf of Seller and its Affiliates, in each case in connection with or related to any of the foregoing categories of Acquired Assets; provided that Seller shall be entitled to retain copies of Documents (subject to Section 6.19).

1.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, in no event shall Seller be deemed to sell, transfer, assign, convey or deliver, and Seller shall retain all right, title and interest to all other properties, rights, interests and other assets of Seller that are not Acquired Assets, including the following (collectively, the “Excluded Assets”):

1.3 Assumption of Certain Liabilities. On the terms and subject to the conditions set forth herein and in the Agreement Order, the Plan and the Confirmation Order, effective as of the Closing, in addition to the other components of the Purchase Price described in Section 2.1(a), Purchaser shall irrevocably assume from Seller (or with respect to Taxes, if applicable, from Seller's applicable Affiliate) (and from and after the Closing pay, perform, discharge, or otherwise satisfy in accordance with their respective terms), and Seller shall (or with respect to Taxes, if applicable, cause Seller's applicable Affiliate to) irrevocably transfer, assign, convey, and deliver to Purchaser, only the following Liabilities, without duplication and only to the extent not paid prior to the Closing (collectively, the "Assumed Liabilities"):

- (a) all Liabilities and obligations of Seller under the Assigned Contracts to the extent such Liabilities arise from and after the Closing or relate to events, facts and circumstances first existing after the Closing;
- (b) all cure costs required to be paid pursuant to section 365 of the Bankruptcy Code in connection with the assumption and assignment of the Assigned Contracts (the "Cure Costs");

- (e) all Liabilities relating to all Transfer Taxes; and

provided, however, that whether or not any Liability for Taxes is an Assumed Liability shall be governed solely by Section 1.3(d) and Section 1.3(e).

1.4 Excluded Liabilities. Notwithstanding anything herein to the contrary, Purchaser shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of, or Action against, Seller or any of its Affiliates or relating to the Acquired Assets, the Excluded Assets or the business and operations of Seller and its Affiliates, of any kind or nature whatsoever, whether absolute, accrued, contingent or otherwise, liquidated or unliquidated, due or to become due, known or unknown, currently existing or hereafter arising, matured or unmatured, direct or indirect, and however arising, whether existing on or prior to the Closing Date or arising thereafter, including as a result of any act, omission, or circumstances taking place prior to the Closing, other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the “Excluded Liabilities”). For the avoidance of doubt, and without limiting the foregoing, Purchaser shall not be obligated to assume, and does not assume, and hereby disclaims, all of the following Liabilities of Seller and its Affiliates (each of which shall constitute an Excluded Liability hereunder):

(a) all Liabilities (i) existing prior to the filing of the Bankruptcy Case that are subject to compromise under the Bankruptcy Code and (ii) to the extent not otherwise expressly assumed herein (including in the Commercial Covenants), incurred subsequent to the filing of the Bankruptcy Case and prior to the Closing;

(b) all Liabilities related to (i) customer accounts of Seller or its Affiliates (including Voyager User Accounts), except for those obligations of Purchaser expressly set forth in the Commercial Covenants and (ii) commercial payables or amounts owing by Seller or its Affiliates, including to any software vendors;

(c) all Liabilities for Taxes (i) with respect to the Acquired Assets for any Pre-Closing Tax Period allocable to Seller in accordance with Section 9.3(d); (ii) of Seller and their Affiliates for any taxable period; or (iii) arising from or in connection with an Excluded Asset; and

(d) all Liabilities resulting from Seller’s or any of its Affiliates’ breach of, violation of, or non-compliance with the provisions of any Laws relating to the ownership or operation of their respective businesses, the Acquired Assets and the Excluded Assets or the Transactions, including any bulk transfer Laws or similar Laws of any jurisdiction in connection with the Transactions; and

(e) all Successor Liabilities, including with respect to any investigation or other Action against, concerning or otherwise with respect to Seller, its business or its assets.

1.5 Assumption/Rejection of Certain Contracts.

(a) Assumption and Assignment of Executory Contracts. Seller shall, and shall cause its Affiliates to, provide timely and proper written notice of the Seller’s request for entry of the Confirmation Order to all parties to any executory Contracts or unexpired leases to which Seller is a party that are Assigned Contracts and take all other actions reasonably necessary to cause such Contracts to be assumed by Seller and assigned to Purchaser pursuant to section 365 of the Bankruptcy Code to the extent that such Contracts are Assigned Contracts at Closing. The

Confirmation Order shall provide that as of and conditioned on the occurrence of the Closing, Seller shall assign or cause to be assigned to Purchaser, as applicable, the Assigned Contracts, each of which shall be identified by the name or appropriate description and date of the Assigned Contract (if available), the other party to the Assigned Contract and the address of such party for notice purposes, all included on an exhibit attached to either the Plan Supplement, a notice filed in connection with the motion for approval of the Confirmation Order or a separate motion for authority to assume and assign such Assigned Contracts. Such exhibit shall also set forth Seller's good faith estimate of the amounts necessary to cure any defaults under each of the Assigned Contracts as determined by Seller based on Seller's books and records or as otherwise determined by the Bankruptcy Court. At the Closing, Seller shall, pursuant to the Agreement Order, the Confirmation Order and the Assignment and Assumption Agreement(s), assume and assign to Purchaser (the consideration for which is included in the Purchase Price), all Assigned Contracts that may be assigned by Seller to Purchaser pursuant to sections 363 and 365 of the Bankruptcy Code, subject to adjustment pursuant to Section 1.5(b). At the Closing, Purchaser shall (i) pay all Cure Costs and (ii) assume, and thereafter in due course and in accordance with its respective terms pay, fully satisfy, discharge and perform all of the obligations under each Assigned Contract pursuant to section 365 of the Bankruptcy Code.

(b) Excluding or Adding Assigned Contracts Prior to Closing. Purchaser shall have the right to notify Seller in writing of any Assigned Contract that it does not wish to assume or a Contract to which Seller is a party that Purchaser wishes to add as an Assigned Contract up to five (5) Business Days prior to the Closing Date, and (i) any such previously considered Assigned Contract that Purchaser no longer wishes to assume shall be automatically deemed removed from the Schedules related to Assigned Contracts and automatically deemed to be an Excluded Contract, in each case, without any adjustment to the Purchase Price, and (ii) any such previously considered Excluded Contract that Purchaser wishes to assume as an Assigned Contract shall be automatically deemed added to the Schedules related to Assigned Contracts, automatically deemed removed from the Schedules related to Excluded Contracts, and assumed by Seller to sell and assign to Purchaser, in each case, without any adjustment to the Purchase Price. Purchaser shall be solely responsible for the payment, performance and discharge when due of the Liabilities under the Assigned Contracts arising or that are otherwise payable from the time of and after the Closing. No Contract set forth on Schedule 1.2(s) shall be subject to the terms of this Section 1.5(b).

(c) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement but subject to Section 6.1, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser to the extent that such Contract is rejected by Seller or terminated by Seller or any other party thereto, or terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption; provided that Seller shall obtain Purchaser's consent prior to seeking to reject or terminate, or rejecting or terminating, any Assigned Contract or any Contract assumed by Purchaser pursuant to Section 1.5(a) or Section 1.5(b) from and after the date of this Agreement.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than,

and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser of Seller's rights over such asset, and such Consent or Governmental Authorization has not been obtained prior to such time as it is to be transferred by Purchaser as an Acquired Asset hereunder, such asset shall not be an Acquired Asset hereunder and shall not be transferred to, or received by, Purchaser. In the event that any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such Consent or Governmental Authorization is obtained and the closing of the Bankruptcy Case, Seller and Purchaser shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) enter into a commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser any or all of Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser shall obtain (without materially infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs actually incurred by Seller or its Affiliates or any direct reasonable and documented out-of-pocket costs actually incurred by Seller or its Affiliates resulting from the retention and maintenance by Seller or its Affiliates) with respect to such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser shall assume any related burden and obligation with respect to such Acquired Asset to the extent such burden and obligation would constitute an Assumed Liability if such Acquired Asset was transferred at Closing. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, such Acquired Asset shall promptly be transferred and assigned to Purchaser in accordance with the terms of this Agreement, the Agreement Order, the Plan and Confirmation Order, and the Bankruptcy Code. Notwithstanding anything herein to the contrary, the provisions of this Section 1.5(c) shall not apply to any consent or approval that is not required to be obtained by operation of the Bankruptcy Code (including section 365(f)).

ARTICLE II

(b) Subject to the terms and conditions herein, at the Closing, Purchaser shall deliver, or cause to be delivered, to Seller (i) the Cash Payment, plus (ii) the Seller Expenses, if any, payable pursuant to Section 6.21, less (iii) the Deposit, together with all received investment income, if any (the "Closing Date Payment"). Any payment required to be made pursuant to this Agreement in cash (including the Closing Date Payment) shall be made by wire transfer of

To the extent there are any Withheld Coins, the provisions of this Agreement shall be read accordingly to give effect to the withholding and subsequent transfer, distribution or other action with respect to any such Withheld Coins, *mutatis mutandis*.

(a) Purchaser has made, on the date hereof or will make on the first Business Day following the date hereof, an earnest money deposit with Acquiom Clearing House LLC (the "Escrow Agent") in the amount equal to \$10,000,000 (the "Deposit"), by wire transfer of immediately available funds for deposit into an escrow account (the "Escrow Account"). Subject to Section 2.2(b) and Section 2.2(c), the Deposit and any received investment income, if any, shall not be subject to any lien, attachment, trustee process, or any other judicial process of any creditor of Seller or Purchaser and shall be applied against payment of the Purchase Price on the Closing Date. Seller hereby acknowledges and agrees that the Deposit qualifies as the deposit required pursuant to the Bidding Procedures Order.

(b) If this Agreement has been validly terminated (i) by Seller pursuant to Section 8.1(d) or Section 8.1(f), (ii) by Purchaser pursuant to Section 8.1(c), in circumstances where Seller would be entitled to terminate this Agreement pursuant to Section 8.1(d) or Section 8.1(f), or (iii) by Seller pursuant to Section 8.1(g) in connection with and following any Purchaser Development and not in connection with a Higher and Better Offer (each of (i), (ii), and (iii), a "Purchaser Default Termination"), then within three (3) Business Days after the date of such termination, the Parties shall execute any instructions necessary to permit the Escrow Agent to disburse the Deposit together with all received investment income, if any, to Seller.

(c) If this Agreement has been validly terminated by either Party, other than as contemplated by Section 2.2(b), then the Deposit, together with all received investment income, if any, shall be returned to Purchaser within three (3) Business Days after such termination, and, at Purchaser's request, Seller shall execute any instructions necessary to permit the Escrow Agent to disburse the Deposit together with all received investment income, if any, to Purchaser.

(d) If the Closing occurs, the Deposit shall be transferred to Seller.

2.3 Closing. Subject to the terms and on the conditions set forth in this Agreement, the closing of the purchase and sale of the Acquired Assets, the delivery of the Purchase Price, the assumption of the Assumed Liabilities and the consummation of the other transactions contemplated by this Agreement at and in connection with such closing (the "Closing") will take place by telephone conference and electronic exchange of documents (or, if the Parties agree to

Purchaser acknowledges and agrees that all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (a) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Seller Representations), including in the Information Presentation, the Dataroom, any projections or in

Seller shall thereafter keep Purchaser reasonably informed, on a reasonably prompt basis, of the status of any discussions or negotiations with respect thereto. Until entry of the Agreement Order, Seller shall promptly (but in any event within twenty-four (24) hours) provide written notice to Purchaser of any breach of this Section 5.2(b).

(c) Seller (i) shall promptly (and in any event within twenty-four (24) hours) give notice to Purchaser upon a determination by Seller or its board of directors (or comparable governing body) that any Acquisition Proposal received from any Person after the date of this Agreement that did not result from Seller's breach of Section 5.2(a) constitutes a Higher and Better Offer (a "Higher Offer Determination Notice") and (ii) may cause or permit Seller or any of the other Debtors to enter into a definitive agreement with respect to such Acquisition Proposal; provided that (A) Seller and its board of directors (or comparable governing body) may only make such determination described in clause (i) of this Section 5.2(c) if, prior to the determination that such Acquisition Proposal constitutes a Higher and Better Offer, Seller negotiates, and causes its representatives to negotiate, with Purchaser in good faith (to the extent Purchaser and its representatives desire to negotiate) during such three (3) Business Day period to amend the terms and conditions of this Agreement and, no earlier than the end of such three (3) Business Day period, the board of directors (or comparable governing body) of Seller determines in good faith (after consultation with its financial advisor(s) and outside legal counsel), after giving effect to such proposed amendments to the terms and conditions of this Agreement, that such Acquisition Proposal still constitutes a Higher and Better Offer (provided further that if any material amendment is made to such Acquisition Proposal, such Acquisition Proposal shall be subject again (but only once again) to the foregoing, except that references to three (3) Business Days shall be deemed to be two (2) Business Days, and whatever the result of the second instance of the foregoing, Seller shall not be required to undertake the foregoing again before making a determination that such Acquisition Proposal constitutes a Higher and Better Offer and, if applicable, terminating this Agreement), and (B) Seller and its board of directors (or comparable governing body) may only take such action described in clause (ii) of this Section 5.2(c) if the board of directors (or comparable governing body) of Seller determines in good faith (after consultation with its outside legal counsel) that the failure to take such action would violate with its fiduciary duties under applicable Law.

5.3 Bankruptcy Actions.

(a) No later than December 21, 2022, Seller shall file with the Bankruptcy Court an amended Disclosure Statement (the "Amended Disclosure Statement") containing such amendments as may be necessary or appropriate to reflect the Seller's entry into this Agreement and pursuit of the Transactions, which, solely with respect to matters relating to this Agreement and the Transactions, shall be in a form and substance reasonably acceptable to Purchaser. Concurrently with the filing of such Amended Disclosure Statement (*i.e.*, no later than December 21, 2022), Seller shall file the Plan Solicitation Motion which, solely with respect to matters relating to this Agreement and the Transactions, shall be in form and substance reasonably acceptable to Purchaser; provided that Seller may modify the Plan Solicitation Motion, the Plan, and the Confirmation Order pursuant to discussions with the United States Trustee assigned to the Bankruptcy Case, the Bankruptcy Court, any creditor or committee representing a group of creditors in the Bankruptcy Case, or any other party in interest, in each case, with the consent of Purchaser solely as it pertains to matters relating to this Agreement and Transactions (such consent not to be unreasonably withheld, conditioned or delayed).

(b) From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Seller shall use reasonable best efforts to obtain entry by the Bankruptcy Court of the Agreement Order and the Confirmation Order.

(c) The Parties shall use their respective reasonable best efforts to (i) obtain entry by the Bankruptcy Court of the Agreement Order, (ii) obtain entry by the Bankruptcy Court of the Plan Solicitation Order, (iii) commence solicitation of the Plan, and (iv) (A) facilitate the solicitation, confirmation, and consummation of the Plan and the transactions contemplated thereby and hereby, (B) obtain entry of the Confirmation Order, and (C) and consummate the Plan and the Transactions on the timeline set forth in the Plan Solicitation Motion and in any case prior to the Outside Date.

(d) Purchaser shall promptly take all actions as are reasonably requested by Seller to assist in obtaining the Bankruptcy Court's entry of the Agreement Order, the Plan Solicitation Order, the Confirmation Order, and any other Order reasonably necessary in connection with the Transactions as promptly as practicable, including furnishing affidavits, financial information, or other documents or information for filing with the Bankruptcy Court and making such employees and Advisors of Purchaser and its Affiliates reasonably available to testify before the Bankruptcy Court for the purposes of, among other things providing necessary assurances of performance by Purchaser under this Agreement, and demonstrating that Purchaser is a "good faith" purchaser under section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser's ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing.

(e) Any documents filed by Seller with the Bankruptcy Court in connection with obtaining approval of effectuating the Closing shall be reasonably acceptable to Purchaser.

(f) Each of Seller and Purchaser shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the other Party or required by the Bankruptcy Court in connection with the Transactions and the Plan solely with respect to matters relating to this Agreement and (ii) keep the other reasonably apprised of the status of material matters related to the Agreement and the Plan solely as it pertains to matters relating to this Agreement and Transactions, including, upon reasonable request promptly furnishing the other with copies of notices or other communications received by Seller from the Bankruptcy Court with respect to the Transactions or the Plan solely as it pertains to matters relating to this Agreement and Transactions.

(g) Seller and Purchaser acknowledge that this Agreement and the sale of the Acquired Assets are subject to Bankruptcy Court approval. Purchaser acknowledges that Seller and the other Debtors must take reasonable steps to demonstrate that they have sought to obtain the highest or otherwise best price for the Acquired Assets, including giving notice thereof to the creditors of the Debtors and other interested parties, providing information about Seller to prospective bidders, entertaining higher and better offers from such prospective bidders.

(h) Purchaser shall provide adequate assurance of future performance as required under section 365 of the Bankruptcy Code for the Assigned Contracts. Purchaser agrees that it will take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of adequate assurance of future performance under the Assigned Contracts, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Purchaser's Advisors reasonably available to testify before the Bankruptcy Court.

5.4 Cure Costs. Subject to entry of the Agreement Order and the Confirmation Order, Purchaser shall, on or prior to the Closing (or, in the case of any Contract that is to be assigned following the Closing pursuant to Section 1.5, on or prior to the date of such assignment), pay the Cure Costs and cure any and all other defaults and breaches under the Assigned Contracts so that such Contracts may be assumed by Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement.

5.5 Approval. Seller's and Purchaser's obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Agreement Order and the Confirmation Order). Nothing in this Agreement shall require Seller or its Affiliates to give testimony to or submit a motion to the Bankruptcy Court that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court or its stakeholders.

5.6 No Successor Liability. The Parties intend that upon the Closing the Purchaser Group shall not and shall not be deemed to: (a) be a successor (or other such similarly situated party), or otherwise be deemed a successor, to Seller, including, a "successor employer" for the purposes of the Code, ERISA, or other applicable Laws; (b) have Liability or responsibility for any Liability or other obligation of Seller arising under or related to the Acquired Assets other than as expressly set forth in this Agreement, including successor or vicarious Liabilities of any kind or character, including any theory of antitrust, environmental, successor, or transferee Liability, labor law, de facto merger, or substantial continuity (including under applicable Money Transmitter Requirements or securities Laws of any Governmental Body); (c) have, de facto or otherwise, merged with or into Seller; (d) be an alter ego or a mere continuation or substantial continuation of any of Seller (and there is no continuity of enterprise between Purchaser and Seller), including, within the meaning of any foreign, federal, state or local revenue, pension, ERISA, COBRA, Tax, labor, employment, environmental, or other Law, rule or regulation (including filing requirements under any such Laws, rules or regulations), or under any products liability Law or doctrine with respect to Seller's Liability under such Law, rule or regulation or doctrine; or (e) be holding itself out to the public as a continuation of Seller or its estate (the foregoing clauses (a) through (e), collectively, "Successor Liabilities").

5.7 Filings. Seller shall, and shall cause the other Debtors to, give Purchaser reasonable advance notice of, and opportunity to review and approve, any motions, pleadings, notices and other documents to be filed during the Bankruptcy Case that would reasonably be expected to be material and adverse to the Transactions (such approval not to be unreasonably withheld, conditioned or delayed, provided that Purchaser may withhold their approval in their sole discretion to the extent such motions, pleadings, notices and other documents would be inconsistent with the consummation of the Transactions in accordance herewith).

5.8 Waiver of Conflicts. Notwithstanding anything to the contrary herein or otherwise, Seller acknowledges that Paul Hastings LLP ("Paul Hastings") may have represented and may currently represent the Purchaser or one or more of its Affiliates in connection with the Transactions (including the negotiation, preparation, execution and delivery of this Agreement and related agreements, and the consummation of the Transactions) as well as other past and ongoing regulatory matters generally (the "Covered Matters"). Accordingly, Seller hereby irrevocably consents and agrees, on its behalf and on behalf of its Affiliates, to Paul Hastings representing the

Purchaser and its Affiliates from and after the Closing in connection with any matter arising out of or related to the Covered Matters. Seller (i) hereby irrevocably waives and will not assert, and will cause each of its Affiliates to waive and not assert, any actual or potential conflict of interest which has or may arise as a result of Paul Hastings's representation of the Purchaser or one or more of its Affiliates, including in any Action, in a Covered Matter, (ii) hereby consents, and will cause each of its Affiliates to consent to, any such representation, even though, in each case, (x) the interests of the Purchaser or such Affiliates may be directly adverse to Seller or its Affiliates, (y) Paul Hastings may have represented Seller or its Affiliates in a substantially related matter, or (z) Paul Hastings may be handling other ongoing matters for Seller or its Affiliates, and (iii) shall cooperate, and shall cause each of its Affiliates to cooperate, with the Purchaser in effectuating the foregoing waiver (including with respect to any objections raised by or before the Bankruptcy Court or the United States Trustee assigned to the Bankruptcy Case in respect of such waiver or representation).

ARTICLE VI

COVENANTS AND AGREEMENTS

6.1 Conduct of Seller.

(a) Except (i) as required by applicable Law, Order or a Governmental Body, (ii) any limitations on operations imposed by the Bankruptcy Court or the Bankruptcy Code, (iii) as expressly contemplated or required by this Agreement, (iv) to the extent related to an Excluded Asset or an Excluded Liability or (v) as set forth on Schedule 6.1, during the period from the date of this Agreement until the Closing (or such earlier date and time on which this Agreement is terminated pursuant to Article VIII), unless Purchaser otherwise consents in writing, Seller shall use its reasonable best efforts to carry on its business in the Ordinary Course in all material respects; provided that no action by Seller with respect to matters specifically addressed by Section 6.1(b) shall be deemed to be a breach of this Section 6.1(a) unless such action would constitute a breach of Section 6.1(b).

(b) Except (i) as required by applicable Law, Order or a Governmental Body, (ii) any limitations on operations imposed by the Bankruptcy Court or the Bankruptcy Code, (iii) as expressly contemplated, required or permitted by this Agreement, (iv) to the extent related to an Excluded Asset or an Excluded Liability or (v) as set forth on Schedule 6.1, during the period from the date of this Agreement until the Closing (or such earlier date and time on which this Agreement is terminated pursuant to Article VIII), unless Purchaser otherwise consents in writing, Seller shall not:

(vi) (x) grant any Encumbrance (other than Permitted Encumbrances) on any of its material Acquired Assets (other than Acquired Coins, which, for the avoidance of doubt, are addressed in subclause (y) of this item (vi)) other than to secure Indebtedness and other obligations in existence at the date of this Agreement (and required to be so secured by their terms), or (y) grant any Encumbrance (other than any Encumbrances that will be removed or released by operation of the Confirmation Order or the Plan) on Acquired Coins, including by submitting any Cryptocurrency to any staking contract or otherwise causing any Seller Held Coins that are not currently Staked Coins to become Staked Coins;

(vii) except, in each case, with respect to income Taxes or information Tax Returns: make, change or revoke any material Tax election; change an annual accounting period for material Taxes; adopt or change any material accounting method with respect to material Taxes; file any amended material Tax Return; enter into any closing agreement for material Taxes; settle or compromise any material Tax claim or assessment; or consent to any extension or waiver of the limitation period applicable to any

claim or assessment with respect to material Taxes; in each case to the extent such action would adversely affect the Acquired Assets or Purchaser in a taxable period (or portion thereof) beginning after the Closing Date;

(viii) waive, release, assign, settle or compromise any pending or threatened Action against Seller to the extent that such waiver, release, assignment, settlement or compromise would (A) result in an Assumed Liability in an amount in excess of \$1,000,000, individually or in the aggregate, or (B) waive or release any material rights or claims that would constitute Acquired Assets;

(ix) enter into any referral agreement with a third party with respect to Users;

(xi) lend any Cryptocurrency to any Person, or engage in purchases or sales of any Cryptocurrency (other than Withheld Coins) other than in connection with the Rebalancing Exercise; or

(xii) authorize any of, or commit or agree, in writing or otherwise, to take any of, the foregoing actions.

(c) Nothing contained in this Agreement is intended to give Purchaser or its Affiliates, directly or indirectly, the right to control or direct Seller's operations or business prior to the Closing, and nothing contained in this Agreement is intended to give Seller, directly or indirectly, the right to control or direct Purchaser's or its Subsidiaries' operations. Notwithstanding anything to the contrary contained herein, (i) any action taken, or omitted to be taken, by Seller pursuant to any Law, Order, directive, pronouncement or guideline issued by any Governmental Body or industry group providing for business closures, "sheltering-in-place" or other restrictions that relates to, or arises out of, any pandemic, epidemic or disease outbreak shall in no event be deemed to constitute a breach of this Section 6.1 and (ii) any action taken, or omitted to be taken, by Seller to protect the business of Seller that is responsive to any pandemic, epidemic or disease outbreak, as determined by Seller in its reasonable discretion, shall in no event be deemed to constitute a breach of this Section 6.1.

6.2 Access to Information.

(a) From the date hereof until the Closing (or the earlier termination of this Agreement pursuant to Article VIII), Seller will (x) provide Purchaser and its authorized Advisors with reasonable access to, upon reasonable advance notice and during regular business hours, Seller's officers, employees, Advisors, properties, systems, offices, and data, documents, and information of the Seller Parties regarding the Acquired Assets, the Assumed Liabilities, the Users, Voyager User Accounts and the Voyager Platform (including, for the avoidance of doubt any of the foregoing that constitutes Acquired Information), including such financial, operating and other data and information related to the Transactions, the Acquired Assets, the Assumed Liabilities, the

Users, Voyager User Accounts, or the Voyager Platform (including, for the avoidance of doubt any of the foregoing that constitutes Acquired Information) as Purchaser or any of its representatives may reasonably request and (y) instruct the representatives of Seller to cooperate to provide such access; provided that (i) such access will occur in such a manner reasonably appropriate to protect the confidentiality of the Transactions, (ii) all requests for access will be directed to Moelis or such other Person(s) as Seller may designate in writing from time to time and (iii) nothing herein will require Seller to provide access to, or to disclose any information to, Purchaser if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws or would violate any fiduciary duty under applicable Law with respect to Seller; provided that, in the event that Seller withholds access or information in reliance on the foregoing clause (A) or (B), Seller shall provide (to the extent possible without waiving or violating the applicable agreement, legal privilege, Law or fiduciary duty under applicable Law with respect to Seller) notice to Purchaser that such access or information is being so withheld and shall use reasonable best efforts to provide such access or information in a way that would not risk waiver of such legal privilege, applicable Law, or fiduciary duty.

(b) The information provided pursuant to this Section 6.2 will be governed by the Confidentiality Agreement and the confidentiality provisions in Section 6.19. Each Party will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to such Party or any of its Advisors. Neither Party makes any representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and the other Party may not rely on the accuracy of any such information, in each case, other than, with respect to Purchaser, the Express Seller Representations and, with respect to Seller, the Express Purchaser Representations.

(c) From and after the Closing for a period of three (3) years following the Closing Date (or, if later, the closing of the Bankruptcy Case), Purchaser will, following Seller's good faith written request, and solely to the extent necessary for Seller to (i) comply with Tax reporting obligations, (ii) consummate the closing of the Bankruptcy Case, (iii) prepare annual audited financial statements, (iv) submit a filing pursuant to applicable securities laws and regulations or (v) conduct the wind down of the estate (including reconciliation, investigation, and pursuit of claims) and dissolution of Seller and its Affiliates, provide Seller and its Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records in Purchaser's custody or control, including work papers, schedules, memoranda, Tax Returns, Tax schedules, Tax rulings, and other documents (for the purpose of examining and copying), in each case to the extent relating to the Acquired Assets, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of Purchaser, in each case at no cost or expense to Purchaser; provided that (i) such access does not unreasonably interfere with the normal operations of Purchaser and (ii) nothing herein will require Purchaser to provide access to, or to disclose any information to, Seller or its Advisors if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws or would violate any fiduciary duty; provided that, in the event that Purchaser withholds access or information in reliance on the foregoing clause (A) or (B), Purchaser shall provide (to the extent possible without waiving or violating the applicable agreement, legal privilege, Law or fiduciary duty) notice to Seller that such access or information is being so withheld and shall use reasonable

best efforts to provide such access or information in a way that would not risk waiver of such legal privilege, applicable Law, or fiduciary duty. Unless otherwise consented to in writing by Seller, Purchaser will not, for a period of three (3) years following the Closing Date, destroy, alter or otherwise dispose of any of such books and records without first offering to surrender to Seller such books and records or any portion thereof that Purchaser may intend to destroy, alter or dispose of.

(d) Except as expressly contemplated by this Agreement (including in connection with the Commercial Covenants, Section 6.3, Section 6.10(b) and Section 6.18), Purchaser will not, and will not permit any member of the Purchaser Group to, contact any officer, manager, director, employee, customer, supplier, lessee, lessor, lender, licensee, licensor, distributor, noteholder or other material business relation of Seller prior to the Closing with respect to Seller, their business or the Transactions without the prior written consent of Seller for each such contact.

6.3 Employee Matters.

(a) From and after the date hereof (and, if applicable, following the Closing until the winddown or dissolution of Seller), subject to applicable Laws, Seller shall deliver to Purchaser such information and documents regarding employees of Holdings (the “Seller Employees”) and independent contractors of Seller or Holdings (the “Seller Contractors”), in each case, as Purchaser shall reasonably request. Prior to the date hereof, Seller has provided Purchaser a true, correct and complete list of the Seller Employees and Seller Contractors identified by name, if applicable, department, and (subject to applicable Laws) true, correct and complete copies of all talent assessment reports for each such Seller Employee and Seller Contractor. From and after the date hereof (and, if applicable, following the Closing until the winddown or dissolution of Seller), Seller shall use reasonable best efforts to make such Seller Employees who remain employed by Holdings and Seller Contractors who remain engaged by Seller or Holdings, in each case, reasonably available to Purchaser or its Affiliates and Purchaser will work in good faith with Seller to identify top performing Seller Employees and Seller Contractors and will determine whether to make offers of employment or other services to any such Seller Employee or Seller Contractors (including by prioritizing review of Seller Employees for applicable open positions of Purchaser and its Affiliates, if any). Purchaser (or an Affiliate of Purchaser) may, in its sole discretion, make offers of employment, consulting or other services to such Seller Employees or Seller Contractors (if any) as Purchaser shall determine, on such terms and conditions as Purchaser shall determine in its sole and absolute discretion. In the event that Purchaser (or an Affiliate of Purchaser) makes such an offer of employment or services and such Seller Employee or Seller Contractor accepts, Seller hereby agrees not to enforce against Purchaser (or its Affiliate) or such Seller Employee or independent contractor the terms and conditions of any agreement to refrain from competing, directly or indirectly, with the business of Seller or any of its Affiliates or to refrain from soliciting employees, customers or suppliers of Seller or any of its Affiliates that may be applicable to such Seller Employee or Seller Contractor. Seller shall not take any action that would reasonably be expected to materially and adversely affect Purchaser’s hiring or engagement of such Seller Employee(s) or Seller Contractor(s) in accordance with this Section 6.3; provided that the announcement and implementation of any Seller Plans (including any retention programs or post-Closing treatment of Seller Employees), in each case, in a manner consistent with the provisions of this Agreement, shall not be deemed to be a breach of this sentence. Notwithstanding anything

to the contrary herein or otherwise, nothing herein shall require or obligate Purchaser or any of its Affiliates to employ or make offers of employment to any Person, or make any such offers of employment on any particular terms, each of which decisions shall be made in Purchaser's sole discretion.

(b) Prior to and following the Closing Date, Seller, Holdings and each of their Affiliates shall not communicate, and shall ensure that no representative of Seller, Holdings or their respective Affiliates communicates, with any Seller Employee or other service provider of Seller regarding post-Closing employment matters (including post-Closing employee benefit plans and compensation) with Purchaser without the prior written consent of Purchaser; provided that Seller, Holdings, and their Affiliates shall be permitted to communicate regarding their employment and termination plans and related matters.

(c) Purchaser shall not assume any Seller Plans or any Liability to or in respect of any employees or former employees of Holdings and Seller and which relates to such employees' employment with Holdings or Seller, including (i) any employment agreement, whether or not written, between Seller and any person, (ii) any Liability under any Seller Plan, or (iii) Liability arising out of any claim of an unfair labor practice, or any claim under any state unemployment compensation or worker's compensation law or regulation or under any federal or state employment discrimination law or regulation as a result of an action taken by Seller or Holdings, and all such Liabilities shall be Excluded Liabilities hereunder.

(d) Seller will, or will cause its Affiliates to, comply in all material respects with the Worker Adjustment and Retraining Notification Act of 1988 or any similar Laws ("WARN Act") with respect to any "plant closing" or "mass layoff" or group termination or similar event under the WARN Act affecting employees of Debtors (including as a result of the consummation of Transactions) whether occurring prior to or on the Closing. Subject to the terms of this Agreement, Seller and its Affiliates (including Holdings) reserve the right to (i) terminate any of their employees at any time, and otherwise reduce employee work hours, benefits and compensation, and (ii) issue termination and/or WARN Act notices relating to their employees at any time.

(e) For any employees who are principally based outside the United States, the provisions of this Section 6.3 shall apply to such employees *mutatis mutandis* to the maximum extent permitted by applicable Law.

(f) The provisions of this Section 6.3 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Seller or Holdings), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.3 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.3, alter or limit Purchaser's, Seller's or Holdings' ability to amend, modify or terminate any particular benefit plan, program, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to an offer of employment or service, employment or continued employment

or service for any period of time by reason of this Agreement, or any right to a particular term or condition of employment or service.

6.4 Regulatory Matters.

(a) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), subject to the other provisions of this Section 6.4, Seller will, and will cause its Affiliates and its and their respective employees, representatives, advisors and agents to, (i) make or cause to be made all filings and submissions to the extent required to be made by Seller or any of its Affiliates under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Purchaser, its Affiliates and its and their respective representatives in exchanging such information and providing such assistance as Purchaser may reasonably request in connection with any filings or submissions to be made by any member of the Purchaser Group under any applicable Laws in connection with the Transactions, (iii) supply promptly any additional information and documentary material that may be requested in connection with such filings or submissions and (iv) use reasonable best efforts to take any actions necessary to obtain all approvals or clearances from any relevant Governmental Body that are required to be obtained by Seller or its Affiliates under applicable Law for the consummation of the Transactions.

(b) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), subject to the other provisions of this Section 6.4, Purchaser will, and will cause its respective employees, representatives, advisors and agents to, (i) make or cause to be made all filings and submissions to the extent required to be made by Purchaser under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Seller, its Affiliates and its and their respective representatives in exchanging such information and providing such assistance as Seller may reasonably request in connection with any filings or submissions to be made by Seller or any of its Affiliates under any applicable Laws in connection with the Transactions, (iii) supply promptly any additional information and documentary material that may be requested in connection with such filings or submissions, and (iv) use reasonable best efforts to take any actions necessary to obtain all approvals or clearances from any relevant Governmental Body that are required to be obtained by Purchaser under applicable Law for the consummation of the Transactions.

(c) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), the Parties commit to instruct their respective counsel to cooperate with each other to respond to any reasonable inquiries and use reasonable best efforts to seek to resolve any objections raised by any Governmental Body as promptly as practicable and for greater certainty, each Party and its respective counsel undertake to (i) promptly notify the other Party or its counsel of, and, if in writing, furnish such other Party or its counsel with copies of (or, in the case of oral communications, advise such other Party or its counsel of the contents of), any substantive communication received by such Person from a Governmental Body and (ii) keep the other Party or its counsel informed with respect to the status of any applicable submissions and filings to or inquiries by any Governmental Body in connection with this Agreement and the Transactions and any developments, meetings or discussions with any Governmental Body in respect thereof, including with respect to (A) the commencement or proposed or threatened commencement of any investigation or other Action, and (B) the nature

and status of any inquiries or objections raised or proposed or threatened to be raised by any Governmental Body with respect to this Agreement and the Transactions. From and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), none of Seller or any of its Affiliates, on the one hand, or Purchaser, on the other hand, will participate in any substantive meeting or discussion with any Governmental Body with respect of any such filings, applications, investigation or other inquiry without giving the other Party reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, a reasonable opportunity to attend and participate in such meeting or discussion, and each Party will have a reasonable opportunity to review and provide comments (which shall be considered in good faith by the other Party) on the content of any filing, submission or other written communication (and any analyses, memoranda, presentations, white papers, correspondence or other written materials submitted therewith) to be submitted by the other Party or any of its Affiliates to any Governmental Body in advance of any such submission. Each Party acknowledges that, with respect to any non-public information provided by a Party to the other under this Section 6.4, each Party may (1) designate such material as restricted to “outside counsel only” and any such material shall not be shared with employees, officers or directors or their equivalents of the receiving Party without approval of the disclosing Party and (2) make appropriately limited redactions necessary to satisfy contractual confidentiality obligations, preserve attorney-client privilege or protect material relating to the valuation of the Acquired Assets. Notwithstanding anything to the contrary herein or otherwise, Purchaser will control and have final decision making authority on all regulatory strategy, submissions and procedures, after considering in good faith any reasonable advice provided by Seller in good faith.

(d) Notwithstanding anything to the contrary in this Agreement, nothing shall require or be construed to require any member of the Purchaser Group to (i) oppose any motion or Action for a temporary, preliminary or permanent Order against, or preventing or delaying, the consummation of the Transactions, or exhaust all avenues of appeal, including any proper appeal of any adverse decision or Order by any Governmental Body, (ii) enter into a consent decree, consent agreement, settlement or other agreement or arrangement (including any ancillary agreements) to hold separate, license, sell, transfer, dispose or divest (pursuant to such terms as may be required by any Governmental Body) any asset (whether tangible or intangible), (iii) agree to the termination, modification, or assignment of any relationships, joint ventures, contracts, assets, liabilities or obligations, (iv) agree to any limitations on governance, conduct, or actions of members of the Purchaser Group or operations of their respective businesses or with respect to the Acquired Assets or Assumed Liabilities, or (v) enter into any national security agreement, letter of assurance, or other mitigation agreement with the Committee on Foreign Investment in the United States or any member agency thereof acting in that capacity.

(e) From and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), Seller will not, and will not permit any of its Affiliates to, knowingly take any action, engage in any conduct or enter into any transaction that would reasonably be expected to (i) materially increase the risk of any Governmental Body entering an Order prohibiting or materially delaying the consummation of the Transactions or (ii) materially delay the consummation of the Transactions.

(f) Subject to Section 6.4(d), from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), each Party will

use reasonable best efforts to (i) cooperate with and (ii) seek to secure approvals or authorizations from, any relevant Governmental Body, including state banking departments enforcing money transmission laws, in order to permit consummation of the Transactions in a timely manner in compliance with applicable Laws.

6.5 Reasonable Best Efforts; Cooperation.

(a) Subject to the other terms of this Agreement, and without limiting, affecting or modifying the Parties' obligations under Section 6.4, or any of the Commercial Covenants, each Party shall, and shall cause its Advisors to, use its reasonable best efforts to perform its obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary under applicable Law to cause the transactions contemplated herein to be effected as soon as practicable and the closing conditions set forth in Article VII to be satisfied, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with the other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder. The "reasonable best efforts" of Seller will not require Seller or any of its Affiliates or Advisors to expend any money to remedy any breach of any representation or warranty, to commence any Action, to waive or surrender any right, to modify any Contract or to waive or forgo any right, remedy or condition hereunder. Notwithstanding anything to the contrary herein, in the event of a conflict between this Section 6.5(a) and Section 6.4, the provisions of Section 6.4 shall control with respect to such conflict.

(b) The obligations of Seller and Purchaser pursuant to this Agreement, including this Section 6.5, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Case), Seller's debtor-in-possession financing, if any, and Seller's obligations as a debtor-in-possession to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order, the Agreement Order, and the Confirmation Order) and Seller's duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

6.6 Data Transfer Matters.

(a) Seller shall, and shall cause its Affiliates to, (i) within 30 days (with the Parties using their reasonable best efforts to do so within five (5) Business Days) following the later of the date hereof and the date Purchaser provides the form of such notification, distribute an initial email notification, in the form provided by Purchaser, to all Users and any other consumers located or having a home address in the United States from whom Seller has collected Personal Information regarding the Transactions (including the Rebalancing Exercise) and the transfer of such individuals' Personal Information or accounts (including the ability to opt in to a pre-Closing transfer of such User's Acquired User Data to Purchaser), and prominently post a notice, in the form provided by Purchaser, to Seller's and its Affiliates' (as applicable) primary customer-facing website regarding the same; (ii) on a weekly basis, upon the expiration of any opt in period provided in the email notification distributed by Seller, but no earlier than the later of January 3, 2023 and entry of the Agreement Order, deliver to Purchaser the respective Acquired User Data for Users who have opted into the pre-Closing data transfer pursuant to the foregoing item (i) and whose Acquired User Data has not previously been transferred (the "Pre-Closing Data Transfer");

(iii) following the date of the initial email notification until the Closing Date, continue distributing additional email notifications, in the form provided by Purchaser, to such individuals, as Purchaser reasonably requires; and (iv) on the Closing Date, deliver to Purchaser all other Acquired User Data. All notifications contemplated by the foregoing shall be subject to Purchaser's consideration of any comments thereto proposed in good faith by Seller or counsel to the committee of unsecured creditors in the Bankruptcy Case and subject to applicable Law.

(b) From and after the date hereof and through and following the Closing, Seller shall, and shall cause its Affiliates to, maintain or maintain with a third party data management and retention firm, for the entirety of the applicable retention period and at least ninety (90) days thereafter, all information required to be maintained pursuant to, or to comply with, applicable Money Transmitter Requirements or Laws related to Sanctions.

(c) Seller shall, and shall cause its Affiliates to, use reasonable best efforts to procure that all information and documentation requested in connection with the KYC Procedures meets the standards set forth in such KYC Procedures (including moving files located in storage repositories (*e.g.*, Google Drive or Box) to the appropriate files associated with the applicable User and associating such information and documentation with the applicable User), as determined by Purchaser in its reasonable discretion, prior to the User Asset Migration Date, but in each case in no event prior to the applicable timing contemplated by clauses (i) through (iv) of Section 6.6(a).

6.7 Use of Name.

(a) Seller agrees that: (i) within ninety (90) days from the Closing Date, Seller shall (and shall cause its Affiliates to) cause an amendment to the governing documents of Seller and its Affiliates (as applicable) to be filed with the appropriate Governmental Body and shall take all other reasonable actions necessary to change Seller's and such Affiliate's legal, name to a name or names not containing "Voyager," any other trade mark or trade name set forth in Schedule 6.7(a) or any name confusingly similar to the foregoing; (ii) after the Closing Date neither Seller nor any of its Affiliates shall have any ownership rights in or to the name "Voyager," any other trade mark or trade name set forth in Schedule 6.7(a) or any service marks, trademarks, trade names, identifying symbols, logos, emblems, signs or insignia related thereto or containing or comprising the foregoing, including any name or mark confusingly similar thereto (collectively, the "Seller Marks"); and (iii) except as set forth in Section 6.7(a), Seller and its Affiliates shall, within ninety (90) days of the Closing Date, cease to make any use of the Seller Marks, including in any corporate or other legal name.

(b) Notwithstanding Section 6.7(a), for a period of ninety (90) days after the closing of the Bankruptcy Case, unless extended by mutual agreement of Purchaser and Seller, Purchaser hereby grants to Seller and its Affiliates (including, for the avoidance of doubt, any wind-down or similar administrator in the Bankruptcy Case or under the Plan) a non-exclusive, limited, non-transferable, non-sublicensable and revocable license to use the Seller Marks for the sole purposes of unwinding Seller's businesses and assisting Purchaser with all migrations, integrations and Transactions.

6.8 Further Assurances.

(a) From time to time from and after the date hereof through and following the Closing (in the case of Seller, until the winddown or dissolution of Seller), as and when requested by either Party, the other Party will execute and deliver, or cause to be executed and delivered, all such further conveyances, notices, assumptions, assignments, documents and other instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the Transactions (including for the avoidance of doubt, the transfer and conveyance of any Acquired Assets that may be in the possession of Seller's Affiliates to Purchaser); provided that nothing in this Section 6.8 shall require Purchaser or the Purchaser Group to assume any Liabilities of Seller or any of its Affiliates other than the Assumed Liabilities or Seller or any of its Affiliates to transfer any assets other than Acquired Assets. In addition, from time to time following the Closing Date (in the case of Seller, until the winddown or dissolution of Seller), each Party shall, and shall cause its Affiliates to, promptly execute, acknowledge and deliver such further documents and perform such further acts as are reasonably requested by the other Party and as may be reasonably necessary to transfer and convey to Purchaser, or make available to Purchaser the Acquired Assets or the Assumed Liabilities pursuant to this Section 6.8.

(b) Without limiting Section 6.8(a), Seller will use reasonable best efforts to evidence and effectuate the transfer and conveyance of all Seller Held Coins (solely for purposes of this Section 6.8(b)), deeming the phrase "who are Debtors" in the definition of Seller Held Coins to instead read as "who are not Debtors" in accordance with Section 6.8(a), *mutatis mutandis*.

6.9 Insurance Matters. Purchaser acknowledges that, upon Closing, all nontransferable insurance coverage provided in relation to Seller and the Acquired Assets that is maintained by Seller or its Affiliates (whether such policies are maintained with third party insurers or with Seller or its Affiliates) shall cease to provide any coverage to Purchaser and the Acquired Assets and no further coverage shall be available to Purchaser or the Acquired Assets under any such policies; provided that to the extent such insurance coverage is available with respect to any Acquired Assets or Assumed Liabilities, after the Closing, (a) Seller shall, and shall cause its applicable Affiliates to, use reasonable best efforts to report in good faith to the applicable third-party insurance provider, if applicable, all events, acts, errors, accidents, omissions, incidents, injuries or other forms of occurrences to the extent relating to any Acquired Assets or Assumed Liabilities that, in each case, occurred at or prior to the Closing as reasonably requested by Purchaser to be so reported the extent covered by an occurrence-based insurance policy, (b) Purchaser shall use its reasonable best efforts to comply with the terms of any such insurance policy and (c) Seller shall, and shall cause its applicable Affiliates to, (i) use reasonable best efforts to obtain the benefit of the applicable insurance coverage under any such insurance policy and (ii) pay such benefit to Purchaser, net of (A) any deductibles, co-payment or self-insured amounts payable by Seller or any of its Affiliates or other out-of-pocket costs and expenses (including reasonable legal fees and expenses, if any) actually and reasonably incurred by Seller or any of its Affiliates in seeking such insurance proceeds and (B) any Taxes imposed on Seller or any of its Affiliates in respect of the receipt or accrual of such insurance proceeds.

6.10 User Migration.

(a) Following the date hereof, Seller shall, and shall cause its Affiliates to cooperate with Purchaser to, develop (and each Party shall use reasonable best efforts to develop within 15 Business Days following the date hereof) a mutually agreed upon integration plan that sets forth all technology integrations that Purchaser deems reasonably necessary to enable all migrations of User accounts on the Voyager Platform to the Binance.US Platform as contemplated by this Agreement (the “Integration Plan”). The Integration Plan will include among other things: (i) directing customers on the Voyager Platform (including through links on the home screen for the web interface and mobile app for the Voyager Platform) to the Binance.US Platform log-in webpage or mobile app, (ii) migrating all Acquired User Data (subject to Section 6.6(a)) reasonably necessary for Purchaser to validate whether Users qualify as Existing Users and (iii) developing a process whereby any User that is not an Existing User can affirmatively accept terms and conditions to provide such User with access to their Net Owed Coins in a new Binance.US Platform account from directly within the Voyager Platform and related app in accordance with the provisions of this Agreement. Each Party shall, and shall cause its Affiliates and its and their respective employees and representatives to, comply with and implement the Integration Plan. From and after the date hereof (and following the Closing, if applicable, until the date that is six (6) months following the Closing Date), Seller shall, and shall cause its Affiliates and its and their respective employees and representatives to provide to Purchaser, its Affiliates and its and their respective employees and representatives (x) any assistance reasonably requested or required by Purchaser, its Affiliates and its and their respective employees and representatives in connection with the opening of User accounts on the Binance.US Platform, the transfer of information and Net Owed Coins from the Voyager Platform to the Binance.US Platform (including in connection with customer queries and troubleshooting with respect thereto), and the actions contemplated by this Section 6.10 and the Integration Plan and (y) subject to Section 6.6 and applicable Law, all necessary Acquired User Data in Seller’s or its Affiliates’ possession required to effectuate the Integration Plan. Purchaser shall bear the reasonable and documented out-of-pocket expenses incurred by Seller in connection with the provision of such assistance following the Closing pursuant to the immediately preceding sentence.

(b) Notwithstanding the provisions of Section 6.2(c) or Section 10.17, following entry of the Agreement Order, Purchaser and its Affiliates shall, at their sole cost and expense, be entitled to issue communications directed to Users on the Binance.US Platform and through other means of Purchaser’s choosing in connection with the Transactions or the opening of accounts on the Binance.US Platform; provided that such communications are consistent with this Agreement and applicable Law; provided that Purchaser shall not issue any such communications prior to the Closing Date without Seller’s prior written consent (which shall not be unreasonably withheld, conditioned or delayed) and subject to reasonable consultation with counsel to the committee of unsecured creditors in the Bankruptcy Case. Except as required by Section 6.11(d), Seller shall not, and Seller shall cause its Affiliates not to, issue any communication to Users, whether on the Voyager Platform or otherwise, except to the extent the form and substance of such communication has been previously approved by Purchaser or is required by applicable Law; provided that the foregoing shall not prohibit Seller from responding on an individual basis to technical support queries from Users or answering questions related to the amount of Coins such User has deposited on the Voyager Platform or communicating with customers regarding withdrawal of cash from the “for benefit of” customer accounts at

Metropolitan Commercial Bank; provided further that Seller shall, and shall cause its Affiliates to, provide Purchaser and counsel to the committee of unsecured creditors in the Bankruptcy Case with regular updates on the timing and content of such communications and shall cooperate with Purchaser in addressing any concerns related thereto. The Parties will work in good faith to (i) develop a set of talking points or FAQs for Users and Eligible Creditors with respect to the Transactions, the Bankruptcy Cases, and related matters and (ii) continue to review and revise such talking points or FAQs as other inquiries from Users and Eligible Creditors or other circumstances arise.

(c) Subject to Seller's providing the Acquired User Data in accordance with Section 6.6, and such Acquired User Data meeting the standards set forth in the KYC Procedures, as determined by Purchaser in its reasonable discretion, Purchaser shall cause an account to be opened for each User on the Binance.US Platform on or before the User Asset Migration Date. In addition to the foregoing, if Seller has not provided or does not have Acquired User Data meeting such standards with respect to a particular User, if such User provides such information and documentation meeting the standards set forth in such KYC Procedures, as determined by Purchaser in its reasonable discretion, Purchaser shall cause an account to be opened for such User in accordance with its standard account opening procedures following its receipt of such information and documentation.

(d) Seller and Purchaser shall offer (i) each eligible creditor pursuant to the Plan that is not a User (each, an "Eligible Creditor") and (ii) each User the opportunity, subject to the consummation of the Closing and such User and Eligible Creditor meeting the requirements of the KYC Procedures and accepting the terms and conditions of the Binance.US Platform, to receive its Net Owed Coins or other Plan distribution through the Binance.US Platform in accordance with Section 6.12 and the Plan. Within three (3) Business Days following the request of Purchaser (which request for the sake of clarity may be offered multiple times), Seller shall send to each User and Eligible Creditor a communication in the form provided by Purchaser notifying them of such offer.

(e) For the sake of clarity and notwithstanding anything to the contrary herein or otherwise, (i) none of Purchaser or any of its Affiliates shall be required to (A) activate an account or pay or credit any amount, whether in Coins, cash or otherwise, to any User or Eligible Creditor (or its account) that does not meet the requirements of the KYC Procedures and accept the terms and conditions of the Binance.US Platform, (B) pay or credit any amount, whether in Coins, cash or otherwise, to any User or Eligible Creditor or its account except in accordance with the Plan, or (C) credit the account of any User or Eligible Creditor with respect to Coins that have not actually been delivered to Purchaser in accordance with the provisions of Section 2.4(b), (ii) neither Purchaser nor any of its Affiliates is assuming any Liabilities of Seller or any of its Affiliates with respect to Users' accounts on the Voyager Platform or any Eligible Creditor, all of which Liabilities shall constitute Excluded Liabilities, and (iii) neither Purchaser nor any of its Affiliates shall be required to provide trading services on the Binance.US Platform or otherwise in respect of any Unsupported Coins.

6.11 Rebalancing Exercise; Seller Statement.

(a) Following the date hereof and prior to the Closing (or the earlier termination of this Agreement pursuant to Article VIII), (i) Seller shall purchase and sell Cryptocurrency through one or more transactions such that, following the completion of such transactions, the number of Acquired Coins of each type is equal to the aggregate number of Deposited Coins of such type multiplied by the Rebalancing Ratio (subject to a Rebalancing Exercise Delta with respect to each Acquired Coin of no more than five percent (5%) or, if after conducting such transactions and using reasonable best efforts to meet the Rebalancing Exercise Delta of five percent (5%), Seller reasonably and in good faith determines that it will not be able to meet such Rebalancing Exercise Delta, then such other amount as Purchaser and Seller consent to, such consent not to be unreasonably withheld, conditioned or delayed), the purpose of which transactions the Parties acknowledge and agree is to ensure that there are sufficient Acquired Coins of each type to pay to each User's account on the Binance.US Platform a number of Post-Rebalancing Coins of such type in accordance with the provisions of this Agreement (such transactions, the "Rebalancing Exercise"), and (ii) Seller shall, and shall cause its employees, accountants, advisors and representatives to, consult with, and keep reasonably informed, Purchaser, its Affiliates and their respective employees, accountants, advisors and representatives with respect to the Rebalancing Exercise and all actions taken in connection therewith, including by providing Purchaser with regular updates regarding the status of the Rebalancing Exercise. For the sake of clarity, the Parties agree that for purposes of the Rebalancing Exercise, if ETH Coins that are Staked Coins cannot be unstaked by the Rebalancing Date, or if there are Coins that Seller is otherwise unable to access due to such Coins being custodied with providers that have entered insolvency proceedings prior to the date hereof, then the Parties will agree on appropriate modifications to the Rebalancing Exercise and the process for distributing Net Owed Coins to Users in light of the foregoing. The Parties agree that the Rebalancing Exercise shall be completed in accordance with the provisions of this Agreement by no later than the date that is one (1) Business Day prior to the Closing Date (such date, the "Rebalancing Date").

(b) In order to facilitate the Rebalancing Exercise, Seller shall, promptly following the date hereof, to the extent not already created prior to the date hereof, create an institutional account in Seller's name on the Binance.US Platform, and Seller may, but shall not be required to, transfer any or all Seller Held Coins to such institutional account in order to facilitate the Rebalancing Exercise (and, for the avoidance of doubt, the Binance.US Platform shall serve merely as an exchange agent in connection with the Rebalancing Exercise). Prior to engaging in any Subject Transaction outside the Binance.US Platform, Seller shall provide Purchaser with a written notice describing the parameters of such Subject Transaction, including the proposed number of Seller Held Coins of each type to be transferred in connection with such Subject Transaction (each, a "Transaction Notice") and Purchaser shall be entitled to make, by written notice (each, a "Transaction Offer Notice") to Seller within three (3) Business Days following receipt of such Transaction Notice, an offer to conduct such Subject Transaction on the Binance.US Platform, including a description of the estimated numbers of Acquired Coins that would result from the consummation of such Subject Transaction. If Seller receives any proposal to conduct such Subject Transaction from any third party which would result in a number of Acquired Coins in excess of that set forth in the Transaction Notice, Seller shall inform Purchaser of the same, and Seller shall not conduct such Subject Transaction with or through other Person(s) unless Seller provides written notice to Purchaser that Seller has determined in good faith that the

terms offered by such other Person(s) with respect to such Subject Transaction (which such terms shall be set forth in such notice) are more favorable (in terms of the best interests of Seller and its estate) than the terms set forth in the Transaction Offer Notice and Purchaser does not provide an updated Transaction Offer Notice within one (1) Business Day following receipt of such notice from Seller with terms as or more favorable (in terms of the best interests of Seller and its estate) than those set forth in Seller's notice. If Purchaser does so provide such an updated Transaction Offer Notice, Seller conduct such applicable Subject Transaction on the Binance.US Platform in accordance with such updated Transaction Offer Notice. In addition to the foregoing, Seller may request that Purchaser facilitate all or part of the Rebalancing Exercise, in which case all or such portion of the Rebalancing Exercise shall be conducted on the Binance.US Platform. Seller's use of the Binance.US Platform for the Rebalancing Exercise shall be subject in all respects to the standard terms and conditions of the Binance.US Platform (including applicable fees, spreads, costs and expenses except as set forth in the applicable Transaction Offer Notice). For the sake of clarity, Seller may withdraw any Coins from the Binance.US Platform prior to the Closing and Seller shall not be required to maintain Coins on the Binance.US Platform in connection with the Rebalancing Exercise or otherwise (except as otherwise expressly contemplated hereunder from and after the Closing and acknowledging that this sentence is not intended to and shall not preclude transactions in the Rebalancing Exercise being undertaken on the Binance.US Platform in accordance with the provisions hereof).

(c) At least one (1) Business Day prior to the Closing Date and following completion of the Rebalancing Exercise in accordance with Section 6.11(a), Seller will deliver to Purchaser a ledger in a form reasonably specified by Purchaser as far in advance of the Rebalancing Date as is reasonably practicable (the "Seller Statement") setting forth in reasonable detail, in each case as of the Rebalancing Date and following the completion of the Rebalancing Exercise in accordance with Section 6.11(a), (i) each User's user identification number, (ii) the Rebalancing Ratio and the calculation thereof, (iii) the number of each User's Deposited Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Deposited Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject), (iv) the number of each User's Post-Rebalancing Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Post-Rebalancing Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject), (v) the total number of Seller Held Coins and Acquired Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Seller Held Coins and Acquired Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject), (vi) the total amount of gas fees that Seller will pay in connection with the transfer of each type of Acquired Coin to Purchaser in accordance with Section 2.4, and (vii) the amount of cash, Coins or other property (including the name and relevant ticker symbol used on the Voyager Platform for such Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject) payable to each Eligible Creditor, after taking into account gas or other transaction fees incurred and paid by Seller in connection with transferring such Coins to Purchaser, and any identifying information and information required to make such payments to such Eligible Creditor under the Plan, in each case together with reasonably detailed supporting information and documentation and prepared by Seller based on Seller's and its Affiliates' books and records. Notwithstanding anything to the contrary herein, Seller hereby acknowledges and agrees that (A) Purchaser and its Affiliates shall be entitled to fully rely on the Seller Statement

and any data, information or calculation set forth therein for purposes of Section 6.11(d), and (B) in no event shall Purchaser or any of its Affiliates be responsible (x) to any Person for the Seller Statement, any data, information or calculation set forth therein or any error or inaccuracy with respect thereto or (y) for any losses, liabilities or damages in respect thereof, in each case, to the extent Purchaser takes any action in reliance thereon.

(d) Promptly following the completion of the Rebalancing Exercise, Seller shall send to each User a communication notifying such User of the Rebalancing Exercise, such User's Deposited Coins, and the Net Owed Coins attributable to such User's account on the Voyager Platform following the Rebalancing Exercise and any gas fees incurred in connection with the transfer of Coins to Purchaser pursuant to Section 2.4. Seller will, upon Purchaser's request, deliver to each Eligible Creditor a communication relating to the Transactions, any payments to be made by Purchaser or any of its Affiliates to such Eligible Creditor and any matters relating to opening an account on the Binance.US Platform, in each case that is in form and substance reasonably acceptable to Purchaser.

6.12 Crediting of Accounts; Unsupported Jurisdictions, Transfer of Coins to Seller; Liquidations or Distributions by Seller.

(a) Subject to the provisions of Section 6.10, on the User Asset Migration Date, Purchaser shall credit, or cause to be credited, (i) to the Binance.US Platform account of each User, such User's Net Owed Coins and (ii) to the Binance.US Platform account of each Eligible Creditor, the applicable amount payable to such Eligible Creditor as set forth in the Seller Statement. For the avoidance of doubt, Coins credited to any User's or Eligible Creditor's accounts on the Binance.US Platform may be made from any Coins held by or on behalf of Purchaser or any of its Affiliates. As a condition precedent to any User or Eligible Creditor accessing its account or Coins on the Binance.US Platform, such User or Eligible Creditor must satisfy the requirements set forth in Section 6.10. Following such User's or Eligible Creditor's satisfaction of such requirements, Purchaser shall allow such User or Eligible Creditor, as applicable, to access trading services with respect to its Coins subject to the Binance.US Platform's customary terms and conditions (including any transaction fees, spreads, costs and expenses). Notwithstanding anything to the contrary herein, with respect to any User or Eligible Creditor that does not satisfy such requirements prior to the date that is three (3) months following the later of the Closing Date or the date on which such terms and conditions are made available for such User or Eligible Creditor to accept, then Purchaser shall convert any Acquired Coins with respect to such Users or Eligible Creditors into United States Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such United States Dollars, together with any cash or other assets in respect of such Users or Eligible Creditors to Seller within five (5) Business Days, for further distribution by Seller in accordance with the Plan.

(b) Notwithstanding anything to the contrary herein or otherwise, for any Person (including any User or Eligible Creditor) that is located in Hawaii, New York, Texas or Vermont, to the extent that Purchaser does not have a Money Transmitter License or similar license in such jurisdiction or in any other jurisdiction where the applicable Governmental Body asserts after the date of this Agreement that Purchaser or any of its Affiliates requires a Money Transmitter License or similar license in order to consummate the Transactions or perform its obligations hereunder (each, an "Unsupported Jurisdiction"), Purchaser and its Affiliates shall not be required

to (i) credit or make any payment (with any Coins, cash or otherwise) to any account of such Person (including any User or Eligible Creditor) on the Binance.US Platform, or (ii) permit any such Person or account of such Person on the Binance.US Platform to be active or conduct any trading or investing in Coins. Notwithstanding anything herein to the contrary, prior to the Closing, Seller have the option to elect (upon consultation with professionals representing the committee of unsecured creditors in the Bankruptcy Case) that either (i) Seller shall not deliver to Purchaser any Coins, cash, or other asset with respect to any User or Eligible Creditor located in an Unsupported Jurisdiction or (ii) Seller shall deliver such Coins to Purchaser at Closing. Upon receipt by Purchaser of any Unsupported Jurisdiction Approvals with respect to any Unsupported Jurisdiction(s), which Unsupported Jurisdiction Approvals permit Purchaser to perform its obligations under Section 6.12(a) in such Unsupported Jurisdiction, then Purchaser shall promptly notify Seller of receipt of such Unsupported Jurisdiction Approval and, if Seller has not previously delivered applicable Coins, cash, or other asset with respect to any User or Eligible Creditor located in such Unsupported Jurisdiction then Seller shall so deliver such assets to Purchaser within five (5) Business Days of such notification, and Purchaser shall (following receipt of any applicable assets if required) consummate the actions in such Unsupported Jurisdiction that were restricted by this Section 6.12(b); provided that to the extent Purchaser does not receive such Unsupported Jurisdiction Approval(s) with respect to any Unsupported Jurisdiction prior to the date that is six (6) months following the Closing Date, then to the extent Purchaser is holding any Acquired Coins with respect to Users or Eligible Creditors in such Unsupported Jurisdictions, Purchaser shall convert such Acquired Coins into United States Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such United States Dollars, together with any cash or others assets in respect of such Users or Eligible Creditors to Seller within five (5) Business Days, for further distribution by Seller in accordance with the Plan.

(c) From and after the Closing, or if this Agreement is terminated in accordance with its terms (other than in connection with a Purchaser Default Termination), then from and after such termination, if Seller or any of its Affiliates intends to consummate a transaction or series of related transactions pursuant to which it will purchase, sell or liquidate any Coins or distribute the proceeds thereof to any User or Eligible Creditor, in each case other than any Additional Bankruptcy Distributions (but including any purchase, sale or liquidation of any Coins prior to making any Additional Bankruptcy Distributions) or any of the transactions provided for in the preceding provisions of this Section 6.12 then (i) Seller may, but shall not be required to, utilize the Binance.US Platform, or other service offerings of Purchaser or its Affiliates, to consummate such transaction or series of related transactions (including any purchase, sale, liquidation or distribution described above) on Purchaser's and its Affiliates' standard terms and conditions (including any transaction fees, spreads, costs and expenses) and (ii) if this Agreement is terminated in accordance with its terms (other than in connection with a Purchaser Default Termination), then Seller may, but shall not be required to, elect that Purchaser and Seller will (and Seller will cause its Affiliates and any other Person with whom Seller or its Affiliates is consummating any such transaction or transactions to) cooperate in good faith to develop and facilitate any transaction similar to the Rebalancing Exercise required by Seller, any of its Affiliates, and any other Person with whom Seller or its Affiliates is consummating any such transaction or transactions, in order to consummate any such transaction or series of related transactions; provided that in no event will Purchaser or any of its Affiliates be required to make any distribution or facilitate or consummate any transaction under this Section 6.12(c) with respect

to any User located in an Unsupported Jurisdiction. In connection with any distribution made by Purchaser or its Affiliates pursuant to this Section 6.12(c), all right, title and interest in and to any property so distributed (including any Coins) shall be made or transferred to Purchaser or its Affiliates free and clear of any Encumbrances prior to any such distribution by Purchaser or its Affiliates and such distributions will be made on Purchaser's and its Affiliates' standard terms and conditions (including any transaction fees, spreads, costs and expenses).

(d) The provisions of Sections 6.10, 6.11, 6.12, and 6.14 shall be subject to such protocols, if any, as the Parties may agree in writing after the date hereof with respect to the transfer of information, migration of users, migration or transfer of Coins, and any matters related to the foregoing or such Sections.

(e) Notwithstanding anything to the contrary herein, but subject to the last sentence of this Section 6.12(e), (i) Seller (prior to the Closing) and each User and Eligible Creditor (from and after the Closing) shall retain all right, title, and interest in and to Coins allocated to it in accordance with this Agreement on the Binance.US Platform (notwithstanding any terms and conditions of the Binance.US Platform) through and including such time as such Coins are returned or distributed to Seller or such User and Eligible Creditor, as applicable, hereunder, and such Coins shall be held by Purchaser solely in a custodial capacity in trust and solely for the benefit of Seller or the applicable User or Eligible Creditor; provided that in the case of Coins allocable to Users or Eligible Creditors located in Unsupported Jurisdictions, to the extent, if any, that such Coins are transferred to Purchaser pursuant to Section 6.12(b), from and after the Closing until the applicable Unsupported Jurisdiction Approval is obtained or such Coins are liquidated in accordance with Section 6.12(b) hereunder, such Coins shall be held by Purchaser in a custodial capacity on behalf of Seller and not the applicable User or Eligible Creditor; (ii) any and all cash or cash equivalents to be transferred at any time to Purchaser hereunder for further distribution to Seller or any User or Eligible Creditor (and not for Purchaser's own account (e.g., Purchaser Expenses)) shall at all times (until transferred by Purchaser to Seller or the applicable User or Eligible Creditor, as applicable, hereunder) be held solely in a third party bank account of a FDIC-insured financial institution solely for the benefit of or "fbo" Seller or such User or Eligible Creditor, as applicable; (iii) Purchaser shall not, after the date hereof, introduce any further conditions to the withdrawal of cash from accounts on the Binance.US Platform that are not in effect as of the date hereof that would apply to any User's or Eligible Creditor's account on the Binance.US Platform; (iv) Purchaser shall not at any time halt (temporarily or permanently) withdrawals of cash or such Coins from any User's or Eligible Creditor's account on the Binance.US Platform; (v) Purchaser shall not halt trading of such Coins on the Binance.US Platform at any point during the 30 days following any distribution to any User's or Eligible Creditor's account on the Binance.US Platform hereunder, except, in the case of each of the foregoing clauses (iii), (iv) and (v), (A) as required by applicable Law or any Order or Governmental Body, (B) as may be permitted pursuant to Purchaser's terms and conditions in effect on the Closing Date (including for purposes of halting fraud or illegal activity), (C) as necessary to complete any system, account, wallet, security or exchange maintenance, patching, repair, upgrade or to the extent any withdrawal or trading is unable to be processed due to any act or omission by, or any Event related to, any third party (e.g., a bank closure or a third party ceasing to support any Cryptocurrency), (D) in order to avoid any legal, compliance or regulatory issue or in order to ensure market stability, or (E) in order to avoid any information security risk; (vi) Purchaser shall not take, permit to be taken, or omit to take any action that would reasonably

be expected to (A) result in the insolvency of Purchaser or (B) prevent or materially impair or materially delay the ability of Purchaser to perform the Commercial Covenants in accordance herewith; (vii) Purchaser shall comply in all material respects with all provisions of the Plan applicable to Purchaser or the Distribution Agent (as defined in the Plan) to the extent Purchaser is acting as a distribution agent in connection with the Plan; and (viii) Purchaser shall not pledge, repledge, hypothecate, rehypothecate, sell, lend, stake, arrange for staking, or otherwise transfer or use any amount of such Coins, separately or together with other property, with all attendant rights of ownership, and for any period of time and without retaining a like amount of Coins, or invest such Coins (except as otherwise directed by Seller or any User or Eligible Creditor, as applicable). Notwithstanding the foregoing, Purchaser's obligations under this Section 6.12(e) shall terminate and be of no further force or effect on the earlier of (x) the date that Purchaser's obligations under Section 6.10, Section 6.11, Section 6.12, and Section 6.14 have been performed in full or Purchaser otherwise ceases to have any obligations thereunder, and (y) the date on which this Agreement is terminated in accordance with its terms.

6.13 VGX Token Listing Review Process. Following the entry of the Agreement Order, Purchaser will initiate and undertake consistent with its policies and past practices an internal review process to determine whether VGX tokens can be listed for trading on the Binance.US Platform, which review process will include submitting the VGX token to Purchaser's listing committee for consideration consistent with its policies and past practices.

6.14 Additional Bankruptcy Distributions. The provisions of this Section 6.14 shall cease to apply and be of no further force and effect upon the soonest to occur of (a) Purchaser ceasing to provide the services necessary to comply with this Section 6.14, (b) Purchaser's bankruptcy or insolvency, (c) the issuance of a final, non-appealable Order by a Governmental Body prohibiting the consummation of the transactions contemplated by this Section 6.14, (d) any Purchaser Development (disregarding for the purposes of this Section 6.14 the language "prior to the Closing"), and (e) Purchaser's material breach of Section 6.12(e) or this Section 6.14 which remains uncured for 30 days following Purchaser's receipt of Seller's written notice of such material breach.

(a) Any Additional Bankruptcy Distributions made on account of Users' or Eligible Creditors' claims against the Debtors and all right, title and interest therein and thereto shall be made or transferred to Purchaser free and clear of any Encumbrances. Any such transfers in Coins shall be deemed complete when each transfer is publicly confirmed on the blockchain for the related Coin at least the number of times set forth on <https://support.kraken.com/hc/en-us/articles/203325283-Cryptocurrency-deposit-processing-times> (or a successor site mutually agreed by Seller and Purchaser), or, for any Coins held in Seller's account on the Binance.US Platform, transferred to the Binance.US Platform account designated by Purchaser, or in the case of staked ETH Coins, such staked ETH Coins shall be delivered pursuant to the means reasonably specified by Purchaser.

(b) Upon the Bankruptcy Court's approval of any Additional Bankruptcy Distributions (including through the Confirmation Order), Seller shall deliver to Purchaser a statement setting forth (i) the amount of Additional Bankruptcy Distributions to be made to each User or Eligible Creditor, as applicable, as approved by the Bankruptcy Court in Coins (including the name and relevant ticker symbol used on the Voyager Platform for such Coins, together with

all information regarding the underlying networks and smart contracts to which such Coins are subject) after taking into account gas or other transaction fees incurred and paid by Seller in connection with transferring such Coins to Purchaser in accordance with this Section 6.14, (ii) the amount of Additional Bankruptcy Distributions to be made to each User or Eligible Creditor, as applicable, as approved by the Bankruptcy Court in cash, and (iii) the user identification number of each such User or other identifying or account information of any Eligible Creditor, as applicable (such statement, the “Post-Bankruptcy Statement”). The provisions set forth in the last sentence of Section 6.11(a) shall apply to the Post-Bankruptcy Statement, *mutatis mutandis*.

(c) Promptly following Purchaser’s receipt of any Additional Bankruptcy Distributions (but no later than five (5) Business Days following receipt of any Additional Bankruptcy Distributions), Purchaser shall credit such Additional Bankruptcy Distributions to each User’s and Eligible Creditor’s accounts, if any, on the Binance.US Platform in such amounts set forth on, and in accordance with, the Post-Bankruptcy Statement. The Additional Bankruptcy Distributions credited to each User and Eligible Creditor in accordance with this Section 6.14(a) are referred to herein as “Credited Additional Bankruptcy Distributions”.

(d) If any Additional Bankruptcy Distribution is to be received by Purchaser pursuant to Section 6.14(a), prior to the crediting of the applicable Credited Additional Bankruptcy Distribution pursuant to Section 6.14(a), Seller shall reduce such Credited Additional Bankruptcy Distribution by and shall retain (i) the number of Coins allocated in the applicable Post-Bankruptcy Statement to each User or Eligible Creditor located in an Unsupported Jurisdiction in which Purchaser or its applicable Affiliate(s) have not received the necessary Money Transmitter License, and (ii) the amount of cash allocated in the applicable Post-Bankruptcy Statement to each User or Eligible Creditor located in an Unsupported Jurisdiction in which Purchaser or its applicable Affiliate(s) have not received the necessary Money Transmitter License, and, in either case, such amounts shall be distributed by Seller in accordance with the Plan.

(e) There shall be no transaction fees, spreads, costs or expenses charged to or payable by Seller, any User, or any Eligible Creditor with respect to any Additional Bankruptcy Distributions to the account of Seller, such User or such Eligible Creditor, as applicable, on the Binance.US Platform contemplated by this Section 6.14. With respect to any User or Eligible Creditor that does not meet the requirements of the KYC Procedures and accept the terms and conditions of the Binance.US Platform (or otherwise is not or no longer is a user with an active account on the Binance.US Platform) as of or prior to the date of such Post-Bankruptcy Statement, Purchaser shall convert all Coins allocable to such User or Eligible Creditor in such Additional Bankruptcy Distribution into United States Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such United States Dollars, together with any cash or other assets in respect of such Users or Eligible Creditors, to Seller within five (5) Business Days, for further distribution by Seller in accordance with the Plan.

6.15 Unstaking. Promptly following the date hereof (until the Closing or the earlier termination of this Agreement pursuant to Article VIII) but without limiting what is permitted by Section 6.1(b)(iii), Seller shall, and shall cause its Affiliates to, (a) ensure that all Seller Held Coins (other than ETH Coins that are Staked Coins as of the date hereof) are freely transferable and not subject to any restrictions on transfer (including restrictions on transfer implemented through

“smart contracts” or other technological means), (b) without limiting the foregoing, ensure that all Seller Held Coins (other than ETH Coins that are Staked Coins as of the date hereof) are unstaked prior to the Rebalancing Date, and (c) consult with Purchaser and its representatives, keep Purchaser and its representatives reasonably informed, and provide Purchaser and its representatives with draft documents reasonably in advance of execution or delivery thereof and incorporate any comments therein proposed in good faith by Purchaser or its representatives, in each case, in connection with any of the foregoing.

6.16 Receipt of Misdirected Assets; Liabilities. From and after the Closing, if Purchaser or Seller becomes aware that Seller or any of its Affiliates is in possession of any right, property or asset that is an Acquired Asset, such Party shall promptly inform the other Party of that fact. Thereafter, at the request of Purchaser, Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser or any other entities nominated by Purchaser for no consideration, and such asset will be deemed the property of Purchaser of any such nominees held in trust by Seller for Purchaser or any such nominees until so transferred. From and after the Closing, if Purchaser or Seller becomes aware that Purchaser or any of its Affiliates is in possession of any right, property or asset that is an Excluded Asset, such Party shall promptly inform the other Party of that fact. Thereafter, at the request of Seller, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Seller or any other entities nominated by Seller for no consideration, and such asset will be deemed the property of Seller of any such nominees held in trust by Purchaser for Seller or any such nominees until so transferred; provided that if Purchaser discovers any items (or portions thereof) that would be Documents but for the fact that they relate to Excluded Assets, Purchaser shall use reasonable best efforts to destroy such items. Notwithstanding anything to the contrary herein or otherwise, if any amount (including any principal, interest, fees, expenses or penalties) is outstanding or unpaid under any Loan from or after the Closing, then such Loan, any agreements or documents entered into in connection therewith and any collateral posted in respect thereof shall be deemed Acquired Assets for all purposes under this Agreement and any other agreements or documents entered into in connection herewith, and Seller shall, and shall cause its Affiliates to, sell, transfer, assign, convey and deliver to Purchaser all of its and their right, title and interest in and to the foregoing, free and clear of all Encumbrances in the same manner as the other Acquired Assets under Section 1.1, *mutatis mutandis*, for no additional consideration and at no cost or expense to Purchaser or its Affiliates.

6.17 Acknowledgment by Purchaser.

(a) Purchaser acknowledges and agrees that it has conducted to its full satisfaction an independent investigation and verification of the business, including its financial condition, results of operations, assets, Liabilities, properties, Contracts, regulatory compliance, business risks and prospects of Seller and the Acquired Assets and the Assumed Liabilities, and, in making its determination to proceed with the Transactions, Purchaser and the Purchaser Group have relied solely on the results of the Purchaser Group’s own independent investigation and verification and have not relied on, are not relying on, and will not rely on, Seller, any information, statements, disclosures, documents, Projections, forecasts or other material made available to Purchaser or any of its Affiliates or their respective Advisors in the Dataroom, the Information

Presentation, or the Projections or any information, statements, disclosures or materials, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Seller Representations (it being understood that Purchaser and the Purchaser Group have relied only on the Express Seller Representations). Purchaser acknowledges and agrees that (i) the Express Seller Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser or any member of the Purchaser Group and on which Purchaser or any member of the Purchaser Group may rely in connection with the Transactions and (ii) all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (A) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Seller Representations) including in the Dataroom, Information Presentation, Projections, meetings, calls or correspondence with management of Seller, any of the Seller Parties or any other Person on behalf of Seller or any of the Seller Parties or any of their respective Affiliates or Advisors and (B) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, regulatory compliance, business risks and prospects of Seller, or the quality, quantity or condition of Seller's assets, are, in each case, specifically disclaimed by Seller, on its behalf and on behalf of the Seller Parties. Purchaser: (x) disclaims reliance on the items in clause (ii) in the immediately preceding sentence (which, for the avoidance of doubt, do not include any Express Seller Representations); and (y) acknowledges and agrees that it has relied on, is relying on and will rely on only the items in clause (i) in the immediately preceding sentence. Without limiting the generality of the foregoing, Purchaser acknowledges and agrees that neither Seller or any other Person (including the Seller Parties), has made, is making or is authorized to make, any representations or warranties, whether in written, electronic or oral form, express or implied with respect to, (1) any potentially material information regarding Seller or any of its assets (including the Acquired Assets), Liabilities (including the Assumed Liabilities) or operations and (2) as to the quality, merchantability, fitness for a particular purpose, or condition of Seller's business, operations, assets, Liabilities, Contracts, regulatory compliance, business risks and prospects or any portion thereof, except, in each case, solely to the extent set forth in the Express Seller Representations.

(b) Without limiting the generality of the foregoing, in connection with the investigation by the Purchaser Group of Seller, Purchaser and the members of the Purchaser Group, and the Advisors of each of the foregoing, have received or may receive, from or on behalf of Seller, certain projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in the Information Presentation, Dataroom, management meetings, etc.) (collectively, "Projections"). Purchaser acknowledges and agrees that (i) such Projections are being provided solely for the convenience of Purchaser to facilitate its own independent investigation of Seller, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Purchaser is familiar with such uncertainties, and (iv) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections).

6.18 IT Migration. From and after the date hereof until one hundred twenty (120) days after the Closing Date, upon Purchaser's request, Seller shall, and shall cause its Affiliates to, use reasonable best efforts to make available all relevant technical staff, employees and representatives

of Seller and its Affiliates, including the Chief Technology Officer of Seller and its Affiliates, to Purchaser and its Affiliates, to (a) assist Purchaser and its Affiliates in understanding all Business Software and Business Accounts, (b) assist with the Integration Plan, (c) transition of all accounts with third party sites necessary to support the Voyager Platform and its associated mobile applications, (d) address the logistics of transferring the Business Software and Business Accounts to Purchaser, including providing Purchaser with access to all credentials to GitHub accounts and other repositories for storage of source code for the Business Software, and (e) any other technical assistance that Purchaser or any of its Affiliates deems reasonably necessary to enable all migrations, integrations and Transactions. Purchaser hereby grants Seller a limited, non-exclusive, non-transferable, non-sublicensable and revocable license to access and use the Business Software for the sole purpose of providing the support to Purchaser as contemplated in this Section 6.18. Seller and its Affiliates may not use, modify, share, disclose or revise such Business Software for any other purpose. Seller shall bear all costs and expenses associated with the provision of such services on or prior to the Closing Date pursuant to this Section 6.18. Purchaser shall bear the reasonable and documented costs and expenses incurred by Seller in connection with the provision of such services during the 120-day period after the Closing Date pursuant to this Section 6.18. Seller can provide no assurance that Seller's employees will elect to remain employed by Seller prior to or following the Closing and Seller will not be required to replace any such resigning employees.

6.19 Confidentiality.

(a) Each Party acknowledges that Confidential Information has been, and in the future will be, provided to it in connection with this Agreement and the Transactions, including under Section 6.2.

(b) Seller acknowledges that from and after the Closing, all non-public information relating to the Acquired Assets and the Assumed Liabilities will be valuable and proprietary to Purchaser and its Affiliates. Seller agrees that, from and after the Closing, Seller will not, and will cause their Affiliates and Advisors not to, directly or indirectly, without the prior consent of Purchaser, disclose to any Person any Confidential Information relating to Purchaser and its Affiliates, the Acquired Assets or the Assumed Liabilities.

(c) Notwithstanding anything to the contrary herein, the provisions of this Section 6.19 will not prohibit any disclosure (i) required by applicable Law, Order or the rules of a securities exchange to which it is subject, (ii) in connection with a regulatory inquiry by a Governmental Body or self-regulatory organization, (iii) as necessary in connection with Seller's bankruptcy process or (iv) to each Party's Advisors who have been informed of the confidential nature of the information and have been instructed to keep such information confidential. Purchaser acknowledges and understands that this Agreement may be publicly filed in the Bankruptcy Court and further made available by Seller to prospective bidders and that, except as prohibited herein, such disclosure will not be deemed to violate any confidentiality obligations owing to Purchaser, whether pursuant to this Agreement or otherwise. Each Party agrees that such Party will be responsible for any breach or violation of the provisions of this Section 6.19 by any of such Party's Affiliates. Each Party acknowledges and agrees that the remedies at law for any breach or threatened breach of this Section 6.19 by Seller or Purchaser are inadequate to protect Purchaser or Seller and its Affiliates, as applicable, and that the damages resulting from any such

breach are not readily susceptible to being measured in monetary terms. Accordingly, without prejudice to any other rights or remedies otherwise available to either Party or its Affiliates, each Party acknowledges and agrees that upon any breach or threatened breach by a Party of the terms and conditions of this Section 6.19, the other Party and its Affiliates, as applicable will be entitled to immediate injunctive relief and to seek an order restraining any threatened or future breach from any court of competent jurisdiction without proof of actual damages or posting of any bond in connection with any such remedy. The provisions of this Section 6.19 will survive the Closing and terminate two (2) years after the Closing Date.

6.20 Acquired Assets Owned by Non-Debtors. To the extent any item set forth in Schedule 6.20 or any other asset used in or relating to the Cryptocurrency custody and trading business of Seller constitutes property of Voyager IP, LLC, and, but for this Section 6.20, is of a type that would constitute an Acquired Asset (disregarding solely for this purpose any reference to “of Seller” or other reference indicating ownership, licensing, holding, leasing or use of any type of Acquired Asset by Seller), Seller shall cause Voyager IP, LLC’s right, title and interest in and to such item or asset to be transferred (for no additional consideration) to Purchaser reasonably promptly after Closing as an Acquired Asset as if transferred at the Closing in accordance with the other provisions of this Agreement, including by designating Voyager IP, LLC as an additional assignor under the Trademark and Domain Name Assignment Agreement.

6.21 Seller Expenses.

(a) Purchaser shall (i) at the Closing bear as a component of the Purchase Price pursuant to Section 2.1(a), without duplication, the Seller Expenses or (ii) if this Agreement is validly terminated in accordance with its terms, pay to Seller, within three (3) Business Days following such termination, cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by Seller in an amount equal to the Seller Expenses; provided that notwithstanding anything to the contrary herein, (A) in no event shall the aggregate amount of Seller Expenses payable by Purchaser hereunder exceed the Seller Expense Cap, (B) any fees and expenses (including reasonable and documented out-of-pocket financial advisor and legal fees, expenses and disbursements) incurred by Seller or any of its Affiliates, or otherwise relating to the activities or operations of Seller or any of its Affiliates, on or prior to the Seller Expense Start Date shall not constitute Seller Expenses, and (C) (x) if the Closing or the termination of this Agreement occurs on or prior to the Seller Expense Start Date, (y) if this Agreement is terminated pursuant to (1) Section 8.1(b) or Section 8.1(c) by Purchaser, or by Seller in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Section 8.1(e), or (2) Section 8.1(e), Section 8.1(g), Section 8.1(h) or Section 8.1(i), or (z) the Closing does not occur on or prior to the Seller Expense Start Date due to any act or omission by Seller or any of its Affiliates or any material breach of this Agreement by Seller, then in each case the Seller Expenses shall be zero (0).

(b) For purposes of this Agreement, “Seller Expenses” means all reasonable and documented costs, fees, and expenses (including reasonable and documented out-of-pocket financial advisor and legal fees, expenses and disbursements) incurred by or behalf of any Debtor during the period beginning on the Seller Expense Start Date and ending on the earlier of (i) the Closing Date and (ii) the date on which this Agreement is validly terminated in accordance with its terms, in each case (A) solely in connection with maintaining its operations in the Ordinary

Course or by professionals in connection with the Bankruptcy Case, (B) that Seller would not have otherwise incurred if the Closing had occurred on or prior to the Seller Expense Start Date, and (C) which fees and expenses of such professional are approved by the Bankruptcy Court.

6.22 Purchaser Expenses.

(a) If this Agreement is terminated (i) by Seller pursuant to Section 8.1(c), in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Section 8.1(e), or (ii) pursuant to Section 8.1(e), Section 8.1(g), Section 8.1(h) or Section 8.1(i)(ix), then Seller shall pay to Purchaser, within three (3) Business Days following such termination, cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by Purchaser in an amount equal to the Purchaser Expenses; provided that notwithstanding anything to the contrary herein, in no event shall the aggregate amount of Purchaser Expenses payable by Seller hereunder exceed \$5,000,000; provided further that if this Agreement is validly terminated by Seller pursuant to Section 8.1(g) (x) in order for Seller to pursue a Liquidation as a result of and following any Effect with respect to Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, or any Effect with respect to Purchaser's Affiliates that has an Effect on Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, that, individually or in the aggregate with all other such Effects, would reasonably be expected to (1) prevent or materially impair or materially delay the ability of Purchaser to consummate the Transactions in accordance herewith or (2) materially and adversely affect the Users, Eligible Creditors, or the Acquired Coins on the Binance.US Platform, including following the Closing, as compared to users and Coins on the Binance.US Platform as of the date hereof, and (y) such termination was not effected (1) in connection with a Higher and Better Offer or (2) because the estimated proceeds from such Liquidation are or would reasonably be expected to be greater than the Closing Date Payment (plus the fair market value of any Acquired Coins or any proceeds therefrom, in each case, as determined at the time Seller commences such Liquidation), then no Purchaser Expenses shall be payable.

(b) For purposes of this Agreement, "Liquidation" means any combination of one or more of the following: (i) a plan under chapter 11 of the Bankruptcy Code that provides for sales or liquidation of the Debtors' assets through a transaction (other than a sale of substantially all of the Debtors' assets to one purchaser on a going concern basis), including the Plan, (ii) one or more sales of assets pursuant to section 363 of the Bankruptcy Code other than a sale of substantially all of the Debtors' assets to one purchaser on a going concern basis, (iii) conversion of the Bankruptcy Case to cases under chapter 7 of the Bankruptcy Code, (iv) foreclosure or other exercise of remedies (including a deed in lieu of foreclosure) by or in favor of one or more creditors, (v) abandonment of the Debtors' assets to a creditor, or (vi) a dismissal of the Bankruptcy Cases.

(c) For the purposes of this Agreement, "Purchaser Expenses" means all reasonable and documented fees and expenses (including reasonable and documented out-of-pocket legal fees, expenses and disbursements) incurred by Purchaser since August 5, 2022, in connection with, arising from or related to efforts to purchase the Acquired Assets (as defined in the Bidding Procedures Order), which, for the avoidance of doubt, includes its evaluation,

negotiation and pursuit of the Transactions, this Agreement and the other documents and agreements contemplated hereby (the “Purchaser Bid Process”).

(d) All amounts payable to Purchaser pursuant to Section 6.22(a) upon termination of this Agreement shall be payable in cash by wire transfer of immediately available funds to such bank account as shall be designated by Purchaser in writing, and without the requirement of any notice or demand from Purchaser or any application to or order of the Bankruptcy Court other than the Agreement Order.

ARTICLE VII CONDITIONS TO CLOSING

7.1 Conditions Precedent to the Obligations of Purchaser and Seller. The respective obligations of each Party to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) there shall be no Law or Order (including any temporary restraining order or preliminary or permanent injunction) in effect restraining, enjoining, making illegal or otherwise prohibiting the Transactions;

(b) the Bankruptcy Court shall have entered the Agreement Order, which Agreement Order shall (i) be in form and substance reasonably acceptable to Purchaser, (ii) comply in all respects with Section 5.1(b), and (iii) be a Final Order; and

(c) the Bankruptcy Court shall have entered the Confirmation Order, in form and substance, solely with respect to matters relating to this Agreement or the Transactions, reasonably acceptable to Purchaser, confirming a Plan in form and substance, solely with respect to matters relating to this Agreement or the Transactions, reasonably acceptable to Purchaser, and the Confirmation Order shall be a Final Order.

7.2 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Purchaser in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) (i) the representations and warranties of Seller set forth in Article III (in each case, other than the Fundamental Representations and the representations and warranties set forth in Section 3.16(a)) shall be true and correct in all respects as of the Closing Date as though made on and as of the Closing Date, except (x) that representations and warranties that are made as of a specified date need be so true and correct only as of such date and (y) to the extent the failure of such representations and warranties to be true and correct as of such dates has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; provided that for purposes of the immediately preceding clause (i), the qualifications as to materiality and Material Adverse Effect contained in such representations and warranties shall not be given effect; (ii) the representations and warranties set forth in Section 3.1(a) (*Organization and Qualification*), Section 3.2 (*Authorization of Agreement*), Section 3.3(a)(i) (*Conflicts; Consents*), Section 3.6(a) (*Exclusive Ownership*), and Section 3.14 (*Brokers*) (collectively, the

“Fundamental Representations”) shall be true and correct in all but *de minimis* respects as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct in all but *de minimis* respects only as of such date; and (iii) the representations and warranties set forth in Section 3.16(a) shall be true and correct in all respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date;

(b) Seller shall not have materially breached any of the covenants required to be performed or complied with by Seller under this Agreement on or prior to the Closing; provided that notwithstanding the foregoing, Seller shall have performed or caused to be performed, in all respects, all of the obligations and covenants required by Section 6.15(a) and (b); and

(c) Seller shall have delivered, or caused to be delivered, to Purchaser all of the items set forth in Section 2.4.

7.3 Conditions Precedent to the Obligations of Seller. The obligations of Seller to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) the representations and warranties made by Purchaser in Article IV shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except (x) that representations and warranties that are made as of a specified date need be so true and correct only as of such date and (y) where the failure of such representations or warranties to be so true and correct has not and would not, individually or in the aggregate, reasonably be expected to prevent or materially impair or delay the ability of Purchaser to consummate the Transactions; provided that for purposes of this Section 7.3(a), the qualifications as to materiality, material adverse effect and words of similar import contained in such representations and warranties shall not be given effect;

(b) Purchaser shall not have materially breached any of the covenants required to be performed or complied with by Purchaser under this Agreement on or prior to the Closing; and

(c) Purchaser shall have delivered, or caused to be delivered, to Seller all of the items set forth in Section 2.5.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing. Neither Purchaser nor Seller may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party’s material breach of any covenant, representation or warranty hereunder.

ARTICLE VIII

TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated only in accordance with this Section 8.1. This Agreement may be terminated at any time prior to the Closing:

- (a) by the mutual written consent of Seller and Purchaser;
- (b) by written notice of either Purchaser or Seller, upon the issuance of an Order by a Governmental Body restraining, enjoining or otherwise prohibiting the consummation of the Transactions or declaring unlawful the Transactions, and such Order having become final, binding and non-appealable; provided that no termination may be made by a Party under this Section 8.1(b) if the issuance of such Order was caused by such Party's material breach of any of its representation, warranties, covenants or agreements hereunder;
- (c) by written notice of either Purchaser or Seller, if the Closing shall not have occurred on or before the date that is four (4) months following the date hereof (the "Outside Date"); provided that Purchaser may, at its election and upon written notice to Seller, elect to extend the Outside Date for an additional thirty (30) days (such extended date, the "Extended Outside Date"); provided further that a Party shall not be permitted to terminate this Agreement, or extend the Outside Date, pursuant to this Section 8.1(c) if the failure of the Closing to have occurred by the Outside Date or Extended Outside Date, as applicable, was caused by such Party's material breach of any of its representation, warranties, covenants or agreements;
- (d) by written notice from Seller to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser is or will have become untrue, in each case, such that the conditions set forth in Section 7.1 or Section 7.3 would not be satisfied, including a breach of Purchaser's obligation to consummate the Closing; provided that (i) if such breach is curable by Purchaser then Seller may not terminate this Agreement under this Section 8.1(d) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date or Extended Outside Date, if any, and (B) thirty (30) days after Seller notifies Purchaser of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to Seller at any time that Seller is in material breach of, any covenant, representation or warranty hereunder;
- (e) by written notice from Purchaser to Seller, upon a breach of any covenant or agreement on the part of Seller, or if any representation or warranty of Seller is or will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or Section 7.2(b) would not be satisfied; provided that (i) if such breach is curable by Seller then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date or Extended Outside Date, if any, and (B) thirty (30) days after Purchaser notifies Seller of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in material breach of, any covenant, representation or warranty hereunder;

(f) by written notice from Seller to Purchaser, if (A) all of the conditions set forth in Sections 7.1 and 7.2 have been and continue to be satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived, (B) Seller has confirmed in writing to Purchaser that all of the conditions set forth in Sections 7.1 and 7.2 have been and continue to be satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Seller stands ready, willing and able to consummate the Closing so, and (C) Purchaser fails to consummate the Closing within three (3) Business Days of its receipt of such written notice from Seller;

(g) by written notice from Seller to Purchaser, which may be revocable in the sole discretion of Seller by written notice from Seller to Purchaser within five (5) Business Days, if Seller or the board of directors (or similar governing body) of Seller determine, in good faith and after consultation with its legal and other advisors, that proceeding with the Transactions or failing to terminate this Agreement would be inconsistent with its or such Person's or body's fiduciary duties; provided that if such determination is in connection with an Acquisition Proposal, Seller may only terminate this Agreement pursuant to this Section 8.1(g) upon compliance with the provisions set forth in Section 5.2(c);

(h) by written notice from Purchaser to Seller, if (A) Seller seeks or otherwise take material steps in furtherance of, or do not use reasonable best efforts to oppose any other Person in seeking, an order of the Bankruptcy Court dismissing the Bankruptcy Case or converting the Bankruptcy Case to a petition for relief under Chapter 7 of the Bankruptcy Code, (B) the Bankruptcy Case is dismissed or converted to a case or cases under Chapter 7 of the Bankruptcy Code, or if a trustee or examiner with expanded powers to operate or manage the financial affairs or reorganization of Seller is appointed in the Bankruptcy Case or (C) the Bankruptcy Court enters an order pursuant to section 362 of the Bankruptcy Code lifting the automatic stay with respect to any Acquired Assets; or

(i) by written notice from Purchaser to Seller, if:

(i) the Agreement Order is not entered by January 6, 2023;

(ii) the Plan Solicitation Motion and the Amended Disclosure Statement are not filed with the Bankruptcy Court by December 21, 2022;

(iii) the Plan Solicitation Order is not entered by January 6, 2023;

(iv) the Confirmation Order is not entered by March 1, 2023;

(v) Seller or any of the other Debtors file any motions, pleadings, notices or other documents with the Bankruptcy Court in material breach of Section 5.7;

(vi) Seller enters into one or more Alternative Transactions with one or more Persons other than Purchaser, or the Bankruptcy Court approves an Alternative Transaction other than with Purchaser;

(vii) Seller has delivered a Higher Offer Determination Notice to Purchaser;

(viii) Seller or its Affiliates or Advisors have committed a breach of Section 5.1(a); or

(ix) Seller or its Affiliates or Advisors have committed a breach of, Section 5.2; provided that (without modifying Purchaser's rights to terminate this Agreement under any other Section of this Agreement) Purchaser shall not be entitled to terminate this Agreement pursuant to this Section 8.1(i)(ix) following entry of the Agreement Order by the Bankruptcy Court.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become void and there shall be no Liability on the part of either Party or any of its partners, officers, directors or shareholders; provided that Section 2.2, Section 6.2(b), Section 6.12(c), Section 6.19, Section 6.21, Section 6.22, this Section 8.2, Section 8.3, Section 8.4 and Article X (other than Section 10.12 with respect to the availability of an injunction or injunctions, specific performance or other equitable relief to cause the Closing to occur, which shall terminate upon any termination of this Agreement) and the definitions referenced in such Sections and Articles, even if not included in such Sections and Articles, and, for the avoidance of doubt, the Confidentiality Agreement, shall survive any such termination; provided further that, subject to Section 8.3, no termination will relieve either Party from any Liability for damages (including damages based on the loss of the economic benefits of the Transactions, including the Purchase Price, to Seller), losses, costs, or expenses (including reasonable legal fees and expenses) resulting from any willful breach of this Agreement by such Party prior to any such termination or Fraud by such Party. For purposes of this Agreement, "willful breach" means with respect to any breaches or failures to perform any of the covenants or other agreements contained herein, a material breach that is a consequence of an act or failure to act undertaken by the breaching Person with actual knowledge (which shall not be deemed to include knowledge of facts that a Person acting reasonably should have, based on reasonable due inquiry) that such Person's act or failure to act would, or would reasonably be expected to, result in or constitute a material breach of this Agreement.

(b) If this Agreement is terminated prior to the Closing, at any time following such termination, promptly following the written request of Seller, Purchaser shall, as soon as practicable, return, destroy or permanently erase (on all forms of physical and electronic media) all Acquired User Data transferred to Purchaser prior to the Closing in accordance with Section 6.6(a) or otherwise in connection with the KYC Procedures and permanently close and remove any account established with or with reference to any Acquired User Data, and, upon written request from Seller following any destruction or erasure of data, provide an officer's certificate certifying as to such destruction or erasure. Such destruction or erasure shall be in accordance with all Laws regarding data disposal, and the eradication and destruction technique used will be appropriate for the storage medium and format. Notwithstanding the foregoing, Purchaser shall have the right to retain a copy of the Acquired User Data to the extent required for legal, regulatory or compliance purposes, so long as such Acquired User Data is kept confidential

as required under this Agreement and the Confidentiality Agreement and is used for no other purpose.

8.3 Reverse Termination Fee. In the event that (a) the conditions set forth in Sections 7.1(b), 7.1(c), and 7.2 have been satisfied or duly waived and (b) (i) this Agreement is validly terminated in accordance with Section 8.1(b) or Section 8.1(c), (ii) Purchaser fails to consummate the Closing by the Outside Date or the Extended Outside Date, as applicable, as a result of the failure of the conditions set forth in Section 7.1(a), or (iii) this Agreement is terminated pursuant to Section 8.1(g) in connection with and following a Purchaser Development and not in connection with a Higher and Better Offer, then, in any such case, within three (3) Business Days following such valid termination the Deposit (including all received investment income, if any) shall be released to Seller (such release, which, for the avoidance of doubt, shall be equal to and shall not exceed \$10,000,000 in the aggregate, the “Reverse Termination Fee”).

8.4 Further Effect of Termination. Notwithstanding anything to the contrary in this Agreement, the Confidentiality Agreement or any other document or instrument delivered by either Party in connection with the Transactions, but subject in all respects to the other provisions of this Section 8.4:

(a) Seller, on behalf of itself and the Seller Parties, acknowledges and agrees that any disbursement of the Deposit to Seller pursuant to Section 2.2(b), payment of any Seller Expenses to Seller pursuant to Section 6.21 or payment of the Reverse Termination Fee pursuant to Section 8.3 shall be deemed liquidated damages and shall be the sole and exclusive recourse of Seller and the Seller Parties against Purchaser and the Purchaser Group for any loss or damage suffered in connection with, relating to or arising out of this Agreement or the Transactions (including circumstances giving rise to any termination of this Agreement) and including losses or damages suffered as a result of any breach of this Agreement or any representation, warranty, covenant or agreement contained herein by Purchaser or the failure of the Transactions to be consummated (whether or not for intentional, unintentional or willful breach or otherwise), except in the event Seller is entitled to elect specific performance of Purchaser’s obligations (including to consummate the Transactions) pursuant to Section 10.12.

(b) In the event of a valid termination of this Agreement pursuant to Section 8.1, if Seller is entitled to receive the Deposit pursuant to Section 2.2, payment of any Seller Expenses pursuant to Section 6.21, or payment of the Reverse Termination Fee pursuant to Section 8.3, then, upon release of the Deposit to Seller in accordance with Section 2.2(b), payment of such Seller Expenses pursuant to Section 6.21 or payment of the Reverse Termination Fee pursuant to Section 8.3, as applicable, (i) Purchaser and the Purchaser Group shall not have any further liability or obligation relating to or arising out of this Agreement or the Transactions (including any liability or obligation for monetary damages) and (ii) neither Seller nor any of the Seller Parties will have any right of recovery, whether arising under contract Law, tort Law or any other theory of Law, against, and no personal liability shall attach to Purchaser or any other member of the Purchaser Group, whether by or through attempted piercing of the corporate, limited partnership or limited liability company veil, by the enforcement of any assessment or by any legal or equitable Action, by virtue of any statute, regulation or applicable Law, or otherwise.

(c) (i) The maximum aggregate liability of Purchaser and the Purchaser Group in connection with this Agreement and the Transactions shall be limited to the sum of (x) (1) solely where and to the extent the Deposit is forfeited by Purchaser in accordance with Section 2.2(b), the Deposit or (2) without duplication of any forfeiture of the Deposit pursuant to Section 2.2(b) and solely where and to the extent the Reverse Termination Fee is payable in accordance with Section 8.3, the Reverse Termination Fee, plus (y) solely where and to the extent the Seller Expenses are payable in accordance with Section 6.21, the Seller Expenses; (ii) in no event shall Purchaser be obligated to pay any of the Deposit, the Seller Expenses or the Reverse Termination Fee on more than one occasion and (iii) under no circumstances will any of Seller or any of the Seller Parties seek, obtain or accept, monetary damages or losses of any kind (including damages for the loss of the benefit of the bargain, opportunity cost, loss of premium, time value of money or otherwise, or any consequential, special, expectancy, indirect or punitive damages or any losses or damages based on a multiple or multiplier) in connection with, relating to or arising out of the termination of this Agreement in excess of the sum of (A) (1) solely where and to the extent the Deposit is forfeited in accordance with Section 2.2(b), the Deposit or (2) without duplication of any forfeiture of the Deposit pursuant to Section 2.2(b) and solely where and to the extent the Reverse Termination Fee is payable in accordance with Section 8.3, the Reverse Termination Fee, plus (B) solely where and to the extent the Seller Expenses are payable in accordance with Section 6.21, the Seller Expenses; provided, however, that the foregoing shall not be interpreted to limit in any way Seller's right to require specific performance of Purchaser's obligations (including to consummate the Transactions) pursuant to Section 10.12 in the event this Agreement has not been terminated and to the extent such specific performance is available to Seller under Section 10.12. Notwithstanding anything to the contrary herein or otherwise, in no event shall Seller be entitled to receive both (1) the forfeiture of the Deposit together with all received investment income, if any, pursuant to Section 2.2(b) and (2) the payment of the Reverse Termination Fee pursuant to Section 8.3 (it being acknowledged that the payment of the Reverse Termination Fee pursuant to Section 8.3 includes forfeiture of the Deposit together with all received investment income, if any).

(d) Seller may seek both payment of monetary damages (including the Reverse Termination Fee, the Deposit or the Seller Expenses) in accordance with this Agreement, on the one hand, and specific performance of Purchaser's obligation to consummate the Closing pursuant to Section 10.12; provided that in no event shall Seller be entitled to receive both (1) payment of monetary damages (including the Reverse Termination Fee, the Deposit or the Seller Expenses) in accordance with this Agreement (and for the avoidance of doubt, subject to the other limitations thereon set forth in this Section 8.4) and (2) such specific performance pursuant to Section 10.12.

ARTICLE IX

TAXES

9.1 Transfer Taxes. Any sales, use, purchase, transfer, deed, stamp, documentary or other similar Taxes and recording charges (but excluding any such Taxes or charges that are based in whole or in part upon income, profits or gains) payable by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions (the "Transfer Taxes") shall be borne and timely paid by Purchaser, and Purchaser shall timely file all Tax Returns related to any Transfer Taxes.

9.2 Cooperation. Purchaser and Seller shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes. In furtherance thereof, Purchaser and Seller shall reasonably cooperate in good faith to determine and agree to the tax treatment to each of them and to the Users of the Transactions, provided that agreeing on consistent tax treatment shall not be a closing condition and neither Party shall have any liability under this Agreement if the Parties are unable to so agree.

9.3 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Seller shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date and (ii) all Tax Returns of Seller (including, for the avoidance of doubt, for any Straddle Period, but not including, for the avoidance of doubt, information returns). With respect to any such Tax Return that reflects any Tax that is an Assumed Liability (not including, for the avoidance of doubt, any income Tax Return of Seller or Seller's Affiliates for any tax period and not including any information Tax Return), Seller shall use reasonable best efforts to (x) prepare such Tax Returns consistent with past practice, except as otherwise required by applicable Law, (y) provide Purchaser with a draft of such Tax Returns at least ten (10) days prior to the filing of any such Tax Return, and (z) incorporate any changes reasonably requested by Purchaser with respect to such Tax Returns prior to filing. Except to the extent any Tax reflected on a return required to be prepared and filed by Seller pursuant to this Section 9.3 constitutes an Assumed Liability, Seller shall be responsible for paying any Taxes reflected on any Tax Return that Seller is obligated to prepare and file under this Section 9.3(a). Notwithstanding anything herein to the contrary: (i) nothing in this Agreement shall give Purchaser or its Affiliates any rights with respect to or control over any income Tax Return of Seller or Seller's Affiliates for any tax period (any such Tax Return, a "Seller Income Tax Return"), and (ii) if any Governmental Body approaches (including by way of initiating any audit, investigation, or other proceeding) either Party with respect to the income Tax characterization of the Transactions (any such action, a "Transaction-Related Action"), then the Party in receipt of such notice shall reasonably promptly inform the other Party of such Transaction-Related Action.

(b) Purchaser shall prepare and timely file all Tax Returns with respect to the Acquired Assets that are not addressed by Section 9.3(a) (including, for the avoidance of doubt, all Tax Returns with respect to the Acquired Assets for any taxable period beginning after the Closing Date). With respect to any such Tax Return for any Straddle Period that reflects any Tax that is an Excluded Liability (each, a "Relevant Tax Return"), Purchaser shall prepare such Relevant Tax Returns and shall provide Seller with a draft of such Relevant Tax Returns at least ten (10) days prior to the filing of any such Tax Return. Purchaser shall incorporate any changes reasonably requested by Seller with respect to such Tax Returns. Seller shall be responsible for paying any Taxes reflected on any Tax Return that Purchaser is obligated to prepare and file under this Section 9.3(b) to the extent such Taxes constitute Excluded Liabilities.

(c) Purchaser shall not file any amendment to any previously filed Tax Return with respect to the Acquired Assets for any Pre-Closing Tax Period that would have the effect of increasing any Tax due for a Pre-Closing Tax Period or portion of a Straddle Period ending on the Closing Date, in each case, that is an Excluded Liability, unless Purchaser receives an opinion

from a nationally recognized accounting firm or law firm that there is no adequate “reporting position” with respect to any previously-asserted position with respect to Taxes. Upon such determination, Purchaser shall provide no less than forty-five (45) days’ notice of such position before filing any such Tax Return. In the event Seller disagrees with such Tax position, and the dispute cannot be resolved between the Parties, such dispute shall be submitted to an independent national accounting firm or law firm for resolution, with the costs of such resolution to be evenly split by Purchaser and Seller. The determination of such independent national accounting firm or law firm shall be binding on both Parties and any Tax Return shall be filed consistently with such resolution.

(d) For all purposes under this Agreement, in respect of any Straddle Period, the portion of Taxes that are allocable to the portion of the Straddle Period ending on the Closing Date will be: (i) in the case of any Taxes other than those described in clause (ii) below, deemed to include the amount that would be payable if the relevant Straddle Period ended on and included the Closing Date; and (ii) in the case of any property Taxes and other similar Taxes, deemed to include the amount of such Tax for the entire Straddle Period multiplied by a fraction the numerator of which is the number of days in the Straddle Period ending on and including the Closing Date and the denominator of which is the number of days in the entire Straddle Period.

(e) Notwithstanding anything herein to the contrary, prior to the Closing, Seller and its Affiliates may contribute, assign or otherwise transfer the 3AC Loan to any third-party purchaser, trust or other entity.

ARTICLE X

MISCELLANEOUS

10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for five (5) years following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and Seller acknowledge and agree, on their own behalf and on behalf of the Purchaser Group or the Seller Parties, as the case may be, that the agreements contained in this Section 10.1 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for five (5) years and (b) are an integral part of the Transactions and that, without the agreements set forth in this Section 10.1, neither of the Parties would enter into this Agreement.

10.2 Expenses. Whether or not the Closing takes place, except as otherwise provided herein (including, for the avoidance of doubt, Section 8.2), all fees, costs and expenses (including fees, costs and expenses of Advisors) incurred in connection with the negotiation of this Agreement and the other agreements contemplated hereby, the performance of this Agreement and the other agreements contemplated hereby and the consummation of the transactions contemplated hereby and thereby will be paid by the Party incurring such fees, costs and expenses; it being acknowledged and agreed that all Transfer Taxes will be allocated pursuant to Section 9.1 and (c) all Cure Costs will be allocated pursuant to Section 5.4.

10.3 Notices. Except as otherwise expressly provided herein, all notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (a) when personally delivered, (b) when transmitted by electronic mail, (c) the day following the day on which the same has been delivered prepaid to a reputable national overnight air courier service or (d) the third (3rd) Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case, to the respective Party at the number, electronic mail address or street address, as applicable, set forth below, or at such other number, electronic mail address or street address as such Party may specify by written notice to the other Party.

10.4 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order (with respect to the matters covered thereby) and the entry and terms of the Agreement Order, the Plan and the Confirmation Order, Seller, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Case or any successor Chapter 7 case; provided that neither this Agreement nor any of the rights or obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and Seller, and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that Purchaser shall be entitled to assign or delegate this Agreement or all or any part of its rights or obligations hereunder to any of its Affiliates; provided further that in each case no such assignment or delegation shall relieve Purchaser of any of its obligations hereunder.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and Seller or (b) waived only in a writing executed by the Person against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any

way any other provision or prior or subsequent breach or default. Except where a specific period for action or inaction is provided herein, no delay on the part of either Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement is intended or will be construed to give any Person other than the Parties any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future direct or indirect equityholder, shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or Advisor of either Party will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or for any Action based upon, arising out of or related to this Agreement.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction. To the extent permitted by applicable Law, each Party waives any provision of Law that renders any provision of this Agreement invalid or unenforceable in any respect.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The table of contents and headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; however, each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, to the extent it is readily apparent on its face without the need for a cross-reference. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and neither Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or

included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Schedule is a summary only and is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by either Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements between the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if either of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (a) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Seller nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that either Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order. Except as limited by Section 8.4(d), (i) the remedies available to Seller pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and (ii) the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit Seller from seeking to collect or collecting damages. If, prior to the Outside Date or Extended Outside Date, if any, either Party brings any action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date or Extended Outside Date, if any, will automatically be extended

(y) for the period during which such action is pending, plus ten (10) Business Days or (z) by such other time period established by the court presiding over such action, as the case may be.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action that may be based upon, arising out of, or related to this Agreement or the negotiation, execution or performance of this Agreement and the Transactions brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Delaware Chancery Court and any state court sitting in the State of Delaware to which an appeal from the Delaware Chancery Court may be validly taken (or, if the Delaware Chancery Court declines to accept jurisdiction over a particular matter, any state or federal court within the state of Delaware) ((a) and (b), the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any such Action arising out of or relating to this Agreement and the Transactions. 1.4 Excluded Liabilities. Notwithstanding anything herein to the contrary, Purchaser shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of, or Action against, Seller or any of its Affiliates or relating to the Acquired Assets, the Excluded Assets or the business and operations of Seller and its Affiliates, of any kind or nature whatsoever, whether absolute, accrued, contingent or otherwise, liquidated or unliquidated, due or to become due, known or unknown, currently existing or hereafter arising, matured or unmatured, direct or indirect, and however arising, whether existing on or prior to the Closing Date or arising thereafter, including as a result of any act, omission, or circumstances taking place prior to the Closing, other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the “Excluded Liabilities”). For the avoidance of doubt, and without limiting the foregoing, Purchaser shall not be obligated to assume, and does not assume, and hereby disclaims, all of the following Liabilities of Seller and its Affiliates (each of which shall constitute an Excluded Liability hereunder):

(a) all Liabilities (i) existing prior to the filing of the Bankruptcy Case that are subject to compromise under the Bankruptcy Code and (ii) to the extent not otherwise expressly assumed herein (including in the Commercial Covenants), incurred subsequent to the filing of the Bankruptcy Case and prior to the Closing;

(e) all Successor Liabilities, including with respect to any investigation or other Action against, concerning or otherwise with respect to Seller, its business or its assets.

1.5 Assumption/Rejection of Certain Contracts.

(a) Assumption and Assignment of Executory Contracts. Seller shall, and shall cause its Affiliates to, provide timely and proper written notice of the Seller's request for entry of the Confirmation Order to all parties to any executory Contracts or unexpired leases to which Seller is a party that are Assigned Contracts and take all other actions reasonably necessary to cause such Contracts to be assumed by Seller and assigned to Purchaser pursuant to section 365 of the Bankruptcy Code to the extent that such Contracts are Assigned Contracts at Closing. The Confirmation Order shall provide that as of and conditioned on the occurrence of the Closing, Seller shall assign or cause to be assigned to Purchaser, as applicable, the Assigned Contracts, each of which shall be identified by the name or appropriate description and date of the Assigned Contract (if available), the other party to the Assigned Contract and the address of such party for notice purposes, all included on an exhibit attached to either the Plan Supplement, a notice filed in connection with the motion for approval of the Confirmation Order or a separate motion for authority to assume and assign such Assigned Contracts. Such exhibit shall also set forth Seller's good faith estimate of the amounts necessary to cure any defaults under each of the Assigned Contracts as determined by Seller based on Seller's books and records or as otherwise determined by the Bankruptcy Court. At the Closing, Seller shall, pursuant to the Agreement Order, the Confirmation Order and the Assignment and Assumption Agreement(s), assume and assign to Purchaser (the consideration for which is included in the Purchase Price), all Assigned Contracts that may be assigned by Seller to Purchaser pursuant to sections 363 and 365 of the Bankruptcy Code, subject to adjustment pursuant to Section 1.5(b). At the Closing, Purchaser shall (i) pay all Cure Costs and (ii) assume, and thereafter in due course and in accordance with its respective terms pay, fully satisfy, discharge and perform all of the obligations under each Assigned Contract pursuant to section 365 of the Bankruptcy Code.

(b) Excluding or Adding Assigned Contracts Prior to Closing. Purchaser shall have the right to notify Seller in writing of any Assigned Contract that it does not wish to assume or a Contract to which Seller is a party that Purchaser wishes to add as an Assigned Contract up to five (5) Business Days prior to the Closing Date, and (i) any such previously considered Assigned Contract that Purchaser no longer wishes to assume shall be automatically deemed removed from the Schedules related to Assigned Contracts and automatically deemed to be an Excluded Contract, in each case, without any adjustment to the Purchase Price, and (ii) any such previously considered Excluded Contract that Purchaser wishes to assume as an Assigned Contract shall be automatically deemed added to the Schedules related to Assigned Contracts, automatically deemed removed from the Schedules related to Excluded Contracts, and assumed by Seller to sell and assign to Purchaser, in each case, without any adjustment to the Purchase Price. Purchaser shall be solely responsible for the payment, performance and discharge when due of the Liabilities under the Assigned Contracts arising or that are otherwise payable from the

time of and after the Closing. No Contract set forth on Schedule 1.2(s) shall be subject to the terms of this Section 1.5(b).

(c) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement but subject to Section 6.1, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser to the extent that such Contract is rejected by Seller or terminated by Seller or any other party thereto, or terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption; provided that Seller shall obtain Purchaser's consent prior to seeking to reject or terminate, or rejecting or terminating, any Assigned Contract or any Contract assumed by Purchaser pursuant to Section 1.5(a) or Section 1.5(b) from and after the date of this Agreement.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser of Seller's rights over such asset, and such Consent or Governmental Authorization has not been obtained prior to such time as it is to be transferred by Purchaser as an Acquired Asset hereunder, such asset shall not be an Acquired Asset hereunder and shall not be transferred to, or received by, Purchaser. In the event that any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such Consent or Governmental Authorization is obtained and the closing of the Bankruptcy Case, Seller and Purchaser shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) enter into a commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser any or all of Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser shall obtain (without materially infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs actually incurred by Seller or its Affiliates or any direct reasonable and documented out-of-pocket costs actually incurred by Seller or its Affiliates resulting from the retention and maintenance by Seller or its Affiliates) with respect to such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser shall assume any related burden and obligation with respect to such Acquired Asset to the extent such burden and obligation would constitute an Assumed Liability if such Acquired Asset was transferred at Closing. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, such Acquired Asset shall promptly be transferred and assigned to Purchaser in accordance with the terms of this Agreement, the Agreement Order, the Plan and Confirmation Order, and the Bankruptcy Code. Notwithstanding anything herein to the contrary, the

provisions of this Section 1.5(c) shall not apply to any consent or approval that is not required to be obtained by operation of the Bankruptcy Code (including section 365(f)).

Purchaser acknowledges and agrees that all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (a) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Seller Representations), including in the Information Presentation, the Dataroom, any projections or in any meetings, calls or correspondence with management of Seller or any other Person on behalf of Seller or any of its Affiliates or Advisors and (b) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of Seller, or the quality, quantity or condition of Seller’s assets, are, in each case specifically disclaimed by Seller and Purchaser has not relied on any such representations, warranties or statements. likely to lead to a Higher and Better Offer and that failure to take such actions would violate the directors' fiduciary duties under applicable Law; provided further that if the Closing has not occurred prior to the Outside Date unless the failure of the Closing to have occurred by the Outside Date was caused by Seller's failure to perform any of its obligations under this Agreement, and there is no Back-up Bidder (as defined in the Bidding Procedures Order) or the agreement with the Back-up Bidder has terminated in accordance with its terms, then this Section 5.2(a) shall automatically terminate and be of no further force and effect as of such date. Until entry of the Agreement Order, Seller shall promptly (but in any event within twenty-four (24) hours) provide written notice to Purchaser of any breach of this Section 5.2(a).

(b) Seller shall promptly (but in any event within twenty-four (24) hours) give written notice to Purchaser if (i) any inquiries, proposals or offers with respect to an Alternative Transaction or that could reasonably be expected to lead to an Alternative Transaction are received, (ii) any non-public information or data concerning Seller or its Affiliates or access to Seller's or its Affiliates' properties, books or records in connection with any Alternative Transaction or any inquiry, proposal or offer that could reasonably be expected to lead to an Alternative Transaction is requested, or (iii) any discussions or negotiations relating to an Alternative Transaction or any inquiry, proposal or offer that could reasonably be expected to lead to an Alternative Transaction are sought to be engaged in or continued by, from or with Seller, its Affiliates or any of its or their respective Advisors, as the case may be. Such notice shall set forth the name of the applicable Person making such inquiry, the material terms and conditions of any proposed Alternative Transaction (including, if applicable, correct and complete copies of any proposed agreements, inquiries, proposals or offers or, where no such copies are available, a reasonably detailed written description thereof) and the status of any such discussions or negotiations. Seller shall thereafter keep Purchaser reasonably informed, on a reasonably prompt basis, of the status of any discussions or negotiations with respect thereto. Until entry of the Agreement Order, Seller shall promptly (but in any event within twenty-four (24) hours) provide written notice to Purchaser of any breach of this Section 5.2(b).

(c) Seller (i) shall promptly (and in any event within twenty-four (24) hours) give notice to Purchaser upon a determination by Seller or its board of directors (or comparable governing body) that any Acquisition Proposal received from any Person after the date of this Agreement that did not result from Seller's breach of Section 5.2(a) constitutes a Higher and Better Offer (a "Higher Offer Determination Notice") and (ii) may cause or permit Seller or any of the other Debtors to enter into a definitive agreement with respect to such Acquisition Proposal; provided that (A) Seller and its board of directors (or comparable governing body) may only make such determination described in clause (i) of this Section 5.2(c) if, prior to the determination that such Acquisition Proposal constitutes a Higher and Better Offer, Seller negotiates, and causes its representatives to negotiate, with Purchaser in good faith (to the extent Purchaser and its representatives desire to negotiate) during such three (3) Business Day period to amend the terms and conditions of this Agreement and, no earlier than the end of such three (3) Business Day period, the board of directors (or comparable governing body) of Seller determines in good faith (after consultation with its financial advisor(s) and outside legal counsel), after giving effect to such proposed amendments to the terms and conditions of this Agreement, that such Acquisition Proposal still constitutes a Higher and Better Offer (provided further that if any material amendment is made to such Acquisition Proposal, such Acquisition Proposal shall be subject again (but only once again) to the foregoing, except that references to

three (3) Business Days shall be deemed to be two (2) Business Days, and whatever the result of the second instance of the foregoing, Seller shall not be required to undertake the foregoing again before making a determination that such Acquisition Proposal constitutes a Higher and Better Offer and, if applicable, terminating this Agreement), and (B) Seller and its board of directors (or comparable governing body) may only take such action described in clause (ii) of this Section 5.2(c) if the board of directors (or comparable governing body) of Seller determines in good faith (after consultation with its outside legal counsel) that the failure to take such action would violate with its fiduciary duties under applicable Law.

5.3 Bankruptcy Actions.

(a) No later than December 21, 2022, Seller shall file with the Bankruptcy Court an amended Disclosure Statement (the “Amended Disclosure Statement”) containing such amendments as may be necessary or appropriate to reflect the Seller’s entry into this Agreement and pursuit of the Transactions, which, solely with respect to matters relating to this Agreement and the Transactions, shall be in a form and substance reasonably acceptable to Purchaser. Concurrently with the filing of such Amended Disclosure Statement (*i.e.*, no later than December 21, 2022), Seller shall file the Plan Solicitation Motion which, solely with respect to matters relating to this Agreement and the Transactions, shall be in form and substance reasonably acceptable to Purchaser; provided that Seller may modify the Plan Solicitation Motion, the Plan, and the Confirmation Order pursuant to discussions with the United States Trustee assigned to the Bankruptcy Case, the Bankruptcy Court, any creditor or committee representing a group of creditors in the Bankruptcy Case, or any other party in interest, in each case, with the consent of Purchaser solely as it pertains to matters relating to this Agreement and Transactions (such consent not to be unreasonably withheld, conditioned or delayed).

(b) From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Seller shall use reasonable best efforts to obtain entry by the Bankruptcy Court of the Agreement Order and the Confirmation Order.

(c) The Parties shall use their respective reasonable best efforts to (i) obtain entry by the Bankruptcy Court of the Agreement Order, (ii) obtain entry by the Bankruptcy Court of the Plan Solicitation Order, (iii) commence solicitation of the Plan, and (iv) (A) facilitate the solicitation, confirmation, and consummation of the Plan and the transactions contemplated thereby and hereby, (B) obtain entry of the Confirmation Order, and (C) and consummate the Plan and the Transactions on the timeline set forth in the Plan Solicitation Motion and in any case prior to the Outside Date.

is a “good faith” purchaser under section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser’s ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing.

(e) Any documents filed by Seller with the Bankruptcy Court in connection with obtaining approval of effectuating the Closing shall be reasonably acceptable to Purchaser.

(f) Each of Seller and Purchaser shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the other Party or required by the Bankruptcy Court in connection with the Transactions and the Plan solely with respect to matters relating to this Agreement and (ii) keep the other reasonably apprised of the status of material matters related to the Agreement and the Plan solely as it pertains to matters relating to this Agreement and Transactions, including, upon reasonable request promptly furnishing the other with copies of notices or other communications received by Seller from the Bankruptcy Court with respect to the Transactions or the Plan solely as it pertains to matters relating to this Agreement and Transactions.

(g) Seller and Purchaser acknowledge that this Agreement and the sale of the Acquired Assets are subject to Bankruptcy Court approval. Purchaser acknowledges that Seller and the other Debtors must take reasonable steps to demonstrate that they have sought to obtain the highest or otherwise best price for the Acquired Assets, including giving notice thereof to the creditors of the Debtors and other interested parties, providing information about Seller to prospective bidders, entertaining higher and better offers from such prospective bidders.

(h) Purchaser shall provide adequate assurance of future performance as required under section 365 of the Bankruptcy Code for the Assigned Contracts. Purchaser agrees that it will take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of adequate assurance of future performance under the Assigned Contracts, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Purchaser’s Advisors reasonably available to testify before the Bankruptcy Court.

5.4 Cure Costs. Subject to entry of the Agreement Order and the Confirmation Order, Purchaser shall, on or prior to the Closing (or, in the case of any Contract that is to be assigned following the Closing pursuant to Section 1.5, on or prior to the date of such assignment), pay the Cure Costs and cure any and all other defaults and breaches under the Assigned Contracts so that such Contracts may be assumed by Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement.

5.5 Approval. Seller’s and Purchaser’s obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Agreement Order and the Confirmation Order). Nothing in this Agreement shall require Seller or its Affiliates to give testimony to or submit a motion to the Bankruptcy Court that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court or its stakeholders.

5.6 No Successor Liability. The Parties intend that upon the Closing the Purchaser Group shall not and shall not be deemed to: (a) be a successor (or other such similarly situated party), or otherwise be deemed a successor, to Seller, including, a “successor employer” for the purposes of the Code, ERISA, or other applicable Laws; (b) have Liability or responsibility for any Liability or other obligation of Seller arising under or related to the Acquired Assets other than as expressly set forth in this Agreement, including successor or vicarious Liabilities of any kind or character, including any theory of antitrust, environmental, successor, or transferee Liability, labor law, de facto merger, or substantial continuity (including under applicable Money Transmitter Requirements or securities Laws of any Governmental Body); (c) have, de facto or otherwise, merged with or into Seller; (d) be an alter ego or a mere continuation or substantial continuation of any of Seller (and there is no continuity of enterprise between Purchaser and Seller), including, within the meaning of any foreign, federal, state or local revenue, pension, ERISA, COBRA, Tax, labor, employment, environmental, or other Law, rule or regulation (including filing requirements under any such Laws, rules or regulations), or under any products liability Law or doctrine with respect to Seller’s Liability under such Law, rule or regulation or doctrine; or (e) be holding itself out to the public as a continuation of Seller or its estate (the foregoing clauses (a) through (e), collectively, “Successor Liabilities”).

5.7 Filings. Seller shall, and shall cause the other Debtors to, give Purchaser reasonable advance notice of, and opportunity to review and approve, any motions, pleadings, notices and other documents to be filed during the Bankruptcy Case that would reasonably be expected to be material and adverse to the Transactions (such approval not to be unreasonably withheld, conditioned or delayed, provided that Purchaser may withhold their approval in their sole discretion to the extent such motions, pleadings, notices and other documents would be inconsistent with the consummation of the Transactions in accordance herewith).

~~5.8 Waiver of Conflicts. Notwithstanding anything to the contrary herein or otherwise, Seller acknowledges that Paul Hastings LLP (“Paul Hastings”) may have represented and may currently represent the Purchaser or one or more of its Affiliates in connection with the Transactions (including the negotiation, preparation, execution and delivery of this Agreement and related agreements, and the consummation of the Transactions) as well as other past and ongoing regulatory matters generally (the “Covered Matters”). Accordingly, Seller hereby irrevocably consents and agrees, on its behalf and on behalf of its Affiliates, to Paul Hastings representing the Purchaser and its Affiliates from and after the Closing in connection with any matter arising out of or related to the Covered Matters. Seller (i) hereby irrevocably waives and will not assert, and will cause each of its Affiliates to waive and not assert, any actual or potential conflict of interest which has or may arise as a result of Paul Hastings’ representation of the Purchaser or one or more of its Affiliates, including in any Action, in a Covered Matter, (ii) hereby consents, and will cause each of its Affiliates to consent to, any such representation, even though, in each case, (x) the interests of the Purchaser or such Affiliates may be directly adverse to Seller or its Affiliates, (y) Paul Hastings may have represented Seller or its Affiliates in a substantially related matter, or (z) Paul Hastings may be handling other ongoing matters for Seller or its Affiliates, and (iii) shall cooperate, and shall cause each of its Affiliates to cooperate, with the Purchaser in effectuating the foregoing waiver (including with respect to any objections raised by or before the Bankruptcy Court or the~~

~~United States Trustee assigned to the Bankruptcy Case in respect of such waiver or representation).~~

(a) From the date hereof until the Closing (or the earlier termination of this Agreement pursuant to Article VIII), Seller will (x) provide Purchaser and its authorized Advisors with reasonable access to, upon reasonable advance notice and during regular business hours, Seller's officers, employees, Advisors, properties, systems, offices, and data, documents, and information of the Seller Parties regarding the Acquired Assets, the Assumed Liabilities, the Users, Voyager User Accounts and the Voyager Platform (including, for the avoidance of doubt any of the foregoing that constitutes Acquired Information), including such financial, operating and other data and information related to the Transactions, the Acquired Assets, the Assumed Liabilities, the Users, Voyager User Accounts, or the Voyager Platform (including, for the avoidance of doubt any of the foregoing that constitutes Acquired Information) as Purchaser or any of its representatives may reasonably request and (y) instruct the representatives of Seller to cooperate to provide such access; provided that (i) such access will occur in such a manner reasonably appropriate to protect the confidentiality of the Transactions, (ii) all requests for access will be directed to Moelis or such other Person(s) as Seller may designate in writing from

time to time and (iii) nothing herein will require Seller to provide access to, or to disclose any information to, Purchaser if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws or would violate any fiduciary duty under applicable Law with respect to Seller; provided that, in the event that Seller withholds access or information in reliance on the foregoing clause (A) or (B), Seller shall provide (to the extent possible without waiving or violating the applicable agreement, legal privilege, Law or fiduciary duty under applicable Law with respect to Seller) notice to Purchaser that such access or information is being so withheld and shall use reasonable best efforts to provide such access or information in a way that would not risk waiver of such legal privilege, applicable Law, or fiduciary duty.

(b) The information provided pursuant to this Section 6.2 will be governed by the Confidentiality Agreement and the confidentiality provisions in Section 6.19. Each Party will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to such Party or any of its Advisors. Neither Party makes any representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and the other Party may not rely on the accuracy of any such information, in each case, other than, with respect to Purchaser, the Express Seller Representations and, with respect to Seller, the Express Purchaser Representations.

(c) From and after the Closing for a period of three (3) years following the Closing Date (or, if later, the closing of the Bankruptcy Case), Purchaser will, following Seller's good faith written request, and solely to the extent necessary for Seller to (i) comply with Tax reporting obligations, (ii) consummate the closing of the Bankruptcy Case, (iii) prepare annual audited financial statements, (iv) submit a filing pursuant to applicable securities laws and regulations or (v) conduct the wind down of the estate (including reconciliation, investigation, and pursuit of claims) and dissolution of Seller and its Affiliates, provide Seller and its Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records in Purchaser's custody or control, including work papers, schedules, memoranda, Tax Returns, Tax schedules, Tax rulings, and other documents (for the purpose of examining and copying), in each case to the extent relating to the Acquired Assets, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of Purchaser, in each case at no cost or expense to Purchaser; provided that (i) such access does not unreasonably interfere with the normal operations of Purchaser and (ii) nothing herein will require Purchaser to provide access to, or to disclose any information to, Seller or its Advisors if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws or would violate any fiduciary duty; provided that, in the event that Purchaser withholds access or information in reliance on the foregoing clause (A) or (B), Purchaser shall provide (to the extent possible without waiving or violating the applicable agreement, legal privilege, Law or fiduciary duty) notice to Seller that such access or information is being so withheld and shall use reasonable best efforts to provide such access or information in a way that would not risk waiver of such legal privilege, applicable Law, or fiduciary duty. Prior to the date hereof, Seller has provided Purchaser a true, correct and complete list of the Seller Employees and Seller Contractors identified by name, if applicable, department, and (subject to applicable Laws) true, correct and complete copies of all talent assessment reports for each such Seller Employee and Seller Contractor. From and after the date hereof (and, if applicable, following the Closing until the winddown or dissolution of Seller), Seller shall use reasonable best efforts to make such Seller Employees who remain employed by Holdings and Seller Contractors who remain engaged by Seller or Holdings, in each case, reasonably available to Purchaser or its Affiliates and Purchaser will work in good faith with Seller to identify top performing Seller Employees and Seller Contractors and will determine whether to make offers of employment or other services to any such Seller Employee or Seller Contractors (including by prioritizing review of Seller Employees for applicable open positions of Purchaser and its Affiliates, if any). Purchaser (or an Affiliate of Purchaser) may, in its sole discretion, make offers of employment, consulting or other services to such Seller Employees or Seller Contractors (if any) as Purchaser shall determine, on such terms and conditions as Purchaser shall determine in its sole and absolute discretion. In the event that Purchaser (or an Affiliate of Purchaser) makes such an offer of employment or services and such Seller Employee or Seller Contractor accepts, Seller hereby agrees not to enforce against Purchaser (or its Affiliate) or such Seller Employee or independent contractor the terms and conditions of any agreement to refrain from competing, directly or indirectly, with the business of Seller or any of its Affiliates or to refrain from soliciting employees, customers or suppliers of Seller or any of its Affiliates that may be applicable to such Seller Employee or Seller Contractor. Seller shall not take any action that would reasonably be expected to materially and adversely affect Purchaser’s hiring or engagement of such Seller Employee(s) or Seller Contractor(s) in accordance with this Section 6.3; provided that the announcement and implementation of any Seller Plans (including any retention programs or post-Closing treatment of Seller Employees), in each case, in a manner consistent with the provisions of this Agreement, shall not be deemed to be a breach of this sentence. Notwithstanding anything to the contrary herein or otherwise, nothing herein shall require or obligate Purchaser or any of its Affiliates to

employ or make offers of employment to any Person, or make any such offers of employment on any particular terms, each of which decisions shall be made in Purchaser's sole discretion.

(b) Prior to and following the Closing Date, Seller, Holdings and each of their Affiliates shall not communicate, and shall ensure that no representative of Seller, Holdings or their respective Affiliates communicates, with any Seller Employee or other service provider of Seller regarding post-Closing employment matters (including post-Closing employee benefit plans and compensation) with Purchaser without the prior written consent of Purchaser; provided that Seller, Holdings, and their Affiliates shall be permitted to communicate regarding their employment and termination plans and related matters.

(d) Seller will, or will cause its Affiliates to, comply in all material respects with the Worker Adjustment and Retraining Notification Act of 1988 or any similar Laws ("WARN Act") with respect to any "plant closing" or "mass layoff" or group termination or similar event under the WARN Act affecting employees of Debtors (including as a result of the consummation of Transactions) whether occurring prior to or on the Closing. Subject to the terms of this Agreement, Seller and its Affiliates (including Holdings) reserve the right to (i) terminate any of their employees at any time, and otherwise reduce employee work hours, benefits and compensation, and (ii) issue termination and/or WARN Act notices relating to their employees at any time.

(e) For any employees who are principally based outside the United States, the provisions of this Section 6.3 shall apply to such employees *mutatis mutandis* to the maximum extent permitted by applicable Law.

(f) The provisions of this Section 6.3 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Seller or Holdings), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.3 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.3, alter or limit Purchaser's, Seller's or Holdings' ability to amend, modify or terminate any particular benefit plan, program, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to an offer of employment or service, employment or continued

employment or service for any period of time by reason of this Agreement, or any right to a particular term or condition of employment or service.

6.4 Regulatory Matters.

(a) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), subject to the other provisions of this Section 6.4, Seller will, and will cause its Affiliates and its and their respective employees, representatives, advisors and agents to, (i) make or cause to be made all filings and submissions to the extent required to be made by Seller or any of its Affiliates under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Purchaser, its Affiliates and its and their respective representatives in exchanging such information and providing such assistance as Purchaser may reasonably request in connection with any filings or submissions to be made by any member of the Purchaser Group under any applicable Laws in connection with the Transactions, (iii) supply promptly any additional information and documentary material that may be requested in connection with such filings or submissions and (iv) use reasonable best efforts to take any actions necessary to obtain all approvals or clearances from any relevant Governmental Body that are required to be obtained by Seller or its Affiliates under applicable Law for the consummation of the Transactions.

(b) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), subject to the other provisions of this Section 6.4, Purchaser will, and will cause its respective employees, representatives, advisors and agents to, (i) make or cause to be made all filings and submissions to the extent required to be made by Purchaser under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Seller, its Affiliates and its and their respective representatives in exchanging such information and providing such assistance as Seller may reasonably request in connection with any filings or submissions to be made by Seller or any of its Affiliates under any applicable Laws in connection with the Transactions, (iii) supply promptly any additional information and documentary material that may be requested in connection with such filings or submissions, and (iv) use reasonable best efforts to take any actions necessary to obtain all approvals or clearances from any relevant Governmental Body that are required to be obtained by Purchaser under applicable Law for the consummation of the Transactions.

(c) From time to time from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), the Parties commit to instruct their respective counsel to cooperate with each other to respond to any reasonable inquiries and use reasonable best efforts to seek to resolve any objections raised by any Governmental Body as promptly as practicable and for greater certainty, each Party and its respective counsel undertake to (i) promptly notify the other Party or its counsel of, and, if in writing, furnish such other Party or its counsel with copies of (or, in the case of oral communications, advise such other Party or its counsel of the contents of), any substantive communication received by such Person from a Governmental Body and (ii) keep the other Party or its counsel informed with respect to the status of any applicable submissions and filings to or inquiries by any Governmental Body in connection with this Agreement and the Transactions and any developments, meetings or discussions with any Governmental Body in respect thereof,

including with respect to (A) the commencement or proposed or threatened commencement of any investigation or other Action, and (B) the nature and status of any inquiries or objections raised or proposed or threatened to be raised by any Governmental Body with respect to this Agreement and the Transactions. From and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), none of Seller or any of its Affiliates, on the one hand, or Purchaser, on the other hand, will participate in any substantive meeting or discussion with any Governmental Body with respect of any such filings, applications, investigation or other inquiry without giving the other Party reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, a reasonable opportunity to attend and participate in such meeting or discussion, and each Party will have a reasonable opportunity to review and provide comments (which shall be considered in good faith by the other Party) on the content of any filing, submission or other written communication (and any analyses, memoranda, presentations, white papers, correspondence or other written materials submitted therewith) to be submitted by the other Party or any of its Affiliates to any Governmental Body in advance of any such submission. Each Party acknowledges that, with respect to any non-public information provided by a Party to the other under this Section 6.4, each Party may (1) designate such material as restricted to “outside counsel only” and any such material shall not be shared with employees, officers or directors or their equivalents of the receiving Party without approval of the disclosing Party and (2) make appropriately limited redactions necessary to satisfy contractual confidentiality obligations, preserve attorney-client privilege or protect material relating to the valuation of the Acquired Assets. Notwithstanding anything to the contrary herein or otherwise, Purchaser will control and have final decision making authority on all regulatory strategy, submissions and procedures, after considering in good faith any reasonable advice provided by Seller in good faith.

(d) Notwithstanding anything to the contrary in this Agreement, nothing shall require or be construed to require any member of the Purchaser Group to (i) oppose any motion or Action for a temporary, preliminary or permanent Order against, or preventing or delaying, the consummation of the Transactions, or exhaust all avenues of appeal, including any proper appeal of any adverse decision or Order by any Governmental Body, (ii) enter into a consent decree, consent agreement, settlement or other agreement or arrangement (including any ancillary agreements) to hold separate, license, sell, transfer, dispose or divest (pursuant to such terms as may be required by any Governmental Body) any asset (whether tangible or intangible), (iii) agree to the termination, modification, or assignment of any relationships, joint ventures, contracts, assets, liabilities or obligations, (iv) agree to any limitations on governance, conduct, or actions of members of the Purchaser Group or operations of their respective businesses or with respect to the Acquired Assets or Assumed Liabilities, or (v) enter into any national security agreement, letter of assurance, or other mitigation agreement with the Committee on Foreign Investment in the United States or any member agency thereof acting in that capacity.

(e) From and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), and, solely with respect to Delayed Acquired Coins, through and including the applicable Delivery Date with respect to any such Delayed Acquired Coin, Seller will not, and will not permit any of its Affiliates to, knowingly take any action, engage in any conduct or enter into any transaction that would reasonably be expected to (i) materially increase the risk of any Governmental Body entering an

Order prohibiting or materially delaying the consummation of the Transactions or (ii) materially delay the consummation of the Transactions.

(f) Subject to Section 6.4(d), from and after the date hereof until the Closing (or the valid termination of this Agreement in accordance with its terms, if earlier), and, solely with respect to Delayed Acquired Coins, through and including the applicable Delivery Date with respect to any such Delayed Acquired Coin, each Party will use reasonable best efforts to (i) cooperate with and (ii) seek to secure approvals or authorizations from, any relevant Governmental Body, including state banking departments enforcing money transmission laws, in order to permit consummation of the Transactions in a timely manner in compliance with applicable Laws.

6.5 Reasonable Best Efforts; Cooperation.

(a) Subject to the other terms of this Agreement, and without limiting, affecting or modifying the Parties' obligations under Section 6.4, or any of the Commercial Covenants, each Party shall, and shall cause its Advisors to, use its reasonable best efforts to perform its obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary under applicable Law to cause the transactions contemplated herein to be effected as soon as practicable and the closing conditions set forth in Article VII to be satisfied, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with the other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder. The "reasonable best efforts" of Seller will not require Seller or any of its Affiliates or Advisors to expend any money to remedy any breach of any representation or warranty, to commence any Action, to waive or surrender any right, to modify any Contract or to waive or forgo any right, remedy or condition hereunder. Notwithstanding anything to the contrary herein, in the event of a conflict between this Section 6.5(a) and Section 6.4, the provisions of Section 6.4 shall control with respect to such conflict.

(b) The obligations of Seller and Purchaser pursuant to this Agreement, including this Section 6.5, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Case), Seller's debtor-in-possession financing, if any, and Seller's obligations as a debtor-in-possession to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order, the Agreement Order, and the Confirmation Order) and Seller's duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

6.6 Data Transfer Matters.

(a) Seller shall, and shall cause its Affiliates to, (i) within 30 days (with the Parties using their reasonable best efforts to do so within five (5) Business Days) following the later of the date hereof and the date Purchaser provides the form of such notification, distribute an initial email notification, in the form provided by Purchaser, to all Users and any other consumers located or having a home address in the United States from whom Seller has collected Personal Information regarding the Transactions (including the Rebalancing Exercise)

and the transfer of such individuals' Personal Information or accounts (including the ability to opt in to a pre-Closing transfer of such User's Acquired User Data to Purchaser), and prominently post a notice, in the form provided by Purchaser, to Seller's and its Affiliates' (as applicable) primary customer-facing website regarding the same; (ii) on a weekly basis, upon the expiration of any opt in period provided in the email notification distributed by Seller, but no earlier than the later of January 3, 2023 and entry of the Agreement Order, deliver to Purchaser the respective Acquired User Data for Users who have opted into the pre-Closing data transfer pursuant to the foregoing item (i) and whose Acquired User Data has not previously been transferred (the "Pre-Closing Data Transfer"); (iii) following the date of the initial email notification until the Closing Date, continue distributing additional email notifications, in the form provided by Purchaser, to such individuals, as Purchaser reasonably requires; and (iv) on the Closing Date, deliver to Purchaser all other Acquired User Data. All notifications contemplated by the foregoing shall be subject to Purchaser's consideration of any comments thereto proposed in good faith by Seller or counsel to the committee of unsecured creditors in the Bankruptcy Case and subject to applicable Law.

(b) From and after the date hereof and through and following the Closing, Seller shall, and shall cause its Affiliates to, maintain or maintain with a third party data management and retention firm, for the entirety of the applicable retention period and at least ninety (90) days thereafter, all information required to be maintained pursuant to, or to comply with, applicable Money Transmitter Requirements or Laws related to Sanctions.

6.7 Use of Name; **Voyager Platform**.

(a) Seller agrees that: (i) within ninety (90) days from the Closing Date, Seller shall (and shall cause its Affiliates to) cause an amendment to the governing documents of Seller and its Affiliates (as applicable) to be filed with the appropriate Governmental Body and shall take all other reasonable actions necessary to change Seller's and such Affiliate's legal, name to a name or names not containing "Voyager," any other trade mark or trade name set forth in Schedule 6.7(a) or any name confusingly similar to the foregoing; (ii) after the Closing Date neither Seller nor any of its Affiliates shall have any ownership rights in or to the name "Voyager," any other trade mark or trade name set forth in Schedule 6.7(a) or any service marks, trademarks, trade names, identifying symbols, logos, emblems, signs or insignia related thereto or containing or comprising the foregoing, including any name or mark confusingly similar thereto (collectively, the "Seller Marks"); and (iii) except as set forth in Section ~~6.7(a)~~6.7(b),

Seller and its Affiliates shall, within ninety (90) days of the Closing Date, cease to make any use of the Seller Marks, including in any corporate or other legal name.

(b) Notwithstanding Section 6.7(a), for a period of ninety (90) days after the closing of the Bankruptcy Case, unless extended by mutual agreement of Purchaser and Seller, Purchaser hereby grants to Seller and its Affiliates (including, for the avoidance of doubt, any wind-down or similar administrator in the Bankruptcy Case or under the Plan) a non-exclusive, limited, non-transferable, non-sublicensable and revocable license to use the Seller Marks for the sole purposes of unwinding Seller's businesses ~~and~~, assisting Purchaser with all migrations, integrations and Transactions, and consummating transfers of Coins, cash or other assets to Purchaser contemplated by this Agreement.

(c) From and after the date hereof until the earlier of the Closing and the termination of this Agreement in accordance with its terms, Seller and Purchaser shall negotiate in good faith the terms and conditions of, and enter into at the Closing, a mutually agreed transition services agreement or other arrangements on commercially reasonable terms pursuant to which Seller shall have such access to and operation of the Voyager Platform and information acquired by Purchaser hereunder as are reasonably necessary for the sole purposes of Seller (w) holding Delayed Acquired Coins in accordance herewith, (x) assisting Purchaser with all migrations, integrations and Transactions contemplated by this Agreement, (y) consummating transfers of Coins, cash or other assets to Purchaser, Users, and Eligible Creditors contemplated by this Agreement and the Plan and (z) providing any related Tax reporting to Users required by applicable Law for periods prior to and including the Closing Date. Such access and operation contemplated by clause (w) of this Section 6.7(c) shall cease upon the conversion of such Delayed Acquired Coins into fiat currency or, if earlier, upon the transfer to Purchaser of such Delayed Acquired Coins, in each case in accordance with this Agreement. Such access and operation contemplated by clauses (x) and (y) of this Section 6.7(c) shall cease upon the completion of such assistance or transfers, as applicable. Such access and operation contemplated by clause (z) of this Section 6.7(c) shall cease upon the completion of any such Tax reporting. Notwithstanding anything to the contrary herein, (i) Seller shall bear responsibility for the operation and administration (including by providing, at its expense, personnel to conduct such operation and administration), and the documented out-of-pocket third party costs and expenses, of the Voyager Platform following the Closing pursuant to the preceding provisions of this Section 6.7(c) and (ii) in no event will Seller (and Seller will cause its employees, contractors and other personnel not to) (A) use the Voyager Platform for purposes of (I) distributing any Coins to Users or Eligible Creditors or (II) performing any conversion of Coins to cash or other liquidation of Coins hereunder (provided that this clause (A)(II) shall not prevent Seller from using the software and functionality of the Voyager Platform solely for executing any conversion or liquidation transaction permitted hereunder on other third party platforms), or (B) allow Users to (I) withdraw Coins through the Voyager Platform or (II) make any sale or other trading transaction through the Voyager Platform.

6.8 Further Assurances.

(a) From time to time from and after the date hereof through and following the Closing (in the case of Seller, until the winddown or dissolution of Seller), as and when requested by either Party, the other Party will execute and deliver, or cause to be executed and delivered, all such further conveyances, notices, assumptions, assignments, documents and other instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the Transactions (including for the avoidance of doubt, the transfer and conveyance of any Acquired Assets that may be in the possession of Seller's Affiliates to Purchaser); provided that nothing in this Section 6.8 shall require Purchaser or the Purchaser Group to assume any Liabilities of Seller or any of its Affiliates other than the Assumed Liabilities of Seller or any of its Affiliates to transfer any assets other than Acquired Assets. In addition, from time to time following the Closing Date (in the case of Seller, until the winddown or dissolution of Seller), each Party shall, and shall cause its Affiliates to, promptly execute, acknowledge and deliver such further documents and perform such further acts as are reasonably requested by the other Party and as may be reasonably necessary to transfer and convey to Purchaser, or make available to Purchaser the Acquired Assets or the Assumed Liabilities pursuant to this Section 6.8.

(b) Without limiting Section 6.8(a), Seller will use reasonable best efforts to evidence and effectuate the transfer and conveyance of all Seller Held Coins (solely for purposes of this Section 6.8(b)), deeming the phrase "who are Debtors" in the definition of Seller Held Coins to instead read as "who are not Debtors" in accordance with Section 6.8(a), *mutatis mutandis*.

6.10 User Migration.

(a) Following the date hereof, Seller shall, and shall cause its Affiliates to cooperate with Purchaser to, develop (and each Party shall use reasonable best efforts to develop within 15 Business Days following the date hereof) a mutually agreed upon integration plan that sets forth all technology integrations that Purchaser deems reasonably necessary to enable all migrations of User accounts on the Voyager Platform to the Binance.US Platform as contemplated by this Agreement (the “Integration Plan”). The Integration Plan will include among other things: (i) directing customers on the Voyager Platform (including through links on the home screen for the web interface and mobile app for the Voyager Platform) to the Binance.US Platform log-in webpage or mobile app, (ii) migrating all Acquired User Data (subject to Section 6.6(a)) reasonably necessary for Purchaser to validate whether Users qualify as Existing Users and (iii) developing a process whereby any User that is not an Existing User can affirmatively accept terms and conditions to provide such User with access to their Net Owed Coins in a new Binance.US Platform account from directly within the Voyager Platform and related app in accordance with the provisions of this Agreement. Each Party shall, and shall cause its Affiliates and its and their respective employees and representatives to, comply with and implement the Integration Plan. From and after the date hereof (and following the Closing, if applicable, until the date that is six (6) months following the Closing Date), Seller shall, and shall cause its Affiliates and its and their respective employees and representatives to provide to Purchaser, its Affiliates and its and their respective employees and representatives (x) any assistance reasonably requested or required by Purchaser, its Affiliates and its and their respective employees and representatives in connection with the opening of User accounts on the Binance.US Platform, the transfer of information and Net Owed Coins from the Voyager Platform to the Binance.US Platform (including in connection with customer queries and troubleshooting with respect thereto), and the actions contemplated by this Section 6.10 and the Integration Plan and (y) subject to Section 6.6 and applicable Law, all necessary Acquired User Data in Seller’s or its Affiliates’ possession required to effectuate the Integration Plan. Purchaser shall bear the reasonable and documented out-of-pocket expenses incurred by Seller in connection with the provision of such assistance following the Closing pursuant to the immediately preceding sentence; provided that prior to incurring any such expenses in excess of \$250,000, individually or in the aggregate, Seller shall obtain Purchaser’s consent (which shall not be unreasonably withheld, conditioned or delayed) to incur such expenses.

(b) Notwithstanding the provisions of Section 6.2(c) or Section 10.17, following entry of the Agreement Order, Purchaser and its Affiliates shall, at their sole cost and expense, be entitled to issue communications directed to Users on the Binance.US Platform and through other means of Purchaser’s choosing in connection with the Transactions or the opening of accounts on the Binance.US Platform; provided that such communications are consistent with this Agreement and applicable Law; provided that Purchaser shall not issue any such communications prior to the Closing Date without Seller’s prior written consent (which shall not be unreasonably withheld, conditioned or delayed) and subject to reasonable consultation with counsel to the committee of unsecured creditors in the Bankruptcy Case. Except as required by Section 6.11(d), Seller shall not, and Seller shall cause its Affiliates not to, issue any communication to Users, whether on the Voyager Platform or otherwise, except to the extent the form and substance of such communication has been previously approved by Purchaser or is required by applicable Law; provided that the foregoing shall not prohibit Seller from responding

on an individual basis to technical support queries from Users or answering questions related to the amount of Coins such User has deposited on the Voyager Platform or communicating with customers regarding withdrawal of cash from the “for benefit of” customer accounts at Metropolitan Commercial Bank; provided further that Seller shall, and shall cause its Affiliates to, provide Purchaser and counsel to the committee of unsecured creditors in the Bankruptcy Case with regular updates on the timing and content of such communications and shall cooperate with Purchaser in addressing any concerns related thereto. The Parties will work in good faith to (i) develop a set of talking points or FAQs for Users and Eligible Creditors with respect to the Transactions, the Bankruptcy Cases, and related matters and (ii) continue to review and revise such talking points or FAQs as other inquiries from Users and Eligible Creditors or other circumstances arise.

(c) Subject to Seller’s providing the Acquired User Data in accordance with Section 6.6, and such Acquired User Data meeting the standards set forth in the KYC Procedures, as determined by Purchaser in its reasonable discretion, Purchaser shall cause an account to be opened for each User on the Binance.US Platform on or before the ~~User~~-Asset Migration Date. In addition to the foregoing, if Seller has not provided or does not have Acquired User Data meeting such standards with respect to a particular User, if such User provides such information and documentation meeting the standards set forth in such KYC Procedures, as determined by Purchaser in its reasonable discretion, Purchaser shall cause an account to be opened for such User in accordance with its standard account opening procedures following its receipt of such information and documentation.

(d) Seller and Purchaser shall offer (i) each eligible creditor pursuant to the Plan that is not a User (each, an “Eligible Creditor”) and (ii) each User the opportunity, subject to the consummation of the Closing and such User and Eligible Creditor meeting the requirements of the KYC Procedures and accepting the terms and conditions of the Binance.US Platform, to receive its Net Owed Coins or other Plan distribution through the Binance.US Platform in accordance with Section 6.12 and the Plan. Within three (3) Business Days following the request of Purchaser (which request for the sake of clarity may be offered multiple times), Seller shall send to each User and Eligible Creditor a communication in the form provided by Purchaser notifying them of such offer.

(e) For the sake of clarity and notwithstanding anything to the contrary herein or otherwise, (i) none of Purchaser or any of its Affiliates shall be required to (A) activate an account or pay or credit any amount, whether in Coins, cash or otherwise, to any User or Eligible Creditor (or its account) that does not meet the requirements of the KYC Procedures and accept the terms and conditions of the Binance.US Platform, (B) pay or credit any amount, whether in Coins, cash or otherwise, to any User or Eligible Creditor or its account except in accordance with the Plan, or (C) credit the account of any User or Eligible Creditor with respect to Coins that have not actually been delivered to Purchaser in accordance with the provisions of Section 2.4(b), (ii) neither Purchaser nor any of its Affiliates is assuming any Liabilities of Seller or any of its Affiliates with respect to Users’ accounts on the Voyager Platform or any Eligible Creditor, all of which Liabilities shall constitute Excluded Liabilities, and (iii) neither Purchaser nor any of its Affiliates shall be required to provide trading services on the Binance.US Platform or otherwise in respect of any Unsupported Coins.

6.11 Rebalancing Exercise; Seller Statement.

(a) Following the date hereof and prior to the Closing (or the earlier termination of this Agreement pursuant to Article VIII), (i) Seller shall purchase and sell Cryptocurrency through one or more transactions such that, following the completion of such transactions, the ~~number of~~ Acquired Coins Value of all Acquired Coins of each type is equal to the ~~aggregate number of~~ Deposited Coins Value of all Deposited Coins of such type multiplied by the Rebalancing Ratio (subject to a Rebalancing Exercise Delta with respect to each Acquired Coin of no more than five percent (5%) or, if after conducting such transactions and using reasonable best efforts to meet the Rebalancing Exercise Delta of five percent (5%), Seller reasonably and in good faith determines that it will not be able to meet such Rebalancing Exercise Delta, then such other amount as Purchaser and Seller consent to, such consent not to be unreasonably withheld, conditioned or delayed), the purpose of which transactions the Parties acknowledge and agree is to ensure that there are sufficient Acquired Coins of each type to pay to each User's account on the Binance.US Platform a number of Post-Rebalancing Coins of such type in accordance with the provisions of this Agreement (such transactions, the "Rebalancing Exercise"), and (ii) Seller shall, and shall cause its employees, accountants, advisors and representatives to, consult with, and keep reasonably informed, Purchaser, its Affiliates and their respective employees, accountants, advisors and representatives with respect to the Rebalancing Exercise and all actions taken in connection therewith, including by providing Purchaser with regular updates regarding the status of the Rebalancing Exercise. For the sake of clarity, the Parties agree that for purposes of the Rebalancing Exercise, if ETH Coins that are Staked Coins cannot be unstaked by the Rebalancing Date, or if there are Coins that Seller is otherwise unable to access due to such Coins being custodied with providers that have entered insolvency proceedings prior to the date hereof, then the Parties will agree on appropriate modifications to the Rebalancing Exercise and the process for distributing Net Owed Coins to Users in light of the foregoing. The Parties agree that the Rebalancing Exercise shall be completed in accordance with the provisions of this Agreement by no later than the date that is one (1) Business Day prior to the Closing Date (such date, the "Rebalancing Date").

(b) In order to facilitate the Rebalancing Exercise, Seller shall, promptly following the date hereof, to the extent not already created prior to the date hereof, create an institutional account in Seller's name on the Binance.US Platform, and Seller may, but shall not be required to, transfer any or all Seller Held Coins to such institutional account in order to facilitate the Rebalancing Exercise (and, for the avoidance of doubt, the Binance.US Platform shall serve merely as an exchange agent in connection with the Rebalancing Exercise). Prior to engaging in any Subject Transaction outside the Binance.US Platform, Seller shall provide Purchaser with a written notice describing the parameters of such Subject Transaction, including the proposed number of Seller Held Coins of each type to be transferred in connection with such Subject Transaction (each, a "Transaction Notice") and Purchaser shall be entitled to make, by written notice (each, a "Transaction Offer Notice") to Seller within three (3) Business Days following receipt of such Transaction Notice, an offer to conduct such Subject Transaction on the Binance.US Platform, including a description of the estimated numbers of Acquired Coins that would result from the consummation of such Subject Transaction. If Seller receives any proposal to conduct such Subject Transaction from any third party which would result in a number of Acquired Coins in excess of that set forth in the Transaction Notice, Seller shall inform Purchaser of the same, and Seller shall not conduct such Subject Transaction with or

through other Person(s) unless Seller provides written notice to Purchaser that Seller has determined in good faith that the terms offered by such other Person(s) with respect to such Subject Transaction (which such terms shall be set forth in such notice) are more favorable (in terms of the best interests of Seller and its estate) than the terms set forth in the Transaction Offer Notice and Purchaser does not provide an updated Transaction Offer Notice within one (1) Business Day following receipt of such notice from Seller with terms as or more favorable (in terms of the best interests of Seller and its estate) than those set forth in Seller's notice. If Purchaser does so provide such an updated Transaction Offer Notice, Seller conduct such applicable Subject Transaction on the Binance.US Platform in accordance with such updated Transaction Offer Notice. In addition to the foregoing, Seller may request that Purchaser facilitate all or part of the Rebalancing Exercise, in which case all or such portion of the Rebalancing Exercise shall be conducted on the Binance.US Platform. Seller's use of the Binance.US Platform for the Rebalancing Exercise shall be subject in all respects to the standard terms and conditions of the Binance.US Platform (including applicable fees, spreads, costs and expenses except as set forth in the applicable Transaction Offer Notice). For the sake of clarity, Seller may withdraw any Coins from the Binance.US Platform prior to the Closing and Seller shall not be required to maintain Coins on the Binance.US Platform in connection with the Rebalancing Exercise or otherwise (except as otherwise expressly contemplated hereunder from and after the Closing and acknowledging that this sentence is not intended to and shall not preclude transactions in the Rebalancing Exercise being undertaken on the Binance.US Platform in accordance with the provisions hereof).

(c) At least one (1) Business Day prior to the Closing Date and following completion of the Rebalancing Exercise in accordance with Section 6.11(a), Seller will deliver to Purchaser a ledger in a form reasonably specified by Purchaser as far in advance of the Rebalancing Date as is reasonably practicable (the "Seller Statement") setting forth in reasonable detail, in each case as of the Rebalancing Date and following the completion of the Rebalancing Exercise in accordance with Section 6.11(a), (i) each User's user identification number, (ii) the Rebalancing Ratio and the calculation thereof, (iii) the number of each User's Deposited Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Deposited Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject) and the Deposited Coins Value thereof (by type of Coin), (iv) the number of each User's Post-Rebalancing Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Post-Rebalancing Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject) and the Acquired Coins Value thereof (by type of Coin), (v) the total number of Seller Held Coins and Acquired Coins of each type (including the name and relevant ticker symbol used on the Voyager Platform for such Seller Held Coins and Acquired Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject), ~~(vi) the total amount of gas fees that Seller will pay in connection with the transfer of each~~ and the Acquired Coins Value thereof (by type of Acquired Coin to Purchaser in accordance with Section 2.4), and ~~(vii) the amount of cash, Coins or other property (including the name and relevant ticker symbol used on the Voyager Platform for such Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject)~~ payable to each Eligible Creditor, after taking into account gas or other transaction fees incurred and paid by Seller in connection with transferring such Coins to Purchaser, and any identifying information and information

required to make such payments to such Eligible Creditor under the Plan, in each case together with reasonably detailed supporting information and documentation and prepared by Seller based on Seller's and its Affiliates' books and records. Notwithstanding anything to the contrary herein, Seller hereby acknowledges and agrees that (A) Purchaser and its Affiliates shall be entitled to fully rely on the Seller Statement and any data, information or calculation set forth therein for purposes of Section 6.11(d), and (B) in no event shall Purchaser or any of its Affiliates be responsible (x) to any Person for the Seller Statement, any data, information or calculation set forth therein or any error or inaccuracy with respect thereto or (y) for any losses, liabilities or damages in respect thereof, in each case, to the extent Purchaser takes any action in reliance thereon.

(d) Promptly following the completion of the Rebalancing Exercise, Seller shall send to each User a communication notifying such User of the Rebalancing Exercise, such User's Deposited Coins, and the Net Owed Coins attributable to such User's account on the Voyager Platform following the Rebalancing Exercise and any gas fees incurred in by Seller connection with the transfer of Coins to Purchaser pursuant to Section 2.4. Seller will, upon Purchaser's request, deliver to each Eligible Creditor a communication relating to the Transactions, any payments to be made by Purchaser or any of its Affiliates to such Eligible Creditor and any matters relating to opening an account on the Binance.US Platform, in each case that is in form and substance reasonably acceptable to Purchaser.

6.12 Crediting of Accounts; Unsupported Jurisdictions, Transfer of Coins to Seller; Liquidations or Distributions by Seller.

(a) Subject to the provisions of Section 6.10, ~~on the User with respect to a particular User's Net Owed Coins or Eligible Creditor's cash, on the applicable~~ Asset Migration Date, Purchaser shall credit, or cause to be credited, (i) to the Binance.US Platform account of each User, such User's Net Owed Coins; provided that such number of Coins to be credited shall be reduced by any gas or other transaction fees incurred in connection with transferring such Coins to Purchaser, and (ii) to the Binance.US Platform account of each Eligible Creditor, the applicable amount payable to such Eligible Creditor as set forth in the Seller Statement. For the avoidance of doubt, Coins credited to any User's ~~or Eligible Creditor's~~ accounts on the Binance.US Platform may be made from any Coins held by or on behalf of Purchaser or any of its Affiliates. As a condition precedent to any User or Eligible Creditor accessing its account or Coins or cash on the Binance.US Platform, such User or Eligible Creditor must satisfy the requirements set forth in Section 6.10. ~~Following such User's or Eligible Creditor's satisfaction of such requirements~~ As promptly as practicable (using commercially reasonable efforts to do so within forty-eight (48) hours following receipt by Purchaser of the applicable Coins or cash hereunder), and in any event by the applicable Asset Migration Date, Purchaser shall allow such User or Eligible Creditor, as applicable, to access trading services with respect to its Coins or cash subject to the Binance.US Platform's customary terms and conditions (including any transaction fees, spreads, costs and expenses). Notwithstanding anything to the contrary herein, with respect to any User or Eligible Creditor that does not satisfy such requirements prior to the date that is three (3) months following the later of the Closing Date ~~or and~~ the date on which such terms and conditions are made available for such User or Eligible Creditor to accept, ~~then Purchaser shall convert any~~ Seller shall deliver all Delayed Acquired Coins in respect of such User or Eligible Creditor (other than

any Delayed Acquired Coins with respect to ~~such—Users~~any User or Eligible CreditorsCreditor located in a jurisdiction that is an Unsupported Jurisdiction as of the Closing, which such Delayed Acquired Coins are addressed in Section 6.12(b)) to Purchaser in accordance with Section 2.4(b), Purchaser shall convert all such Delayed Acquired Coins into United States Dollars at the then-prevailing rates (~~including~~net of all applicable fees, spreads, costs and expenses (including any gas or other transaction fees incurred in connection with transferring such Coins to Purchaser)) on the Binance.US Platform and deliver such United States Dollars, ~~together with any cash or other assets~~ in respect of such Users or Eligible Creditors to Seller within five (5) Business Days following receipt thereof from Seller, for further distribution by Seller in accordance with the Plan. In connection with any distribution made by Purchaser or its Affiliates pursuant to this Section 6.12(c), all right, title and interest in and to any property so distributed (including any Coins) shall be made or transferred to Purchaser or its Affiliates free and clear of any Encumbrances prior to any such distribution by Purchaser or its Affiliates and such distributions will be made on Purchaser's and its Affiliates' standard terms and conditions (including any transaction fees, spreads, costs and expenses).

(d) The provisions of Sections 6.10, 6.11, 6.12, and 6.14 shall be subject to such protocols, if any, as the Parties may agree in writing after the date hereof with respect to the transfer of information, migration of users, migration or transfer of Coins, and any matters related to the foregoing or such Sections.

(e) Notwithstanding anything to the contrary herein, but subject to the last sentence of this Section 6.12(e), (i) Seller (prior to the Closing) and each User and Eligible Creditor (from and after the Closing) shall retain all right, title, and interest in and to Coins allocated to it in accordance with this Agreement on the Binance.US Platform (notwithstanding any terms and conditions of the Binance.US Platform) through and including such time as such Coins are returned or distributed to Seller or such User and Eligible Creditor, as applicable, hereunder, and such Coins shall be held by Purchaser solely in a custodial capacity in trust and solely for the benefit of Seller or the applicable User or Eligible Creditor; provided that in the case of Coins allocable to Users or Eligible Creditors located in Unsupported Jurisdictions, to the extent, if any, that such Coins are transferred to Purchaser pursuant to Section 6.12(b), from and after the Closing until the applicable Unsupported Jurisdiction Approval is obtained or such Coins are liquidated in accordance with Section 6.12(b) hereunder, such Coins shall be held by Purchaser in a custodial capacity on behalf of Seller and not the applicable User or Eligible Creditor; (ii) any and all cash or cash equivalents to be transferred at any time to Purchaser hereunder for further distribution to Seller or any User or Eligible Creditor (and not for Purchaser's own account (*e.g.*, Purchaser Expenses)) shall at all times (until transferred by Purchaser to Seller or the applicable User or Eligible Creditor, as applicable, hereunder) be held solely in a third party bank account of a FDIC-insured financial institution solely for the benefit of or "fbo" Seller or such User or Eligible Creditor, as applicable; (iii) Purchaser shall not, after the date hereof, introduce any further conditions to the withdrawal of cash from accounts on the Binance.US Platform that are not in effect as of the date hereof that would apply to any User's or Eligible Creditor's account on the Binance.US Platform; (iv) Purchaser shall not at any time halt (temporarily or permanently) withdrawals of cash or such Coins from any User's or Eligible Creditor's account on the Binance.US Platform; (v) Purchaser shall not halt trading of such Coins on the Binance.US Platform at any point during the 30 days following any distribution to any User's or Eligible Creditor's account on the Binance.US Platform hereunder, except, in the case of each of the foregoing clauses (iii), (iv) and (v), (A) as required by applicable Law or any Order or Governmental Body, (B) as may be permitted pursuant to Purchaser's terms and conditions in effect on the Closing Date (including for purposes of halting fraud or illegal activity), (C) as necessary to complete any system, account, wallet, security or exchange

Notwithstanding the foregoing, Purchaser's obligations under this Section 6.12(e) shall terminate and be of no further force or effect on the earlier of (x) the date that Purchaser's obligations under Section 6.10, Section 6.11, Section 6.12, and Section 6.14 have been performed in full or Purchaser otherwise ceases to have any obligations thereunder, and (y) the date on which this Agreement is terminated in accordance with its terms.

(f) Notwithstanding anything to the contrary herein, to the extent Seller retains any Delayed Acquired Coins following the Closing, (i) such Coins shall be held by Seller solely in a custodial capacity in trust and solely for the benefit of the applicable User or Eligible Creditor; (ii) Seller shall not pledge, repledge, hypothecate, rehypothecate, sell, lend, stake, arrange for staking, invest or otherwise transfer or use any amount of such Coins; (iii) Seller shall retain exclusive control, including by use of "private keys" or other equivalent means or through custody arrangements consistent in all material respects with Seller's practices as of the date hereof, of all such Coins (other than, solely to the extent of any staking contract, Staked Coins); provided that such ownership and exclusive ability to control Coins is subject to the continued existence, validity, legality, governance and public availability of the relevant blockchains; and (iv) Seller shall continue to comply with all procedures and controls in effect as of the Closing Date regarding management of Authentication Credentials, including limitation of access to Authentication Credentials to employees who need to have such access and requiring multiple individuals to sign off on transactions. For the sake of clarity, in the event any such Delayed Acquired Coins are unable to be delivered to Purchaser within the timeframes specified in this Agreement, Purchaser shall be entitled to notify Users and Eligible Creditors of the same or to require Seller to provide such a notice in the form provided by Purchaser, and Seller shall not issue any denial or other contradictory statement with respect thereto. The foregoing provisions of this Section 6.12(f) shall apply to Seller's Affiliates, *mutatis mutandis*, and Seller shall cause its Affiliates to comply with the foregoing provisions of this Section 6.12(f). Following the Closing, Seller agrees to use commercially reasonable efforts to keep Purchaser reasonably informed of any unauthorized acquisition, impairment, access, use, theft, destruction, alteration or disclosure of any "private key" or Authentication Credential or instance of any IT System used by Seller or any custodian of Seller to secure any Acquired

Coins or loss of Seller's exclusive control of any Acquired Coins and consult with Purchaser in connection with remedying any of the foregoing.

(a) Any Seller will make or transfer to Purchaser any Additional Bankruptcy Distributions made on account of Users' or Eligible Creditors' claims against the Debtors and all right, title and interest therein and thereto ~~shall be made or transferred to Purchaser~~ free and clear of any Encumbrances promptly following (but in any event within five (5) Business Days of) delivery of the applicable Post-Bankruptcy Statement to Purchaser pursuant to Section 6.14(b). Any such transfers in Coins shall be deemed complete when each transfer is publicly confirmed on the blockchain for the related Coin at least the number of times set forth on <https://support.kraken.com/hc/en-us/articles/203325283-Cryptocurrency-deposit-processing-time> s (or a successor site mutually agreed by Seller and Purchaser), or, for any Coins held in Seller's account on the Binance.US Platform, transferred to the Binance.US Platform account designated by Purchaser, or in the case of staked ETH Coins, such staked ETH Coins shall be delivered pursuant to the means reasonably specified by Purchaser. Any Additional Bankruptcy Distributions made by Purchaser in the form of Coins shall be net of any gas or other transaction fees incurred in connection with transferring such Coins to Purchaser.

(b) Upon the Bankruptcy Court's approval of any Additional Bankruptcy Distributions (including through the Confirmation Order) and (x) the determination by Seller to make any such Additional Bankruptcy Distribution or (y) Seller is required by the Plan to make any such Additional Bankruptcy Distribution, Seller shall deliver to Purchaser a statement setting forth (i) the amount of such Additional Bankruptcy Distributions to be made to each User ~~or Eligible Creditor, as applicable, as approved by the Bankruptcy Court~~ in Coins (including the name and relevant ticker symbol used on the Voyager Platform for such Coins, together with all information regarding the underlying networks and smart contracts to which such Coins are subject) after taking into account gas or other transaction fees incurred and paid by Seller in connection with transferring such Coins to Purchaser in accordance with this Section 6.14, (ii) the amount of Additional Bankruptcy Distributions to be made to each User or Eligible Creditor, as applicable, ~~as approved by the Bankruptcy Court~~ in cash or other assets,

and (iii) the user identification number of each such User or other identifying or account information of any Eligible Creditor, as applicable (such statement, the “Post-Bankruptcy Statement”). The provisions set forth in the last sentence of Section 6.11(a)6.11(c) shall apply to the Post-Bankruptcy Statement, *mutatis mutandis*.

(c) Promptly following Purchaser’s receipt of any Additional Bankruptcy Distributions (but no later than five (5) Business Days following receipt of any Additional Bankruptcy Distributions), Purchaser shall credit such Additional Bankruptcy Distributions to each User’s and Eligible Creditor’s accounts, if any, on the Binance.US Platform in such amounts set forth on, and in accordance with, the Post-Bankruptcy Statement and in the same form (i.e., Coins, cash, or other assets, as provided by Seller to Purchaser). The Additional Bankruptcy Distributions credited to each User and Eligible Creditor in accordance with this Section 6.14(a) are referred to herein as “Credited Additional Bankruptcy Distributions”.

With respect to any User or Eligible Creditor that does not meet the requirements of the KYC Procedures and accept the terms and conditions of the Binance.US Platform (or otherwise is not or no longer is a user with an active account on the Binance.US Platform) as of or prior to the date of such Post-Bankruptcy Statement, Purchaser shall convert all Coins allocable to such User or Eligible Creditor in such Additional Bankruptcy Distribution into United States Dollars at the then-prevailing rates (including applicable fees, spreads, costs and expenses) on the Binance.US Platform and deliver such United States Dollars, together with any cash or others assets in respect of such Users or Eligible Creditors, to Seller within five (5) Business Days, for further distribution by Seller in accordance with the Plan.

(f) Seller shall have the option but not the obligation to terminate Purchaser’s role as Distribution Agent in connection with the Plan if one or more of the following has occurred and is continuing as of the time of exercise of such option and, in each case, such event would reasonably be expected to materially and adversely affect the Users, Eligible Creditors or the Acquired Coins (each, a “Distribution Agent Termination Event”): (i) Binance Holdings Limited or any of its Subsidiaries voluntarily files for bankruptcy protection in any jurisdiction and such filing would reasonably be expected to

prevent Purchaser from performing its obligations under this Section 6.14 or otherwise following the Closing; (ii) following a criminal complaint, indictment, or federal complaint filed by any U.S. federal law enforcement agency, a final and unappealable judgment is entered by a U.S. Federal Court of competent jurisdiction against Purchaser or any of Purchaser's executives officers or "C-Suite" officers; (iii) following a criminal complaint, indictment, or federal complaint filed by any U.S. federal law enforcement agency, a final and unappealable judgment is entered by a U.S. Federal Court of competent jurisdiction against any of Purchaser's Affiliates and such judgment would reasonably be expected to prevent Purchaser from performing its obligations under Section 6.14 or otherwise following the Closing; and (iv) a state regulator suspends or terminates Purchaser's Money Transmitter License or similar license or otherwise restricts in a manner that is final and binding under applicable Law; provided, however, that, with respect to this clause (iv), Seller shall have the option to terminate Purchaser's role as Distribution Agent with respect to only the state or states that have taken the adverse action described in this clause (iv).

Upon the occurrence of any Distribution Agent Termination Event, Seller is permitted to exercise the option to terminate Purchaser's role as Distribution Agent by providing written notice to Purchaser in accordance with Section 10.3 (a "Distribution Agent Termination Notice"). Purchaser's termination as Distribution Agent in connection with the Plan shall be effective on the tenth (10th) day following Purchaser's receipt of such Distribution Agent Termination Notice, unless such Distribution Agent Termination Event is cured prior to the expiration of such 10-day period. To the extent that Purchaser is in possession of any of Seller's fiat or Cryptocurrency at the time of the Distribution Agent Termination Notice, Purchaser shall transfer such fiat or cryptocurrency to Seller upon the effectiveness of such Distribution Agent Termination Notice.

6.15 Unstaking. From and after the Closing, if Purchaser or Seller becomes aware that Seller or any of its Affiliates is in possession of any right, property or asset that is an Acquired Asset, such Party shall promptly inform the other Party of that fact. Thereafter, at the request of Purchaser, Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to

Purchaser or any other entities nominated by Purchaser for no consideration, and such asset will be deemed the property of Purchaser of any such nominees held in trust by Seller for Purchaser or any such nominees until so transferred. From and after the Closing, if Purchaser or Seller becomes aware that Purchaser or any of its Affiliates is in possession of any right, property or asset that is an Excluded Asset, such Party shall promptly inform the other Party of that fact. Thereafter, at the request of Seller, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Seller or any other entities nominated by Seller for no consideration, and such asset will be deemed the property of Seller of any such nominees held in trust by Purchaser for Seller or any such nominees until so transferred; provided that if Purchaser discovers any items (or portions thereof) that would be Documents but for the fact that they relate to Excluded Assets, Purchaser shall use reasonable best efforts to destroy such items. Notwithstanding anything to the contrary herein or otherwise, if any amount (including any principal, interest, fees, expenses or penalties) is outstanding or unpaid under any Loan from or after the Closing, then such Loan, any agreements or documents entered into in connection therewith and any collateral posted in respect thereof shall be deemed Acquired Assets for all purposes under this Agreement and any other agreements or documents entered into in connection herewith, and Seller shall, and shall cause its Affiliates to, sell, transfer, assign, convey and deliver to Purchaser all of its and their right, title and interest in and to the foregoing, free and clear of all Encumbrances in the same manner as the other Acquired Assets under Section 1.1, *mutatis mutandis*, for no additional consideration and at no cost or expense to Purchaser or its Affiliates.

6.17 Acknowledgment by Purchaser.

(a) Purchaser acknowledges and agrees that it has conducted to its full satisfaction an independent investigation and verification of the business, including its financial condition, results of operations, assets, Liabilities, properties, Contracts, regulatory compliance, business risks and prospects of Seller and the Acquired Assets and the Assumed Liabilities, and, in making its determination to proceed with the Transactions, Purchaser and the Purchaser Group have relied solely on the results of the Purchaser Group's own independent investigation and verification and have not relied on, are not relying on, and will not rely on, Seller, any information, statements, disclosures, documents, Projections, forecasts or other material made available to Purchaser or any of its Affiliates or their respective Advisors in the Dataroom, the Information Presentation, or the Projections or any information, statements, disclosures or materials, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Seller Representations (it being understood that Purchaser and the Purchaser Group have relied only on the Express Seller Representations). Purchaser acknowledges and agrees that (i) the Express Seller Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser or any member of the Purchaser Group and on which Purchaser or any member of the Purchaser Group may rely in connection with the Transactions and (ii) all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (A) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Seller Representations) including in the Dataroom, Information Presentation, Projections, meetings,

calls or correspondence with management of Seller, any of the Seller Parties or any other Person on behalf of Seller or any of the Seller Parties or any of their respective Affiliates or Advisors and (B) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, regulatory compliance, business risks and prospects of Seller, or the quality, quantity or condition of Seller's assets, are, in each case, specifically disclaimed by Seller, on its behalf and on behalf of the Seller Parties. Purchaser: (x) disclaims reliance on the items in clause (ii) in the immediately preceding sentence (which, for the avoidance of doubt, do not include any Express Seller Representations); and (y) acknowledges and agrees that it has relied on, is relying on and will rely on only the items in clause (i) in the immediately preceding sentence. Without limiting the generality of the foregoing, Purchaser acknowledges and agrees that neither Seller or any other Person (including the Seller Parties), has made, is making or is authorized to make, any representations or warranties, whether in written, electronic or oral form, express or implied with respect to, (1) any potentially material information regarding Seller or any of its assets (including the Acquired Assets), Liabilities (including the Assumed Liabilities) or operations and (2) as to the quality, merchantability, fitness for a particular purpose, or condition of Seller's business, operations, assets, Liabilities, Contracts, regulatory compliance, business risks and prospects or any portion thereof, except, in each case, solely to the extent set forth in the Express Seller Representations.

(b) Without limiting the generality of the foregoing, in connection with the investigation by the Purchaser Group of Seller, Purchaser and the members of the Purchaser Group, and the Advisors of each of the foregoing, have received or may receive, from or on behalf of Seller, certain projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in the Information Presentation, Dataroom, management meetings, etc.) (collectively, "Projections"). Purchaser acknowledges and agrees that (i) such Projections are being provided solely for the convenience of Purchaser to facilitate its own independent investigation of Seller, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Purchaser is familiar with such uncertainties, and (iv) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections).

6.18 IT Migration. From and after the date hereof until one hundred twenty (120) days after the Closing Date, upon Purchaser's request, Seller shall, and shall cause its Affiliates to, use reasonable best efforts to make available all relevant technical staff, employees and representatives of Seller and its Affiliates, including the Chief Technology Officer of Seller and its Affiliates, to Purchaser and its Affiliates, to (a) assist Purchaser and its Affiliates in understanding all Business Software and Business Accounts, (b) assist with the Integration Plan, (c) transition of all accounts with third party sites necessary to support the Voyager Platform and its associated mobile applications, (d) address the logistics of transferring the Business Software and Business Accounts to Purchaser, including providing Purchaser with access to all credentials to GitHub accounts and other repositories for storage of source code for the Business Software, and (e) any other technical assistance that Purchaser or any of its Affiliates deems reasonably necessary to enable all migrations, integrations and Transactions. Purchaser hereby grants Seller a limited, non-exclusive, non-transferable, non-sublicensable and revocable license to access and use the Business Software for the sole purpose of providing the support to Purchaser as contemplated in this Section 6.18. Seller and its Affiliates may not use, modify, share, disclose or revise such Business Software for any other purpose. Seller shall bear all costs and expenses

associated with the provision of such services on or prior to the Closing Date pursuant to this Section 6.18. Purchaser shall bear the reasonable and documented costs and expenses incurred by Seller in connection with the provision of such services during the 120-day period after the Closing Date pursuant to this Section 6.18. Seller can provide no assurance that Seller's employees will elect to remain employed by Seller prior to or following the Closing and Seller will not be required to replace any such resigning employees.

6.19 Confidentiality.

(a) Each Party acknowledges that Confidential Information has been, and in the future will be, provided to it in connection with this Agreement and the Transactions, including under Section 6.2.

(b) Seller acknowledges that from and after the Closing, all non-public information relating to the Acquired Assets and the Assumed Liabilities will be valuable and proprietary to Purchaser and its Affiliates. Seller agrees that, from and after the Closing, Seller will not, and will cause their Affiliates and Advisors not to, directly or indirectly, without the prior consent of Purchaser, disclose to any Person any Confidential Information relating to Purchaser and its Affiliates, the Acquired Assets or the Assumed Liabilities.

(c) Notwithstanding anything to the contrary herein, the provisions of this Section 6.19 will not prohibit any disclosure (i) required by applicable Law, Order or the rules of a securities exchange to which it is subject, (ii) in connection with a regulatory inquiry by a Governmental Body or self-regulatory organization, (iii) as necessary in connection with Seller's bankruptcy process or (iv) to each Party's Advisors who have been informed of the confidential nature of the information and have been instructed to keep such information confidential. Purchaser acknowledges and understands that this Agreement may be publicly filed in the Bankruptcy Court and further made available by Seller to prospective bidders and that, except as prohibited herein, such disclosure will not be deemed to violate any confidentiality obligations owing to Purchaser, whether pursuant to this Agreement or otherwise. Each Party agrees that such Party will be responsible for any breach or violation of the provisions of this Section 6.19 by any of such Party's Affiliates. Each Party acknowledges and agrees that the remedies at law for any breach or threatened breach of this Section 6.19 by Seller or Purchaser are inadequate to protect Purchaser or Seller and its Affiliates, as applicable, and that the damages resulting from any such breach are not readily susceptible to being measured in monetary terms. Accordingly, without prejudice to any other rights or remedies otherwise available to either Party or its Affiliates, each Party acknowledges and agrees that upon any breach or threatened breach by a Party of the terms and conditions of this Section 6.19, the other Party and its Affiliates, as applicable will be entitled to immediate injunctive relief and to seek an order restraining any threatened or future breach from any court of competent jurisdiction without proof of actual damages or posting of any bond in connection with any such remedy. The provisions of this Section 6.19 will survive the Closing and terminate two (2) years after the Closing Date.

6.20 Acquired Assets Owned by Non-Debtors. To the extent any item set forth in Schedule 6.20 or any other asset used in or relating to the Cryptocurrency custody and trading business of Seller constitutes property of Voyager IP, LLC, and, but for this Section 6.20, is of a type that would constitute an Acquired Asset (disregarding solely for this purpose any reference

to “of Seller” or other reference indicating ownership, licensing, holding, leasing or use of any type of Acquired Asset by Seller), Seller shall cause Voyager IP, LLC’s right, title and interest in and to such item or asset to be transferred (for no additional consideration) to Purchaser reasonably promptly after Closing as an Acquired Asset as if transferred at the Closing in accordance with the other provisions of this Agreement, including by designating Voyager IP, LLC as an additional assignor under the Trademark and Domain Name Assignment Agreement.

6.21 Seller Expenses.

(a) Purchaser shall (i) at the Closing bear as a component of the Purchase Price pursuant to Section 2.1(a), without duplication, the Seller Expenses or (ii) if this Agreement is validly terminated in accordance with its terms, pay to Seller, within three (3) Business Days following such termination, cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by Seller in an amount equal to the Seller Expenses; provided that notwithstanding anything to the contrary herein, (A) in no event shall the aggregate amount of Seller Expenses payable by Purchaser hereunder exceed the Seller Expense Cap, (B) any fees and expenses (including reasonable and documented out-of-pocket financial advisor and legal fees, expenses and disbursements) incurred by Seller or any of its Affiliates, or otherwise relating to the activities or operations of Seller or any of its Affiliates, on or prior to the Seller Expense Start Date shall not constitute Seller Expenses, and (C) (x) if the Closing or the termination of this Agreement occurs on or prior to the Seller Expense Start Date, (y) if this Agreement is terminated pursuant to (1) Section 8.1(b) or Section 8.1(c) by Purchaser, or by Seller in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Section 8.1(e), or (2) Section 8.1(e), Section 8.1(g), Section 8.1(h) or Section 8.1(i), or (z) the Closing does not occur on or prior to the Seller Expense Start Date due to any act or omission by Seller or any of its Affiliates or any material breach of this Agreement by Seller, then in each case the Seller Expenses shall be zero (0).

(b) For purposes of this Agreement, “Seller Expenses” means all reasonable and documented costs, fees, and expenses (including reasonable and documented out-of-pocket financial advisor and legal fees, expenses and disbursements) incurred by or behalf of any Debtor during the period beginning on the Seller Expense Start Date and ending on the earlier of (i) the Closing Date and (ii) the date on which this Agreement is validly terminated in accordance with its terms, in each case (A) solely in connection with maintaining its operations in the Ordinary Course or by professionals in connection with the Bankruptcy Case, (B) that Seller would not have otherwise incurred if the Closing had occurred on or prior to the Seller Expense Start Date, and (C) which fees and expenses of such professional are approved by the Bankruptcy Court.

6.22 Purchaser Expenses.

(a) If this Agreement is terminated (i) by Seller pursuant to Section 8.1(c), in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Section 8.1(e), or (ii) pursuant to Section 8.1(e), Section 8.1(g), Section 8.1(h) or Section 8.1(i)(ix), then Seller shall pay to Purchaser, within three (3) Business Days following such termination, cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by Purchaser in an amount equal to the Purchaser Expenses; provided that notwithstanding anything to the contrary herein, in no event shall the aggregate amount of

Purchaser Expenses payable by Seller hereunder exceed \$5,000,000; provided further that if this Agreement is validly terminated by Seller pursuant to Section 8.1(g) (x) in order for Seller to pursue a Liquidation as a result of and following any Effect with respect to Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, or any Effect with respect to Purchaser's Affiliates that has an Effect on Purchaser's business, financial condition, operations, assets, management, employees, compliance, or liabilities, taken as a whole, that, individually or in the aggregate with all other such Effects, would reasonably be expected to (1) prevent or materially impair or materially delay the ability of Purchaser to consummate the Transactions in accordance herewith or (2) materially and adversely affect the Users, Eligible Creditors, or the Acquired Coins on the Binance.US Platform, including following the Closing, as compared to users and Coins on the Binance.US Platform as of the date hereof, and (y) such termination was not effected (1) in connection with a Higher and Better Offer or (2) because the estimated proceeds from such Liquidation are or would reasonably be expected to be greater than the Closing Date Payment (plus the fair market value of any Acquired Coins or any proceeds therefrom, in each case, as determined at the time Seller commences such Liquidation), then no Purchaser Expenses shall be payable.

(b) For purposes of this Agreement, "Liquidation" means any combination of one or more of the following: (i) a plan under chapter 11 of the Bankruptcy Code that provides for sales or liquidation of the Debtors' assets through a transaction (other than a sale of substantially all of the Debtors' assets to one purchaser on a going concern basis), including the Plan, (ii) one or more sales of assets pursuant to section 363 of the Bankruptcy Code other than a sale of substantially all of the Debtors' assets to one purchaser on a going concern basis, (iii) conversion of the Bankruptcy Case to cases under chapter 7 of the Bankruptcy Code, (iv) foreclosure or other exercise of remedies (including a deed in lieu of foreclosure) by or in favor of one or more creditors, (v) abandonment of the Debtors' assets to a creditor, or (vi) a dismissal of the Bankruptcy Cases.

(c) For the purposes of this Agreement, "Purchaser Expenses" means all reasonable and documented fees and expenses (including reasonable and documented out-of-pocket legal fees, expenses and disbursements) incurred by Purchaser since August 5, 2022, in connection with, arising from or related to efforts to purchase the Acquired Assets (as defined in the Bidding Procedures Order), which, for the avoidance of doubt, includes its evaluation, negotiation and pursuit of the Transactions, this Agreement and the other documents and agreements contemplated hereby (the "Purchaser Bid Process").

(d) All amounts payable to Purchaser pursuant to Section 6.22(a) upon termination of this Agreement shall be payable in cash by wire transfer of immediately available funds to such bank account as shall be designated by Purchaser in writing, and without the requirement of any notice or demand from Purchaser or any application to or order of the Bankruptcy Court other than the Agreement Order.

ARTICLE VII CONDITIONS TO CLOSING

The respective obligations of each Party to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) there shall be no Law or Order (including any temporary restraining order or preliminary or permanent injunction) in effect restraining, enjoining, making illegal or otherwise prohibiting the Transactions;

(b) the Bankruptcy Court shall have entered the Agreement Order, which Agreement Order shall (i) be in form and substance reasonably acceptable to Purchaser, (ii) comply in all respects with Section 5.1(b), and (iii) be a Final Order; and

(c) the Bankruptcy Court shall have entered the Confirmation Order, in form and substance, solely with respect to matters relating to this Agreement or the Transactions, reasonably acceptable to Purchaser, confirming a Plan in form and substance, solely with respect to matters relating to this Agreement or the Transactions, reasonably acceptable to Purchaser, and the Confirmation Order shall be a Final Order.

7.2 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Purchaser in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) (i) the representations and warranties of Seller set forth in Article III (in each case, other than the Fundamental Representations and the representations and warranties set forth in Section 3.16(a)) shall be true and correct in all respects as of the Closing Date as though made on and as of the Closing Date, except (x) that representations and warranties that are made as of a specified date need be so true and correct only as of such date ~~and~~; provided that any representations and warranties that are made as of any Delivery Date (solely to the extent made as of any Delivery Date) shall be excluded from this Section 7.2(a) altogether, and (y) to the extent the failure of such representations and warranties to be true and correct as of such dates has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; provided that for purposes of the immediately preceding clause (i), the qualifications as to materiality and Material Adverse Effect contained in such representations and warranties shall not be given effect; (ii) the representations and warranties set forth in Section 3.1(a) (Organization and Qualification), Section 3.2 (Authorization of Agreement), Section 3.3(a)(i) (Conflicts; Consents), Section 3.6(a) (Exclusive Ownership), and Section 3.14 (Brokers) (collectively, the “Fundamental Representations”) shall be true and correct in all but *de minimis* respects as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct in all but *de minimis* respects only as of such date; and (iii) the

representations and warranties set forth in Section 3.16(a) shall be true and correct in all respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date;

(b) Seller shall not have materially breached any of the covenants required to be performed or complied with by Seller under this Agreement on or prior to the Closing; provided that notwithstanding the foregoing, Seller shall have performed or caused to be performed, in all respects, all of the obligations and covenants required by Section 6.15(a) and (b); and

(c) Seller shall have delivered, or caused to be delivered, to Purchaser all of the items set forth in Section 2.4.

7.3 Conditions Precedent to the Obligations of Seller. The obligations of Seller to consummate the Transactions are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) the representations and warranties made by Purchaser in Article IV shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except (x) that representations and warranties that are made as of a specified date need be so true and correct only as of such date and (y) where the failure of such representations or warranties to be so true and correct has not and would not, individually or in the aggregate, reasonably be expected to prevent or materially impair or delay the ability of Purchaser to consummate the Transactions; provided that for purposes of this Section 7.3(a), the qualifications as to materiality, material adverse effect and words of similar import contained in such representations and warranties shall not be given effect;

(b) Purchaser shall not have materially breached any of the covenants required to be performed or complied with by Purchaser under this Agreement on or prior to the Closing; and

(c) Purchaser shall have delivered, or caused to be delivered, to Seller all of the items set forth in Section 2.5.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing. Neither Purchaser nor Seller may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party's material breach of any covenant, representation or warranty hereunder.

ARTICLE VIII

TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated only in accordance with this Section 8.1. This Agreement may be terminated at any time prior to the Closing:

- (a) by the mutual written consent of Seller and Purchaser;
- (b) by written notice of either Purchaser or Seller, upon the issuance of an Order by a Governmental Body restraining, enjoining or otherwise prohibiting the consummation of the Transactions or declaring unlawful the Transactions, and such Order having become final, binding and non-appealable; provided that no termination may be made by a Party under this Section 8.1(b) if the issuance of such Order was caused by such Party's material breach of any of its representation, warranties, covenants or agreements hereunder;
- (c) by written notice of either Purchaser or Seller, if the Closing shall not have occurred on or before the date that is four (4) months following the date hereof (the "Outside Date"); provided that Purchaser may, at its election and upon written notice to Seller, elect to extend the Outside Date for an additional thirty (30) days (such extended date, the "Extended Outside Date"); provided further that a Party shall not be permitted to terminate this Agreement, or extend the Outside Date, pursuant to this Section 8.1(c) if the failure of the Closing to have occurred by the Outside Date or Extended Outside Date, as applicable, was caused by such Party's material breach of any of its representation, warranties, covenants or agreements;
- (d) by written notice from Seller to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser is or will have become untrue, in each case, such that the conditions set forth in Section 7.1 or Section 7.3 would not be satisfied, including a breach of Purchaser's obligation to consummate the Closing; provided that (i) if such breach is curable by Purchaser then Seller may not terminate this Agreement under this Section 8.1(d) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date or Extended Outside Date, if any, and (B) thirty (30) days after Seller notifies Purchaser of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to Seller at any time that Seller is in material breach of, any covenant, representation or warranty hereunder;
- (e) by written notice from Purchaser to Seller, upon a breach of any covenant or agreement on the part of Seller, or if any representation or warranty of Seller is or will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or Section 7.2(b) would not be satisfied; provided that (i) if such breach is curable by Seller then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date or Extended Outside Date, if any, and (B) thirty (30) days after Purchaser notifies Seller of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to

Purchaser at any time that Purchaser is in material breach of, any covenant, representation or warranty hereunder;

(f) by written notice from Seller to Purchaser, if (A) all of the conditions set forth in Sections 7.1 and 7.2 have been and continue to be satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived, (B) Seller has confirmed in writing to Purchaser that all of the conditions set forth in Sections 7.1 and 7.2 have been and continue to be satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Seller stands ready, willing and able to consummate the Closing so, and (C) Purchaser fails to consummate the Closing within three (3) Business Days of its receipt of such written notice from Seller;

(g) by written notice from Seller to Purchaser, which may be revocable in the sole discretion of Seller by written notice from Seller to Purchaser within five (5) Business Days, if Seller or the board of directors (or similar governing body) of Seller determine, in good faith and after consultation with its legal and other advisors, that proceeding with the Transactions or failing to terminate this Agreement would be inconsistent with its or such Person's or body's fiduciary duties; provided that if such determination is in connection with an Acquisition Proposal, Seller may only terminate this Agreement pursuant to this Section 8.1(g) upon compliance with the provisions set forth in Section 5.2(c);

(h) by written notice from Purchaser to Seller, if (A) Seller seeks or otherwise take material steps in furtherance of, or do not use reasonable best efforts to oppose any other Person in seeking, an order of the Bankruptcy Court dismissing the Bankruptcy Case or converting the Bankruptcy Case to a petition for relief under Chapter 7 of the Bankruptcy Code, (B) the Bankruptcy Case is dismissed or converted to a case or cases under Chapter 7 of the Bankruptcy Code, or if a trustee or examiner with expanded powers to operate or manage the financial affairs or reorganization of Seller is appointed in the Bankruptcy Case or (C) the Bankruptcy Court enters an order pursuant to section 362 of the Bankruptcy Code lifting the automatic stay with respect to any Acquired Assets; or

(i) by written notice from Purchaser to Seller, if:

(i) the Agreement Order is not entered by January 611, 2023;

(ii) the Plan Solicitation Motion and the Amended Disclosure Statement are not filed with the Bankruptcy Court by December 21, 2022;

(iii) the Plan Solicitation Order is not entered by January 611, 2023;

(iv) the Confirmation Order is not entered by March 16, 2023;

(v) Seller or any of the other Debtors file any motions, pleadings, notices or other documents with the Bankruptcy Court in material breach of Section 5.7;

(vi) Seller enters into one or more Alternative Transactions with one or more Persons other than Purchaser, or the Bankruptcy Court approves an Alternative Transaction other than with Purchaser;

(vii) Seller has delivered a Higher Offer Determination Notice to Purchaser;

(viii) Seller or its Affiliates or Advisors have committed a breach of Section 5.1(a); or

(ix) Seller or its Affiliates or Advisors have committed a breach of, Section 5.2; provided that (without modifying Purchaser's rights to terminate this Agreement under any other Section of this Agreement) Purchaser shall not be entitled to terminate this Agreement pursuant to this Section 8.1(i)(ix) following entry of the Agreement Order by the Bankruptcy Court.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become void and there shall be no Liability on the part of either Party or any of its partners, officers, directors or shareholders; provided that Section 2.2, Section 6.2(b), Section 6.12(c), Section 6.19, Section 6.21, Section 6.22, this Section 8.2, Section 8.3, Section 8.4 and Article X (other than Section 10.12 with respect to the availability of an injunction or injunctions, specific performance or other equitable relief to cause the Closing to occur, which shall terminate upon any termination of this Agreement) and the definitions referenced in such Sections and Articles, even if not included in such Sections and Articles, and, for the avoidance of doubt, the Confidentiality Agreement, shall survive any such termination; provided further that, subject to Section 8.3, no termination will relieve either Party from any Liability for damages (including damages based on the loss of the economic benefits of the Transactions, including the Purchase Price, to Seller), losses, costs, or expenses (including reasonable legal fees and expenses) resulting from any willful breach of this Agreement by such Party prior to any such termination or Fraud by such Party. For purposes of this Agreement, "willful breach" means with respect to any breaches or failures to perform any of the covenants or other agreements contained herein, a material breach that is a consequence of an act or failure to act undertaken by the breaching Person with actual knowledge (which shall not be deemed to include knowledge of facts that a Person acting reasonably should have, based on reasonable due inquiry) that such Person's act or failure to act would, or would reasonably be expected to, result in or constitute a material breach of this Agreement.

(b) If this Agreement is terminated prior to the Closing, at any time following such termination, promptly following the written request of Seller, Purchaser shall, as soon as practicable, return, destroy or permanently erase (on all forms of physical and electronic media) all Acquired User Data transferred to Purchaser prior to the Closing in accordance with Section 6.6(a) or otherwise in connection with the KYC Procedures and permanently close and remove any account established with or with reference to any Acquired User Data, and, upon written request from Seller following any destruction or erasure of data, provide an officer's certificate certifying as to such destruction or erasure. Such destruction or erasure shall be in

accordance with all Laws regarding data disposal, and the eradication and destruction technique used will be appropriate for the storage medium and format. Notwithstanding the foregoing, Purchaser shall have the right to retain a copy of the Acquired User Data to the extent required for legal, regulatory or compliance purposes, so long as such Acquired User Data is kept confidential as required under this Agreement and the Confidentiality Agreement and is used for no other purpose.

8.3 Reverse Termination Fee. In the event that (a) the conditions set forth in Sections 7.1(b), 7.1(c), and 7.2 have been satisfied or duly waived and (b) (i) this Agreement is validly terminated in accordance with Section 8.1(b) or Section 8.1(c), (ii) Purchaser fails to consummate the Closing by the Outside Date or the Extended Outside Date, as applicable, as a result of the failure of the conditions set forth in Section 7.1(a), or (iii) this Agreement is terminated pursuant to Section 8.1(g) in connection with and following a Purchaser Development and not in connection with a Higher and Better Offer, then, in any such case, within three (3) Business Days following such valid termination the Deposit (including all received investment income, if any) shall be released to Seller (such release, which, for the avoidance of doubt, shall be equal to and shall not exceed \$10,000,000 in the aggregate, the “Reverse Termination Fee”).

8.4 Further Effect of Termination. Notwithstanding anything to the contrary in this Agreement, the Confidentiality Agreement or any other document or instrument delivered by either Party in connection with the Transactions, but subject in all respects to the other provisions of this Section 8.4:

(a) Seller, on behalf of itself and the Seller Parties, acknowledges and agrees that any disbursement of the Deposit to Seller pursuant to Section 2.2(b), payment of any Seller Expenses to Seller pursuant to Section 6.21 or payment of the Reverse Termination Fee pursuant to Section 8.3 shall be deemed liquidated damages and shall be the sole and exclusive recourse of Seller and the Seller Parties against Purchaser and the Purchaser Group for any loss or damage suffered in connection with, relating to or arising out of this Agreement or the Transactions (including circumstances giving rise to any termination of this Agreement) and including losses or damages suffered as a result of any breach of this Agreement or any representation, warranty, covenant or agreement contained herein by Purchaser or the failure of the Transactions to be consummated (whether or not for intentional, unintentional or willful breach or otherwise), except in the event Seller is entitled to elect specific performance of Purchaser’s obligations (including to consummate the Transactions) pursuant to Section 10.12.

(b) In the event of a valid termination of this Agreement pursuant to Section 8.1, if Seller is entitled to receive the Deposit pursuant to Section 2.2, payment of any Seller Expenses pursuant to Section 6.21, or payment of the Reverse Termination Fee pursuant to Section 8.3, then, upon release of the Deposit to Seller in accordance with Section 2.2(b), payment of such Seller Expenses pursuant to Section 6.21 or payment of the Reverse Termination Fee pursuant to Section 8.3, as applicable, (i) Purchaser and the Purchaser Group shall not have any further liability or obligation relating to or arising out of this Agreement or the Transactions (including any liability or obligation for monetary damages) and (ii) neither Seller nor any of the Seller Parties will have any right of recovery, whether arising under contract Law, tort Law or any other theory of Law, against, and no personal liability shall attach to Purchaser or any other member of the Purchaser Group, whether by or through attempted piercing of the

corporate, limited partnership or limited liability company veil, by the enforcement of any assessment or by any legal or equitable Action, by virtue of any statute, regulation or applicable Law, or otherwise.

(c) In the event that the Closing does not occur: (i) The maximum aggregate liability of Purchaser and the Purchaser Group in connection with this Agreement and the Transactions shall be limited to the sum of (x) (1) solely where and to the extent the Deposit is forfeited by Purchaser in accordance with Section 2.2(b), the Deposit or (2) without duplication of any forfeiture of the Deposit pursuant to Section 2.2(b) and solely where and to the extent the Reverse Termination Fee is payable in accordance with Section 8.3, the Reverse Termination Fee, plus (y) solely where and to the extent the Seller Expenses are payable in accordance with Section 6.21, the Seller Expenses; (ii) in no event shall Purchaser be obligated to pay any of the Deposit, the Seller Expenses or the Reverse Termination Fee on more than one occasion and (iii) under no circumstances will any of Seller or any of the Seller Parties seek, obtain or accept, monetary damages or losses of any kind (including damages for the loss of the benefit of the bargain, opportunity cost, loss of premium, time value of money or otherwise, or any consequential, special, expectancy, indirect or punitive damages or any losses or damages based on a multiple or multiplier) in connection with, relating to or arising out of the termination of this Agreement in excess of the sum of (A) (1) solely where and to the extent the Deposit is forfeited in accordance with Section 2.2(b), the Deposit or (2) without duplication of any forfeiture of the Deposit pursuant to Section 2.2(b) and solely where and to the extent the Reverse Termination Fee is payable in accordance with Section 8.3, the Reverse Termination Fee, plus (B) solely where and to the extent the Seller Expenses are payable in accordance with Section 6.21, the Seller Expenses; provided, however, that the foregoing shall not be interpreted to limit in any way Seller's right to require specific performance of Purchaser's obligations (including to consummate the Transactions) pursuant to Section 10.12 in the event this Agreement has not been terminated and to the extent such specific performance is available to Seller under Section 10.12. Notwithstanding anything to the contrary herein or otherwise, in no event shall Seller be entitled to receive both (1) the forfeiture of the Deposit together with all received investment income, if any, pursuant to Section 2.2(b) and (2) the payment of the Reverse Termination Fee pursuant to Section 8.3 (it being acknowledged that the payment of the Reverse Termination Fee pursuant to Section 8.3 includes forfeiture of the Deposit together with all received investment income, if any).

(d) Seller may seek both payment of monetary damages (including the Reverse Termination Fee, the Deposit or the Seller Expenses) in accordance with this Agreement, on the one hand, and specific performance of Purchaser's obligation to consummate the Closing pursuant to Section 10.12; provided that in no event shall Seller be entitled to receive both (1) payment of monetary damages (including the Reverse Termination Fee, the Deposit or the Seller Expenses) in accordance with this Agreement (and for the avoidance of doubt, subject to the other limitations thereon set forth in this Section 8.4) and (2) such specific performance pursuant to Section 10.12.

ARTICLE IX

TAXES

9.1 Transfer Taxes. Any sales, use, purchase, transfer, deed, stamp, documentary or other similar Taxes and recording charges (but excluding any such Taxes or charges that are based in whole or in part upon income, profits or gains) payable by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions (the “Transfer Taxes”) shall be borne and timely paid by Purchaser, and Purchaser shall timely file all Tax Returns related to any Transfer Taxes.

9.2 Cooperation. Purchaser and Seller shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes. In furtherance thereof, Purchaser and Seller shall reasonably cooperate in good faith to determine and agree to the tax treatment to each of them and to the Users of the Transactions, provided that agreeing on consistent tax treatment shall not be a closing condition and neither Party shall have any liability under this Agreement if the Parties are unable to so agree.

9.3 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Seller shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date and (ii) all Tax Returns of Seller (including, for the avoidance of doubt, for any Straddle Period, but not including, for the avoidance of doubt, information returns). With respect to any such Tax Return that reflects any Tax that is an Assumed Liability (not including, for the avoidance of doubt, any income Tax Return of Seller or Seller’s Affiliates for any tax period and not including any information Tax Return), Seller shall use reasonable best efforts to (x) prepare such Tax Returns consistent with past practice, except as otherwise required by applicable Law, (y) provide Purchaser with a draft of such Tax Returns at least ten (10) days prior to the filing of any such Tax Return, and (z) incorporate any changes reasonably requested by Purchaser with respect to such Tax Returns prior to filing. Except to the extent any Tax reflected on a return required to be prepared and filed by Seller pursuant to this Section 9.3 constitutes an Assumed Liability, Seller shall be responsible for paying any Taxes reflected on any Tax Return that Seller is obligated to prepare and file under this Section 9.3(a). Notwithstanding anything herein to the contrary: (i) nothing in this Agreement shall give Purchaser or its Affiliates any rights with respect to or control over any income Tax Return of Seller or Seller’s Affiliates for any tax period (any such Tax Return, a “Seller Income Tax Return”), and (ii) if any Governmental Body approaches (including by way of initiating any audit, investigation, or other proceeding) either Party with respect to the income Tax characterization of the Transactions (any such action, a “Transaction-Related Action”), then the Party in receipt of such notice shall reasonably promptly inform the other Party of such Transaction-Related Action.

(b) Purchaser shall prepare and timely file all Tax Returns with respect to the Acquired Assets that are not addressed by Section 9.3(a) (including, for the avoidance of doubt, all Tax Returns with respect to the Acquired Assets for any taxable period beginning after the

Closing Date). With respect to any such Tax Return for any Straddle Period that reflects any Tax that is an Excluded Liability (each, a “Relevant Tax Return”), Purchaser shall prepare such Relevant Tax Returns and shall provide Seller with a draft of such Relevant Tax Returns at least ten (10) days prior to the filing of any such Tax Return. Purchaser shall incorporate any changes reasonably requested by Seller with respect to such Tax Returns. Seller shall be responsible for paying any Taxes reflected on any Tax Return that Purchaser is obligated to prepare and file under this Section 9.3(b) to the extent such Taxes constitute Excluded Liabilities.

(c) Purchaser shall not file any amendment to any previously filed Tax Return with respect to the Acquired Assets for any Pre-Closing Tax Period that would have the effect of increasing any Tax due for a Pre-Closing Tax Period or portion of a Straddle Period ending on the Closing Date, in each case, that is an Excluded Liability, unless Purchaser receives an opinion from a nationally recognized accounting firm or law firm that there is no adequate “reporting position” with respect to any previously-asserted position with respect to Taxes. Upon such determination, Purchaser shall provide no less than forty-five (45) days’ notice of such position before filing any such Tax Return. In the event Seller disagrees with such Tax position, and the dispute cannot be resolved between the Parties, such dispute shall be submitted to an independent national accounting firm or law firm for resolution, with the costs of such resolution to be evenly split by Purchaser and Seller. The determination of such independent national accounting firm or law firm shall be binding on both Parties and any Tax Return shall be filed consistently with such resolution.

(d) For all purposes under this Agreement, in respect of any Straddle Period, the portion of Taxes that are allocable to the portion of the Straddle Period ending on the Closing Date will be: (i) in the case of any Taxes other than those described in clause (ii) below, deemed to include the amount that would be payable if the relevant Straddle Period ended on and included the Closing Date; and (ii) in the case of any property Taxes and other similar Taxes, deemed to include the amount of such Tax for the entire Straddle Period multiplied by a fraction the numerator of which is the number of days in the Straddle Period ending on and including the Closing Date and the denominator of which is the number of days in the entire Straddle Period.

(e) Notwithstanding anything herein to the contrary, prior to the Closing, Seller and its Affiliates may contribute, assign or otherwise transfer the 3AC Loan to any third-party purchaser, trust or other entity.

ARTICLE X

MISCELLANEOUS

10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and

agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for five (5) years following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. 10.4 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order (with respect to the matters covered thereby) and the entry and terms of the Agreement Order, the Plan and the Confirmation Order, Seller, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Case or any successor Chapter 7 case; provided that neither this Agreement nor any of the rights or obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and Seller, and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that Purchaser shall be entitled to assign or delegate this Agreement or all or any part of its rights or obligations hereunder to any of its Affiliates; provided further that in each case no such assignment or delegation shall relieve Purchaser of any of its obligations hereunder.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and Seller or (b) waived only in a writing executed by the Person against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default. Except where a specific period for action or inaction is provided herein, no delay on the part of either Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement is intended or will be construed to give any Person other than the Parties any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future direct or indirect equityholder, shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or Advisor of either Party will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or for any Action based upon, arising out of or related to this Agreement.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction. To the extent permitted by applicable Law, each Party waives any provision of Law that renders any provision of this Agreement invalid or unenforceable in any respect.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction

will be applied against any Person. The table of contents and headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; however, each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, to the extent it is readily apparent on its face without the need for a cross-reference. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and neither Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Schedule is a summary only and is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by either Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements between the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if either of the Parties fails to take any action required of it

hereunder to consummate the Transactions. It is accordingly agreed that (a) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Seller nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that either Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order. Except as limited by Section 8.4(d), (i) the remedies available to Seller pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and (ii) the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit Seller from seeking to collect or collecting damages. If, prior to the Outside Date or Extended Outside Date, if any, either Party brings any action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date or Extended Outside Date, if any, will automatically be extended (y) for the period during which such action is pending, plus ten (10) Business Days or (z) by such other time period established by the court presiding over such action, as the case may be.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action that may be based upon, arising out of, or related to this Agreement or the negotiation, execution or performance of this Agreement and the Transactions brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Delaware Chancery Court and any state court sitting in the State of Delaware to which an appeal from the Delaware Chancery Court may be validly taken (or, if the Delaware Chancery Court declines to accept jurisdiction over a particular matter, any state or federal court within the state of Delaware) ((a) and (b), the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any such Action arising out of or relating to this Agreement and the Transactions. Each of the Parties agrees not to commence any Action relating thereto except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Court, and no Party will file a motion to dismiss any Action filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Courts, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of such Action. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of either Party to serve process in any other manner permitted by Law.

10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement, and any Action that may be based upon, arising out of or related to this Agreement or the negotiation, execution or performance of this Agreement or the Transactions will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT, THE DOCUMENTS AND AGREEMENTS CONTEMPLATED HEREBY AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION BASED ON, ARISING OUT OF OR RELATED TO THIS AGREEMENT, ANY DOCUMENT OR AGREEMENT CONTEMPLATED HEREBY OR THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH ACTION WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 No Right of Set-Off. Purchaser, on its own behalf and on behalf the Purchaser Group and its and their respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment or similar rights that Purchaser, any member of the Purchaser Group or any of its or their respective successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Purchaser pursuant to this Agreement or any other document or instrument delivered by Purchaser in connection herewith.

10.16 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the extent signed and delivered by means of a .PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any

agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

10.17 Publicity. The initial press release regarding this Agreement and the Transactions (the “Press Release”) shall be made promptly following the execution and delivery of this Agreement and shall be in such form as the Parties mutually agree. Except as contemplated by the Commercial Covenants, and subject in all respects to Section 10.19, none of Seller and the Seller Parties shall issue any press release or public announcement (directly or indirectly) concerning this Agreement, the Transactions, the Acquired Assets, the Assumed Liabilities, the Purchaser Bid Process or any other matters related thereto or arising in connection therewith without obtaining the prior written approval of Purchaser (which approval will not be unreasonably withheld, conditioned or delayed) unless, (a) in the reasonable judgment of Seller after consultation with counsel (who may be in-house counsel), disclosure is otherwise required by applicable Law or by the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or the Plan or (b) to correct any misstatement of fact made by Purchaser in any communication pursuant to the immediate next sentence; provided that Seller shall use its reasonable efforts consistent with such applicable Law or Bankruptcy Court requirement to consult with Purchaser with respect to the disclosure thereof. Following the publication of the Press Release, Purchaser shall be permitted to make one or more public statements or issue one or more press releases, in each case, regarding the Acquired Assets and the Assumed Liabilities, this Agreement, the Transactions and the Purchaser Bid Process or any other matter related thereto or arising therefrom or otherwise in connection therewith to the extent not in violation of the Confidentiality Agreement and not in disparagement of Seller or any Seller Party; provided that Purchaser shall use its reasonable best efforts (considered in light of the circumstances in which such disclosure is to be made) to consult in good faith with Seller prior to making any such disclosure.

10.18 Bulk Sales Laws. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer laws except Permitted Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Confirmation Order. In furtherance of the foregoing, to the extent permitted by applicable Laws, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

10.19 Fiduciary Obligations. Nothing in this Agreement, or any document related to the Transactions, will require Seller or any of its managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations; provided, however, that no such action or inaction

shall be deemed to prevent Purchaser from exercising any termination rights it may have hereunder as a result of such action or inaction.

10.20 No Solicitation. This Agreement, the Plan and the transactions contemplated herein and therein are the product of negotiations between the Parties. Notwithstanding anything herein to the contrary, this Agreement is not, and shall not be deemed to be, (a) a solicitation of votes for the acceptance of the Plan or any other plan of reorganization for the purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise or (b) an offer for the issuance, purchase, sale, exchange, hypothecation, or other transfer of securities or a solicitation of an offer to purchase or otherwise acquire securities for purposes of the Securities Act or the Exchange Act and Seller will not solicit acceptances of the Plan from any party until such party has been provided with copies of a disclosure statement containing adequate information as required by section 1125 of the Bankruptcy Code.

10.21 Acknowledgment. Notwithstanding anything in this Agreement to the contrary (including Section 3.17, Section 3.18, Section 4.10, Section 4.11, Section 6.17 and Section 10.1), nothing herein shall relieve any Person from any Liability on account of Fraud.

7. I have over 10 years of investment banking experience advising companies, equity investors, financial vehicles, and creditors across a broad range of industries and geographies in a broad range of transactions. Prior to joining Moelis, I was in the corporate and investment banking

group at Citigroup Inc. where I focused on investment banking advisory transactions in the Financial Institutions Group. I hold Bachelor of Science degrees in finance and computer science from Boston College and have a Master's of Business Administration degree from Georgetown University.

8. I have been involved in several notable chapter 11 cases and restructuring assignments, including as advisor to the ad hoc group of senior unsecured noteholders in Walter Investment Management Corporation's \$4.1 billion restructuring; and as advisor to New Residential Investment Corporation's \$1.2 billion acquisition of select assets from Ditech Holding Corporation pursuant to a section 363 asset sale. I have also been involved in numerous restructuring transactions outside of the chapter 11 context, including advising New Residential Investment Corporation in its \$600 million recapitalization and restructuring, Ambac Financial Group in its \$18 billion restructuring of Puerto Rico's sales tax financing corporation (COFINA), Syncora Guarantee Inc. in its \$13.5 billion reinsurance of financial guarantee policies to Assured Guarantee Corporation and other liability management including the sale of its operating business to GoldenTree Asset Management, Ambac Financial Group on its \$557 million exchange offer of its Auction Market Preferred Shares, Ambac Financial Group on its \$538 million exchange of Corolla Trust obligations and Junior Surplus Notes, an approximately \$10 billion ad hoc group of non-litigating preferred shareholders in a proposed \$6.9 trillion restructuring of Fannie Mae and Freddie Mac assets, secured lenders of AG Mortgage Investment Trust in its \$3.0 billion restructuring of its repurchase agreement portfolio and secured lenders of MFA Financial, Inc. in its \$5.8 billion restructuring of its repurchase agreement portfolio.

Overview and Recommencement of the Marketing Process

9. As described in greater detail in my Previous Declaration, Moelis was engaged by the Debtors in June 2022 to advise the Debtors in their efforts to navigate challenges impacting

the cryptocurrency industry and evaluate strategic alternatives in connection therewith. I have been involved as a senior member of the Moelis team throughout our engagement.

10. As also described in greater detail in my Previous Declaration, the Debtors conducted a marketing process that resulted in a two-week Auction and the proposed asset purchase agreement (the “FTX Purchase Agreement”) with West Realm Shires Inc. (along with affiliates, “FTX,” and the sale transaction thereunder, the “FTX Transaction”). The Auction was the result of the Debtors’ marketing process which included engagement with over 96 interested parties with over 60 parties entering into nondisclosure agreements with the Debtors. Following the conclusion of the Auction, the Debtors sought and obtained approval to enter into the FTX Purchase Agreement. Shortly thereafter, the Debtors commenced solicitation of votes on the FTX Plan.

11. As FTX appeared to be facing financial challenges that could have impaired its ability to close on its purchase of Voyager, but before FTX’s eventual chapter 11 filing, on November 10, 2022, the Debtors requested that FTX waive the “No-Shop” provision (Section 5.2) of the FTX Purchase Agreement. FTX, through its counsel, acquiesced. The Debtors immediately restarted outreach to, and received inbounds from, interested parties as a result of the growing probability that the FTX Transaction would not close. On November 11, 2022, FTX commenced chapter 11 proceedings.³ It was well known that the Debtors’ assets were once again for sale following the very public FTX collapse.

12. The Debtors and their advisors were and are keenly aware that time is of the essence and that the Debtors need to move with deliberate speed to implement an alternative transaction given both the increased volatility in the crypto space and the increased administrative costs the

³ *In re FTX Trading Ltd.*, Case No. 22-11068 (JTD) (Bankr. D. Del. Nov. 11, 2022).

longer the Debtors remain in chapter 11. The Debtors thus leveraged the significant groundwork during the prior marketing process, engaging again with many of the parties that were previously involved in the process, as well as several new parties who expressed interest in acquiring the Debtors' assets. The Debtors and their advisors ensured that all interested parties understood the dynamics surrounding the previously agreed to FTX Purchase Agreement and terms of the FTX Purchase Agreement to help provide candor and transparency to the process and properly guide all interested parties to provide the best possible bids.

13. The Debtors received several proposals and engaged in extensive negotiations with the interested parties that spanned approximately one month. Moelis, along with the Debtors' other advisors, helped the Debtors consider the proposals received, including working with each interested party, answering numerous requests for additional information, holding several conferences with the Debtors' management teams, their advisors, and the Committee, pushing the bidders to improve the economic and other terms of their bids, and analyzing the viability of each of the proposed transactions. When analyzing proposals received from interested parties, the Debtors and their advisors considered both the viability and risk factors associated with each proposed transaction, including but not limited to, timing considerations, third-party financing requirements, ability to consummate, cybersecurity risks, regulatory and licensing status, and counterparty risk based on the counterparty due diligence conducted both prior to and during the initial Auction and during the one-month negotiation period following the collapse of FTX.

14. The Debtors also considered pursuing a transaction that would allow the Debtors to distribute cryptocurrency or cash to creditors on their own (the "Toggle Transaction"). Pursuing the Toggle Transaction would impose costs of its own on the Debtors, would take time, and would present its own risks. Among other things, the Toggle Transaction would involve the Debtors

“rebalancing” their cryptocurrency holdings to prepare for distributions to creditors, and then reopening the Voyager platform for approximately a month to allow customers to withdraw their pro rata share of cryptocurrency, to extent it can be withdrawn. While a viable option, the Toggle Transaction, among other things, could likely (a) lead to incremental value leakage (*e.g.*, the Debtors would likely be forced to realize a discount due to liquidation of sizable positions in the marketplace), over and above that in a third party transaction, thereby resulting in worse creditor recoveries, (b) require the Debtors to liquidate additional cryptocurrency to fund working capital requirements to complete the work required, (c) create additional security risks (particularly if the Debtors are unable to retain critical personnel necessary to perform the Toggle Transaction), (d) be less tax efficient for customers than a third-party transaction, (e) strand some coins, which can be withdrawn by customers from certain third-party exchanges (like Binance.US) but not from Voyager,⁴ and (f) may severely damage the value of the VGX token, which is the native token of the Voyager brokerage platform.

15. Importantly, the Debtors and their advisors contemplated this route while utilizing it as a “floor” against which to compare bids received from third parties. Ultimately, the Debtors determined that pursuing a sale transaction with a third party could, depending on the structure of the transaction, provide the potential for the best recovery available to creditors under the circumstances while also reducing the risk surrounding execution of the transaction and reducing the likely value leakage that would occur in the Toggle Transaction. Accordingly, the Debtors, in their business judgment, determined to reengage with third parties to identify an alternative transaction partner.

⁴ We understand that 35 tokens, which we estimate represents approximately 20% of the value of all tokens held by Voyager, are not able to be withdrawn by customers from Voyager due to technical limitations, but can be withdrawn by customers from Binance.US following consummation of the proposed transaction.

The Binance.US Transaction

16. The Debtors thoroughly engaged with all interested parties, and after negotiation and deliberation, on December 18, 2022, Debtor Voyager Digital, LLC (the “Seller”) executed that certain asset purchase agreement (the “Binance.US Purchase Agreement”) with BAM Trading Services Inc. (“Binance.US” and the sale transaction thereunder, the “Binance.US Transaction”). The Debtors value the Binance.US Transaction at approximately \$1.022 billion, comprising (a) the value of cryptocurrency on the Voyager platform as of a date to be determined, which as of December 16, 2022 at 0:00 UTC, is estimated to be \$1.002 billion, plus (b) additional consideration, which is estimated to provide at least \$20 million of incremental value. The Binance.US Purchase Agreement is attached as Exhibit B to the Motion.

17. Importantly, the Binance.US Purchase Agreement permits the Debtors to pivot to the Toggle Transaction if the Debtors exercise their “fiduciary out” or the Binance.US Transaction is not effectuated by the outside date included thereunder, subject to expense reimbursement of Binance.US in certain circumstances set forth in the Binance.US Purchase Agreement. The Binance.US Transaction also includes additional benefits, as it (a) provides the most tax efficient route forward as Binance.US supports 100% of the cryptocurrency coins on the Debtors’ platform, (b) is the only transaction available to the Debtors that did not contemplate requiring the Debtors to liquidate cryptocurrency for working capital purposes in the first instance, (c) includes reimbursement by Binance.US of up to \$15 million of Seller’s expenses under certain circumstances set forth in the Binance.US Purchase Agreement, (d) provides a \$10 million reverse termination fee payable to the Seller by Binance.US to compensate the Debtors’ estates in the event that Binance.US cannot consummate the transaction under certain circumstances set forth in the Binance.US Purchase Agreement, and (e) in the event that the Debtors pivot to the Toggle

Transaction, provides that Binance.US will provide certain services to facilitate such Toggle Transaction to ensure that the Debtors can rely on the Binance.US platform to minimize leakage with, and cybersecurity risks when, returning cryptocurrency to creditors.

18. Pursuant to the Binance.US Purchase Agreement, Binance.US will acquire substantially all of the Debtors' assets, including the distribution of substantially all of the cryptocurrency held by the Debtors. The transactions contemplated by the Binance.US Purchase Agreement will be effectuated through a chapter 11 plan. Ultimately, I believe that the Binance.US bid provides the most value currently available for the Debtors' assets and ultimately to their stakeholders—including the Debtors' customers under the circumstances that exist here.

19. Moreover, the structure of the proposed transaction, including its "fiduciary out," permits the Debtors to toggle *either* to a higher and better third-party bid (should one emerge) *or* to the Toggle Transaction, if the Debtors determine in their business judgment between now and closing that the Binance.US Transaction is no longer the highest or otherwise best option. Based on the diligence the Debtors have performed to date on their proposed counterparty, they (and I) believe the Binance.US Transaction is the highest and best option currently available under the circumstances. But the Debtors recognize that the cryptocurrency industry is experiencing an extremely volatile period for an already volatile business, and we continue to closely monitor developments in the sector. Not only does the structure of the proposed transaction permit the Debtors to pivot to the Toggle Transaction if they conclude the Binance.US Purchase Agreement is no longer higher and better due to a development along the way, but the work to prepare to consummate and execute on the Binance.US Purchase Agreement will better prepare the Debtors to complete the Toggle Transaction if necessary.

20. Importantly, the Debtors, the Creditors Committee, and their respective advisors'

negotiated with Binance.US to include provisions designed to ensure the safety of the Debtors' cryptocurrency in advance of distributions being made to creditors. Specifically, the Binance.US Purchase Agreement provides that, up until the transfer of cryptocurrency to Binance.US, the Debtors maintain control of all their cryptocurrency, including during the rebalancing of the Debtors' cryptocurrency portfolio (that may include the use of third parties and third-party exchanges to execute the rebalancing transactions), which is a prerequisite to closing and effectuating distributions to creditors. I believe that retaining control of all of the Debtors' assets until closing is critical to minimizing risk given the increased volatility in the crypto space.

21. Further, in connection with the evaluation of the Binance.US proposal the advisors conducted certain financial and business counterparty due diligence on Binance.US. This due diligence included reviews of certain documentation and discussions with senior management at Binance.US relating to: audited financial statements, interim unaudited financial statements, available liquidity, related party services agreements, wallet infrastructure, AML/KYC procedures, money transmitter licensing status, and business plans submitted to selected state regulators in connection with the issuance of money transmitter licenses.

22. Moreover, it is my understanding that section 6.12 of the Binance.US Purchase Agreement provides that the Seller (prior to the transfer of cryptocurrency to Binance.US) and each transferred creditor (from and after the transfer of cryptocurrency to Binance.US) will retain all right, title, and interest in and to the cryptocurrency allocated to it in accordance with the Binance.US Asset Purchase Agreement through and including such time as such cryptocurrency is returned to Seller or distributed to such transferred creditor.⁵ It is my understanding that under the Binance.US Purchase Agreement, the cryptocurrency will be held by Binance.US solely for

⁵ See Binance US Purchase Agreement Section 6.12(e).

the benefit of the Seller or transferred creditor, as applicable, until such distributions are made.⁶

23. Further, in states where Binance.US does not yet have the requisite money transmitter licensing approvals, authorizations, or exemptions (as applicable) to make distributions to creditors in those states (the “Unsupported Jurisdictions”), the Debtors will retain custody of the cryptocurrency that would be distributed to those creditors. In the event that Binance.US is not able to obtain the necessary approvals to make distributions to creditors in Unsupported Jurisdictions within six (6) months following the closing (*i.e.*, an incremental 3 months following distributions to creditors in other jurisdictions), it is my understanding that the Debtors would convert the cryptocurrency attributable to such creditors to cash and the Debtors would then distribute the equivalent realized cash value associated with such liquidations to such creditors under the chapter 11 plan. It is my understanding that Binance.US shall have the opportunity to execute in such conversion transactions subject to the agreed-upon protocol between the Debtors and Binance.US set forth in the Binance.US Purchase Agreement. If Binance.US is able to obtain the necessary money transmitter licensing approvals within that six (6) month period, Binance.US would make in kind distributions to those creditors.

24. Due to legal, operational and technical limitations, if the Binance.US Transaction is approved, the Debtors will not be able to distribute cryptocurrency themselves to creditors in Unsupported Jurisdictions. First, the Voyager platform that would be required to facilitate in kind distributions to creditors is being sold to Binance.US in connection with the transaction. This means that any in-kind distributions to creditors in Unsupported Jurisdictions would need to be done manually on a transaction-by-transaction basis for over 120,000 creditors. My understanding is not only would manual distributions be extremely complex, but Voyager does not have

⁶ *Id.*

necessary infrastructure or personnel to accomplish this in a safe and secure manner.

25. Second, my understanding is that there are risks associated with the Debtors' distribution of cryptocurrency to individual creditor wallets as opposed to effectuating such distributions through the Binance.US platform. The Debtors must comply with anti-money laundering ("AML") and know your customer ("KYC") laws when sending cryptocurrency to individual wallets. Historically, the Debtors used Chainalysis for automated verification of certain user generated cryptocurrency transfer requests. However, Chainalysis does not support all of the tokens listed on the Voyager platform (e.g., non-transferable tokens). While AML/KYC compliance is easy when transferring cryptocurrency to Binance.US wallets, it poses substantial risk to the Debtors as it relates to the manual transfer of cryptocurrency to individual wallets for over 120,000 creditors. Binance.US has represented to the Debtors that it has existing infrastructure in place that would allow it to perform AML/KYC compliance checks in connection with transferring all cryptocurrency to customer accounts on its platform. Unlike ACH transfers which can be reversed, cryptocurrency sent to the wrong wallet cannot, which is why parties will often send a small "test" transaction to a wallet address prior to initiating a large transfer.

26. Fourth, there are technical limitations that would prevent the Debtors from making in kind distributions of certain types of cryptocurrency on the Debtors' platform. There are 35 cryptocurrency tokens (approximately 20% of the Debtors' cryptocurrency portfolio based on equivalent USD value) on the Debtors' platform that cannot be transferred directly to individual wallets due to technical limitations associated with the Debtors' platform while they can be withdrawn from certain third-party exchanges (like Binance.US). Historically, users of the Debtors' platform have exited from their positions in such tokens by selling such tokens for cash, transactions that previously required close interaction with market makers to effectuate. The only

way for the Debtors to distribute the value associated with these non-transferable tokens to creditors in Unsupported Jurisdictions is to liquidate the tokens and distribute the resulting cash.

27. Finally, the Debtors would need to significantly increase the engineering, regulatory, compliance and other operational staff contemplated under the chapter 11 plan to facilitate manual transfers to individual customer wallets that they otherwise would not have to do if transfers to customers were made through the Binance.US platform. The Debtors would also need to revive certain dormant contracts with third-party vendors to process distributions to creditors in this manner. This would result in increased administrative costs as compared to the costs of liquidating the cryptocurrency associated with creditors in Unsupported Jurisdictions and distributing the equivalent value in cash.

28. It is my understanding that the Unsupported Jurisdictions can provide temporary solutions to allow Binance US to make distributions in kind to creditors in such Unsupported Jurisdictions similar to all other jurisdictions. For example, the Unsupported Jurisdictions have the right to grant or not grant Binance US a provisional license to permit it to open accounts on behalf of creditors in the Unsupported Jurisdictions in their discretion. While I understand the states may ultimately decline to do so, the Debtors likewise should not jeopardize the Binance US Transaction—which is in the best interests of their estates as a whole—or take on significant additional risks and costs to endeavor to give in-kind distributions to creditors in Unsupported Jurisdictions if the state banking departments do not opt to provide such temporary solutions.

29. I understand the Binance.US Purchase Agreement has a “No-Shop” provision which, upon entry of the Order, prohibits the Seller from soliciting alternative offers from third parties and such provision is consistent with what the Court previously approved under the FTX Purchase Agreement. However, I also understand that the Binance.US Purchase Agreement

includes a “Fiduciary Out” on the terms set forth in the Binance.US Purchase Agreement, that allows the Debtors to consider: (a) inbound third party offers that may be superior to the Binance.US Purchase Agreement; and (b) the Toggle Transaction, which the Debtors will take steps to ensure they are in a position to execute, as quickly and efficiently as possible, if it ultimately becomes the best solution for creditors.

30. Additionally, I understand that the Binance.US Purchase Agreement includes an expense reimbursement provision whereby the expense reimbursement would be owed by the Seller to Binance.US only in a narrow set of circumstances, but proved to be a critical provision during negotiations with Binance.US. Further, the Debtors successfully negotiated both (a) reimbursement by Binance.US of up to \$15 million of Seller’s expenses (subject to and in accordance with Section 6.21 of the Binance.US Purchase Agreement) and (b) a \$10 million reverse termination fee payable to the Seller by Binance.US, in each case, subject to the terms and conditions set forth in the Binance.US Purchase Agreement. Notably, the Debtors’ claims against Three Arrows Capital and other parties will remain with the bankruptcy estate and any recovery thereon will be distributed to creditors.

31. Based upon my involvement in the marketing process, including discussions and negotiations in which I both observed and participated, I believe that the Binance.US Purchase Agreement and the proposed sale are the product of good-faith, arm’s-length negotiations between sophisticated and well-represented parties, and, in light of the marketing process described above, the transactions contemplated by the Binance.US Purchase Agreement provide the most value for the Debtors’ assets currently available under the circumstances present in these cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

**ORDER (I) AUTHORIZING ENTRY INTO THE
BINANCE US PURCHASE AGREEMENT AND (II) GRANTING RELATED RELIEF**

Upon the Motion (the “Motion”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of an order (this “Order”): (i) authorizing entry into the Binance US Purchase Agreement and (ii) granting related relief; and the Debtors having determined, after an extensive marketing process, that BAM Trading Services Inc. d/b/a Binance.US (“Binance US” or the “Purchaser”) has submitted the highest or otherwise best bid for the Acquired Assets; and the Debtors having selected Binance US as the Winning Bidder pursuant to the Bidding Procedures Order; and upon adequate and sufficient notice of the Motion, all as more fully set forth in the Motion; and upon the First Day Declaration and the Tichenor Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, entered February 1, 2012; and this Court having the power to enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Debtors’ principal place of business is 33 Irving Place, Suite 3060, New York, NY 10003.

² Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

§§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is **HEREBY FOUND AND DETERMINED THAT:**

A. The Debtors and the Purchaser negotiated the Binance US Purchase Agreement at arm's length and in good faith, without collusion, all within the meaning of section 363(m) of the Bankruptcy Code.

B. The agreement to reimburse Purchaser Expenses, as set forth in the Binance US Purchase Agreement, is: (1) commensurate to the real and substantial benefits conferred upon the Debtors' estates by the Purchaser; (2) reasonable and appropriate in light of the size and nature of the proposed sale contemplated by the Binance US Purchase Agreement, the commitments that have been made by the Purchaser, and the efforts that have been and will be expended by the Purchaser; and (3) necessary to induce the Purchaser to continue to pursue such sale and continue to be bound by the Binance US Purchase Agreement. The Purchaser Expenses are an essential inducement to, and condition of, the Purchaser's entry into, and continuing obligations under, the Binance US Purchase Agreement. Unless it is assured that the Purchaser Expenses will be available, the Purchaser is unwilling to be bound to the terms of the Binance US Purchase Agreement (including the obligation to maintain its committed offer in accordance with the terms

of the Binance US Purchase Agreement while such offer is subject to higher or otherwise better bids as contemplated by the Bidding Procedures). The Purchaser has provided a material benefit to the Debtors and their creditors by providing a baseline value, thereby increasing the likelihood that the value of the Acquired Assets will be maximized through the Debtors' sale process.

C. The amount of Purchaser Expenses to be paid shall be subject to the review and approval of this Court for reasonableness, and the Binance.US Purchase Agreement is deemed modified to reflect this term. Accordingly, the Purchaser Expenses are (1) fair, reasonable and appropriate and designed to maximize value for the benefit of the Debtors' estates; and (2) an actual and necessary cost of preserving the Debtors' estates within the meanings of sections 503(b) and 507(a) of the Bankruptcy Code.

IT IS HEREBY ORDERED THAT:

I. Notice of the Motion.

1. Notice of the Hearing, the Motion, and the Debtors' entry into the Binance US Purchase Agreement, was timely, proper, and reasonably calculated to provide interested parties with timely and proper notice thereof, and no other or further notice of the Motion and the Hearing is, or shall be, required. The requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice. A reasonable opportunity to object and be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities.

II. Highest or Otherwise Best Offer.

2. The Debtors' pre- and postpetition marketing process with respect to the Acquired Assets afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets. The transactions contemplated by the Binance US Purchase Agreement constitute the highest or otherwise best offer for the Acquired

Assets, and the Debtors' determination that the terms of the Binance US Purchase Agreement constitute the highest or otherwise best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment; *provided* that nothing in this Order shall limit or otherwise restrict in any way the Seller's rights and obligations under section 5.2 of the Binance US Purchase Agreement. Entry of this Order, including approval of the Seller's entry into, and performance (for the limited purposes approved by this Order) under, the Binance US Purchase Agreement, is in the best interests of the Debtors, their estates, creditors, and all other parties in interest.

III. General Provisions.

3. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to these chapter 11 cases pursuant to Bankruptcy Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

4. All objections to the Motion to authorize the Debtors to enter into the Binance US Purchase Agreement or the relief requested therein that have not been withdrawn, waived, or settled as announced to the Court at the Hearing or by stipulation filed with the Court, and all reservations of rights regarding the Motion, are hereby denied and overruled on the merits with prejudice; *provided* that, notwithstanding anything in this Order or the Binance US Purchase Agreement, the rights of all parties to object to the Plan and final approval of the Disclosure Statement are expressly reserved and preserved.

5. The request by the United States Trustee for the appointment of a Consumer Privacy Ombudsman is denied without prejudice for the reasons stated on the record at the Hearing.

6. The Motion is granted as set forth herein.

7. Voyager Digital, LLC, as seller under the Binance US Purchase Agreement, is authorized, pursuant to sections 105(a) and 363(b) of the Bankruptcy Code, to enter into the Binance US Purchase Agreement and perform its obligations under the Binance US Purchase Agreement other than those obligations to be performed at or after the consummation of the Sale, which obligations the Debtors will seek approval of in connection with confirmation of a chapter 11 plan. The Seller and Purchaser are granted all rights and remedies provided to them under the Binance US Purchase Agreement.

8. The Binance US Purchase Agreement shall be binding and specifically enforceable against the parties thereto in accordance with its terms, including, without limitation, Section 5.2 (the “No-Shop” provision) and, as applicable, those additional obligations set forth in Article V (Bankruptcy Court Matters) and Article VI (Covenants and Agreements) of the Binance US Purchase Agreement.

9. The Debtors are authorized, but not directed, to enter into non-material amendments to the Binance US Purchase Agreement from time to time as necessary, subject to the terms and conditions set forth in the Binance US Purchase Agreement, and without further order of the Court.

10. The Seller is authorized to satisfy the Purchaser Expenses pursuant to the terms and conditions set forth in the Binance US Purchase Agreement and subject to the review and approval of the Court for reasonableness. The Purchaser Expenses provisions in the Binance US Purchase Agreement and this Order shall be binding on the Seller, its successors and assigns, and shall survive the termination of the Binance US Purchase Agreement, appointment of a chapter 11 trustee or similar fiduciary, and dismissal or conversion of the chapter 11 cases; *provided, however*, that the obligation to pay or honor the Purchaser Expenses shall be subject to the terms and

conditions of the Binance US Purchase Agreement, and the reasonableness of the amount of any Purchaser Expenses paid to Binance US are subject to the Court's review and approval. The Purchaser Expenses shall be entitled to administrative expense status under sections 503(b) and 507(a)(2) of the Bankruptcy Code.

11. The Purchaser is obligated to satisfy the terms and conditions of the Binance US Purchase Agreement in its entirety, including Section 2.2 (Good Faith Deposit), Section 6.21 (Seller Expenses), and Section 8.3 (the Reverse Termination Fee).

12. To the extent the automatic stay provisions of section 362 of the Bankruptcy Code would otherwise apply, such provisions are vacated and modified to the extent necessary to permit the parties to the Binance US Purchase Agreement to exercise their termination rights thereunder in accordance with its terms, and deliver any notice contemplated thereunder, in each case, without further order of the Court.

13. The Debtors are authorized to rebalance their cryptocurrency portfolio subject to the terms of the Binance US Purchase Agreement.

14. Notwithstanding anything to the contrary in this Order or in the Binance US Purchase Agreement, upon the transfer of any cryptocurrency or cash to Binance US, subject to approval of the Binance US Purchase Agreement and in accordance with the terms thereof, Binance US shall have only nominal title to such cryptocurrency or cash, which shall be held solely in a custodial capacity in trust and solely for the benefit of the Seller or the applicable User or Eligible Creditor (each as defined in the Binance US Purchase Agreement). For the avoidance of doubt, beneficial title to such cryptocurrency or cash shall remain with the Debtors, or the applicable User or Eligible Creditor, as applicable.

15. For the avoidance of doubt, notwithstanding anything to the contrary in this Order, this Order does not approve the Binance US Transaction or authorize the Debtors to consummate the Binance US Transaction. Consummation of the transaction is contingent upon the consummation of a plan of reorganization, among other things.

16. Nothing in this Order or the Binance US Purchase Agreement releases, impairs or otherwise precludes: (i) any liability to any governmental unit as defined in 11 U.S.C. § 101(27) (“Governmental Unit”) that is not a “claim” within the meaning section 101(5) of the Bankruptcy Code; (ii) any claim of any Governmental Unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the date of the closing of the Sale; or (iii) any liability to a Governmental Unit on the part of any Person other than the Debtors. Nor shall anything in this Order or Binance US Purchase Agreement enjoin or otherwise bar a Governmental Unit from asserting or enforcing any liability described in the preceding sentence. Notwithstanding anything to the contrary, nothing in this paragraph 14 shall be construed as a determination as to any liability or claim owing to a Governmental Unit or whether any Governmental Unit is subject to the automatic stay under section 362 of the Bankruptcy Code or limits, lifts or otherwise modifies the automatic stay under section 362 of the Bankruptcy Code.

17. Further, nothing in this Order or the Binance US Purchase Agreement authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law. Nothing in this Order or the Binance US Purchase Agreement shall relieve any entity from any otherwise applicable obligation to address or comply with information requests or inquiries from any Governmental Unit. Nothing in this Order or the Binance US Purchase Agreement shall affect

any valid setoff or recoupment rights of any Governmental Unit. Nothing in this Order or the Binance US Purchase Agreement divests any state tribunal of any otherwise applicable jurisdiction it may have under police or regulatory law. Nothing in this Order or the Binance US Purchase Agreement shall be construed as a determination of whether the automatic stay applies to this paragraph 14 or limits, lifts or otherwise modifies the automatic stay under section 362 of the Bankruptcy Code.

18. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity of any particular claim against the Debtors; (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to the Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens. Any payment made pursuant to this Order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

19. Notwithstanding anything to the contrary in this Order or the Binance US Purchase Agreement, no transitional use of Oracle America Inc.'s (including any of its predecessors-in-interest) (collectively, "Oracle") licenses, products or services is authorized to any party by virtue of the Binance US Purchase Agreement approval herein, absent a further agreement between

Oracle, Debtors and the Purchaser, or further order of Court specifically relating to transitional services.

20. Notwithstanding anything in this Order or the Binance US Purchase Agreement, in the event that any party receives a Notice of Assumption and Assignment of Executory Contracts and Unexpired Leases (Asset Purchase Agreement), attached to the order approving the Disclosure Statement as Exhibit 9, after February 1, 2023, such parties shall have 21 days from the mailing of such notice to object to any proposed cure; *provided* that such cure objection, if any, shall not preclude confirmation of the Plan or effectuation of the Binance US Transaction pursuant thereto.

21. The Debtors shall maintain copies of their books and records as set forth in the Plan. Nothing in this Order shall affect the obligations of the Debtors and/or any transferee or custodian to maintain all books and records that are subject to any governmental subpoena, document preservation letter, or other investigative request from a governmental agency.

22. Notwithstanding anything to the contrary in the Motion, this Order, or any findings announced at the Hearing, nothing in the Motion, this Order, or announced at the Hearing constitutes a finding under the federal securities laws as to whether crypto tokens or transactions involving crypto tokens are securities, and the right of the United States Securities and Exchange Commission to challenge transactions involving crypto tokens on any basis is expressly reserved.

23. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

24. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

25. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

26. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

27. The failure to specifically include any particular provision of the Binance US Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that entry into the Binance US Purchase Agreement be authorized and approved; *provided* that the consummation of the Binance US Purchase Agreement shall be subject to confirmation of the Plan, and the rights of all parties to object to the Plan are expressly reserved and preserved.

28. The Court shall retain exclusive jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Binance US Purchase Agreement, all amendments thereto and any waivers and consents thereunder, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to interpretation, implementation, or enforcement of the Binance US Purchase Agreement, including, but not limited to, any matter, claim, or dispute arising from or relating to the Binance US Purchase Agreement, and any purported termination of the Binance US Purchase Agreement pursuant to paragraph 11 of this Order.

29. To the extent that this Order is inconsistent with the Motion, the terms of this Order shall govern.

VII. Miscellaneous.

26. The Debtors reserve the right to modify the Plan in accordance with Article X thereof, including the right to withdraw the Plan as to any or all Debtors at any time before the Confirmation Date.

27. Nothing in this Order shall be construed as a waiver of the right of the Debtors or any other party in interest, as applicable, to object to a proof of claim after the Voting Record Date.

28. Notwithstanding anything to the contrary in the Disclosure Statement, the Plan, this Order, or any findings announced at the Combined Hearing, nothing in the Disclosure Statement, the Plan, this Order, or announced at the Combined Hearing constitutes a finding under the federal securities laws as to whether crypto tokens or transactions involving crypto tokens are securities, and the right of the United States Securities and Exchange Commission to challenge transactions involving crypto tokens on any basis is expressly reserved.

29. The Debtors shall maintain copies of their books and records as set forth in the Plan. Nothing in this Order shall affect the obligations of the Debtors and/or any transferee or custodian to maintain all books and records that are subject to any governmental subpoena, document preservation letter, or other investigative request from a governmental agency.

Only the following Holders of Claims in the Voting Classes shall be entitled to vote with regard to such Claims:

- a. Holders of Claims who, on or before the Voting Record Date, have timely filed a Proof of Claim (or an untimely Proof of Claim that has been Allowed as timely by the Court under applicable law on or before the Voting Record Date) that: (i) has not been expunged, disallowed, disqualified, withdrawn, or superseded prior to the Voting Record Date; and (ii) is not the subject of a pending objection filed with the Court at least seven (7) days prior to the Voting Deadline, pending a Resolution Event as provided herein; *provided* that a Holder of a Claim that is the subject of a pending objection on a "reduce and allow" basis shall receive a Solicitation Package and be entitled to vote such Claim in the reduced amount contained in such objection absent a further order of the Court;

In tabulating votes, the amount of the Claim associated with each claimant's vote shall be determined as follows:

If a Proof of Claim is amended, the last filed Claim shall be subject to these rules and will supersede any earlier filed Claim, and any earlier filed Claim will be disallowed for voting purposes.

(iii) Voting and Ballot Tabulation Procedures.

The following voting procedures and standard assumptions shall be used in tabulating Ballots, subject to the Debtors' right to waive any of the below specified requirements for completion and submission of Ballots, so long as such requirement is not otherwise required by the Bankruptcy Code, Bankruptcy Rules, or Local Rules:

- a. each Claim asserted in currency other than U.S. dollars (other than Cryptocurrency) shall be automatically deemed converted to the equivalent U.S. dollar value using the conversion rate for the applicable currency at prevailing market prices as of 8:00 a.m. (prevailing Eastern Time) on the Petition Date;
- b. each Claim asserted in Cryptocurrency shall be automatically deemed converted using the fair market value of the Cryptocurrency (based in U.S. Dollars) as of July 5, 2022 at 00:00 UTC. Such conversion shall be for voting tabulation purposes only and shall not be binding for any other purpose on the Debtors, including, without limitation, for purposes of allowance of, and distribution with respect to, Claims under the Plan;
- c. except as otherwise provided in the Solicitation and Voting Procedures, unless the Ballot being furnished is timely submitted and actually received by the Claims, Noticing, and Solicitation Agent on or prior to the Voting Deadline (as the same may be extended by the Debtors), the Debtors shall reject such Ballot as invalid and, therefore, shall not count it in connection with confirmation of the Plan;
- d. the Claims, Noticing, and Solicitation Agent will date-stamp all Ballots when received. The Voting Report shall, among other things, delineate every Ballot that does not conform to the voting instructions or that contains any form of irregularity (each an "Irregular Ballot"), including those Ballots that are late or (in whole or in material part)

illegible, unidentifiable, lacking signatures or other necessary information, or damaged. The Voting Report shall indicate the Debtors' decision with regard to such Irregular Ballots;

- g. the method of delivery of Ballots to be sent to the Claims, Noticing, and Solicitation Agent is at the election and risk of each Holder, and except as otherwise provided, a Ballot will be deemed delivered only when the Claims, Noticing, and Solicitation Agent actually receives the executed Ballot;
- h. an executed Ballot is required to be submitted by the Entity submitting such Ballot. Delivery of a Ballot to the Claims, Noticing, and Solicitation Agent by facsimile, or any electronic means other than expressly provided in these Solicitation and Voting Procedures will not be valid;
- i. no Ballot should be sent to the Debtors, the Debtors' agents (other than the Claims, Noticing, and Solicitation Agent), or the Debtors' financial or legal advisors, and, if so sent, will not be counted;
- j. if multiple Ballots are received from the same Holder with respect to the same Claim or Interest prior to the Voting Deadline, the last properly executed Ballot timely received will be deemed to reflect that voter's intent and will supersede and revoke any prior received Ballot;
- k. Holders must vote all of their Claims within a particular Class either to accept or reject the Plan and may not split any votes. Accordingly, a Ballot that partially rejects and partially accepts the Plan will not be counted. Further, to the extent there are multiple Claims within the same Class, the applicable Debtor may, in its discretion, aggregate the Claims of any particular Holder within a Class for the purpose of counting votes;
- l. a person signing a Ballot in its capacity as a trustee, executor, administrator, guardian, attorney in fact, officer of a corporation, or otherwise acting in a fiduciary or representative capacity of a Holder of Claims must indicate such capacity when signing;
- m. the Debtors, subject to a contrary order of the Court, may waive any defects or irregularities as to any particular Irregular Ballot at any time, either before or after the close of voting, and any such waivers will be documented in the Voting Report;
- n. unless waived or as ordered by the Court, any defects or irregularities in connection with deliveries of Ballots must be cured prior to the Voting Deadline or such Ballots will not be counted; *provided* that the Debtors shall notify any Holder who submitted a Ballot not in proper form of any such defects and their intent to reject such Ballot if the alleged defects are not remedied prior to the Voting Deadline after receipt of notice of such alleged defect;
- o. in the event a designation of lack of good faith is requested by a party in interest under section 1126(e) of the Bankruptcy Code, the Court will determine whether any vote to accept and/or reject the Plan cast with respect to that Claim will be counted for purposes of determining whether the Plan has been accepted and/or rejected;
- p. subject to any order of the Court, the Debtors reserve the right to reject any and all Ballots not in proper form, the acceptance of which, in the opinion of the Debtors, would not be in accordance with the provisions of the Bankruptcy Code or the Bankruptcy Rules; *provided* that any such rejections will be documented in the Voting Report;

- q. if a Claim has been estimated or otherwise Allowed only for voting purposes by order of the Court, such Claim shall be temporarily Allowed in the amount so estimated or Allowed by the Court for voting purposes only, and not for purposes of allowance or distribution;
- r. if an objection to a Claim is filed, such Claim shall be treated in accordance with the procedures set forth herein;
- s. the following Ballots shall not be counted in determining the acceptance or rejection of the Plan: (i) any Ballot that is illegible or contains insufficient information to permit the identification of the Holder of such Claim; (ii) any Ballot cast by any Entity that does not hold a Claim in a Voting Class; (iii) any Ballot cast for an OpCo General Unsecured Claim, HoldCo General Unsecured Claim, or TopCo General Unsecured Claim scheduled as unliquidated, contingent, or disputed for which no Proof of Claim was timely filed by the Voting Record Date (unless the applicable bar date has not yet passed, in which case such Claim shall be entitled to vote in the amount of \$1.00); (iv) any unsigned Ballot or Ballot lacking an original signature (for the avoidance of doubt, a Ballot submitted via the Claims, Noticing, and Solicitation Agent's online balloting portal shall be deemed an original signature); (v) any Ballot not marked to accept or reject the Plan or marked both to accept and reject the Plan; (vi) any Ballot transmitted by facsimile, email, or other electronic means not specifically approved pursuant to the Disclosure Statement Order; (vii) any Ballot sent to any of the Debtors, the Debtors' agents or representatives, or the Debtors' advisors (other than the Claims, Noticing, and Solicitation Agent); and (viii) any Ballot submitted by any Entity not entitled to vote pursuant to the procedures described herein;
- t. after the Voting Deadline, no Ballot may be withdrawn or modified without the prior written consent of the Debtors or further order of the Court;
- u. the Debtors are authorized to enter into stipulations with the Holder of any Claim agreeing to the amount of a Claim for voting purposes; and
- v. where any portion of a single Claim has been transferred to a transferee, all holders of any portion of such single Claim will be (a) treated as a single creditor for purposes of the numerosity requirements in section 1126(c) of the Bankruptcy Code (and for the other solicitation and voting procedures set forth herein) and (b) required to vote every portion of such Claim collectively to accept or reject the Plan. In the event that (a) a Ballot, (b) a group of Ballots within a Voting Class received from a single creditor, or (c) a group of Ballots received from the various Holders of multiple portions of a single Claim or partially reject and partially accept the Plan, such Ballots shall not be counted.

5. Amendments to the Plan and Solicitation and Voting Procedures.

The Debtors reserve the right to make non-substantive or immaterial changes to the Plan, Disclosure Statement, Combined Hearing Notice, Solicitation Packages, Non-Voting Status Notices, Ballots, Publication Notice, Cover Letter, the Committee Letter, these Solicitation and Voting Procedures, Plan Supplement Notice, Rejection Notice, Assumption and Assignment Notice, Assumption Notice, and any related documents without further order of the Court, including changes to correct typographical and grammatical errors, if any, and to make conforming changes to the any materials in the Solicitation Packages before distribution.

OPTIONAL: RELEASE OPT IN NOTICE

You are receiving this Opt-In Notice because you are a Holder of a Claim that is not entitled to vote on the Plan. Article IV of the Plan contains certain information regarding contribution of Contributed Third-Party Claims. Article VIII of the Plan contains certain release, injunction, and exculpation provisions, including the Third-Party Releases set forth below. You are advised to carefully review and consider the Plan, including the release, injunction, and exculpation provisions, as your rights may be affected. **Your decision to complete and return the Opt-In Notice is entirely voluntary and not a requirement under the Plan or applicable law.**

If you choose to opt into the Third-Party Release set forth in Article VIII.B of the Plan and/or to contribute your Contributed Third-Party Claim(s) to the Wind-Down Entity, you may submit your election to opt-in by submitting the electronic version of your Opt In Notice through the e-balloting portal (the “E-Balloting Portal”), which can be accessed via the Debtors’ restructuring website, <https://cases.stretto.com/Voyager/balloting>, according to instructions provided below

THIS OPT IN NOTICE MUST BE ACTUALLY RECEIVED BY THE CLAIMS, NOTICING, AND SOLICITATION AGENT BY FEBRUARY 22, 2023, AT 4:00 P.M. PREVAILING EASTERN TIME (THE “OPT IN DEADLINE”).

Item 1. Amount of Claim.

The undersigned hereby certifies that, as of January 10, 2023 (the “Voting Record Date”), the undersigned was the Holder of Claims in one or more of Classes 1 or 2 in the following aggregate amount of claims (insert amount in box below):

Class 1 \$ _____
Class 2 \$ _____

Item 2. Important information regarding the Third-Party Release.

AS A HOLDER OF A CLAIM, YOU ARE A “RELEASING PARTY” UNDER THE PLAN IF YOU OPT IN TO THE RELEASES CONTAINED IN THE PLAN. YOU MAY CHECK THE BOX BELOW TO ELECT TO GRANT THE RELEASE CONTAINED IN ARTICLE VIII.B OF THE PLAN. YOU WILL BE CONSIDERED A “RELEASING PARTY” UNDER THE PLAN ONLY IF (I) THE COURT DETERMINES THAT YOU HAVE THE RIGHT TO OPT IN TO THE RELEASES AND (II) YOU CHECK THE BOX BELOW AND SUBMIT THE OPT IN NOTICE BY THE OPT IN DEADLINE.

☐

By checking this box, you elect to opt IN to the Third-Party Releases.

Article VIII.B of the Plan contains the following Third-Party Release:

Except as expressly set forth in the Plan, effective on the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, from any and all Causes of Action, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, including any derivative claims asserted or assertable on behalf of any of the Debtors, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors’ out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions, or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date, *provided that* nothing in Article VIII.B of the Plan shall be construed to release the Released Parties from actual fraud, willful misconduct, or gross negligence as determined by a Final Order.

Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the releases described in Article VIII.B of the Plan, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court’s finding that each release described in Article VIII.B of the Plan is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors’ business judgment; and (7) except to the extent contemplated by Article IV.E and Article IV.F of the Plan, a bar to any of the Releasing Parties or the Debtors or Wind-Down Debtors or their respective Estates or Wind-Down Entity asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

Definitions Related to the Debtor Release and the Third-Party Release:

- (1) Under the Plan, “***Released Parties***” means, collectively, in each case in its capacity as such: (a) the Debtors; (b) the Wind-Down Debtors; (c) the Committee, and each of the members thereof; (d) each of the Released Professionals; (e) Purchaser and each of its Related Parties; and (f) each of the Released Voyager Employees (subject to the limitations contained in Article IV.E and Article IV.F of the Plan); *provided that*, if the Asset

Purchase Agreement is terminated, Purchaser and each of its Related Parties shall not be “Released Parties” under the Plan.

- (2) Under the Plan, “**Releasing Parties**” means, collectively, in each case in its capacity as such: (a) the Debtors; (b) the Wind-Down Debtors; (c) the Committee, and each of the members thereof; (d) each of the Released Professionals; (e) each of the Released Voyager Employees; (f) Purchaser and each of its Related Parties to the extent Purchaser is able to bind such Related Parties; (g) all Holders of Claims that vote to accept the Plan and affirmatively opt into the releases provided by the Plan; (h) all Holders of Claims that vote to reject the Plan and affirmatively opt into the releases provided by the Plan; and (i) all Holders of Claims or Interests that abstain from voting (or are otherwise not entitled to vote) on the Plan and affirmatively opt into the releases provided by the Plan; *provided that*, if the Asset Purchase Agreement is terminated, Purchaser and each of its Related Parties shall not be “Releasing Parties” under the Plan.

Item 3. Contributed Third-Party Claims.

If the Plan is confirmed, all causes of action that the Debtors are entitled to bring against third parties not released under the Plan (the “Litigation Targets”) will be transferred to the Wind-Down Entity. In addition to these causes of action that can only be commenced by the Wind-Down Entity, certain creditors may have direct causes of action against the Litigation Targets. However, it is difficult and expensive for individual creditors to sue third parties for losses. Accordingly, creditors can elect to contribute direct causes of action to the Wind-Down Entity. By opting in to contribute causes of action to the Wind-Down Entity, you are giving the Wind-Down Entity the right to pursue those direct causes of action on your behalf together with other creditors. As a result, the Wind-Down Entity will be able to use its resources to sue the Litigation Targets on those direct causes of action, and all recoveries will inure to the benefit of all creditors and not just those that agreed to contribute their claims. For the avoidance of doubt, the decision to “opt in” to contribute third-party claims is entirely voluntary, and the failure to “opt in” does not prejudice any electing creditors’ rights.

By electing such option on this Ballot, you agree that, subject to the occurrence of the Effective Date and the formation of the Wind-Down Entity, you will be deemed, without further action, (i) to have irrevocably contributed your Contributed Third-Party Claims to the Wind-Down Entity, and (ii) to have agreed to execute any documents reasonably requested by the Debtors or the Wind-Down Entity to memorialize and effectuate such contribution.

The Committee strongly encourages you to elect to contribute your Contributed Third-Party Claims to the Wind-Down Entity, which will allow the Wind-Down Entity to potentially seek greater recoveries for the benefit of Holders of Claims and Interests.

☐

By checking this box, you elect to contribute your Contributed Third-Party Claims to the Wind-Down Entity.

Definitions Related to Contributed Third-Party Claims:

Under the Plan, “**Contributed Third-Party Claims**” means all direct Causes of Action that any Contributing Claimant has against any Person (other than a Debtor) that had a direct relationship with the Debtors, their predecessors, or respective affiliates and that harmed such Contributing Claimant in the claimant’s capacity as a creditor of Voyager, including (a) all Causes of Action based on, arising out of, or related to the marketing, sale, and issuance of Cryptocurrency that at any point was held or offered on Voyager’s platform; (b) all Causes of Action based on, arising out of, or related to the alleged misrepresentation of any of the Debtors’ financial information, business operations, or related internal controls; and (c) all Causes of Action based on, arising out of, or related to any alleged failure to disclose, or actual or attempted cover up or obfuscation of, any of the Debtors’ conduct prior to the Petition Date; *provided, however*, that Contributed Third-Party Claims do not include (i) any derivative claims of the Debtors; (ii) any direct claims against the Released Parties; (iii) any direct Causes of Action that any Contributing Claimant has against Mark Cuban, Dallas Basketball Limited d/b/a Dallas Mavericks, the National Basketball Association, and any of their

Related Parties; or (iv) any direct Causes of Action that any Contributing Claimant, in its capacity as an equity holder of Voyager Digital Ltd., has that are asserted in the currently filed complaint, dated as of July 6, 2022, in the Ontario Superior Court of Justice by Francine De Sousa, against Voyager Digital Ltd., Stephen Ehrlich, Philip Eytan, Evan Psaropoulos, Lewis Bateman, Krisztian Toth, Jennifer Ackart, Glenn Stevens, and Brian Brooks.

Item 4. Certifications.

By signing this Opt In Notice, the undersigned certifies:

- (a) that, as of the Record Date, either: (i) the Entity is the Holder of the Claims set forth in Item 1; or (ii) the Entity is an authorized signatory for an Entity that is a Holder of the Claims or Interests set forth in Item 1;
- (b) that the Holder has received a copy of the *Notice of (I) Non-Voting Status to Holders of Unimpaired Claims Conclusively Presumed to Accept the Plan, (II) Opportunity to Opt In to the Third-Party Releases, and (III) Opportunity to Contribute Third-Party Claims* and that this Opt In Notice is submitted pursuant to the terms and conditions set forth therein;
- (c) that the Entity has submitted the same respective election concerning the releases with respect to all Claims in a single Class set forth in Item 1; and
- (d) that no other Opt In Notice with respect to the amount(s) of Claims identified in Item 1 have been submitted or, if any other Opt In Notices have been submitted with respect to such Claims, then any such earlier Opt In Notices are hereby revoked.

You are receiving this Opt-In Notice because you are a Holder of a Claim or Interest that is not entitled to vote on the Plan. Article IV of the Plan contains certain information regarding contribution of Contributed Third-Party Claims. Article VIII of the Plan contains certain release, injunction, and exculpation provisions, including the Third-Party Releases set forth below. You are advised to carefully review and consider the Plan, including the release, injunction, and exculpation provisions, as your rights may be affected. **Your decision to complete and return the Opt-In Notice is entirely voluntary and not a requirement under the Plan or applicable law.**

If you choose to opt into the Third-Party Release set forth in Article VIII.B of the Plan and/or to contribute your Contributed Third-Party Claim(s) to the Wind-Down Entity, you may submit your election to opt-in by submitting the electronic version of your Opt In Notice through the e-balloting portal (the “E-Balloting Portal”), which can be accessed via the Debtors’ restructuring website, <https://cases.stretto.com/Voyager/balloting>, according to instructions provided below

THIS OPT IN NOTICE MUST BE ACTUALLY RECEIVED BY THE CLAIMS, NOTICING, AND SOLICITATION AGENT BY FEBRUARY 22, 2023, AT 4:00 P.M. PREVAILING EASTERN TIME (THE “OPT IN DEADLINE”).

Item 1. Amount of Claim or Interest.

The undersigned hereby certifies that, as of January 10, 2023 (the “Voting Record Date”), the undersigned was the Holder of Claims or Interests in one or more of Classes 5, 6 or 9 in the following aggregate amount of claims or interests (insert amount in box below):

Class 5 \$ _____

Class 6 \$ _____

Class 9 Share Amount _____

Item 2. Important information regarding the Third-Party Release.

AS A HOLDER OF A CLAIM OR INTEREST, YOU ARE A “RELEASING PARTY” UNDER THE PLAN IF YOU OPT IN TO THE RELEASES CONTAINED IN THE PLAN. YOU MAY CHECK THE BOX BELOW TO ELECT TO GRANT THE RELEASE CONTAINED IN ARTICLE VIII.B OF THE PLAN. YOU WILL BE CONSIDERED A “RELEASING PARTY” UNDER THE PLAN ONLY IF (I) THE COURT DETERMINES THAT YOU HAVE THE RIGHT TO OPT IN TO THE RELEASES AND (II) YOU CHECK THE BOX BELOW AND SUBMIT THE OPT IN NOTICE BY THE OPT IN DEADLINE.

☐

By checking this box, you elect to opt IN to the Third-Party Releases.

Article VIII.B of the Plan contains the following Third-Party Release:

Except as expressly set forth in the Plan, effective on the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, from any and all Causes of Action, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, including any derivative claims asserted or assertable on behalf of any of the Debtors, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors’ out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions, or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date, *provided that* nothing in Article VIII.B of the Plan shall be construed to release the Released Parties from actual fraud, willful misconduct, or gross negligence as determined by a Final Order.

Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the releases described in Article VIII.B of the Plan, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court’s finding that each release described in Article VIII.B of the Plan is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors’ business judgment; and (7) except to the extent contemplated by Article IV.E and Article IV.F of the Plan, a bar to any of the Releasing Parties or the Debtors or Wind-Down Debtors or their respective Estates or Wind-Down Entity asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

Definitions Related to the Debtor Release and the Third-Party Release:

1. Under the Plan, “*Released Parties*” means, collectively, in each case in its capacity as such: (a) the Debtors; (b) the Wind-Down Debtors; (c) the Committee, and each of the members thereof; (d) each of the Released Professionals; (e) Purchaser and each of its Related Parties; and (f) each of the Released Voyager Employees (subject to the limitations contained in Article IV.E and Article IV.F of

the Plan); *provided that*, if the Asset Purchase Agreement is terminated, Purchaser and each of its Related Parties shall not be “Released Parties” under the Plan.

2. Under the Plan, “**Releasing Parties**” means, collectively, in each case in its capacity as such: (a) the Debtors; (b) the Wind-Down Debtors; (c) the Committee, and each of the members thereof; (d) each of the Released Professionals; (e) each of the Released Voyager Employees; (f) Purchaser and each of its Related Parties to the extent Purchaser is able to bind such Related Parties; (g) all Holders of Claims that vote to accept the Plan and affirmatively opt into the releases provided by the Plan; (h) all Holders of Claims that vote to reject the Plan and affirmatively opt into the releases provided by the Plan; and (i) all Holders of Claims or Interests that abstain from voting (or are otherwise not entitled to vote) on the Plan and affirmatively opt into the releases provided by the Plan; *provided that*, if the Asset Purchase Agreement is terminated, Purchaser and each of its Related Parties shall not be “Releasing Parties” under the Plan.

Item 3. Contributed Third-Party Claims.

If the Plan is confirmed, all causes of action that the Debtors are entitled to bring against third parties not released under the Plan (the “Litigation Targets”) will be transferred to the Wind-Down Entity. In addition to these causes of action that can only be commenced by the Wind-Down Entity, certain creditors may have direct causes of action against the Litigation Targets. However, it is difficult and expensive for individual creditors to sue third parties for losses. Accordingly, creditors can elect to contribute direct causes of action to the Wind-Down Entity. By opting in to contribute causes of action to the Wind-Down Entity, you are giving the Wind-Down Entity the right to pursue those direct causes of action on your behalf together with other creditors. As a result, the Wind-Down Entity will be able to use its resources to sue the Litigation Targets on those direct causes of action, and all recoveries will inure to the benefit of all creditors and not just those that agreed to contribute their claims. For the avoidance of doubt, the decision to “opt in” to contribute third-party claims is entirely voluntary, and the failure to “opt in” does not prejudice any electing creditors’ rights.

By electing such option on this Ballot, you agree that, subject to the occurrence of the Effective Date and the formation of the Wind-Down Entity, you will be deemed, without further action, (i) to have irrevocably contributed your Contributed Third-Party Claims to the Wind-Down Entity, and (ii) to have agreed to execute any documents reasonably requested by the Debtors or the Wind-Down Entity to memorialize and effectuate such contribution.

The Committee strongly encourages you to elect to contribute your Contributed Third-Party Claims to the Wind-Down Entity, which will allow the Wind-Down Entity to potentially seek greater recoveries for the benefit of Holders of Claims and Interests.

☐

By checking this box, you elect to contribute your Contributed Third-Party Claims to the Wind-Down Entity.

Definitions Related to Contributed Third-Party Claims:

Under the Plan, “**Contributed Third-Party Claims**” means all direct Causes of Action that any Contributing Claimant has against any Person (other than a Debtor) that had a direct relationship with the Debtors, their predecessors, or respective affiliates and that harmed such Contributing Claimant in the claimant’s capacity as a creditor of Voyager, including (a) all Causes of Action based on, arising out of, or related to the marketing, sale, and issuance of Cryptocurrency that at any point was held or offered on Voyager’s platform; (b) all Causes of Action based on, arising out of, or related to the alleged misrepresentation of any of the Debtors’ financial information, business operations, or related internal controls; and (c) all Causes of Action based on, arising out of, or related to any alleged failure to disclose, or actual or attempted cover up or obfuscation of, any of the Debtors’ conduct prior to the Petition Date; *provided, however*, that Contributed Third-Party Claims do not include (i) any derivative claims of the Debtors; (ii) any direct claims against the Released Parties; (iii) any direct Causes of Action that any Contributing Claimant has against Mark Cuban, Dallas Basketball Limited d/b/a Dallas Mavericks, the National Basketball Association, and any of their

Related Parties; or (iv) any direct Causes of Action that any Contributing Claimant, in its capacity as an equity holder of Voyager Digital Ltd., has that are asserted in the currently filed complaint, dated as of July 6, 2022, in the Ontario Superior Court of Justice by Francine De Sousa, against Voyager Digital Ltd., Stephen Ehrlich, Philip Eytan, Evan Psaropoulos, Lewis Bateman, Krisztian Toth, Jennifer Ackart, Glenn Stevens, and Brian Brooks.

Item 4. Certifications.

By signing this Opt In Notice, the undersigned certifies:

- (a) that, as of the Record Date, either: (i) the Entity is the Holder of the Claims or Interests set forth in Item 1; or (ii) the Entity is an authorized signatory for an Entity that is a Holder of the Claims or Interests set forth in Item 1;
- (b) that the Holder has received a copy of the *Notice of (I) Non-Voting Status to Holders of Impaired Claims or Interests Conclusively Deemed to Reject the Plan, (II) Opportunity to Opt In to the Third-Party Releases, and (III) Opportunity to Contribute Third-Party Claims* and that this Opt In Notice is submitted pursuant to the terms and conditions set forth therein;
- (c) that the Entity has submitted the same respective election concerning the releases with respect to all Claims or Interests in a single Class set forth in Item 1; and
- (d) that no other Opt In Notice with respect to the amount(s) of Claims or Interests identified in Item 1 have been submitted or, if any other Opt In Notices have been submitted with respect to such Claims and Interests, then any such earlier Opt In Notices are hereby revoked.

Counsel to the Debtors and Debtors in Possession

OPTIONAL: RELEASE OPT IN NOTICE

You are receiving this Opt-In Notice because you are a Holder of a Claim or Interest that is not entitled to vote on the Plan. Article IV of the Plan contains certain information regarding contribution of Contributed Third-Party Claims. Article VIII of the Plan contains certain release, injunction, and exculpation provisions, including the Third-Party Releases set forth below. You are advised to carefully review and consider the Plan, including the release, injunction, and exculpation provisions, as your rights may be affected. **Your decision to complete and return the Opt-In Notice is entirely voluntary and not a requirement under the Plan or applicable law.**

If you choose to opt into the Third-Party Release set forth in Article VIII.B of the Plan and/or to contribute your Contributed Third-Party Claim(s) to the Wind-Down Entity, you may submit your election to opt-in by submitting the electronic version of your Opt In Notice through the e-balloting portal (the “E-Balloting Portal”), which can be accessed via the Debtors’ restructuring website, <https://cases.stretto.com/Voyager/balloting>, according to instructions provided below

THIS OPT IN NOTICE MUST BE ACTUALLY RECEIVED BY THE CLAIMS, NOTICING, AND SOLICITATION AGENT BY FEBRUARY 22, 2023, AT 4:00 P.M. PREVAILING EASTERN TIME (THE “OPT IN DEADLINE”).

Item 1. Amount of Claim or Interest.

The undersigned hereby certifies that, as of January 10, 2023 (the “Voting Record Date”), the undersigned was the Holder of Claims or Interests in one or more of Classes 5, 6 or 9 in the following aggregate amount of claims or interests (insert amount in box below):

Class 5 \$ _____

Class 6 \$ _____

Class 9 Share Amount _____

Item 2. Important information regarding the Third-Party Release.

AS A HOLDER OF A CLAIM OR INTEREST, YOU ARE A “RELEASING PARTY” UNDER THE PLAN IF YOU OPT IN TO THE RELEASES CONTAINED IN THE PLAN. YOU MAY CHECK THE BOX BELOW TO ELECT TO GRANT THE RELEASE CONTAINED IN ARTICLE VIII.B OF THE PLAN. YOU WILL BE CONSIDERED A “RELEASING PARTY” UNDER THE PLAN ONLY IF (I) THE COURT DETERMINES THAT YOU HAVE THE RIGHT TO OPT IN TO THE RELEASES AND (II) YOU CHECK THE BOX BELOW AND SUBMIT THE OPT IN NOTICE BY THE OPT IN DEADLINE.

☐

By checking this box, you elect to opt IN to the Third-Party Releases.

Article VIII.B of the Plan contains the following Third-Party Release:

Except as expressly set forth in the Plan, effective on the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, from any and all Causes of Action, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, including any derivative claims asserted or assertable on behalf of any of the Debtors, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors’ out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions, or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date, *provided that* nothing in Article VIII.B of the Plan shall be construed to release the Released Parties from actual fraud, willful misconduct, or gross negligence as determined by a Final Order.

Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the releases described in Article VIII.B of the Plan, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court’s finding that each release described in Article VIII.B of the Plan is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors’ business judgment; and (7) except to the extent contemplated by Article IV.E and Article IV.F of the Plan, a bar to any of the Releasing Parties or the Debtors or Wind-Down Debtors or their respective Estates or Wind-Down Entity asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

Definitions Related to the Debtor Release and the Third-Party Release:

3. Under the Plan, “*Released Parties*” means, collectively, in each case in its capacity as such: (a) the Debtors; (b) the Wind-Down Debtors; (c) the Committee, and each of the members thereof; (d) each of the Released Professionals; (e) Purchaser and each of its Related Parties; and (f) each of the Released Voyager Employees (subject to the limitations contained in Article IV.E and Article IV.F of

the Plan); *provided that*, if the Asset Purchase Agreement is terminated, Purchaser and each of its Related Parties shall not be “Released Parties” under the Plan.

4. Under the Plan, “**Releasing Parties**” means, collectively, in each case in its capacity as such: (a) the Debtors; (b) the Wind-Down Debtors; (c) the Committee, and each of the members thereof; (d) each of the Released Professionals; (e) each of the Released Voyager Employees; (f) Purchaser and each of its Related Parties to the extent Purchaser is able to bind such Related Parties; (g) all Holders of Claims that vote to accept the Plan and affirmatively opt into the releases provided by the Plan; (h) all Holders of Claims that vote to reject the Plan and affirmatively opt into the releases provided by the Plan; and (i) all Holders of Claims or Interests that abstain from voting (or are otherwise not entitled to vote) on the Plan and affirmatively opt into the releases provided by the Plan; *provided that*, if the Asset Purchase Agreement is terminated, Purchaser and each of its Related Parties shall not be “Releasing Parties” under the Plan.

Item 3. Contributed Third-Party Claims.

If the Plan is confirmed, all causes of action that the Debtors are entitled to bring against third parties not released under the Plan (the “Litigation Targets”) will be transferred to the Wind-Down Entity. In addition to these causes of action that can only be commenced by the Wind-Down Entity, certain creditors may have direct causes of action against the Litigation Targets. However, it is difficult and expensive for individual creditors to sue third parties for losses. Accordingly, creditors can elect to contribute direct causes of action to the Wind-Down Entity. By opting in to contribute causes of action to the Wind-Down Entity, you are giving the Wind-Down Entity the right to pursue those direct causes of action on your behalf together with other creditors. As a result, the Wind-Down Entity will be able to use its resources to sue the Litigation Targets on those direct causes of action, and all recoveries will inure to the benefit of all creditors and not just those that agreed to contribute their claims. For the avoidance of doubt, the decision to “opt in” to contribute third-party claims is entirely voluntary, and the failure to “opt in” does not prejudice any electing creditors’ rights.

By electing such option on this Ballot, you agree that, subject to the occurrence of the Effective Date and the formation of the Wind-Down Entity, you will be deemed, without further action, (i) to have irrevocably contributed your Contributed Third-Party Claims to the Wind-Down Entity, and (ii) to have agreed to execute any documents reasonably requested by the Debtors or the Wind-Down Entity to memorialize and effectuate such contribution.

The Committee strongly encourages you to elect to contribute your Contributed Third-Party Claims to the Wind-Down Entity, which will allow the Wind-Down Entity to potentially seek greater recoveries for the benefit of Holders of Claims and Interests.

☐

By checking this box, you elect to contribute your Contributed Third-Party Claims to the Wind-Down Entity.

Definitions Related to Contributed Third-Party Claims:

Under the Plan, “**Contributed Third-Party Claims**” means all direct Causes of Action that any Contributing Claimant has against any Person (other than a Debtor) that had a direct relationship with the Debtors, their predecessors, or respective affiliates and that harmed such Contributing Claimant in the claimant’s capacity as a creditor of Voyager, including (a) all Causes of Action based on, arising out of, or related to the marketing, sale, and issuance of Cryptocurrency that at any point was held or offered on Voyager’s platform; (b) all Causes of Action based on, arising out of, or related to the alleged misrepresentation of any of the Debtors’ financial information, business operations, or related internal controls; and (c) all Causes of Action based on, arising out of, or related to any alleged failure to disclose, or actual or attempted cover up or obfuscation of, any of the Debtors’ conduct prior to the Petition Date; *provided, however*, that Contributed Third-Party Claims do not include (i) any derivative claims of the Debtors; (ii) any direct claims against the Released Parties; (iii) any direct Causes of Action that any Contributing Claimant has against Mark Cuban, Dallas Basketball Limited d/b/a Dallas Mavericks, the National Basketball Association, and any of their
